This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.

+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.

+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.

+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. Attest: ARTHUR L. JACKSON, *Clerk.*

Attention being called to the illness of Mr. James Yereance, the Moderator requested Rev. George F. Pentecost, D.D., to offer prayer in his behalf.

Chaplain Eli Bertalot, a representative of the Waldensian Church, made an address on the work among the Waldensians, to which the Moderator made suitable response.

Rev. Alexander MacColl, D.D., in behalf of the Local Committee of Arrangements, presented to the Moderator a gavel containing woods from the handle of a collection bag used in the Second Presbyterian Church of Philadelphia, in the early days; from the original pulpit of the First Presbyterian Church, the mother church of American Presbyterianism; and from an old store at Second and Chestnut Streets which was one of the meeting-places of Presbyterians in the very early days of Philadelphia.

The Moderator made suitable response to this presentation.

The Committee of Arrangements formally introduced to the General Assembly, through the Moderator, the Hon.

William C. Sproul, Governor of Pennsylvania, and Hon. J. Hampton Moore, Mayor of Philadelphia, both of whom addressed the Assembly. The Moderator made response to these addresses.

The Executive Commission through its Chairman, Dr. John Willis Baer, presented its Report, which was accepted. Sections I–III, VI–VIII and X, were approved. Section V was amended by adding "this specific" in recommendation 2, and adopted. The matter under Section IX referring to the Chosen or Korea Mission with the recommendation thereon was adopted, and the action of the General Assembly of 1913, with reference to Overtures and Papers sent to the Executive Commission was confirmed. Section XI was adopted. Section XIII was referred for action to the Committee on Bills and Overtures. Action was deferred upon the remainder of the Report.

The Findings of the Home Mission Council were presented to the Assembly and on motion referred to the Standing Committee on Home Missions.

The Permanent Committee on Evangelism, through its Chairman, Mr. Charles L. Huston, presented its report. Pending the adoption of the recommendations, an address was made by the Rev. George G. Mahy, D.D., Secretary. The report was adopted with its recommendations as follows:

In presenting for the consideration and action of the Assembly the resolutions which are here offered, your Committee calls attention to the fact that they are very similar to the resolutions offered last year, and particularly that the items under Resolution 2 are unchanged, for the reason that the policy of the Committee, which the last Assembly confirmed, has not been changed by any developments which have occurred during the past year.

Resolved, 1. That the Moderator appoint, for the term of three years, six members, three of whom shall be pastors and three elders, because the term of office of the following members expires with this Assembly, *i. e.*, Rev. Eben B. Cobb, D.D., Rev. Stephen S. Estey, D.D., Rev. Minot C. Morgan, D.D., Mr. Angus McLeod, Mr. Ralph W. Harbison, and Mr. E. R. Brown. Because of the interest and efficiency of these members the Committee expresses the hope that they will be reappointed.

Resolved, 2. That the Assembly instructs the Permanent Committee on Evangelism:

(1) To exercise all the powers conferred upon it and to perform the duties entrusted to it, by this and previous Assemblies; to inaugurate a comprehensive plan for the development of the evangelistic spirit and the direction of the evangelistic work of the Church on an expanding program with the assistance of other Agencies of the Assembly in its execution.

(2) To continue among the presbyteries the work of organizing their Evangelistic Committees, that they may be enabled to formulate and carry out such plans for evangelistic work as will reach every church within their bounds.

(3) With this end in view to arrange, as in former years, for Evangelistic Institutes and Conferences in various sections of the country, with Synodical Committees, Presbyterial Evangelistic groups, and with the committees of individual presbyteries.

(4) To assist, as far as possible, presbyteries which have voted to enter upon definite Evangelistic Campaigns in accordance with the suggestions of the Assembly's Committee, and to furnish these presbyteries with help in the matter of organization for personal service and evangelistic preaching to the full extent of the Committee's resources.

(5) To enlarge the scope of its correspondence with individual churches and to provide an increased distribution of literature among them to be sent only on request, and particularly to keep in touch, through the sessions, with those churches which are pastorless or only irregularly supplied.

(6) To carry on the work of College Evangelism in connection with the General Board of Education through a Joint Committee on College Work, which shall be composed of an equal number of members of the Board of Education and the Permanent Committee on Evangelism, and to meet its share of the cost of this coöperative work.

Resolved, 3. That the Committee be authorized to coöperate with the Evangelistic Commission of the Federal Council of Churches and with the Evangelistic Committees of other denominations, and that the General Secretary of the Evangelistic Committee be authorized to carry on such work as may be necessary in the capacity of General Secretary of the Evangelistic Committee of the World Presbyterian Alliance; and that the Assembly authorize the Committee to take any further action towards coöperative work in evangelism which may appear to the Committee to be wise and productive of the best results.

Resolved, 4. That the Assembly calls upon all the churches to coöperate with the Committee on Evangelism as its distinctive Agency appointed to stimulate the evangelistic

spirit and direct the evangelistic work of the Church, and that it urges upon all pastors and sessions to give their utmost time and strength to the fundamental work of evangelism; that in every Church its truest members may be set apart, trained and assigned to the work of personal evangelism, and that special seasons be set aside for prayer and for an intensive presentation of the evangelistic message, and particularly that pastors are requested to coöperate with presbyterial committees in such evangelistic programs as the several presbyteries may adopt.

Resolved, 5. That the Assembly again calls upon synods and presbyteries to establish or strengthen their committees on evangelism, and where these committees have failed by reason of inefficient leadership, or have been abandoned by presbyteries for any cause, that they be recreated as standing committees on evangelism in order that the Permanent Committee on Evangelism may through them contribute the largest possible coöperative service in men and money for the carrying forward of the evangelistic work of the churches.

Resolved, 6. That the Assembly notes with regret the failure of the Permanent Committee on Evangelism to receive last year an adequate budget for its work, and requests such action as will yield the Committee a budget sufficient to meet the need for enlarged service which the very definite calls from the field reveal.

Resolved, 7. That the Moderator and the Stated Clerk of the General Assembly be ex-officio members of the Committee, and that the Committee be authorized to appoint special representatives to coöperate with it in its work throughout the Church.

Respectfully submitted,
CHARLES L. HUSTON, *Chairman.*

The following telegram was received from the General Synod of the Reformed Church in the United States:

READING, PA., May 20, 1920.

To the General Assembly of the Presbyterian Church in the U. S. A., Philadelphia, Pa.:

The General Synod of the Reformed Church in the United States assembled in triennial session at Reading, Pennsylvania, extends fraternal greetings and felicitations to the General Assembly of the Presbyterian Church in the U. S. A. and prays that God may use you in ever larger measure in the leadership of a United and Conquering Church of Christ.

GEORGE W. RICHARDS, *President;*
J. RAUCH STEIN, *Stated Clerk;*
HOWARD OBOLD, *Corresponding Sec.*

The Moderator and the Stated Clerk by authority of the Assembly made the following reply:

To the General Synod of the Reformed Church in the United States, Reading, Pa.:

The Presbyterian General Assembly acknowledges the fraternal greetings of the General Synod of the Reformed Church in the United States. We invoke the divine blessing upon you and your Assembly.

SAMUEL S. PALMER, *Moderator;*
WILLIAM H. ROBERTS, *Stated Clerk.*

Rev. Charles R. Erdman, D.D., assisted by the McCormick Theological Seminary Quartet conducted the devotional services, after which the Assembly took recess until 2.30 P. M., and was closed with prayer.

FRIDAY, May 21, 1920, 2.30 o'clock P.M.

The Assembly met according to appointment in the First Presbyterian Church, and was opened with prayer by Rev. Edward Campbell, D.D.

Rev. H. C. Swearingen, D.D., requested that he be excused as Chairman of the Standing Committee on Home Missions on account of pressing duties in connection with the work of the Assembly. The request was granted, and the Moderator appointed Rev. John E. Bushnell, D.D., as Chairman of the Committee.

The Rev. Edwin N. Hardy, Ph.D., General Field Secretary of the American Tract Society, was introduced and addressed the Assembly on the work of the Society. The following presented by Rev. George H. Hemingway, D.D., was then adopted:

The Assembly rejoices with the American Tract Society in the celebration of its ninety-fifth anniversary, closing a year characterized as "the best, most successful and most encouraging for years," with a substantial increase in the work accomplished, a twenty-five per cent. gain in the contributions from churches and individuals, and an enlarged list of donors.

The Society, while continuing the best characteristics of its past work, serving and strengthening all the Evangelical Churches by ministering to the religiously neglected, is now rendering unique service in Americanizing and Christianizing

the millions of non-English speaking people here by the publication of "The Manual of American Citizenship," and similar literature in various languages.

The American Tract Society, as a pioneer in the field, is meeting the challenge of exceptional opportunities in Latin America by new and approved Spanish publications. Here, as elsewhere, providing material for the use of all Churches, and by its own colporters, successfully ministering to those who otherwise would be unreached.

One of the most effective methods of reaching and influencing people, is by the means of the printed page in the languages the people use. Forces hostile to the family, the State and the Church have been quick to recognize the fact and to act upon it and are now flooding the United States and the world with their baneful literature. The American Tract Society is using its experience and equipment in counteracting the alarmingly destructive anti-Christian propaganda by the circulation of positive, constructive, up-to-date, Christian literature.

In this age of unbelief, religious indifference and increasing atheism, the Society ever exalts the name of the Lord Jesus Christ, where the vitalizing vision of Him is the supreme need and only ultimate hope of the future.

Therefore, Be it Resolved, That the Assembly heartily approves and endorses the unique, indispensable and world-wide service of the American Tract Society, and earnestly commends it as worthy of generous support and urges every Presbyterian pastor and session to include the Society in its financial budget for an annual offering.

The Assembly was addressed in behalf of the American Bible Society, by the Secretary of the Society, Mr. Frank H. Mann, and after discussion, the following resolutions presented by Rev. James Oscar Boyd, D.D., were adopted.

WHEREAS, The American Bible Society has organized an Advisory Council composed of one official representative of each denomination contributing to its funds, whose function is to assemble at least once a year to confer with the officers of the Society in the preparation of its budget, be it

Resolved, That the Moderator of the General Assembly be and he hereby is authorized to represent the Presbyterian Church in the U. S. A. on the Advisory Council of the American Bible Society, and in the event of his not being able personally to attend the meeting, he is authorized to appoint a substitute who shall officially represent the denomination.

WHEREAS, The American Bible Society has permanently set aside the last Sunday in November of each year as Universal Bible Sunday, and will prepare for the use of ministers

and other Christian workers appropriate literature for their use at that time, and

WHEREAS, This year the occasion will be made an opportunity for the celebration of the tercentenary of the landing of the Pilgrim Fathers, be it

Resolved, That the General Assembly express its hearty endorsement of the plan of the American Bible Society for celebrating the last Sunday in November, 1920, as Mayflower Universal Bible Sunday, in commemoration of the tercentenary of the landing of the Pilgrim Fathers with the open Bible, and that all ministers of the churches be called upon to coöperate in the appropriate remembrance of this occasion.

The Assembly was addressed in behalf of the Presbyterian Historical Society by Rev. Joseph B. Turner, D.D., General Secretary.

The Standing Committee on Bills and Overtures, through its Chairman, Rev. J. B. Laird, D.D., having received from the Stated Clerk of the Assembly the List of Overtures so far as printed, and also additional Overtures received from the Presbyteries and in other communications, submitted the entire list to the Assembly as follows:

"Inasmuch as the Assembly's Executive Commission has declined to consider the Presbytery's protest against the excessive cost of raising benevolent and missionary funds by the Board's Agencies, namely, the New Era and Interchurch, the Presbytery, having no doubt that the matters complained of are within the express jurisdiction of the Commission, while heartily commending the aims and general plans of the New Era Movement, hereby directs that its delegation to the Assembly shall move to secure a review of the Commission's decisions in so far as they relate to the budgets and expenditures of the Board's New Era and Interchurch Agencies, and that the Stated Clerk be instructed to correspond with the Presbyteries, inviting their coöperation in seeking such review. If the Presbyteries in sufficient number give a favorable reply to such coöperation, the Executive Commission be, and hereby is authorized to collaborate with such Presbyteries in arranging a program for further action, before and at the Assembly."

These Overtures refer to the action of said Council in amending its "Plan of Organic Union," by changing the word

"evangelical" to "Christian," and they petition the Assembly, "not to give its assent or in any way commit the Church to any plan or union, or any united Council, membership in which is not limited definitely to evangelical Churches," etc.

"WHEREAS, Since this action was taken, the cost of transportation has so increased as to make it a hardship on the missionary to meet the moving expenses of himself and family, therefore, be it

The report of the Permanent Committee on Sabbath Observance made through its Chairman, Rev. Harmon H. McQuilkin, D.D., was presented and pending the adoption of the Report, the Assembly was addressed by Rev. Harry L. Bowlby, D.D. The report was approved and the following resolutions were adopted:

1. That this General Assembly realizing the varied and vexing forms of Sabbath desecration rendered the more acute through the letting down of the bars during the World War, many of these forms of desecration gripping multitudes of Church members and erecting mountainous temptations before the young people, constituting a serious menace to the spiritual life of the Church, its membership and the home, urges all pastors to study carefully this perplexing problem and to preach at least one Sunday morning and evening sermon, pointed and practical, on this vital issue during the fiscal year, it being suggested that one of these sermons be delivered on "Lord's Day Sunday" which falls on the first Sunday after Easter.

2. That this Assembly emphatically disapproves all secular uses of the Sabbath Day, including games and sports, the Sunday newspaper, a serious menace to home and individual religion, vigorously condemns the commercial Sunday motion picture shows and all attempts to legalize them and the Sunday game propaganda of powerful baseball leagues.

3. That realizing the increasing demand of certain elements for a loose interpretation of the Sunday laws, the more noticeable since the issuance of the death warrant to John Barleycorn, and their demand for the repeal of these wholesome statutes, we most earnestly urge all public officials faithfully to enforce these laws, commend them for so doing and call upon all our people to aid in keeping these measures on the statute books, and to secure the enactment of similar beneficial legislation where needed.

4. That the General Assembly recommends that a Sabbath Observance Committee be organized in each Synod, of which the Chairman of each Presbytery's Committee on Sabbath Observance shall be at least a corresponding member, and that these Committees shall coöperate with the Permanent Committee on Sabbath Observance, and also with the Lord's Day Alliance of the United States and its affiliated societies where such exist.

5. That we recommend the work of the Lord's Day Alliance of the United States and that of its affiliated societies, deeply appreciate its great measure of success in defending our Sabbath, in defeating scores of anti-Sabbath bills, its aggressive work and splendid success in opposing many attempts to secure improper and evil Sunday legislation, and in bringing chiefly through coöperation with employers the weekly rest day to multitudes of Government employees, and great corporations, and approve its purpose to secure wise and efficient Sunday and weekly rest day legislation for the laboring forces, heartily endorse the plan of the Saturday half holiday and give assurance to labor of our readiness to coöperate with it in every righteous way to accomplish this worthy end.

6. That we commend the Lord's Day Alliance of the United States and the Pastor's Federation of Washington for combining forces to secure the early enactment of a Sunday Rest Day Law for the District of Columbia and call upon our churches to coöperate with them for the realization of this desired end; and that we give all possible help to the Lord's Day Alliance in the movement it has launched to bring about a national re-enforcing and safeguarding of the State Sunday Laws.

7. This Assembly notes with gratification the maturing

plans of the Permanent Committee for a strong, constructive educational campaign throughout the Church by means of literature and chosen speakers, to bring to the attention of our people the fundamental principles that underlie the whole problem of Sabbath Observance, and to awaken them to a realization of the extraordinary dangers that to-day threaten this basic institution of our social and religious life as a nation; and pledges its hearty support in the prosecution of this program.

8. That the members of the Committee of the Class of 1920, viz., Rev. Wallace Radcliffe, D.D., Rev. Frank C. Monfort, D.D., Rev. M. D. Kneeland, D.D., Hon. John Wanamaker, Mr. Robert Johnson, and Mr. George D. Dayton, be re-elected for the three year period.

Overtures Nos. 239 and 240 from the Presbyteries of Washington City and Indianapolis, having been referred to the Permanent Committee on Sabbath Observance, the following resolutions were presented and adopted:

Resolved, 1. That inasmuch as the American Christian Sabbath is greatly imperiled, we memorialize the General Assembly to ask the Synods, Presbyteries and Sessions to accept a responsibility for leadership in restoring and improving Sabbath Observance, and to resist weakening changes proposed in Sunday laws; also to strengthen them wherever possible to make them accord with God's standard in Exodus XX:1-16, and Isaiah LVIII : 13, 14; and to present this standard persistently through pulpit, platform and press, and by leaflets distributed from door to door, especially among immigrants, in the languages which they understand.

Resolved, 2. That the General Assembly re-affirms its action of 1919, in regard to the desecration of the Sabbath, by Sunday motion picture shows, and in view of the organized effort of the motion picture men to secure legislation in the support of the commercial Sunday movie in all our cities and towns of all the States in our country, that we call upon all our pastors and churches to exert every possible influence to prevent this outrageous desecration of the Sabbath Day, and to lend all support to the Permanent Committee of the General Assembly on Sabbath Observance, and also to co-operate with other denominations, the Lord's Day Alliance, church federations and organizations which seek to preserve our Sabbath for worship and rest.

The following resolution was presented and adopted:

Resolved, That the General Assembly of the Presbyterian Church in the U. S. A., heartily endorses the Pocket Testa-

ment League as an agency of evangelism and religious education, and special attention is called to the work which is being done in America's factories and mills by the Business Men's Council of the Pocket Testament League by placing the Word of God in the hands of our toilers and winning them for the Master. "The only solution for the world troubles is the religion of Jesus Christ as revealed in His Word."

A Commissioner from the Presbytery of San Jose, Rev. Walter Hays, D.D., having been taken sick in Kansas on his way to the General Assembly, the Stated Clerk was directed to send to him a message of sympathy, and to authorize the Treasurer to pay his expenses so far as incurred.

The following resolution was presented and adopted:

Resolved, That every resolution adopted by this Assembly be printed and so arranged as to be in the hands of the Commissioners within thirty days, if it can be done.

After prayer by Rev. J. Jordan Jones, D.D., of the former Welsh Presbyterian Church, the Assembly adjourned to meet Monday morning at 9 o'clock.

A dinner was given at 6.30 Saturday evening under the auspices of the Permanent Committee on Men's Work at the Scottish Rite Hall. Addresses were made by Drs. John Kelman, John Willis Baer, W. H. Foulkes and John Timothy Stone.

Popular Meetings were held on Sunday, May 23d, at 3 P.M., in behalf of the Home Missions, at the Second Church, addressed by Mr. Fleming H. Revell and Dr. Nicholas Murray Butler; at 4 P.M., in behalf of Temperance and Moral Welfare, addressed by Mrs. Maud Ballington Booth; at 4 P.M., in behalf of Foreign Missions, at the First Church, addressed by Rev. F. S. Coan of West Persia, and Mr. Samuel Higginbottom of North India; at 8 P.M., in behalf of Education, at the St. Paul Church, the Second Church and the First Church of Germantown; and at 8 P.M. in Bethlehem Church in behalf of Sabbath Observance, addressed by Drs. Maitland Alexander, Mark Matthews, H. L. Bowlby, W. L. Whallon and S. S. Palmer, Moderator.

MONDAY, May 24, 1920, 9.00 o'clock A.M.

The Assembly met and was opened with prayer.

The Minutes of Saturday's session were read and approved.

The Permanent Committee on Commissions reported the following Commissioners who were duly enrolled:

Ruling Elders—S. C. Hartranft, of the Presbytery of Los Angeles, and James M. Speers, Presbytery of Newark.

The Committee on Bills and Overtures through its Chairman, John B. Laird, D.D., presented a supplemental report which was adopted and is as follows:

The Committee on Bills and Overtures respectfully reports, recommending that *Overture No. 290*, on the Interchurch World Movement be referred to the Executive Commission.

The Presbyterian Commission in coöperation with the World's Alliance for International Friendship through the Churches presented through its Chairman, Rev. Arthur J. Brown, D.D., the following report, and the recommendation was adopted.

The purpose of this Alliance is to organize the religious forces of the world so that the weight of all churches and Christians can be brought to bear upon the relations of governments and peoples, to the end that the spirit of peace and goodwill may prevail, and that there may be substituted arbitration for war in the settlement of international disputes; friendship in place of suspicion and hate; coöperation instead of ruinous competition; and a spirit of service and sacrifice rather than that of greed and gain in all transactions between nations. It was established at a Conference which began its sessions August 1, 1914, in Constance, in response to the call of a group of Swiss pastors, and continued its sessions in London. Ninety delegates were present from several nations, and they were unanimous in their agreement that, "inasmuch as all sections of the Church of Christ are equally concerned in the maintenance of peace and the promotion of good feeling among the races of the world, it is advisable for them to act in concert in their efforts to bring it about." As its name signifies, it is a world organization. National Councils have been established in fourteen countries, as follows: America, Great Britain, France, Belgium, Holland, Germany, Italy, Switzerland, Hungary, Denmark, Finland, Norway, Sweden and Latvia (Letland). The World Alliance works in close coöperation with The Church Peace Union and the Federal Council of the Churches of Christ in America, in this way economizing and conserving its work and doing away with the necessity for setting up new machinery.

The specific objects for America are:

1. To stimulate discussion with a view to intelligent judgment on problems of world justice, world friendship, world organization, and a League of Nations.

2. To foster just and friendly relations between our

country and all other nations, especially China and Japan, also Mexico and the other nations in the Western Hemisphere, and to defeat the attempt now being made to stir up enmity and discord between the white and yellow races.

3. To foster right relations between the foreign born and native groups in America.

4. To enlist and organize the Churches and Christians of America for concerted action in matters of international righteousness and goodwill through the medium of our Local Committee on Coöperation with the World Alliance.

Following the plans of the year 1918, and in harmony with the action of the last General Assembly, the American Council has continued its efforts to secure a League of Nations. Early in the year a program of education was inaugurated, and after the Treaty of Versailles was signed, a more active campaign in its behalf was conducted. This activity has been the most important work of the year, because it has seemed that upon the ratification of the Treaty and the setting up of the League of Nations will depend the success of all we may attempt to do toward the establishment of better international relations during the next decade.

For twelve months a vigorous literature campaign was conducted. Early in the year a Study Discussion Outline on the League of Nations was prepared and distributed to 100,000 ministers. Churches, colleges, universities and clubs used the pamphlet. The subjects treated were as follows:

(1) The Plan, its Meaning and Development.
(2) The Framework of the League.
(3) The Immediate Duties of the League.
(4) The League and the Questions of Armaments.
(5) The League as a Coöperative Enterprise.
(6) The Price of a League of Nations.

In addition to this an outline entitled, "A Governed World Through A League Of Nations," prepared by Dr. Sidney L. Gulick, was also widely circulated and used among study groups.

Presbyterian Churches were repeatedly urged to write letters to their Senators urging them to take a stand in ratification of the League Covenant, and also to urge their friends to write to their Senators, to secure strong resolutions wherever possible, and to send them to their senators and to Senator Lodge, Chairman of the Foreign Relations Committee. The resolution passed by the Presbyterian General Assembly was widely used. It was sent to every Member of Congress, to the President and to the Press. In September and October of 1919, the World Alliance took part in an additional campaign of the National Committee on the

Churches and the Moral Aims of the War. This campaign covered the States of Maine, New Hampshire, Vermont, Massachusetts, Rhode Island, Connecticut, Pennsylvania, New Jersey, Illinois, Missouri, Minnesota, North Dakota, South Dakota, Kansas, Nebraska, New York, Delaware, Ohio, Wisconsin and Iowa. Wherever possible the Presbyterian Commission coöperated in this piece of work. The Associate Secretary of the World Alliance reports that three men were secured to go through these states, in order to confer with ministerial groups and with local newspapers on the question of the Covenant ratification. A letter was addressed to 80,000 ministers, enclosing: (a) An official statement made by the denomination to which the clergyman belonged; (b) Resolutions passed by the Federal Council of Churches; (c) A copy of Dr. Frank Crane's article on the A. B. C. of the League of Nations; (d) A return stamped postcard as follows:

"I am in favor of a League of Nations and hereby give you permission to sign my name to a petition that is to be presented to the Senate, which reads as follows:

'We, the undersigned clergymen, urge the Senate of the United States to ratify the Peace Treaty embodying the League of Nations Covenant at the earliest possible date, without amendments or such reservations as would require resubmission of the Treaty to the Peace Conference and Germany.'"

To this request 16,125 ministers answered favorably, and only 805 unfavorably. Most of the 805 were not opposed to a League of Nations, but were not quite sure as to the present Covenant. The favorable replies were grouped into a monster petition and sent to Vice-President Marshall, who presented them to the Senate. The petition was read into the Congressional Record, and leaders in Washington say that it made a deep impression. "Here you have the voice of one great block made up of leading ministers from every state in the Union, and representing virtually every denomination, asserting that the Paris Treaty, embodying the League of Nations Covenant, should be promptly ratified."

In addition to the literature campaign a speaking campaign was carried on throughout the country. Some members of the Presbyterian Commission have spoken frequently on the subject, and have been influential in urging scores of other speakers to present the same theme. The Associate Secretary of the World Alliance, returning from a tour of thirty cities in the Middle West, in an effort to crystallize thought in favor of a League of Nations Covenant, stated that wherever he went he found Presbyterian ministers un-

folding to various bodies the need of a League and interpreting to them the articles of the present Covenant.

Passing to another part of the program of the World Alliance put into action during the last twelve months, early in the year the Alliance set before itself the difficult task of organizing 1000 local committees in the strategic centers of the United States. They have been called Committees on Coöperation, and are made up of five men, ministers and laymen. It has been a difficult piece of work, but over 500 of these committees have already been established. They form a connecting link between the National organization, the local community and the world-wide organization. They are organized on a community basis, in addition to the denominational and local church basis. The organization is inter-church and community-wide, as well as intra-church. These committees advocate a better world order, better relationships between the different nations, foster the organization of study groups, suggest a constructive course of study or discussion each year, provide at least one course of lectures open to the public, a series of sermons in the different churches, where possible publish bulletins, and in other ways seek to make the ideals of the World Alliance vital and effective in the local community.

In this crisis of the world's history, when the issue is between a pagan and a Christian world order, the pastors and members of churches cannot be silent. The Alliance is therefore confident of their coöperation in the efforts to further the growth of that spirit of goodwill which we desire to foster until it ripens into the general recognition of the brotherhood of nations.

Another activity that has been carried on through the office of the World Alliance, and with which the Chairman of the Presbyterian Commission has been closely connected, was the work of the Commission on the Interchange of Speakers and Preachers between Great Britain and America. This Interchange Committee prepared the schedules of the ministers visiting this country from England, and gave its endorsement to the preachers who go from this country to England under its auspices. One member of the Presbyterian Commission visited several countries in Europe last year, and made a valuable contribution toward fostering cordial relations between the British, American, French and German churches.

The program for the year 1920 is to follow up energetically the program of 1919; making effective in each community the work through the local committees that have been established; prepare for the meeting of the International Com-

mittee to be held in Geneva in August; study the relations between Mexico and the United States, and work for a peaceful solution of the problems involved, on the basis of a true Christian understanding; assist in furthering legislation in the United States that will do away with discriminatory acts in favor of one race of people as over against another; assist in the work of the Commission on Interchange of Speakers and Preachers between America, Great Britain and France; take part in the work of the Mayflower Council charged with the celebration of the Tercentenary of the Landing of the Pilgrims; carry on a campaign of education throughout the country concerning the development and operation of the League of Nations; issue a graded series of pamphlets on the spirit, purpose and constitution of the League of Nations, and other subjects pertaining to international organization and activities; publish a monthly magazine of international news of the movement; coöperate with the Commission on International Justice and Goodwill of the Federal Council of Churches of Christ in America; coöperate with the American Agencies in the work of feeding the famine stricken people of Central Europe; coöperate with those Agencies that are working for a new social order based on Christian principles; secure 10,000 members of the American Council of the World Alliance before 1921.

The movement is growing. We are assured by Dr. George Nasmyth, the International Organizer, that at least twenty National Councils of the World Alliance will be organized by the time the International Conference meets in Geneva in August. The Chairman of the Presbyterian Commission, who is also a member of the Executive Committee of the World Alliance, has been elected a delegate to that Geneva Conference. Fourteen National Councils have been established to date. Eight of them have their own publications, setting forth the work, plans and program of the Council.

The Commission recommends that it be continued, without expense to the General Assembly.

In behalf of the Commission,

ARTHUR J. BROWN, *Chairman.*

The Report of the Stated Clerk on the subject of the distribution of the Reports of the Boards was presented, and adopted as follows:

The Report of the Special Committee on Legal Matters in connection with the Reunion of 1906, was presented and adopted as follows:

The Special Committee on Legal Matters connected with the Reunion of 1906 respectfully presents its final Report to the General Assembly as follows:

By action of the last Assembly, this Committee was continued. There have been no changes in the Committee's membership, organization, or policy, and we are happy to report that it has not been necessary for the Committee to have any business meetings during the last year. We are encouraged to believe that this litigation is now at an end, and for this situation we are indeed very thankful, and the Church is to be congratulated.

The following resolutions are submitted for approval:

Resolved, 1. That the General Assembly tenders to all parties interested in this long litigation its hearty thanks for their fidelity to the principles asserted in the Reunion of 1906, and their loyalty to the acts of the General Assembly and the Church at large.

Resolved, 2. That the Committee be discharged with thanks.

In behalf of the Committee,

WM. H. ROBERTS, *Chairman*.

The Report of the Special Committee on the Digest was made and adopted:

The Committee on the Digest respectfully reports as follows:

After correspondence with the members of the Committee, the sub-joined statement is respectfully offered to the General Assembly as indicating the reasons why there has been further delay in the publication.

1. The chief reasons for the delay in publishing the Digest during the past ecclesiastical year have been the exceeding great cost of printing, more than double what it was three years past, and the illness of the Stated Clerk of the General Assembly.

2. The matter that would be included in the New Digest covers the period from 1908 to 1920, and is now to be found, so far as Church sessions are concerned, in the "Manual for Ruling Elders," issued by the Stated Clerk of the Assembly, and also, for other judicatories than the Session, in Bittinger's "Manual of Presbyterian Law and Usage," continued by the Stated Clerk up to and including the year 1918. According to the original constitution of this Committee, it is now composed of the Stated and Permanent Clerks of the General Assembly, with the Secretary of the Board of Publication. The editor of the Digest is the Stated Clerk of the Assembly. In 1915, the Rev. John V. Stephens, D.D., was added to act in relation to matters connected with the records of the Cumberland Presbyterian Church.

It is hoped that the Digest will be issued at an early date but at present cost of printing is prohibitive.

Respectfully submitted,

WM. H. ROBERTS, *Chairman.*

The Report of the Special Committee on Editions of the Constitution was presented and adopted, and is as follows:

The Committee on Editions of the Constitution respectfully reports that the Board of Publication and Sabbath-school Work has issued, under the supervision of the Committee, an edition of the Constitution including all amendments made up to June 1, 1918. Further, the volume containing separately the Form of Government and other administrative standards has been brought up to date. The work of preparation of both has been done in the office of the Stated Clerk of the Assembly, with the coöperation of the Permanent Clerk.

The Committee places on record its appreciation of the prompt and excellent work done by the Board of Publication in connection with these volumes.

Respectfully submitted,

WM. H. ROBERTS, *Chairman;*

In accordance with the above recommendation the following Committee of Canvass was appointed:

The Hon. James P. Goodrich, Governor of Indiana, was introduced and addressed the Assembly.

The hour having arrived for the reception of the deputation of the American Council on Organic Union of the Churches of Christ in America, Rev. J. Ross Stevenson, D.D., introduced to the Assembly Rev. George W. Richards, D.D., President of the General Synod of the Reformed Church in the U. S., Lancaster, Pa., Rev. Floyd W. Tomkins, D.D., Rector of the Holy Trinity Episcopal Church, Philadelphia, Pa., and Henry W. Jessup, Esq., of New York City. After addresses by these brethren the following resolution was presented and adopted:

Resolved, That the invitation presented to this Assembly by the Deputation of the American Council on Organic Union of the Churches of Christ, be referred to the Committee on Bills and Overtures, which has under consideration certain overtures relating to the Organic Union Plan, and that this whole matter be made the special order for Wednesday at 10 A.M., at which time the Committee on Bills and Overtures and the Committee on Church Coöperation and Union shall present their several reports (including the minority report).

The Committee on Church Coöperation and Union, through its Vice Chairman, Rev. J. Ross Stevenson, D. D., presented a report upon Closer Union with Reformed and Presbyterian Churches. The Report was received and adopted as follows:

At the last meeting of the General Assembly a message from the General Assembly of the Presbyterian Church U. S. was received which reads as follows:

To the General Assembly in session at St. Louis, Mo.

Our Assembly in response to your message of yesterday send the following: The General Assembly U. S. has re-

ferred to a Committee composed of one from each Synod, to be appointed by the Synods, the report of the Ad Interim Committee on Federal Union together with other papers bearing on relations with other Churches. This committee is to consider the whole question of closer relations, to report to the next Assembly.

THOS. H. LAW, *Stated Clerk.*

In response to this communication our Assembly authorized the Committee on Church Coöperation and Union to continue negotiations for Union and on the whole question of Closer Relations to the Presbyterian Church in the U. S. with the Committee appointed by the General Assembly of said Church. This Committee through its Chairman, the Rev. A. M. Fraser, D.D., invited your Committee along with similar committees from other bodies to attend a conference on the whole subject of Closer Relations. As indicated elsewhere in this report five joint conferences have been held at which the Presbyterian Church in the U. S., the Reformed Church in the U. S., the United Presbyterian Church and our own Church have been represented.

1. The question of complete Organic Union has been faithfully considered and in line with the instructions of our last Assembly (see *Minutes*, p. 253), your Committee reported to the Committee of the Presbyterian Church in the U. S. that actual Organic Union is what our Church desires. The Committee of the Presbyterian Church in the U. S. maintains, as heretofore, that however desirable Organic Union may be, the Southern Church is not now ready for it, and to make such union an issue would promote division rather than unity.

2. The plan of having a combined Assembly but with separate Synods for each of the Churches coming into such Union, was fully discussed, but no agreement could be reached.

3. A great deal of earnest thought and discussion has been devoted to the Regional or Provincial Assembly idea, with the conclusion reached that it would not be expedient or desirable to divide the Churches along sectional lines for what might be accomplished in the direction of union.

4. In a further consideration of a Plan of Union through a Federal Assembly such as was proposed last year, your Committee took the ground that what is contemplated in such a Plan is already provided for in the Council of the Reformed Churches in America holding the Presbyterian System. This Council for more than a decade has been receiving the support of its constituent bodies, and has been making real progress

towards the union of our Reformed and Presbyterian Churches. A year ago our Assembly took action with a view to strengthening this Council and to making it a more efficient factor for the unification of our Presbyterian forces. Under its direction our Foreign Boards are already planning for united work. Representatives of the Reformed Church in the U. S., and of the United Presbyterian Church, joined us in representing to the Committee of the Presbyterian Church in the U. S. that any measures for what is commonly called Federal Union could most appropriately be considered in connection with the Council of the Reformed Churches. After a full discussion it was discovered that the representatives of these four Church Bodies as members of the Council were willing to agree to recommend so to strengthen that Council as to make it an actual Assembly directing and controlling, under necessary constitutional limitations, the combined operations and activities of the several Churches. This, in the judgment of your Committee, is the safest and most effective way in which to secure those closer relations and the ultimate Organic Union of the Presbyterian and Reformed Churches which as a committee we were instructed to promote.

We, therefore, present the following Plan of Union with the recommendation that it receive the approval of our Assembly and be transmitted to the approaching meeting of the Council of the Reformed Churches in America holding the Presbyterian System, for its consideration and appropriate action.

Plan of Union.

The Presbyterian and Reformed Churches in the United States of America, to wit: The Presbyterian Church in the U. S. A., The Presbyterian Church in the U. S., The Reformed Church in the U. S. and the United Presbyterian Church, desiring to evince and develop their spiritual unity, and to promote closer relations and more effective administrative coöperation among these Churches, hereby adopt a preamble and a Basis of Union.

Preamble.

The Presbyterian and Reformed Churches in the United States of America represent the same type of evangelical Protestant Christianity commonly known as Reformed or Calvinistic. The Churches of the Reformation in Europe, to which they are historically related, originated in different lands and passed through different experiences, which differences by reason of nationality and language appear in the

forms of the original Standards of the several Churches. We, therefore, with clear understanding of the nature of such differences, hereby declare our conviction that the Westminster Confession of Faith and Catechisms, the Belgic Confession, the Heidelberg Catechism and the Canons of the Synod of Dort are in essential agreement, and are different expressions of one and the same system of doctrine. This doctrinal agreement appears in the recognition, in all the symbols, of the fundamental doctrines of evangelical Christianity as held by the Reformed or Calvinistic Churches, and also in the use made of the Apostles' Creed, the Ten Commandments, the Lord's Prayer, and the Catechisms of the several Churches, for the instruction of the youth of their congregations.

Basis of Union.

1. The Doctrinal Basis of the United Assembly shall be the Scriptures of the Old and New Testaments acknowledged as the inspired Word of God and the only infallible rule of faith and practice, with the common system of doctrine as set forth in the existing Standards of the constituent Churches.

2. The Principles of the Forms of Government and the Constitutions including the terms of doctrinal subscription of the several Churches uniting, are recognized as a part of the Basis of Union.

3. The Directories of Worship of the several Churches shall be a part of the Basis of Union to the extent that Congregations shall have the same freedom of worship, both as to forms and usages, under the United Assembly, as they had before the Union.

Articles of Agreement.

1. The "United Assembly" to be constituted shall have the title, "The United Assembly of the Presbyterian and Reformed Churches in the United States of America." It shall represent in one body all the Churches united therein and shall constitute the bond of union, peace and correspondence among all the congregations and courts of the constituent Churches. It shall be the declarative, executive, administrative and judicial agency of the United Churches, and shall possess the ecclesiastical powers hereinafter delegated to it.

2. The United Assembly shall consist of eight representatives from each of the constituent Churches, for each one hundred thousand communicants or fraction thereof, up to three hundred thousand and when a church has more than three hundred thousand communicants, then eight repre-

sentatives for each additional two hundred thousand communicants or major fraction thereof. These representatives shall be Ministers and Ruling Elders in equal numbers, and shall be chosen with their alternates under the direction of their respective Churches, in such manner as their Churches shall respectively determine.

3. Every Church entering into this Union retains its distinct individuality, its own creed, government and worship, as well as every power, jurisdiction and right, which is not by these articles expressly and exclusively delegated to the body hereby constituted.

4. Subject to the more detailed enumeration of its powers, to be set forth in a formal constitution to be adopted by the legal action of the constituent Churches, the powers to be delegated to the United Assembly shall be in substance as follows:

(a) To receive into the United Body any other ecclesiastical body conforming to the doctrine and order of the constituent Churches of this union. The question of the closer union of any two or more of the constituent Churches shall be a matter outside the province of the United Assembly, and entirely within the jurisdiction of the Churches proposing such union.

(b) In general to recommend to the constituent Churches measures for the promotion of charity, benevolence, truth and holiness.

(c) To correspond with other Churches.

(d) To institute and superintend the agencies necessary to its general work of evangelization: Foreign Missions, Publication, Ministerial Relief, Schools and Colleges, Home Missions, Church Erection, Colored Work, Evangelism, Stewardship and such other causes as may be expressly delegated to it, subject to the provisions of the constitution to be adopted.

(e) The principles of local control in Home Missions, at present existing in most or all of the constituent Churches, shall continue; and the direct administration shall be exercised, as at present, in each constituent Church through its General Assembly, General Synod and other lower courts; except where any constituent Church shall commit the administration of its Home Mission work, or any part thereof, to the United Assembly.

5. The United Assembly shall have the power, by executive commission or otherwise as it may from time to time determine, to exercise judicial functions in settling all questions of comity arising between constituent Churches, and to enforce any and all agreements entered into by or between

any two or more of said constituent Churches. The findings of the United Assembly in any such case shall be final, and shall be enforced through the courts of the constituent Churches.

The United Assembly shall advise, encourage and foster the complete consolidation by constituent Churches of their work within the bounds of the same Presbytery, Synod or other considerable stretch of territory occupied in common, whenever in the judgment of the United Assembly such consolidation would contribute to greater harmony, efficiency and economy in the work as a whole.

When such consolidation is not feasible, the United Assembly shall propose to the constituent Churches thus occupying territory in common, definite plans of coöperation in said territory.

6. The United Assembly shall exercise such power as to doctrine as may be necessary in the discharge of the administrative and judicial functions conferred upon it in these Articles of Agreement but it shall not have the power to impose symbols of faith or forms of worship on any of the constituent Churches.

7. The United Assembly shall exercise such judicial powers as may be required for the work committed to it by these Articles of Agreement, but cases of judicial process involving heresy or immorality arising in any of the constituent Churches shall terminate as at present in said Churches.

8. The United Assembly shall have power to deal with any other matters of interest, common to any two or more of the constituent Churches which may be referred to it by the Supreme judicatories of the Churches concerned for its action, with such authority in the premises and under such conditions as may be agreed upon by the Churches which make the reference.

9. The General Assemblies or General Synods of the constituent Churches shall send their records for information, and shall report to the United Assembly on all administrative matters, and the United Assembly shall receive and consider said records and reports and shall make such deliverances thereon as are calculated to stimulate the whole Church on matters pertaining to the advancement of the Kingdom of Christ.

10. The officers of the United Assembly shall be a Moderator, Vice-Moderator, Stated Clerk, Treasurer, and such other officers as may be necessary. The United Assembly may also appoint an Executive Committee with such authority as the Assembly may confer, to act in the intervals between the meetings of Assembly.

11. All Boards or other administrative agencies of the United Assembly shall be composed of representatives of the constituent Churches, each Church being represented thereon by at least one member. When the United Assembly shall decide that the number should be more than one for each Church, then the increase shall be in proportion to the volume of work as represented by the annual investment of each Church. All members shall be nominated by the Churches directly interested or by their Boards or Agencies as the Churches may determine. Each Church shall nominate one or more persons for each vacancy and the term of office shall be four years, the members being divided into two classes, one of which, in the first election, shall be elected for two years only.

12. The United Assembly shall hold and administer all properties given to said United Assembly or to any of its chartered, incorporated or other agencies. All of the property rights of the constituent Churches shall remain as at present vested, and shall not be changed except by the proper and constitutional procedure of the said respective constituent Churches. And it shall be agreed upon by the constituent Churches entering into said union that the General Assembly or General Synod, or body corresponding thereto, is the supreme court as respects property rights of the respective constituent Churches.

13. The United Assembly shall meet in regular session at least biennially, and on its adjournment, at such times and places as may be determined. In the conduct of its meetings it shall respect the conscientious views of its constituent members.

14. The expenses of the United Assembly shall be met by a fund to be provided by a pro rata apportionment on the basis of the representation of each Church in the Union. The expenses of the Representatives shall be paid by their respective Churches. All the expenses involved in the settlement of any question between Churches shall be borne equally by the Churches concerned.

15. When any two representatives at a meeting at either the United Assembly, or its Agencies, request a unit vote by Churches upon a pending motion, the vote shall be so taken, each Church being entitled to one vote.

16. The United Assembly shall have power to make such standing rules as shall be deemed necessary for the conduct of its business.

17. Any Church holding the Reformed Faith and Presbyterian Polity may be received into this Union by a majority of the representatives of the Churches voting by the unit

rule, and upon its adoption of the Plan of Union, these Articles of Agreement included.

18. Any Church in this Union may withdraw therefrom on notice sufficiently given, and on its observance of the same constitutional steps as were followed in its adoption of these Articles.

19. Any amendment to these Articles proposed to the United Assembly shall before its adoption be approved by the Assembly, and receive the consent of the constituent Churches acting in accordance with their respective constitutions. When the United Assembly shall have been notified of such consent it shall declare the amendment to be a part of the Articles of Agreement.

20. The details of the constitution shall be taken up and reported upon by the Committee to be appointed by the supreme judicatories of the respective Churches which shall approve of this outline of a tentative plan. The constitution shall be adopted by each Church in accordance with its own constitution.

In case our Assemblies and General Synods adopt these recommendations we recommend that their action be conveyed to the approaching meeting of the Council of Reformed Churches in America with the request that it appoint a committee for conference on this subject with the committees appointed by the constituent Churches to draft a Constitution.

Respectfully submitted,

J. ROSS STEVENSON, *Vice-Chairman.*

The following telegrams were sent by order of the Assembly:

PHILADELPHIA, PA., May 24, 1920.

To Rev. Thomas H. Law, D.D., Stated Clerk, Presbyterian Church in the U. S., Charlotte, N. C.:

The General Assembly, in session this morning, approved the Plan of Union as presented by its committee's report and which contemplates a United Assembly and voted to transmit the plan to the approaching meeting of the Council of the Reformed Churches holding the Presbyterian system for its consideration and appropriate action.

SAMUEL S. PALMER, *Moderator;*
WILLIAM H. ROBERTS, *Stated Clerk.*

PHILADELPHIA, PA., May 24, 1920.

To Rev. George W. Richards, D.D., President, General Synod of Reformed Church in the U. S., Reading, Pa.:

The Assembly of the Presbyterian Church in the U. S. A. unanimously directed its Committee on Coöperation and Union

to enter into negotiation with the Commission of the Reformed Church in the U. S. on the basis of Organic Union between the two bodies.

SAMUEL S. PALMER, *Moderator;*
WILLIAM H. ROBERTS, *Stated Clerk.*

The following resolution upon the one hundredth anniversary of the First Presbyterian Church, Lambertville, N. J., was adopted:

Resolved, That the General Assembly of the Presbyterian Church in the U. S. A., assembled in session at Philadelphia, Pa., extends greetings and congratulations to the First Presbyterian Church of Lambertville, N. J., on the occasion of its celebration of the one hundredth anniversary of its organization.

Notice was given to the Assembly of the death of Rev. Walter Hays, D.D., a Commissioner from the Presbytery of San Jose, who was suddenly stricken with illness while passing through Kansas on his way to the Assembly. The Moderator and Stated Clerk were instructed to extend to the family of Dr. Hays the deep sympathy of the Assembly in their loss. Rev. H. M. Campbell, a brother-in-law, was granted leave of absence to accompany the body of Dr. Hays to Palo Alto, Calif.

The Report of the Standing Committee on Ministerial Relief and Sustentation was presented, through its Chairman, Rev. E. M. Wylie. Pending the adoption of the Report the Assembly was addressed by Rev. George F. Greene, D.D., President of the Board, and Rev. Henry B. Master, D.D., Secretary of the Board. The Report was adopted and is as follows:

The Second Annual Report of the Board of Ministerial Relief and Sustentation fully justifies the action of the General Assembly in the amalgamation of these Boards. The coördination of effort and solidarity of movement are made manifest in the Report. Thus the Church stands with both arms of ministry outstretched to the men who have given up all things for the Gospel's sake, and to the women and children who have shared their privations with the same spirit of heroism.

Quietly, unostentatiously, this Board of wise and Christian ministration (for it is not charity) has gone forward in an exceptional way this past year. With fine humility and a spirit of eminent fairness, the members of the Board give full credit to the New Era Movement for what it has so largely helped to accomplish.

It seems incredible that ministers should themselves have to be reminded of the necessity of giving loyal and liberal support to this Board. Yet so it is. For the Chairman has to confess for himself that not till recently did he realize that if he were taken from the field of action, his children would become in part, wards of the Church.

To how many men reaching the age when, "the hill of life steeps deeply down" when the "hoary head" has become "a crown of glory" must the ever recurring thought come: "It may be tomorrow that I shall have to seek the proffered assistance of the Church which I have served." That men so entitled may everywhere turn, not with distaste and hesitancy, but freely as of right and justice, to the Church, she must show a true and Christian spirit in ample provision and readiness to serve.

To the end that they may do so by reason of mutual rights, the Board of Sustentation provides a method of joint insurance, whereby the minister pays a fixed rate at a given age on the basis of actuarial insurance tables. As is well known, and as it ought to be, but one-fifth of the cost is borne by the minister, and four-fifths by the Church. But this very demand places upon every church, little and big, the obligation to face squarely and meet fully their share of what should ever be a privilege, never a burden.

Last year the contributions of the Church reached the sum of $165,000; this year that figure has been more than doubled. The Board reports from the churches $394,000. Gifts from all sources make the total receipts $1,228,044.08. By reason of these increased gifts, payments for Relief show a very substantial increase over last year. This is the first year in which the maximum pension of $500 has been paid to the members of the Honor Roll, these payments having been made during the last four months of the fiscal year.

The Department of Sustentation reaches this coming year the first goal of the Church, when it will be in a position to pay 100 per cent. of the annuity. But we must not stop here. We must immediately proceed to an increase far beyond the 100 per cent. The number on this roll will be substantially increased if the General Assembly approves the recommendation of the Board and the Resolution of this Committee to reduce the eligibility age from 70 to 65. This is a long-delayed and much-needed revision of our rule.

On the Roll of the Department of Relief, we now have a total of 1921, of whom 783 are ministers, 990 widows, 75 orphan families, and 73 lay missionaries. 75 are guests in the various Homes. Added to this, though not on the roll, are approximately 824 dependent children, and 251 wives

of disabled ministers, who are aided by the Board. 206 have been placed on the roll since last year. We have 280 this year, as against 259 last year on the Roll of Honor. The average age this year is 80, and the average period of their ministry 43 years. The average appropriation is $412 this year, while last year it was $334. But even this increase is pitifully inadequate, when we consider the cost of living. Dun and Bradstreet inform us that every salary or income must be divided by 1.82 to determine its real purchasing value. This makes our gratuity the absurdly low figure of $226.57. This is a grave condition which the Church must honestly face.

Fortunate as the Board is in the personnel of its Secretaries, it is evident by the splendid spirit shown and the comprehensive leadership displayed, that the choice of the new General Secretary has continued the true order of Presbyterial succession—the heart to feel, the head to plan, and the hand to act.

The Relief Department shows resources of $5,166,264 and the Sustentation Department $2,555,936, making the total resources for both departments, in the hands of the Board, of $7,722,200. We must heartily commend the Board for its wise, far-sighted business management, which this year makes possible its recommendation to the General Assembly that its Department of Sustentation pay 100 per cent. of the annuity.

The Committee would make the following recommendations:

1. That the Minutes of the Board and the audited report of the Treasurer be approved.

2. That the action of the General Assembly of 1912 be renewed, requesting the Board to raise for endowment the sum of $10,000,000, and we heartily approve of the plan of the Board to prosecute this task vigorously until the full amount is obtained.

3. We recommend that the Executive Commission include in the Budget for 1921-22 an item of $1,000,000 for the endowment fund of the Sustentation Department, this to be in addition to such increase of endowment as the Board may be able to secure in accordance with the previous action of the Assembly.

4. We recommend the approval of the Board's suggestion that the age for Honorably Retired ministers (those having served 30 years in the pastorate) be reduced from 70 to 65.

5. We recommend the approval of the Board's suggestion that $500 represent the maximum to be allowed to Honor

Roll men, so long as in the judgment of the Board its resources will so warrant.

6. We recommend the approval of the Board's proposal to pay for the ensuing year 100 per cent. of the annuity in the Sustentation Department.

7. The Committee recommends that the Board be directed to place in its budget for the year 1921-22 an amount sufficient to maintain the level of the payments to annuitants during that year at, or above the level of the payments during 1920-21.

8. We recommend the prosecution of an immediate and vigorous campaign to secure the $300,000 necessary to build, equip, and maintain, a hospital and sanatorium where cases otherwise eligible for admission to the Homes, but barred on account of the condition of health, may be received and cared for.

9. We recommend that the General Assembly urge all churches, Presbyteries, and Synods to make it possible for representatives of the Board to present the work and ask for subscriptions for the permanent and reserve funds, as hitherto.

10. We recommend the approval of the election of the Rev. Henry B. Master, D.D., as General Secretary and of the Rev. William S. Holt, D.D., L.L.D., as Associate Secretary.

11. We recommend the approval of the election of Rev. J. Ritchie Smith, D.D., to take the place of Rev. Frederick E. Stockwell, D.D., resigned, of the 1921 class.

12. We recommend the re-election of the following persons, whose term of office expires at this meeting of the Assembly, namely: Rev. Marcus A. Brownson, D.D., Philadelphia, Pa.; Rev. George Francis Greene, D.D., Cranford, N. J.; Mr. J. Willison Smith, Philadelphia, Pa.; Mr. Samuel F. Irwin, Philadelphia, Pa.

13. With reference to the Overture to the last General Assembly, so to amend the rules of the Board as to provide an Honor Roll for widows, which was referred to the Board for consideration, we recommend that no action be taken for the reason that justice demands special consideration of each individual case.

14. We recommend the approval of the Board's decision to close the 70-year class of annuitants in the Department of Sustentation with March 31, 1921, after which time no further new members will be admitted to that class.

15. We further recommend the approval of the Board's expressed desire to open a 65-year class of annuitants in the Department of Sustentation at as early a date as prac-

ticable, which will of course, require a revision of the rates payable by those who desire to enter that class, it being understood that the plan shall be made operative within the present fiscal year.

16. Your Committee recommends that the General Assembly call the attention of the eldership of the Church to the urgency of the work of this Board, and recommend that they use their utmost efforts in their own churches and Presbyteries to promote its interests.

17. In regard to *Overtures 175 to 177* from the Synod of Nebraska, etc., referred to this Committee, asking the Assembly to reduce the age when a minister may be placed upon the Honor Roll from 70 to 65, and further that the Assembly place the maximum amount allowed those upon the Honor Roll at $600, we recommend that no action be taken, as no action is required, since the Board has already complied with the first half and will, as soon as the funds warrant, comply with the second half of the Overture.

18. With reference to the *Overture No. 297* of the Presbytery of New Castle, also referred to this Committee, asking that the General Assembly direct the Board of Ministerial Relief and Sustentation to pay to retired ministers who are on the Honor Roll of the Relief Department the full amount of the appropriation, regardless of any private income they may have, we recommend that no action be taken because it would be in contravention of charter provisions, and that the funds of the Board do not warrant their general distribution without reference to need.

Respectfully submitted on behalf of the Committee,

EDMUND M. WYLIE, *Chairman.*

The Moderator was requested to send a letter of sympathy to the Rev. Albert C. McCauley, a Commissioner from the Presbytery of Sioux Falls, who had been taken sick and was in the Presbyterian Hospital.

MONDAY, May 24, 1920, 2.30 o'clock P.M.

The Assembly met and was opened with prayer.

The sympathy of the Assembly was expressed to Mr. Amos Frenier, one of the Indian Commissioners from the Presbytery of Dakota, Ind., who had just received word of the death of his son. Upon the recommendation of the Committee on Leave of Absence, he was excused from further attendance upon the sessions of the Assembly.

The Report of the Standing Committee on Education was presented through its Chairman, Rev. C. Waldo Cherry, D.D., and, after addresses by Rev. Edgar P. Hill, D.D., Secretary of the General Board of Education, and Rev. M. W. Lampe, Ph.D., Student Pastor in the University of Pennsylvania, was adopted as follows:

The Standing Committee on Education presents the following resolutions for the action of the Assembly:

(1) That the Minutes of the College Board, Board of Education and the General Board of Education be approved.

(2) That the General Assembly congratulate the General Board of Education upon the conspicuous success attained this year in its several departments.

In its *Student Department*, by largely increasing the enlistment of candidates for the ministry and other specific Christian service, and for the strong and effective appeal that is being made to recruit for Christian leadership young men and women of earnest and consecrated personality.

In its *College Department*, for the substantial results secured in the prosecution of financial campaigns of the colleges for endowment and equipment; for its success in helping the colleges to meet the unparalleled need and opportunity which presents itself to all Christian educational institutions in the vastly increased numbers of students who are today seeking their opportunities, for the encouragement and

stimulus which the Department has given to the colleges in meeting the new and definite needs of individual communities through community Bible Classes, agricultural classes and short-term business courses.

In its *University Department*, in the establishment and support of methods of religious education in many large university centers through synodical interdenominational coöperation.

In its *Treasurer's Department* for the able and business-like manner in which the accounts of the College and Education Boards have been brought together and the finances of the General Board have been conducted.

(3) That the Assembly approve the modified policies of the Board concerning aid to colleges as set forth in the printed statement entitled "Policy as to Colleges."

(4) That, in view of the greatly increased number of students in the University centers and of the supreme importance of making fuller and more adequate provision for the religious education and training of these students, the Assembly urges upon the Synods the necessity of placing before Presbyteries, Churches and individuals the importance of securing financial assistance necessary to equip and maintain this work within their bounds and to place it upon a strong and efficient basis.

(5) That Sunday, May 1, 1921, be designated as Vocation Day, when the Christian principles of life enlistment shall be emphasized and the call to the ministry, missions and other forms of distinctly Christian service be definitely presented both to young people and their parents.

(6) That the Assembly instructs the Board to coöperate with the Permanent Committee on Evangelism and with the Presbyterian colleges in the effort to win to Jesus Christ those students who are not his followers and in deepening the devotional life of the institutions; and that the Board join its efforts with those of every available agency to secure from many college and university students the workers needed for trained life service in the fields and callings for which the Church is responsible.

(7) That the Assembly approve the action of the Board in increasing aid granted to candidates for the ministry, medical missions, lay workers and candidates for the missionary service under the care of the Board and that such increases be made as the finances of the Board may permit and its judgment may determine.

(8) WHEREAS, The General Assembly of 1919 endorsed and commended to "hearty coöperation of the pastors and

people" a plan for educational endowments proposed by the General Board of Education and the New Era Committee, the plan calling for the raising of $35,000,000 in five years, $2,000,000 annually through the Every-member Canvass and $5,000,000 annually from individuals by the Board and institutions to be endowed, and,

WHEREAS, The General Assembly of 1919 "as a first step in carrying out the proposed plan" directed that the sum of $2,000,000 for this purpose be included in the benevolent budget for the year 1920-21, and,

WHEREAS, It is reported that the colleges included in the first year of the plan have already secured pledges to the amount of approximately $3,000,000 and other colleges selected to participate in the plan during the second year are already prosecuting campaigns, therefore,

Resolved, That, as the necessary step, the General Assembly direct that there be included in the benevolent budget for 1921-22 the sum of $7,000,000 for the "Christian Education Fund," $2,000,000 to be sought through the Every-member Canvass and $5,000,000 from individuals by the Board and the institutions participating;

Resolved, That the General Assembly earnestly urges upon pastors and people the fullest possible coöperation in raising this much needed fund.

(9) That the Assembly approves the re-election to the Class of 1923 of the following members of the General Board of Education, whose terms of office expire with this Assembly:

A Popular Meeting in behalf of the Board of Missions for Freedmen was held at the Academy of Music.

TUESDAY, May 25, 1920, 9.00 o'clock A.M.

The Assembly met and was opened with prayer by Dr. Sam Higginbottom.

The Minutes of yesterday's sessions were read and approved.

The hearing of the Report of the New Era Committee was made the order of the day for Wednesday morning at 9.15 o'clock.

The Committee on Christian Life and Work reported, through its Chairman, Rev. Jesse L. Cotton, D.D., on the subject of Vacancy and Supply. After addresses by Rev.

George N. Luccock, D.D., and Rev. Walter H. Houston, D.D., the Report was adopted as follows:

The Standing Committee on the Narrative of Christian Life and Work desires to present the following partial report, dealing with the Annual Report of the Permanent Committee on Vacancy and Supply:

The work of our Permanent Committee on Vacancy and Supply is regarded by your Committee as deserving of the hearty sympathy and loyal support of our entire Church. We all recognize the peculiar difficulties besetting any and every effort in this sphere of service. That the best possible scheme has been devised for bringing together vacant Churches and unemployed ministers, no one, perhaps would claim; but that the system of operation in this field erected by our Church looks in the right direction, we firmly believe. In those Presbyteries where this plan has been accepted and faithfully worked, its real value is seen in the bringing of order out of confusion and in the steadily improving vacancy conditions.

The disturbing influence of the recent war on many of our Churches has not only increased the labors of this Committee, but has greatly accentuated the perplexity of their task, and made more evident the need of just such an agency in our Church.

The attention given by this Committee to the students graduating from our Theological Seminaries is worthy of mention. Several weeks before the close of the Seminary year, this Committee made careful inquiry regarding each student, with a view to bringing those students not yet located into touch with fields for which they appeared to be best qualified.

Your Committee, therefore, presents the following recommendations:

1. The General Assembly reaffirms the action of past Assemblies in behalf of definite Presbyterial supervision of all pastorless churches, and in commendation of the Vacancy and Supply Plan as a practical measure well fitted to realize in actual experience this fundamental purpose of Presbyterian Government.

2. Recognizing the inadequacy of our present ministerial force as related to the ever expanding work of our Church at home and abroad, the General Assembly urges upon all Pastors, Church Sessions, Sabbath School Superintendents, Sabbath School Teachers, and all other Christian workers the necessity for placing before the young people of our different congregations the claims of the Gospel ministry and the needs and opportunities of the various Mission Fields.

3. Confident that the best interests of our Church require a Ministry "free from worldly cares and avocations" the General Assembly urges that congregations, Presbyteries and Synods promptly take such action as shall provide each pastor with a support sufficiently enlarged to at least cover the recent abnormal increase in the cost of living.

4. Inasmuch as present conditions increasingly emphasize the necessity that each pastor have a comfortable and permanent place of residence, the Assembly again urges that Presbyteries take definite steps looking to the securing of a parsonage as a part of the permanent equipment of every church or group of churches united in the support of a pastor.

5. The General Assembly approves the various lines of work inaugurated and developed by its Permanent Committee on Vacancy and Supply, and bespeaks for this Committee in the further pursuance of its most important and difficult task, the cordial and continued coöperation of all of our ministers, churches and Presbyteries.

6. The following members of the Permanent Committee whose terms expire with this meeting of the General Assembly, are recommended for re-election: Rev. John Timothy Stone, D.D., L.L.D., Rev. Wm. L. McEwan, D.D., LL.D., Mr. B. F. Edwards, Mr. R. S. Sinclair.

Respectfully submitted,
JESSE L. COTTON, *Chairman.*

Section XXV, together with a Special Report upon the relations of the General Assembly with the Inter-Church World Movement, was presented. After a lengthy discussion, the time for the devotional services having arrived, further consideration of the subject was made the order of the day for two o'clock P.M.

After devotional services led by Rev. George G. Mahy, D.D., the Assembly took recess, and was closed with prayer.

TUESDAY, May 25, 1920, 2.00 o'clock P.M.

The Assembly met and was opened with prayer.

The Report of the Executive Commission upon the relations of the General Assembly and the Interchurch World Movement was again considered, and after discussion it was referred back to the Executive Commission for their further consideration, report to be made to the General Assembly at the earliest possible moment.

Substitute resolutions, pertaining to the same subject, presented by Rev. Edward A. Wicher, D.D., and Rev. C. Waldo Cherry, D.D., were also referred to the Executive Commission for their consideration.

The Standing Committee on Bills and Overtures presented an additional Report upon Overtures, submitted to it as follows:

The Committee on Bills and Overtures offers the following Supplementary Report:

Overture No. 241. It is recommended that it be answered in the negative.

Overture No. 294 from West Tennessee Presbytery, concerning Memphis Church, asking that a loan held by the Board of Church Erection Fund be cancelled. It is recommended that the General Assembly direct the Board of Church Erection Fund to commute this loan into a grant.

Overture No. 295 from the Federal Council of Churches, concerning the protection of aliens in the United States, and the enforcement of their treaty rights. It is recommended that the paper be approved and the Stated Clerk be instructed to transmit this approval to the parties indicated in the paper.

Overtures Nos. 178–237, 278 to 280, and *291–293,* relating to an investigation of the religious education of our children and youth, and a reorganization of the work committed by the Assembly of 1913 to the Board of Publication and Sabbath School Work. It is recommended that in view of the fact that the present administration officers of the Board of Publication and Sabbath School Work have projected plans for religious education, which they have not had time to perfect, and that these plans meet the demand contemplated in these Overtures, that these Overtures be answered in the negative.

The Standing Committee on Freedmen presented its Report, through its Chairman, Rev. William R. Craig, D.D. After addresses by Rev. John M. Gaston, D.D., and Rev. James A. Bonner, D.D., the Report was adopted as follows:

It has been a real delight to examine the records and annual report of our Board of Missions for Freedmen and to make note of the splendid advancement in their work among our colored brethren in the South. A work covering thirteen States—all of them ex-slave States and widely scattered—sustaining 448 churches, 138 schools, 662 preachers and teachers, is no small enterprise and requires administrative ability and statesmanship of the highest calibre. We are happy to observe the evidence of these requirements in all the plans and activities of our Board. A hurried glance over the field presents to us some noteworthy things. In spite of the increased cost of ordinary expenses, and because of the growing generosity of our Presbyterian people, the Board is again able to close its year without debt. The total receipts from all sources for last year were $429,560.06, an increase of $133,778.94 over the previous year. The increase from the churches amounted

to $54,111.11. An increasing interest in this work on the part of our Church is shown by the fact that 413 more churches, 663 Sunday Schools and 74 young people's societies gave contributions to the Board this year than last year.

We call the attention of the Assembly to the most excellent work of the Women's Department of our Board. Their total contributions were $145,227.53, representing an increase of $36,274.93 over the previous year. They have exceeded their apportionment and their increase comes through living channels, showing that our women are growing in the grace of Stewardship. God bless our good women. How could we ever carry on the work of church without them? How could we ever succeed in any worth-while work without the sympathy and help of our noble women? They are always to be depended upon to do their full share—and a little more.

The colored people on the field have done nobly in supporting the work and have made signal strides in the direction of self support. They gave for church work $185,196.82; for school work $155,373.12, and to the various boards of the church they gave $29,954.22, or a grand total of $370,524.16, which shows an increase of $121,549.62 over last year. For the first time in the history of the Board, the colored people on the field gave considerably more for the work than our Board received from living sources among our white people. In view of the comparative poverty and the increased cost of living, it seems marvelous that these people have been able to give so large an amount to their own work. They are advancing in the grace of giving, showing a stronger desire and willingness to support our Board, and deserve our hearty commendation in their effort to help themselves.

The Board continues its policy of trying to reach and train these colored people in Christian character and for useful lives by stressing the effort along the lines of the Church, the school and the home. Through the industrial feature of their program, they are engaged in the very vital work of home-making for these people and most encouraging results are evidenced.

At Boggs Academy, Keysville, Ga., the Board owns 1,000 acres which they have been selling to the young men in tracts of 25 acres at $25 per acre, allowing them ten years for payment. As a part of the plan each young man is required to sign a contract that he and his wife will attend church and the children the day school regularly, and if he becomes immoral and a discreditable member of a Christian community, he is dispossessed of his land, by an equitable process and it reverts to the Board.

The same policy is pursued at Harbison Agricultural College, Irmo, S. C.

At Biddle University, the boys are taught broom making, cabinet making and masonry—both brick and stone. In the work of the Board the girls are not neglected. At the various schools, they are taught millinery, dressmaking, and in some of the schools, stenography. They are thus fitted for making homes and for carrying on business careers.

A new feature of the Board's work, known as the Sunday School Department, was introduced last September. This plan provided for the selling of the shares in the different Church schools among the colored people at $25 per share. A number of the Sunday Schools have already shown an interest in this plan by taking several shares and in this manner the boys and girls of our church have become identified with a particular colored school and from which they receive definite information from time to time.

The Board has an extraordinary long waiting list of requests for new buildings.

Last year they deemed it wise to give up their plans for erecting much needed buildings, but this year it is imperative that some of the present buildings be repaired in order to make them safe, and it is equally imperative that new buildings be erected.

At Biddle University it is very urgent that a dormitory be built to cost not less than $30,000. This must be done in order to care for the increased number of theological students applying for admission, and enable the Board to supply the growing demand for more teachers and preachers.

There are others—such as the Alice Lee Elliott Memorial School at Valliant, Okla—which must have a Recitation Building at a cost of about $10,000.

The Mary Potter Memorial School at Oxford, N. C., should have increased dormitory and dining room space. $10,000 will meet this need.

Albion Academy, Franklintown, N. C., asks for $10,000 for rebuilding the boys' dormitory, which was destroyed by fire.

In addition to these, there are many others worthy of immediate attention if the Board had sufficient funds.

We must not fail in this report to make mention of the patriotic service of our colored people in the World War. At least 1,000 of our boys and girls served as nurses and soldiers and it is most encouraging to learn that upon their return they have practically all resumed their studies and are more anxious then ever to get an education and thus be prepared for their life's work. A number of the boys from our schools paid the supreme sacrifice on the battlefield.

Our schools have turned away more young men and women

this year than ever before, although the attendance has been increased over 3,000.

As a result of the war, the young men have returned with a wider vision and higher ideals and more worthy ambitions. In their military service, they have seen the advantages of sanitation, and neatness, and cleanliness, and they now desire that their dormitories and surroundings shall be clean and comfortable. There are no striking Bolsheviks among them, but they are showing an inclination to ask for, and they think they have earned the right to, a better equipment, and in this view the Board concurs and desires, within the limits of reason and proper economy, to make better provision for their comfort and material welfare.

In the work of this Board we are concerned with a people who have made wonderful progress in the 56 years that have passed since our Fathers set them free. Along material lines their advancement has been remarkable and our Church has had a worthy part in their uplift.

The white race has not always been fair and just to the negro. Some of us have not always been ready to extend a brotherly hand and bid these people rise up in their full stature of men and women made in the image of God. This has been due to a lack of appreciation of their worth. When we know that thousands of colored boys went out with our white boys and proved themselves men of heroism and courage in the day when our nation and civilization itself was in great peril, surely we shall never say again that our colored brother is not worth the effort we put forth in his behalf. Largely as a result of the war the white people have come to realize the possibilities of the negro and the negro has come to a truer understanding of the attitude and desire of the white race toward him.

In these days, when many serious problems press upon us for solution, let us not forget that we have not yet solved the negro problem and let us not overlook the fact that the negro presents to the Church and the Nation both an opportunity and a peril. It is ours to mould him—under the power of the Gospel—into a useful Christian citizen who shall help us—or to neglect him and let him drift along the way of ignorance and superstition and idleness until he becomes a real menace to the nation.

What is the solution of the Negro Problem? Will a few more laws solve it? We have too many laws already. Will a few more moves on the economic and political chessboard solve it? Do you see any solution? Is there any way out except by the way of religion? The ultimate solution of the negro problem and all other problems of our body politic

must be a religious solution. The only effective and permanent cure for our ills is the Gospel of the Son of God. Whenever we shall come to an acceptance and practical expression of the truth of the New Testament that God has made us all of one flesh—that we are children of a common Father and brethren one of another, then we shall solve the negro problem. In other words, the solution of the negro problem is Jesus and only Jesus. Let us continue our generous support to this Board and help them to give Jesus and His Gospel to the negro and thus give him a chance to be a useful Christian citizen of our Republic.

The Committee offers the following resolutions:

1. The Committee approves the records of the Board and desires most heartily to commend it for the neatness, clearness and minuteness of detail with which these records are kept.

2. The Assembly would desire to commend the Women's Department of the Board for their loyalty and congratulate them upon the marked advance shown in their receipts, amounting to $33,108.56.

3. We most heartily approve the establishment of the Sunday School Department of the Board in which, through purchase of shares, the boys and girls of our Sunday Schools are linked, in sympathetic and intelligent interest and support, to some definite colored school.

4. The General Assembly recommends the continuance of the Sabbath nearest Lincoln's Birthday as the day for the presentation of the cause of Freedmen in the Sunday Schools and for the taking of an offering to support the same.

5. We heartily approve of the Board's plan to secure from individuals $500,000 as an endowment for Biddle University, Charlotte, N. C.

6. We urge more generous financial support of the Board in order to secure better equipment for our school buildings and to meet the enormous increase in the cost of food and fuel, and the advance in salaries for our 662 preachers and teachers.

7. We commend the Board for its action in increasing the salaries of the workers last year 20 per cent. on the condition of the Church increasing their gifts by a like amount.

8. The General Assembly congratulates the Board upon its progressive, constructive and statesman-like policy in dealing with the difficult problems involved in its work and upon the marked results attained in producing better farmers, mechanics, ministers, teachers and citizens among the colored people.

9. The terms of the following members of the Board expire with this Assembly. We recommend that they be re-elected: Rev. S. M. Fisher, D.D., Rev. W. L. McEwan, D.D., Mr. Willis A. Boothe, Mr. F. G. Monroe, Mr. John A. Bell.

Respectfully submitted,

WILLIAM R. CRAIG, *Chairman.*

We solemnly urge upon all of our people the propriety and wisdom of discouraging, by precept and example, a practice which is beneficial to none and harmful to many.

Resolved, 10. That we learn with pleasure of the progress of temperance sentiment in non-Christian lands, Latin-

Resolved, 16. That we respectfully and earnestly urge the adoption by all of the approaching National Political Conventions of platforms declaring plainly and strongly in favor of upholding the Constitution of the United States, with all of its amendments, and the nomination of candidates known to be in harmony with the same. Furthermore, we declare that any other policy or candidate does not deserve and ought not to receive the support of patriotic people.

Resolved, 17. We call attention to the high importance, especially at this time, of electing only those persons to Congress and the several State Legislatures who have the conscience, the courage, and the ability to do effectively what needs to be done in behalf of law and order and the welfare of the Country and the Race.

Resolved, 18. That the Board be instructed to send a copy of these resolutions pertaining to civic affairs to the proper officers of both Houses of Congress and the Political Conventions before named.

Resolved, 20. That the General Assembly express its appreciation of the splendid results of the Post Office Department which has reduced to a minimum that class of art and literature which is a menace to our Youth and repulsive to American ideals.

The following Resolution was presented and adopted:

Resolved, That in view of certain representations regarding the shipment of morphine and other narcotics into foreign countries, especially into China, this Assembly instruct its Board of Temperance and Moral Welfare to investigate said reports and take such action as the situation warrants.

The Standing Committee on Theological Seminaries presented its report through its Chairman, Rev. James Oscar Boyd, which was adopted as follows:

The Committee on Theological Seminaries respectfully submits the following report:

Upon examination of the several reports submitted by the Seminaries under the control of the Assembly we find them in general carefully prepared and indicative of a gradual return to pre-war conditions.

In particular they reveal the following groups of facts:

(1) FINANCIAL—The administration of the funds in their possession is sound. No deficits are reported, save in one

case where the major part of the deficit is due to an increase in permanent equipment. Deficits were avoided in many cases, however, only by strenuous efforts in the personal solicitation of funds. Such solicitation has resulted also in a total increase of endowment or permanent funds amounting to nearly half a million dollars. In this substantial gain McCormick Seminary led with $142,500. Princeton followed with $84,050. Dubuque next with $66,388. And there followed San Francisco, Auburn, Bloomfield, and Lane in the order named, with sums ranging from $50,000 down to $10,000. And yet all these institutions report their need of more funds. Princeton, Auburn, Dubuque and Lincoln are making vigorous efforts for largely increased endowments, and Biddle is sorely in need of a new dormitory. If the need of America and of the world to-day is the preaching of the Gospel of Jesus Christ, then certainly the need of the Christian Church is more preachers adequately trained for this work. Let the Church therefore, rally to the support of these training-schools, whence she must draw her supply of preachers at home and abroad.

(2) STUDENTS—We note with pleasure the increase over last year in the number of students enrolled in our seminaries. About 100 more were in attendance this year than last year. In spite of the depletion of the classes during the war, 133 have been graduated, and sent out into the ministry with this standard preparation. Of these a very large percentage are college graduates also. Such a thorough pursuit of the seven years' curriculum after the secondary or preparatory school, is the best guarantee to the Church of a permanent and capable ministry.

(3) FACULTIES—Changes on the Faculties of the reporting institutions involving election, transfer or promotion to professorial rank are as follows: Auburn Seminary, election of the Rev. John Baillie, A.M., of Scotland, as Professor of Christian Theology; McCormick, the Rev. John H. Boyd, D.D., as Professor of Homiletics and Missions, and of the Rev. John A. MacIntosh, D.D., as Professor of Philosphy of Religion and Ethics; San Francisco, the Rev. Lyman T. White, D.D., as Professor of Christian Sociology, and of the Rev. E. F. Hallenbeck, D.D., as Professor of Practical Theology; and Lincoln, the Rev. Edwin J. Reinke, B.D., as Professor of the English Bible.

We also report the election, by the Board of Directors of the Theological Seminary of Kentucky, of the Rev. John M. Vander Meulen, D.D., as President of said Seminary.

(4) STANDARDS.—We call the attention of this Assembly to the determination on the part of our seminaries to main-

tain their past high standards. In the choice of men to fill vacancies in the teaching force only men of eminent qualification for their respective chairs have been sought. To meet the needs of the new hour faithful efforts have been made, in line with the deliveries of past Assemblies, to provide instruction in sociology, in religious pedagogy, and in various applications of the Gospel message to the manifold problems of our complex modern life. Through men of outstanding gifts and eminence the students have been brought into touch with the great movements of the times, both within the Church and without it. And with all this adaption and addition, much thought has been given to the adequate maintenance of those essential courses of instruction which must now and always constitute the backbone of a thorough theological curriculum. There are no better seminaries than our own. There are no higher standards in this country than those of our Presbyterian Church. The young men of all our Presbyteries and churches should be imbued with our tested and proved ideals for a well equipped ministry. All inducements to a more meager equipment for this high office should be frowned upon by every authority of our church.

In the light of these facts, your Committee offers the following recommendations for your consideration and adoption:

(1) That the election of all Directors, Trustees and Professors as reported to the Assembly by the seminaries be approved. We recommend also the approval, by the General Assembly, of the election, by the Board of Directors of the Theological Seminary of Kentucky, of the Rev. John M. Vander Meulen, D.D., as President of the said Seminary.

(2) That the several endowment campaigns upon which seminaries have entered be approved by the Assembly as to their object, and be commended to the generosity of the Church.

(3) That all candidates for the ministry be required by their Presbyteries wherever possible, to complete the full college and seminary courses before seeking ordination.

(4) That our Presbyteries be urged to exercise due care in reception of ministers from other denominations, so that wherever possible the same high standards may be maintained in their case as in that of our own candidates.

(5) That all candidates for the ministry, when they reach the stage of theological preparation, be urged to select one of our own seminaries for their training.

(6) That the seminaries' efforts at enriching and broadening the courses of instruction offered, with abiding loyalty to the principles of our faith and to our historic standards of solid scholarship, be heartily commended.

(7) That the Assembly re-affirms its belief in the necessity, never greater than at the present time, of a thorough theological preparation for the men who are to minister to the needs of our negro population, North and South; and therefore especially commends the theological departments of Lincoln and Biddle Universities to the interest and gifts of generous members.

(8) That in the nation-wide effort to Americanize the recent immigrants from Europe the Assembly recognizes the imperative need of Christian men well trained by the Church to take to these peoples settled among us that gospel which alone can make them good Americans, and turn them from a menace into a blessing; and to this end commends its seminaries at Bloomfield, N. J. and Dubuque, Iowa, to the Church as keys to the solution of this foreign problem in our midst. Special difficulties in training men in several different tongues call for specially generous provisons, and the aid needed must be promptly given if it is to be largely effective in the present emergency.

All of which is respectfully submitted, in behalf of the Committee.

J. OSCAR BOYD, *Chairman.*

The Assembly adjourned to meet to-morrow morning at 9.00 o'clock and was closed with prayer.

A Popular Meeting in behalf of Foreign Missions was held at 8.00 o'clock P.M. Rev. A. Woodruff Halsey, D.D., presided and addresses were delivered by returned missionaries and Robert Speer, LL.D., and pictures and surveys were presented by Rev. Frank W. Bible.

WEDNESDAY, May 26, 1920, 9.00 o'clock A.M.

The Assembly met and was opened with prayer.

The Minutes of yesterday's sessions were read and approved.

The Standing Committee on Bills and Overtures presented a report which was adopted as follows:

Your Committee on Bills and Overtures respectfully reports as follows:

Overture No. 297, from the Presbytery of New Castle. It is recommended that it be referred to the Standing Committee on Ministerial Relief and Sustentation.

Overture No. 243, from Meridian Presbytery, relating to Protestants in Ireland. It is recommended that it be referred to the Committee on Correspondence.

Overture No. 155, from the Board of Home Missions, asking that the Assembly take such action as will enable the Board of Church Erection to turn over the receipts of the Special New Era Home Mission Building Fund to the Board of Home Missions on its requisitions. It is recommended that the Board of Church Erection be empowered thus to do when requisitions are made by the Board of Home Missions.

Overture No. 174, from the Presbytery of San Jose, concerning Army Chaplains. It is recommended that it be referred to the Special Committee on Army and Navy Chaplains.

Overture No. 281, from Newark Presbytery, concerning the Jewish people, the first part of the Overture protesting against the persecution of Jews by Poles and Ukranians. It is recommended that a resolution be forwarded to Jewish Congress, which meets in Philadelphia, May 31, 1920.

Overture No. 296, concerning students for the ministry. It is recommended that it be referred to the Standing Committee on Education.

The Assembly being notified by the Stated Clerk that the Permanent Judicial Commission had placed in his hands a certified record of certain Judicial cases, the Moderator gave notice that the Assembly was about to sit as a Court, and exhorted the members to regard their high character as judges in a Court of Jesus Christ.

The Assembly was organized as a Judicial Court. The record in Judicial Case No. 1 was read and the preliminary judgment by the Commission was confirmed as the final judgment of the General Assembly. The Report is as follows:

Judicial Case No. 1—Mahoning Presbytery vs. the Synod of Ohio.

In the matter of Mahoning Presbytery vs. Synod of Ohio, the Judicial Commission begs leave to submit the following:

The Judicial Commission finds that the papers in this case are not in order, for the reason that there are no papers in the case before the Commission, except a copy of a purported notice of appeal and specification of error; that no notice of appeal and no assignment of errors has been lodged with the Stated Clerk of the General Assembly by the Clerk or Moderator of Mahoning Presbytery, and there is before the Commission no evidence that any notice of appeal and specifications of errors were ever given the Clerk or Moderator

of said Presbytery; that Section 96 of the Book of Discipline requires in all cases of appeal, that notice of the appeal with specifications of error shall be given within ten days after the judgment has been rendered to the Clerk or Moderator of the Judicatory appealed from, who shall lodge it with all papers pertaining to the case with the Clerk of the Superior Judicatory.

We therefore conclude, and it is the judgment and decision of the Permanent Judicial Commission, that no appeal was perfected by Mahoning Presbytery from the decision of the Synod of Ohio and the Judicial Commission has no jurisdiction to try this case.

WILLARD K. SPENCER, *Moderator;*
ARTHUR L. JACKSON, *Clerk.*

The record in Judicial Case No. 2 was read and the preliminary judgment of the Permanent Judicial Commission was confirmed as the final judgment of the General Assembly. The record of the case is as follows:

Judicial Case No. 2—Rev. J. R. Milligan, Stated Clerk of the Presbytery of New Castle, vs. The Synod of Baltimore.

It appears from the record in this case that the Presbytery of New Castle at its meeting on January 14, 1919, at the request of the Rev. Henry E. Gebhard, a member of said Presbytery, took the following action: "The Stated Clerk was instructed to issue a letter of dismission to the Rev. Mr. Gebhard at his request," the name of the body to which such letter should be issued being evidently left dependent on the nature of the request to be made later.

A marginal note on the Presbytery's records at this point reads: "Later issued to Allegheny Classis, Pittsburgh Synod, R. C. U. S.", the initials indicated as alleged in the complaint, the Reformed Church in the United States.

The Synod of Baltimore at its subsequent meeting October 29, 1919, entered its exception to this action as follows: "There is an irregularity in the omission of the name of the Presbytery to which the member was dismissed (Rev. Henry Gebhard is the member)."

The complaint alleged that the Synod refused to reconsider its action in making this entry of exception upon its being shown that the Presbytery record does indicate the issuance of the letter to the classis aforesaid.

The complainant, for himself, as Stated Clerk, and for the said Presbytery asks a reversal of the action of the said Synod of Baltimore.

The General Assembly in 1914 (See *Minutes* pp. 155, 156)

by answer to overtures, took action providing for the dismissal of members and the subsequent execution of such letter of dismissal, "to such Presbytery as the applicant may indicate."

There was, therefore, no irregularity in this case justifying the exception entered on Presbytery record by the Synod unless the issuance of a letter to a Classis of the Reformed Church in the U. S. is excluded by the words "to such Presbytery as the applicant may indicate." Would a letter to a Presbytery have been regular and a letter to a Classis irregular?

There is no question that letters may properly be issued to the said Reformed Church as an Evangelical Church body between which and our own church relations of fellowship exist, and mutual interchange of members and ministers may properly be carried on as well as between our own and many other Evangelical churches. The reasons given for the General Assembly action in 1914 (See *Minutes* pp. 155-6) are such as to indicate clearly the purpose to facilitate and expedite the transfer of a minister from one field of labor to another, and the use of the single term Presbytery in this connection must reasonably be considered to include such other ecclesiastical body as a letter would be properly issued to during a session of a Presbytery on request of a member in good standing.

It is therefore the finding and judgment of the Permanent Judicial Commission:

1. That there was no irregularity in the action of New Castle Presbytery and its Stated Clerk in the dismission of Rev. Henry E. Gebhard;

2. That the complaint is sustained;

3. That the Synod of Baltimore is directed to expunge from the Minutes of the Synod and the Presbytery the entry of exceptions to Presbytery's action in the issuance of the letter of the Rev. Henry E. Gebhard.

WILLARD K. SPENCER, *Moderator;*
ARTHUR L. JACKSON, *Clerk.*

The record in Judicial Case No. 3 was read and the preliminary judgment of the Permanent Judicial Commission was confirmed as the final judgment of the General Assembly. The record is as follows:

Judicial Case No. 3.—The Presbyterian Church of Janesville, Wis., vs. the Synod of Wisconsin.

In this case the record shows that the session of the Church at Janesville inaugurated a so-called organization and rules for a federated church, to be made up of the Congregational

and Presbyterian Churches of the City of Janesville. After the plan had been in temporary operation for nearly a year, the session of the Presbyterian Church called a meeting of the congregation of the Janesville Presbyterian Church in June, 1919, upon one week's notice, to vote on the question as to whether this plan should be continued or not. This meeting was attended by 169 members of the congregation, of which 123 voted in the affirmative and 46 in the negative. Before the vote was taken, the Moderator of the meeting, a member of the session, announced substantially that negative votes would not be counted unless those voting "no" would agree to acquiesce in the result.

The minority then lodged complaint with Madison Presbytery, in a complaint signed by 49 members of the Church. Madison Presbytery at its meeting in September, 1919, referred the complaint to a special judicial committee, which reported that no legal rights of the complainant had been invaded, and that they were not entitled to relief. Madison Presbytery adopted this report.

An appeal was then taken by the complainant to the Synod of Wisconsin and was heard by the Synod at its meeting in October, 1919. The Stated Clerk of Synod announced that a complaint against Madison Presbytery had been served by certain persons of the Janesville Church and that he had handed the same to the Judicial Committee. (See Minutes, 68th Session, Wisconsin Synod, page 15.) This Committee reviewed the complaint, read the records, interviewed the parties concerned and then reported the case to Synod, recommending that the Synod do not sustain the complaint. (See Minutes of the 68th Wisconsin Synod, page 57.) This report was adopted. (See Minutes, 68th Wisconsin Synod, page 58.)

From this action of Synod the complainants have filed their complaint with the General Assembly, and in their complaint allege two specifications of errors, which are as follows:

1. That Synod decided the case without a proper hearing.
2. That the action of Synod in sustaining the constitutionality of the federation plan in operation at Janesville was in error.

OPINION

The so-called federated church plan between the Congregational and Presbyterian Churches provides for a federation committee, four members of which at a properly called meeting shall make a business quorum and a majority vote of any quorum meeting shall carry all matters of policy, provided

only that this majority shall contain at least one member from each church committee. The plan also includes the closing of the Presbyterian Church building and suspension of all Presbyterian services and meetings there; the holding of the regular Sunday and mid-week services and Sunday-School in the Congregational Church building, both congregations uniting for public worship; each church organization and sub-organizations to be left intact and responsible for its own separate obligations. The federated committee, through sub-committees, composed of officials of both churches, has charge of all federated work, including supervision of public worship, the music, the mid-week service and all funds raised in both churches.

This much of the federation plan is sufficient to show that it is not in fact a federation, nor a coöperation, but is a combination of the Presbyterian and Congregational Churches in Janesville. The Permanent Judicial Commission therefore decides that no question of church federation is involved in nor decided by this case, and therefore, nothing contained in this opinion relates to or expresses any rule or opinion upon the general subject of church federation. As to the first specification of error the Judicial Commission is unanimously of the opinion that it should be sustained. It appears from the Minutes of the Synod, that the Synod of Wisconsin, through its Stated Clerk, referred this case to its Judicial Committee and adopted the report of that Committee as the finding of Synod. To sustain or not to sustain a complaint is a verdict to be rendered only after a formal hearing of the case by the Synod itself or by a Judicial Commission appointed by Synod. (See Book of Discipline, Sections 88, 118, 135.) As neither of these forms was complied with by the Synod, its action was erroneous and irregular.

As to the second specification of error the Judicial Commission is unanimously of the opinion that it should also be sustained. It is apparent from the record that the session of the Janesville Church has surrendered its powers of control over church worship, work and teaching. By the Form of Government, Chapter 9, Section 7, the session is given and charged with the duty to exercise "exclusive authority over the worship of the congregation, including the musical service, ... " etc. The session violated this provision relating to its exclusive authority by surrendering it to the federated committee, a body over which it has no control.

Secondly, the session has ceased to maintain worship at the Presbyterian Church and has attempted to transfer the congregation to an independent religious organization, thereby impairing the peace and unity of this church. The proof of

session's intent is found in its notice given by the Chairman at the Congregational meeting of June, 1919, who was a member of the session, that no negative vote would be counted unless the voters agreed to abide by and acquiesce in the result. The session had no authority, nor power to require the members of a Presbyterian Church to abide by a vote the results of which violate the constitution of the church. If this were not true, the session would have the right to compel attendance of the church members on the federated services and upon the federated communion service as well, and would have the power to strike the name of those neglecting or refusing to attend from the roll of the church membership, and thereby cause said persons to lose all their rights in the Presbyterian Church property.

Thirdly, the session has closed the church building and thereby ousted the congregation from the use of the property for Presbyterian worship and has impaired the right of the church members to worship in their own church edifice.

JUDGMENT

It is the judgment, therefore, of the Permanent Judicial Commission that the complaint against the Synod of Wisconsin be and the same is hereby sustained; that the action of the Synod of Wisconsin and of the Presbytery of Madison be and the same is hereby reversed, and the Presbytery of Madison is directed to restore Presbyterian services in the church at Janesville as it existed before the particular action was taken, which is designated in this case in its title as federation.

This judgment in no wise prevents the congregation from originating and making effective any well approved form of coöperation in the working of which the rights of the Presbyterian Church are properly safe-guarded under the existing decisions of the General Assembly. (See Form of Gov., Chap. 12, Sec. 5; *Minutes* G. A. 1917, page 285, 1919, pp. 180 to 182.)

WILLARD K. SPENCER, *Moderator;*
ARTHUR L. JACKSON, *Clerk.*

The Assembly then rose as a court and resumed regular business.

The Standing Committee on Bills and Overtures, through its Chairman, Rev. John B. Laird, D.D., presented a report upon *Overtures Nos. 1 to 12*, and *262 to 266*, concerning phases of organization and conduct of the work of the New

Era Movement. The Report was received and the Assembly directed that before consideration it be printed for distribution among the Commissioners.

The following telegram was received from the Moderator of the General Assembly of the Presbyterian Church in Canada:

TORONTO, ONTARIO, May 26, 1920.

To the Moderator of the General Assembly of the Presbyterian Church in the U. S. A., Philadelphia, Pa.:

The Moderator of the General Assembly of the Presbyterian Church in Canada sends greetings to the Moderator of our great sister Church. May God prosper you and the great King and Head of the Church be with you, the dominant mind in all your deliberations.

JOHN PRINGLE, *Moderator.*

After the singing of the "Star Spangled Banner," "God Save the King," and "America," the General Assembly directed that the following telegram be sent to the Moderator of the Presbyterian Church in Canada.

PHILADELPHIA, PA., May 26, 1920.

To the Moderator, General Assembly of the Presbyterian Church in Canada, Toronto, Canada:

The General Assembly of the Presbyterian Church in the U. S. A., reciprocates cordially the greetings of your venerable body and invokes the divine blessing upon all your deliberations. See I Thessalonians 1: 2-4.

SAMUEL S. PALMER, *Moderator;*
WILLIAM H. ROBERTS, *Stated Clerk.*

The Hon. William Jennings Bryan was introduced and on invitation of the Moderator addressed the Assembly.

The report of the New Era Committee was presented through its Chairman, Mr. John T. Manson. After an address by the Rev. William Hiram Foulkes, D.D., General Secretary of the Committee, the Report, together with its resolutions, was referred to the Committee on Bills and Overtures.

The Report of the Standing Committee on Foreign Missions was presented by its Chairman, Rev. Thomas R. Good, D.D., and after addresses by Miss Margaret Hodge, President of the Women's Board of Foreign Missions, and Rev. Stanley White, D.D., Secretary of the Board of Foreign Missions, the Report was adopted as follows:

The Standing Committee on Foreign Missions would respectfully submit the following Report:

1. That they have examined the Minutes of the Board for the years 1919-20, which have been found in order, and they recommend that they be approved.

2. That they have examined the accounts of the Treasurer for the years 1919–20, involving expenditures, the largest in the history of the Board, and found them in order, carefully audited, and recommend that they be approved.

3. It is recommended that the Assembly convey its congratulations to the Women's Boards of Foreign Missions on the occasion of their Jubilee celebration of their Fiftieth Anniversary, and unification of all the Woman's Work for Foreign Missions, and rejoice in their splendid success in raising $600,000 as a Jubilee Thank Offering.

4. It is recommended that the Assembly make special recognition of the work of our Missionaries on the field during this year of exceptional difficulty. Notwithstanding the depreciation in foreign exchange, the increase in the cost of living, and most of all, the disturbed conditions resulting from the war, they have carried on their work with a courage and devotion beyond all praise.

5. That it seems appropriate that the Assembly should make special recognition of the fact that the Venerable President of the Board of Foreign Missions, Rev. George Alexander, D.D., has recently completed fifty years of service in the Christian Ministry. Few ministers or pastors in the Presbyterian Church are so beloved, and we pray that he may be permitted to continue his happy service, not only in the cause of Foreign Missions but for the Church at large for many years to come.

6. We would also recommend that the Assembly tender its congratulations to the Rev. Dr. Arthur Judson Brown who completes twenty-five years of service as one of the Secretaries next month. Doctor Brown has served the Church with consecrated devotion and has established for himself a wide reputation in missionary statesmanship, and it is appropriate that the Assembly should gratefully recognize his services and extend to him its best wishes for the years to come.

7. The following recommendations are made in reference to particular Mission fields:

(1) That the Assembly note with satisfaction the steadfastness of the native Christian of China during the year of political and industrial unrest and their largely increased gifts to Christian work in spite of impoverished conditions. We sympathize especially with the peculiar difficulties under

which the native Christians are living in the Province of Shantung, and commit them to the protective care of the Heavenly Father.

(2) We express our unmingled sympathy with the Korean Christians under the persecutions and restrictions to which they have been subjected. We profoundly appreciate their fortitude under trial. We rejoice in the many improvements brought about in Korea since that country came under the authority of the Japanese Government. We do not wish to condone any mistakes the Korean people may have made, nor do we disregard the inherent difficulty always attached to such an administrative task as that in hand in Korea. But we wish to give clear and public expression to our unmingled sympathy with them in the recent cruel and unmerited sufferings and to give our moral support to any steps looking to a real and permanent betterment of conditions.

(3) That we note with satisfaction the substantial progress in the developing opportunities of our work in Japan, notwithstanding the difficulties inseparable from such a time of political readjustment.

(4) We note with grateful praise and appreciation the work and progress of our Missions in Africa and in India, notwithstanding the unrest and unsettled conditions due to the after effects of the war and epidemics which have scourged the country.

(5) We especially commend the faith and heroic sacrifice of our missionaries in Persia and Syria who have suffered privations of the most terrible kind with apostolic courage and fidelity. We earnestly commend them to the prayers of the Church.

(6) We note the continued progress in Siam and in our South American fields with forces entirely inadequate for their needs. Our sympathy and the prayers of the Assembly are especially asked for the Missionaries of the native Christians in Mexico. It is a matter for thanksgiving that in spite of the Revolutionary disturbances, our Missionaries have so far been kept in safety.

(7) We note with interest the continuing development of the natives of the Philippines in their progress, not only towards self-government, but towards a Christian civilization. Tribute is again paid to our American school teachers and to our splendid missionary forces in working for what they hope will be the first Christian Republic in the Far East.

With regard to the overtures referred to this Committee, we beg to make the following report:

Referring to *Overtures Nos. 160 to 169, 277* and *289*, concern-

ing "such action as will secure a thorough examination of the relations existing between the Board of Foreign Missions and the Chosen Misson and obtain an authoritative definition, in the Board Manual, approved by the General Assembly, of the relations which should properly exist between the Board of Foreign Missions and the Mission, in regard to the matter of field administration." And the Committee has received the representatives of the Board and the Chosen Mission and recommends that approval of their joint request as follows:

1. That a Commission of seven be appointed for this purpose consisting of *Ministers*—Samuel S. Palmer, Thomas R. Good, Alfred H. Barr and John Harvey Lee, and *Elders*—George W. Sutherland, William B. Hay and George G. Barber, this Commission to go carefully into the subject of the above overtures and the whole problem of democratic self-government in the field force of missionaries, (see action of General Assembly, 1917) its proper sphere in accord with the principles of Presbyterianism, sound business and spiritual efficiency; and its relation under present conditions with proper Board authority, and to the Churches in the Mission field.

2. That while the Commission shall take up the specific conditions in separate session with the representatives of the Board and the Chosen missionaries, it shall attend the Post War Conference of Missionaries, June 19-26, 1920, at Princeton, N. J., where official representatives of the Board and all the twenty-seven Missions will be present, and where the Board has already placed the general subject of field administration as related to all the missions and the Board upon the docket for full discussion.

3. That during or immediately after said Conference the Commission shall meet and frame such definitions and regulations as in its judgment shall be best suited to accomplish the above ends, with due regard to the varying conditions and needs of the Missions, clearly defining and adjusting the respective functions of the Board and the Missions in field matters. These regulations shall be on a basis of a definite sphere of original jurisdiction in field matters, on the part of the Missions and of such review and control on the part of the Board as the Assembly may determine.

4. These proposed definitions and regulations shall be printed immediately after that meeting and sent to each of the twenty-seven Missions and to the Board, that they may propose any desired changes to the Commission for its consideration before final report to the General Assembly.

5. That the Commission then report its recommendations

to the General Assembly of 1921, for such action as it may deem wise, and that the definitions and regulations as adopted by the Assembly be embodied in the Manual of the Board.

6. That the General Assembly provide for the necessary expenses of such Commission.

With reference to *Overture No. 170*, we recommend that in reply to the action of the General Assembly of the Presbyterian Church in India inviting Missionaries who are members of Presbyteries in the United States to become also members of the Presbyteries of the Church of India (this invitation having been taken in answer to an Overture to the General Assembly of the Presbyterian Church in India from the Synod of North India) your Committee recommends that notwithstanding that the General Assembly took action in 1909 (see *Minutes* G. A., 1909, page 189) adverse to this request, the matter be referred to the post War Conference, when the whole question of Field Administration is to be taken up.

With reference to *Overture No. 171*, we recommend that the whole matter of provision made for maintenance and education of the children of Foreign Missionaries be referred to the consideration of the Post War Conference to be held in June, with the understanding that the Board give due weight to the recommendations of that Conference.

Further your Committee commends the work of the Department of Missionary Education, and it is recommended that the Board be requested to extend that work, and especially to develop the use of pictorial material in connection with it.

That the plan for a Church School of Missions be heartily commended to the churches, and each church urged to make special study of the Near East this year.

That the Assembly express its approval of the special Christmas and Easter exercises issued by the Board for use in Sunday Schools, and urge all Sunday Schools to make use of these exercises and to make special contributions at the Christmas and Easter Seasons to the work under the care of the Foreign Board especially designated within its Budget for those offerings.

Your Committee commends the Department of Specific Work as a necessary and valuable method of developing and maintaining the interest of donors by keeping them in touch with the individual missionary stations in the field. This plan is earnestly commended to all our Churches.

Your Committee commends the work of the Home Department of the Foreign Board especially in the development of the Church School of Missions. We commend the plan

of the educational department setting aside the Sundays nearest Christmas and Easter, as in former years, for the special offering from the Sunday Schools to the Board of Foreign Missions.

We recommend that the Assembly recognize the promotion to the highest service of the following Missionaries who have passed to their reward during the year:

From China

Mrs. S. C. McKee
Rev. Charles L. Ogilvie
Dr. O. T. Logan
Rev. Hunter Corbett, D.D.

From Chile

Rev. W. H. Lester

From Chosen

A. M. Sharrocks, M.D.

From India

Mrs. George Dunbar
Rev. U. S. G. Jones

From Persia

Rev. Fred N. Jessup
Mrs. James W. Hawkes
Miss Margaret Y. Holliday

From Siam

Rev. Wm. C. Dodd., D.D.

From Philippines

Robert W. Carter, M.D.

One of the names calls for special mention, that of Dr. Hunter Corbett. He was honored through fifty-seven years of service in China and on his last furlough was elected Moderator of the General Assembly. His was a long life of faithful service and his memory is a precious heritage of the Church at large.

Another death to be especially noted is that of Colonel Henry Wilson Hodge a member of the Board from 1915 to 1919; he was a member of a family long honored in the Presbyterian Church; his death cut short a most promising career; his loss is keenly felt by his colleagues on the Board of Foreign Missions.

The terms of office of the following members of the Board of Foreign Missions have expired:

Rev. George Alexander, D.D., Rev. John F. Patterson, D.D., Rev. J. Ross Stevenson, D.D., Mr. John T. Underwood, Mr. James M. Speers.

They are all recommended for re-election in the class of 1920-23. That the Assembly approves the action of the Board which in accordance with the power entrusted to it to fill vacancies between the meetings of the Assembly has elected subject to the Assembly's approval the following persons:

Rev. John Kelman, D.D., to serve in the class of 1918-21; Mr. Henry J. Cochran, to serve in the class of 1919-22; Rev.

Chas. G. Sewall, to serve in the class of 1919-22; Mr. William L. Amerman, to serve in the class of 1920-23; Dr. Seth M. Milliken, to serve in the class of 1920-23.

We also recommend that Rev. D. Morgan Richards, D.D., of New York, a member of the former Welsh Calvinistic Church be elected a member of the Board.

Respectfully submitted,

THOMAS R. GOOD, *Chairman.*

A Resolution regarding the seating of the Assembly at popular meetings was presented and referred to the Local Committee on Arrangements.

Greetings from the Presbyterian Church in Korea were extended to the Assembly by Rev. Samuel A. Moffet, D.D., Moderator of the Presbyterian Church in Korea, and Dr. O. R. Avison, its senior medical missionary.

The devotional services were conducted by Rev. A. W. Halsey, D.D., after which the Assembly took recess until 2.30 o'clock P.M.

WEDNESDAY, May 26, 1920, 2.30 o'clock P.M.

The Assembly met and was opened with prayer by Rev. William O. Thompson, D.D., President of Ohio State University.

The Committee on Bills and Overtures, through its Chairman, Rev. John B. Laird, D.D., presented the following additional Report which was adopted:

Overture No. 305. It is recommended that it be referred to the Moderator with power.

Overtures Nos. 56 to 152, 267 to 274, 284 to 288 asking the General Assembly not to give its assent or in any way to commit the Church to any Plan or Union or any United Council membership, that is not definitely limited to evangelical churches. It is recommended that they be answered in the affirmative.

The Committee on Church Coöperation and Union, through its Vice Chairman, Rev. J. Ross Stevenson, D.D., presented Section IX of its Report. The Vice Chairman made request that since there were two Reports upon the Council on Organic Union of Evangelical Churches in the United States the majority Report be heard first, and the minority Report of Rev. William McKibbin, D.D., be heard second. **The majority Report was adopted.**

The Committee on Church Coöperation and Union completed its Report, which was adopted and is as follows:

The Committee on Church Coöperation and Union respectfully presents to the General Assembly its Report, arranged under the following heads:

1. The Presbyterian Church and Other Churches.
2. Jurisdiction.
3. Members.
4. Meetings.
5. The Federal Council of the Churches of Christ in America.
6. The World Conference on Faith and Order.
7. Reformed Church in the U. S.
8. The Welsh Presbyterian Church.
9. Council on Organic Union of Evangelical Churches in the United States.
10. The Sulgrave Institution.
11. The Presbyterian Church in the U. S.

I. The Presbyterian Church and Other Churches.

The Committee draws attention again to the following declaration of the Assembly, setting forth in clear terms the attitude of the Presbyterian Church towards other Churches:

"The Presbyterian Church holds Christian fellowship with all who confess and obey Jesus Christ as their divine Saviour and Lord, and acknowledges the duty of all Churches that recognize Him, as the only Head of the Church Universal to work together in harmony and love for the extension of His Kingdom and the good of the world; and this Assembly earnestly desires to commend and promote this Christian coöperation, and also practically to advance the cause of Church Union by confederation, and, where possible, by conso idation among the Churches of the Reformed Faith, which are most nearly akin in doctrine and organization."

The Committee has endeavored in all its work to advance the high ideals expressed in this deliverance of the General Assembly, remembering the words of the Holy Ghost, through the Apostle Paul, "There is one body, and one Spirit, even as ye are called in one hope of your calling; one Lord, one faith, one baptism, one God and Father of all."

II. Jurisdiction.

The Committee also draws attention to the original terms of the appointment of the Committee, so far as necessary to set forth its instructions and jurisdiction:

"Whereas, This Assembly earnestly desires to commend and promote Christian coöperation, and also practically to

advance the cause of Church Union by confederation, and, where possible, by consolidation among the Churches of the Reformed Faith, which are most nearly akin in doctrine and organization; therefore, be it

"*Resolved*, 1. That a Committee be appointed by the Moderator to consider the whole subject of coöperation, confederation and consolidation with other Churches.

"*Resolved*, 2. That this Committee be instructed to enter into correspondence with any Churches of the Reformed Family with whom, in the judgment of the Committee, such correspondence would be likely to promote closer relations.

"*Resolved*, 3. That this Committee shall report to the next Assembly such plans and measures as seem to them wise, proper, and profitable for the advancement of fraternal relations, for the increase of harmonious work, and, if God shall open the way, and incline the hearts of the Churches thereto, for the reunion of those who hold the same faith and order in the service of Christ. Adopted." (*Minutes*, 1903, pp. 90, 91.)

III. Members.

The vacancy in the membership of the Committee caused by the resignation of Mr. A. R. Nicol was filled by the Moderator by the appointment of Mr. John T. Manson.

IV. Meetings.

The Committee has held meetings as follows during the year: The first was held in Philadelphia, Pa., December 3–4, 1919; the second at Philadelphia, Pa., February 3–4, 1920; the third at Atlantic City, N. J., March 4–6; the fourth at Louisville, Ky., April 7–8; the fifth at Washington, D. C., April 21, and the sixth at Richmond, Va., May 12. At the first meeting in Philadelphia, the business transacted was connected with the negotiations with the Committee on Union of the Welsh Calvinistic Methodist Church. At the second meeting at Philadelphia, further negotiations were held with the Committee of the Welsh Calvinistic Methodist Church and a conference was also had with the Committee on Union of the Reformed Church in the U.S. These two meetings as to their subject matter are dealt with under the respective heads in this Report. The last four meetings were called at the urgent request of the Committee on Union of the Presbyterian Church in the U. S., to consider a Plan of Union with the Presbyterian Church in the U. S. A., the Presbyterian Church in the U. S., the Reformed Church in the U. S., and the United Presbyterian Church. A separate report upon the results of these meetings was made to the

Assembly by Rev. J. Ross Stevenson, D.D., Vice-Chairman of the Assembly's Committee.

V. The Federal Council of the Churches of Christ in America.

The Report of the Executive Committee of the Federal Council is submitted to the Assembly in printed form. See Appendix to *Minutes*.

The Committee wishes to draw attention to the following matters in connection with the Federal Council:

1. *Purpose.*—That the Federal Council is an organization of denominations "for the prosecution of work that can be better done in union than in separation."

2. *Limited Authority.*—Article No. 4 of the Plan of Federation states: "This Federal Council shall have no authority over the constituent bodies adhering to it; but its province shall be limited to the expression of its counsel and the recommending of a course of action in matters of common interest to the Churches, local councils and individual Christians. It has no authority to draw up a common creed or form of government or worship, or in any way to limit the full autonomy of the Christian bodies adhering to it."

Referring to the limited authority of the Council your Committee carefully considered the relations of this Church to the Federal Council especially in the matter of actions by the Commissions of said Council which appear to be on the border line of the jurisdiction of the Church and the State. Action upon matters connected with the needs of the Churches of Europe during the World War or since are recognized as necessary on the part of the Council, and what was done by it in these respects was cordially approved, but this Church expresses again the conviction that it is not the province of the Federal Council to commit the Presbyterian Church to actions on which the Church itself has not deliberated and acted.

3. *Finances.*—A request for an increased appropriation for the annual expenses was submitted to the Committee, and it was decided that no increase could be granted.

4. *Delegates to the Fourth Council.*—The Committee was authorized by the General Assembly of 1919 to name the delegates, both principals and alternates, to the Fourth Quadrennial Meeting of the Federal Council to be held at Boston, Mass., December 1–6, 1920, reporting the members of the Committee as a part of the delegation. The number of principal delegates to which this General Assembly is entitled is 36. After careful consideration by a sub-committee and by the general committee, the following persons were

named as delegates. The addresses are given in each case, in order that the wide geographical distribution of the appointees may be evident. It is to be noted that the Federal Council at its last meeting in 1916 requested that, so far as possible, the members elected at that time be continued as the members during the entire quadrennium.

The following resolutions are submitted:

Resolved, 1. That the General Assembly feels that, prior to any movement on the part of the Federal Council involving the coöperation of the ministers and congregations connected with this General Assembly, the Assembly itself should be fully informed thereupon, and give its decision prior to final action. This course of procedure is regarded as necessary in order to secure the highest interests of all the Christian denominations in the membership of the Council.

Resolved, 2. That the contribution of one dollar per one thousand members to the Federal Council be continued and that this be made free of any deduction for the payment of

expenses of our delegates to Council which shall be paid by the Assembly through its appropriation to the work of this Committee.

Resolved, 3. That the Committee on Church Coöperation and Union is hereby authorized, as in past years, to represent the General Assembly in all matters dealing with the affairs of the Federal Council, and, in particular, to fill vacancies in the Assembly's representation in the membership of the Council, and also in the official staff of the Council, so far as assigned to this Church.

Resolved, 4. That this Committee is in particular empowered to take such action as may be necessary in conference with the New Era Committee on the subject of arrangements for assistance to and relief of the Reformed Churches of the Continent of Europe.

VI. World Conference on Faith and Order.

After nearly nine years of effort, the World Conference on Faith and Order is practically an accomplished fact, though very much remains to be done in making the detailed arrangements. Under the leadership of the World Conference Commission of the Protestant Episcopal Church in the United States there are now nearly a hundred Commissions in existence scattered all through the world related officially to the movement, the purposes being first the manifestation of Christian fellowship, and second, if practicable, some form of outward expression of Christian Unity.

The Commission of the American Episcopal Church therefore requested the other commissions in North America to meet to consider the next step to be taken. Accordingly a meeting was held in the Cathedral of St. John the Divine, New York City, on November 20, 1919, attended by members of Commissions appointed by Anglican, Baptist, Congregational, Disciples, Friends, Methodist, Moravian, Presbyterian and Reformed Churches in the United States and Canada, by a member of the Commission appointed by the Church of Bulgaria, and by members of the Armenian and Greek Churches and of the United Lutheran Church in America. The meeting voted to recommend to the Commission of the Episcopal Church that it call a preliminary meeting of representatives of all the Commissions throughout the world at such time and place as it thought best. The American Episcopal Commission has complied with that recommendation and has called a preliminary conference for August 12, 1920, to meet at Geneva, Switzerland to determine when and where the World Conference shall be held,

what subjects shall be discussed, what preparation shall be made for the discussions, the basis of representation of the participating Commissions the executive direction of preliminary arrangements and any other pertinent matters:

Your Committee does not feel it necessary to go into further detail concerning this great movement for the reunion of the Churches of Christendom but contents itself with drawing attention to the following matters:

1. That the movement for the World Conference is in the general charge of a Commission appointed by the General Convention of the Protestant Episcopal Church in the United States.

2. That the following persons were appointed delegates to the World Conference, whenever it is held, for the Presbyterian Church in the U. S. A.: Rev. Wm. H. Roberts, D.D., Rev. J. Ross Stevenson, D.D., and Rev. Wm. H. Black, D.D.

3. That the following persons were appointed delegates to the Preliminary Conference to meet at Geneva, Switzerland, August 12, 1920, for the Presbyterian Church in the U. S. A.: Rev. Wm. H. Roberts, D.D., Rev. Harlan G. Mendenhall, D.D., and John Willis Baer, LL.D., with Rev. John A. Marquis, D.D., as alternate.

4. That the Commission of the Protestant Episcopal Church in the United States with the Right Rev. C. P. Anderson, Bishop of Chicago, at its head, which has been in Europe during the past year ascertaining the relation to the proposed Conference on Faith and Order of the Churches of Europe and the Near East has returned to this country with a highly satisfactory report of its mission. All the Churches visited accepted the invitation to take part in the World Conference except the Church of Rome. The Pope at Rome granted a special audience to the Deputation, but declared that he did not feel able to appoint representatives to the Conference, considering submission to the Roman Catholic Church as the only possibility of Reunion.

5. That it is well to recall the fact that in January, 1914, a Commission consisting of Rev. Newman Smyth, D.D., Rev. Peter Ainslie, D.D., and Rev. Wm. H. Roberts, D.D., was appointed by the Protestant Episcopal Commission to visit Great Britain, and that the results of the visit of this Commission were two notable events; first, the membership in the World Conference of the Churches of Scotland, the Presbyterian Church in England, the Presbyterian Church in Ireland, and the Presbyterian Church of Wales; and second, that the non-Episcopal Churches of England, were brought into direct communication with the established Church of England, so that relations of fellowship since the visit have

been arranged and consummated. A separation of more than two centuries was thus happily ended. There has been little difficulty in securing united action with a view to the World Conference on the part of the English-speaking Protestant Churches.

6. That the invitation has now been presented to all the Churches of the World which find the motive and bond of visible unity in the Life of God Incarnate, inviting them to come together, not for controversy but to try to understand and appreciate one another and the great truths for which each communion stands. We can now hope and pray that the Conference will be held, and that in it God the Holy Spirit will manifest the way to that reunion of Christians which will bring the world to Christ.

Your Committee emphasizes the fact that the entire movement of the Conference on Faith and Order has as its fundamental doctrine the acknowledgment of Jesus Christ as God and Saviour.

We submit the following resolutions for adoption:

Resolved, 1. That the Assembly approves of the steps thus far taken by the Committee on Church Coöperation and Union in the matter of the World Conference on Faith and Order proposed by the Protestant Episcopal Church in the U. S.; provided, however, that any agreement made by the Committee shall not be binding upon the Presbyterian Church in the U. S. A., until there shall have been report made thereon to the General Assembly and its approval secured.

Resolved, 2. That the General Assembly advises that the Committee should continue to decline to determine any questions as to Faith and Order, but should deal only with plans and methods preparatory to the World Conference.

Resolved, 3. That, in view of the fact that this General Assembly has not as yet made any contribution to the expenses of the World Conference, said Conference is hereby commended for contributions to generous members of the Church, and the sum of $1,000 be, and hereby is appropriated from the contingent fund of the Assembly for the expenses of the Preliminary Conference.

Resolved, 4. That the General Assembly again entrusts the negotiations having in view the proposed World Conference and all matters connected with the preparations therefor, expenses included, to the Committee on Church Coöperation and Union, as the authorized representative of the Assembly.

VII. Reformed Church in the United States.

A conference was held at Philadelphia, Pa., on February 4, 1920, between a Committee representing the Reformed Church in the U. S. and a sub-committee of your Committee on Church Coöperation and Union in which the former presented a general statement concerning a plan for organic union between the Reformed Church in the U. S. and the Presbyterian Church in the U. S. A., it being suggested that the General Assemblies be combined but that the Synods and Classes of the Reformed Church be maintained for the time being. It was decided that the matter should be left to your Committee to suggest the next step.

Your Committee having received the above report of its sub-committee adopted the following resolutions:

Resolved, That the report of the Sub-Committee to confer with the Committee of the Reformed Church in the U. S., be received, and that we assure the Committee of the Reformed Church in the U. S. of our readiness to continue negotiations for Organic Union. We also look with favor on considering such a union on the basis of three bodies participating, but the present situation in our judgment is not such as to afford hope that a third body is yet willing to agree to organic union. If, however, the Committee of the Reformed Church in the U. S. can secure such a body we will be glad to coöperate. We express the earnest hope that in any event the two Churches may work out a plan of union without regard to others, believing that the consolidation of the two bodies will encourage others to join us.

It is proper here to draw attention to the fact that the Reformed Church in the United States was represented at the joint meetings of this Committee with the Committee of the Presbyterian Church in the U. S. (See Section IV of this Report, p. 100)

In view of the above considerations the following resolutions are submitted for adoption:

Resolved, 1. That the Committee on Church Coöperation and Union is hereby authorized and directed to conduct negotiations with the Executive Committee of the Council of the Reformed Churches in America holding the Presbyterian System, and with Committees appointed by any Churches of the Presbyterian household, with a view to closer relations between said Churches.

Resolved, 2. That the Committee on Church Coöperation and Union is specifically authorized to enter into negotiations with the Commission of the Reformed Church in the U. S., on the basis of Organic Union between the two bodies.

‡ VIII. The Welsh Presbyterian Church.

The Committee of the Welsh Presbyterian Church met with your Committee in the Witherspoon Building, Philadelphia, Pa., on Wednesday, December 3, 1919. It was opened with prayer by the Rev. John Hammond, M.A., of the Welsh Church, and Dr. Mendenhall of the Presbyterian Church. There were present for the Welsh Church, Rev. John Hammond, M.A., Moderator, Scranton, Pa.; Rev. John Davies, D.D., Utica, N. Y., Secretary of the Committee; Rev. J. C. Jones, D.D., Oak Hill, Ohio; Rev. Edward Roberts, Madison, Wis.; Rev. David Edwards, Lime Springs, Iowa; Mr. H. O. Prytherch, Scranton, Pa.; Mr. J. Jordan Jones, Columbus, Ohio. There were present for the Presbyterian Church, Rev. W. H. Roberts, D.D., LL.D.; Rev. John A. Marquis, D.D., LL.D.; Rev. J. Ross Stevenson, D.D., LL.D.; Rev. H. G. Mendenhall, D.D., and Rev. George Reynolds, D.D.

Resolutions of the Welsh General Assembly.

Dr. Davies presented the resolutions of the last meeting of the Welsh General Assembly, which are as follows:

"1. That we rejoice, considering the importance of the question of uniting with the Presbyterian Church in the U. S. A., that there has been shown so deep an interest in the matter, and that such commendable efforts have been made to enlighten our members on its different phases. Nevertheless we would have been better pleased, if the members had, still more generally, acknowledged the fair and deliberate way in which it was put before them, by taking advantage of the opportunity given to declare their feeling and opinion.

2. That the General Assembly is evidently face to face with the fact of a great majority in the churches in favor of union, being that the vote was one of 99 churches for and 20 against, and feel that as a matter of justice to such readiness, we are bound to arrange measures to bring the matter to a speedy and effective consummation, consistent with the wisdom and deliberation that will bring us the important advantages of the whole range of the work of the Kingdom in our midst, and measures also, of which we can be confident that they will, in a short time, bear fruit in a deep conviction on the part of our Connection generally, of the wisdom of the movement.

3. That, in accordance with the voice of the State Synods, we proceed to a realization of the union, and appoint a committee of seven (the moderator of the Assembly being one of

‡See also Page 36.

them) to enter thoroughly into the terms of union, and that this committee have power to employ all legal and other means, as they think fit, to help them to arrive at a clear and final understanding in the matter. That the Moderator, ex-Moderator and the Stated Clerk, present the names of the other six members of the committee for the approval of the Assembly.

4. That we call upon this committee to bring in a report of its proceedings, and a full and detailed declaration of the terms of union, to an adjourned meeting of this Assembly (constituted as it is this time) to be held at Columbus, Ohio, during the month of May, 1920, and that the Assembly at that meeting, after deep and prayerful consideration of the terms, and if approving of them, call upon the moderator and stated clerk of each State Synod to give effect to the final resolution on the question, already passed by their Synod, by signing the deed of union, if this be held by the joint committee to be legally necessary.

5. That a kind invitation be extended to the Synods, Presbyteries and churches to suggest to this special committee any questions relative to the union which would be considered important to bring before the joint committee.

6. That the terms of union with the Presbyterian Church in the U. S. A., as agreed upon by the joint committee, be sent to the members of the General Assembly as soon as possible.

7. The following brethren were approved of as members of the committee: Rev. John Hammond, M.A., Scranton, Pa.; Rev. John C. Jones, D.D., Oak Hill, Ohio; Rev. John Davies, D.D., Utica, N. Y.; Rev. Edward Roberts, Madison, Wis.; Rev. David Edwards, Lime Springs, Iowa; Mr. H. O. Prytherch, Scranton, Pa., and Mr. John Jordan Jones, Columbus, Ohio.

8. After a full discussion of the matter by the Assembly, during which various questions were suggested with a view of helping the committee, the following resolution was adopted:

Under a deep feeling of our privilege of being connected with the work of the Lord, and of our great responsibility, especially now, in this important moment in the history of our Connexion, that we desire humbly to acknowledge our indebtedness to almighty God for His protection, as manifested in sure signs of the guidance of His spirit. We would acknowledge gratefully the peace and coöperation that have characterized our deliberations as invaluable blessings from above. It is our prayer that the Assembly and the Connexion be kept in the same spirit, and abundantly experience a continuance of the same divine guidance, and realize His

grace to set our minds on the highest interests of the Kingdom, so that the final result, whatever that will be, may give us the utmost confidence of its being in accordance with the divine will, and prove itself the means of a great renewal and prosperity to the churches, and glory to the Name which is above every name."

Rev. W. H. Roberts, D.D., explained the action taken at the last General Assembly of the Presbyterian Church in the U. S. A. and presented an official extract from its Minutes of 1919, which is as follows:

ACTION OF THE GENERAL ASSEMBLY.

"The Welsh Presbyterian Church in the U. S. A., whose legal name is Welsh Calvinistic Methodist or Presbyterian Church, has from time to time entered into negotiations through a Committee of its General Assembly with the General Assembly of the Presbyterian Church in the U. S. A., having in view an actual union of the two bodies. The two denominations have been in close fellowship for a century, and one of the original organizers of the Calvinistic Methodists in Great Britain was the Rev. George Whitfield. He presided over the first Conference of this body of Christians held at Watford, Glamorganshire, in 1742, nearly two years before the Wesleyan or Arminian Methodists were organized by John Wesley.

The delay in bringing about the Union with this body of Christians has been caused largely by the language question. Your Committee in 1908 reported to the General Assembly the plan of union which was approved, and was voted upon by the official bodies of the Welsh Church. The minority, however, was so considerable that it was thought best not to press the matter. In December, 1918, the Committee of the Welsh Presbyterian Church, composed of Rev. R. R. Davies and Rev. R. E. Williams, had a Conference with a sub-committee of your Committee and stated that the subject of union with the Presbyterian Church in the U. S. A., was to be voted upon in the Presbyteries and Synods of their Church. They also requested information as to whether the plan formerly submitted could be regarded valid at present. Your Committee replied that it could be so regarded, and that the facts presented by them would be submitted to the General Assembly of 1919. It is desired, therefore, for purposes of clear understanding that the former agreement be confirmed. It is as follows:

The preliminary articles of agreement between the Welsh Presbyterian Church and the Presbyterian Church in the U. S. A.

1. *As to separate Presbyteries and Synods.*—In the year 1905 the Presbyterian Church in the U. S. A. adopted an amendment to its Form of Government, Chapter X, Article II, which makes that Article read as follows:

"II. A Presbytery consists of all the ministers, in number not less than five, and one ruling elder from each congregation, within a certain district; but in exceptional cases a Presbytery may be organized within the boundaries of existing Presbyteries, in the interests of ministers and churches speaking other than the English language, or of those of a particular race; but in no case without their consent; and the same rule shall apply to Synods."

Accordingly, while Organic Union would naturally mean that the United Church would constitute but one General Assembly, yet the Synods and Presbyteries of the Welsh Calvinistic Methodist Church, or of any other body capable, by similarity of doctrine and policy, of such an organic union, could be received under this rule as individual Synods and Presbyteries under our form of Government. If the plan of union should so provide, any or all of your Synods or Presbyteries could forthwith be recognized as separate bodies under this rule.

2. *Trust Funds.*—The Wisconsin Synod of your Church, or any other Synod, its individuality being preserved in the plan of union, would in the natural course continue undisturbed to administer and hold its present trust funds unaffected by any union, unless there be conditions annexed to some of its trusts of which we have no knowledge.

3. *Collections.*—Denominational collections in our Church are not obligatory, but free-will gifts. The only apportionments on the churches are for ecclesiastical expenses. The General Assembly authorizes its missionary and benevolent Boards to appeal to all churches for contributions, and occasionally commends special causes to the generosity of the Church at large.

It is recommended that the above paper be approved for substance by the General Assembly, and that the Committee be authorized to continue the negotiations.

The Committee recommends the following resolution for adoption:

Resolved, That the Committee on Church Coöperation and Union is hereby authorized to proceed with all necessary arrangements for the advancement of the plan of union between the Presbyterian Church in the U. S. A., and the Welsh Presbyterian Church. Report to be made to the General Assembly of 1920.

QUESTIONS AS TO SPECIAL MATTERS.

Dr. Davies of the Welsh Church further read a paper containing a questionnaire, and reciting several points to be considered by the Joint Committees. It was agreed that they should be taken up and discussed seriatim. The paper was submitted for the use of the Committees. Action was taken on all the questions, and the following agreements are to be considered as part of the terms of union:

I. LANGUAGE.—That the union shall not involve any change in the matter of language, that is, the Welsh Churches shall be at perfect liberty to worship, and conduct the proceedings of its different courts in its own language. Whatever change in language be deemed necessary for the success of the work, the responsibility of it shall rest entirely upon the Welsh Church.

II. CHURCHES.—(a) With regard to the important question in Church Government of the right to decide upon the admission of new members, and the questions of discipline and expulsion, and in view of the custom of the Welsh Churches, it will be considered fair that the powers of the particular church be acknowledged to the extent of submitting the decisions of the Session to the church for its approval.

(b) Should one of the Welsh Churches desire to join an English-speaking Presbytery, that such a request shall not be considered without consultation with the Welsh Presbytery, nor granted without its consent.

(c) That no particular Welsh Church shall be dissolved except by action of its own Presbytery.

(d) That the property of any local Welsh Church could not be absorbed by any English-speaking Presbytery without the consent of the local Trustees, and the approval of the Welsh Presbytery or Synod.

(e) It is understood that this union shall not disturb the Welsh Presbyterian Church of New York City in its continuance as a Welsh Church, but that this Church shall remain in its present relation to the Welsh Synod. The question of its continuance as a separate Presbytery is referred to the Welsh Synod of New York and Vermont.

III. PRESBYTERIES.—(a) The present Presbyteries of the Welsh Church shall be continued.

(b) The existing Presbyteries of the Welsh Church whose churches and ministers are not of the required number for a Presbytery, shall be allowed to continue, with the understanding, that the Welsh Synods take up the possibility of, and make an effort for, the consolidation of the smaller Presbyteries, so as to meet the requirements of the Presbyterian form of government.

IV. SYNODS.—The present Synods of the Welsh Church shall be continued in the United Church, and any funds vested in any of these Synods, shall continue under the control of the Synods for the purposes for which they were made.

V. GENERAL ASSEMBLY.—(a) The General Assembly of the Welsh Church shall be discontinued.

(b) The representation of the Welsh Presbyteries in the General Assembly of the United Church shall be on the same basis as that of the English-speaking, viz.: one minister and one elder from each Presbytery consisting of not more than twenty-four ministers.

(c) That each Welsh Presbytery shall contribute to the Ecclesiastical Fund of the General Assembly at the rate of 8½ cents per church member, or at the annual rate fixed by the Assembly for a given year. The expenses of the Delegates or Commissioners to the General Assembly are paid out of this Fund.

(d) That the Welsh Presbyteries are assured of a fair representation on the proper Boards of the General Assembly.

VI. HOME AND FOREIGN MISSION WORK.—(a) The Presbyterian Church shall take up the Foreign Mission Field of the Welsh Church.

(b) The annual contributions of the Welsh Church to the work shall be devoted to the work in the field in India hitherto undertaken by it.

(c) That the Welsh Synods shall continue their charge of their own Home Fields, and use all Mission Funds now in their possession, to promote the work in these fields.

(d) That the Welsh Synods can have their own Mission Boards, or if preferable to save administrative expenses, they can have due representation on the Presbyterian Board of Missions, with the assurance that all applications for grants, approved by the Presbyteries and supported by its representative with the Board, shall be favorably entertained under the customary rules.

VII. RELIEF AND SUSTENTATION FUNDS.—(a) The Ministers of the Welsh Presbyteries shall be entitled to the benefits of these Funds upon the same terms as the Presbyterian Ministers. No distinction is made between Ministers with and without charge.

(b) The term of thirty years qualifying for an annuity shall be reckoned for the Welsh Ministers from the date of their ordination in the Welsh Church.

(c) The annuity may be continued even if a minister removes to another country, provided that he continues his membership in the Presbyterian Church in the U. S. A.

(d) The provisions for the widows and children of deceased ministers shall be applicable in the cases of Welsh ministers.

VIII. CHURCH ERECTION FUND.—The Welsh Churches shall like the Presbyterian be entitled to the benefits of this Fund.

IX. CANDIDATES FOR THE MINISTRY.—Candidates for the Ministry in the Welsh Church shall be subject to the Presbyterian rules in all matters, such as probation, education and ordination. The rules of the Presbyterian Church will also be applied to the admission of Ministers from other denominations.

X. FORM OF WORSHIP AND THE SACRAMENTS.—The Welsh Churches shall continue their own form of Public Worship, and the number and nature of all meetings for spiritual edification. Also they shall continue the administration of the Lord's Supper as now in frequency and form.

XI. LITERATURE.—(a) The Presbyterian Church will be willing to print Sunday school lessons and other helpful literature for the Welsh Churches in the Welsh language, provided that every effort is made to secure a reasonable circulation.

(b) Should the Welsh Churches decide on the publication of any paper, or the continuance of its monthly magazine for some years for the benefit of those of its members who cannot appreciate literature in any other language, the Presbyterian Church would be willing to grant a substantial appropriation through the proper Board for that purpose.

XII. CHURCHES IN CANADA.—The Welsh Churches in Canada shall be admitted into this union.

The Presbyterian Committee submitted to the Welsh Committee a Basis of Union, and Concurrent Declarations. The Welsh Committee withdrew to consider the documents, and after a recess, reported its unanimous acceptance of the two upon the understanding that the foregoing resolutions I–XII, being the result of a thorough consideration of all the points raised by the Welsh Committee, and containing explicitly certain of the terms of union, are to be taken as additional to these two documents. Both were then unanimously adopted by the Joint Committees. They are as follows:

BASIS OF UNION.

1. The Calvinistic Methodist (or Welsh Presbyterian) Church in the United States through its General Assembly hereby agrees to be received into and to unite with the

Presbyterian Church in the U. S. A., by appropriate action of the General Assembly of the latter church, and covenants that the said General Assembly shall receive and possess all the legal and corporate rights and powers now vested in the General Assembly of the Welsh Calvinistic Methodist or Presbyterian Church in the United States.

2. This union, it is agreed is effected on the doctrinal and ecclesiastical basis of the standards of the Presbyterian Church in the U. S. A., as contained in the volume known as the Constitution of said Church; both churches acknowledging the Scriptures of the Old and New Testaments to be the inspired word of God, and the only infallible rule of faith and practice; and it is further agreed that the Confession of Faith of the Presbyterian Church in the U. S. A., shall be adopted and sincerely received by the Welsh Calvinistic Methodist or Presbyterian Church as containing the system of doctrine taught in the Holy Scriptures, and further that the Government and Discipline of the Presbyterian Church in the U. S. A., shall be approved as containing the principles of our polity, and in addition that this basis of union is binding upon all ministers, churches, and judicatories, of said Welsh Church.

Concurrent Declarations.

As there are matters pertaining to the interests of the united church, which will manifestly require adjustment on the coming together of the two churches which have so long acted separately, it is highly desirable there should be previous good understanding between the two General Assemblies as to certain important matters, and the following concurrent declarations are adopted as in their judgment proper and equitable arrangements:

1. All the ministers and churches embraced in the Welsh Calvinistic Methodist or Presbyterian Church shall be admitted to the same standing in the united body as that held by the ministers and churches of the Presbyterian Church in the U. S. A.

2. The several Synods and Presbyteries of the Welsh Calvinistic Methodist Church shall be received as Synods and Presbyteries of the Presbyterian Church in the U. S. A., and are as follows:

Synods and Presbyteries of the Welsh Presbyterian Church.

I. Synod of New York and Vermont.

1. Presbytery of Oneida: Ministers 6, Licentiates 3, Churches 14.
2. Presbytery of Eastern New York and Vermont: Ministers 3, Licentiate 1, Churches 9.

II. Synod of Pennsylvania.

1. Northern Presbytery: Ministers 7.
2. Southern Presbytery: Ministers 4.
   In both Presbyteries, Churches 17.

III. Synod of Ohio—Eastern Pennsylvania.

1. Presbytery of Western Ohio: Ministers 4, Churches 6.
2. Presbytery of Pittsburgh: Ministers 4, Licentiate 1, Churches 9.
3. Presbytery of Jackson: Ministers 3, Churches 9.

IV. Synod of Wisconsin.

1. Presbytery of Welsh Prairie: Ministers 8, Licentiates 3, Churches 17.
2. Presbytery of Dodgeville: Minister 1, Churches 4.
3. Presbytery of La Crosse: Ministers none, Churches 3.
4. Presbytery of Waukesha: Ministers 8, Licentiates 2, Churches 12.

V. Synod of Minnesota.

1. Presbytery of Blue Earth: Ministers 5, Licentiates 2, Churches 11.
2. Second Presbytery: Ministers 4, Licentiate 1, Churches 6
3. Third Presbytery: Ministers 4, Licentiate 1, Churches 6.

VI. Western Synod.

1. Eastern Presbytery: Ministers 3.
2. Western Presbytery: Ministers 5.
   Churches in both Presbyteries, 12.

The preceding list was published in 1917. The reports indicate about 14,000 communicants.

The Board of Home and Foreign Missions is a separate corporation. The members, officers and trustees are appointed by the General Assembly. In 1917 there were six foreign missionaries laboring in Sylhet and Shaistaganj, India. There is also a Board in charge of a monthly periodical known as "Y Cyfaill" ("The Friend").

3. The corporate rights now held by the General Assembly of the Welsh Calvinistic Methodist or Presbyterian Church or by its Synods or Presbyteries or by separate denominational Boards of Trustees shall be fully respected, and their funds shall be held and applied, in the future as in the past for their several purposes required by law.

4. The ministers and churches of the Welsh Calvinistic

Methodist Church shall be entitled to the same privileges of the several Boards and Permanent Agencies of the Presbyterian Church in the U. S. A., according to the rules and regulations as applied to the ministers and churches of the Presbyterian Church in the U. S. A., and in connection with the Board of Relief and Sustentation, service in the Welsh Calvinistic Methodist Church shall be counted as equivalent to service in the Presbyterian Church in the U. S. A.

5. Candidates for the ministry now under the care of the Presbyteries of the Welsh Calvinistic Methodist Church, shall be entitled to receive aid from the General Board of Education on the same basis as candidates of the Presbyteries of the Presbyterian Church in the U. S. A.

The Joint Committee voted that the representatives of the Welsh Synods in the Welsh General Assembly sign the documents of union, and also the Moderator and Stated Clerk of that General Assembly, and that the Union be consummated when the General Assembly of the Presbyterian Church in the U. S. A. approves of the Union and adopts the Basis of Union and the Concurrent Declarations, as explained in the documents forming the main part of this report.

Resolutions were adopted expressing the hope on the part of the Presbyterian Committee that, in the event of the adoption of the Plan of Union by the Welsh General Assembly, all the members of said Assembly would come to Philadelphia, to be present at its completion by the Presbyterian General Assembly, and recommending that the expenses of the visit be provided by the Presbyterians.

A Resolution was adopted by the Presbyterian Committee expressing its great appreciation of the kindliness, the fraternal attitude, and the Christian spirit of the Welsh Committee.

A Resolution was adopted by the Welsh Committee expressing its great pleasure at the generous spirit of the Presbyterian Committee, and especially of the kindly services of Dr. Roberts.

It was agreed that this report should be submitted to both General Assemblies.‡

IX. COUNCIL ON ORGANIC UNION OF EVANGELICAL CHURCHES IN THE UNITED STATES.

In pursuance to the call of the Ad Interim Committee, created by the Conference of the Protestant Evangelical Churches of the United States in answer to the invitation

‡See also Page 36.

issued by the General Assembly of our Church in 1918, through its Committee on Church Coöperation and Union, a council on Organic Union convened at Philadelphia, Pa., February 3-6, 1920.

In this Council the following eighteen denominations were officially represented by 138 registered delegates:

Armenian Evangelical Church.
Baptist Churches.
The Christian Church.
Christian Union of the United States.
The Congregational Church.
Church of the Disciples.
Evangelical Synod of North America.
The Society of Friends.
Five Years' Meeting of the Friends in America.
Primitive Methodist Church.
Methodist Episcopal Church.
Moravian Church.
Presbyterian Church in the U. S. A.
Protestant Episcopal Church.
Reformed Episcopal Church.
Reformed Church in the U. S.
United Presbyterian Church.
Welsh Presbyterian Church.

The Ad Interim Committee, composed of representatives of twenty-three different ecclesiastical bodies, as the result of prolonged deliberations, submitted a Plan of Union, which, with some slight amendments, was adopted almost unanimously, and is herewith submitted to the General Assembly for its approval. It is as follows:

A PLAN OF UNION FOR EVANGELICAL CHURCHES IN THE U. S. A.

PREAMBLE:

WHEREAS: We desire to share, as a common heritage, the faith of the Christian Church, which has, from time to time, found expression in great historic statements; and

WHEREAS: We all share belief in God our Father; in Jesus Christ, his only Son, our Saviour; in the Holy Spirit, our Guide and Comforter; in the Holy Catholic Church, through which God's eternal purpose of salvation is to be proclaimed and the Kingdom of God is to be realized on earth; in the Scriptures of the Old and New Testaments as containing God's revealed will, and in the life eternal; and

WHEREAS: Having the same spirit and owning the same Lord, we none the less recognize diversity of gifts and ministrations for whose exercise due freedom must always be afforded in forms of worship and in modes of operation:

PLAN:

Now, we the churches hereto assenting as hereinafter provided in Article VI do hereby agree to associate ourselves in a visible body to be known as the "United Churches of Christ in America," for the furtherance of the redemptive work of Christ in the world. This body shall exercise in behalf of the constituent Churches the functions delegated to it by this instrument, or by subsequent action of the constituent Churches, which shall retain the full freedom at present enjoyed by them in all matters not so delegated.

Accordingly, the Churches hereto assenting and hereafter thus associated in such visible body do mutually convenant and agree as follows:

I. *Autonomy in purely denominational affairs.*

In the interest of the freedom of each and of the coöperation of all, each constituent church reserves the right to retain its creedal statements, its form of government in the conduct of its own affairs, and its particular mode of worship.

In taking this step, we look forward with confident hope to that complete unity toward which we believe the Spirit of God is leading us. Once we shall have coöperated wholeheartedly in such visible body, in the holy activities of the work of the church, we are persuaded that our differences will be minimized and our union become more vital and effectual.

II. *The Council.* (How Constituted.)

The United Churches of Christ in America shall act through a Council and through such Executive and Judicial Commissions, or Administrative Boards, working *ad interim*, as such Council may from time to time appoint and ordain.

The Council shall convene as provided for in Article VI and every second year thereafter. It may also be convened at any time in such manner as its own rules may prescribe. The Council shall be a representative body.

Each constituent Church shall be entitled to representation therein by an equal number of ministers and of lay members.

The basis of representation shall be: two ministers and two lay members for the first one hundred thousand or fraction thereof of its communicants; and two ministers and two lay members for each additional one hundred thousand or major fraction thereof.

III. *The Council.* (Its Working.)

The Council shall adopt and promulgate its own By-laws and rules of procedure and order. It shall define the functions of its own officers, prescribe the mode of their selection and their compensation, if any. It shall provide for its budget of expense by equitable apportionment of the same among the constituent Churches through their supreme governing or advisory bodies.

IV. *Relation of Council and Constituent Churches.*

The supreme governing or advisory bodies of the constituent Churches shall effectuate the decisions of the Council by general or specific deliverance or other mandate whenever it may be required by the law of a particular state, or the charter of a particular Board, or other ecclesiastical corporation; but, except as limited by this Plan, shall continue the exercise of their several powers and functions as the same exist under the denominational constitution.

The Council shall give full faith and credit to the authenticated acts and records of the several governing or advisory bodies of the constituent Churches.

V. *Specific Functions of the Council.*

In order to prevent overlapping, friction, competition or waste in the work of the existing denominational boards or administrative agencies, and to further the efficiency of that degree of coöperation which they have already achieved in their work at home and abroad:

(*a*) The Council shall harmonize and unify the work of the United Churches.

(*b*) It shall direct such consolidation of their missionary activities as well as of particular churches in over-churched areas as is consonant with the law of the land or of the particular denomination affected. Such consolidation may be progressively achieved, as by the uniting of the boards or Churches of any two or more constituent denominations, or may be accelerated, delayed, or dispensed with, as the interests of the Kingdom of God may require.

(*c*) If and when any two or more constituent Churches, by their supreme governing or advisory bodies, submit to the Council for its arbitrament any matter of mutual concern, not hereby already covered, the Council shall consider and pass upon such matter so submitted.

(*d*) The Council shall undertake inspirational and educational leadership of such sort and measure as may be proper, under the powers delegated to it by the constituent Churches in the fields of Evangelism, Social Service, Religious Education, and the like.

VI. The assent of each constituent Church to this Plan shall be certified from its supreme governing or advisory body by the appropriate officers thereof to the Chairman of the Ad Interim Committee, which shall have power upon a two-thirds vote to convene the Council as soon as the assent of at least six denominations shall have been so certified.

VII. *Amendments.*

This plan of organic union shall be subject to amendment only by the constituent Churches, but the Council may over-

ture to such bodies any amendment which shall have originated in said Council, and shall have been adopted by a three-fourths vote.

Your Committee heartily recommends to the General Assembly the adoption of this Plan of Union, and that an overture be sent down to the Presbyteries authorizing the General Assembly to associate our Church with this visible body to be known as the "United Churches of Christ in America."

In making such recommendations, your Committee would respectfully beg the General Assembly to consider the following:

1. We ask that our becoming a member of this organization be conditioned on the membership of the Council being confined to Evangelical Christian Churches.

2. We ask the General Assembly to note that this organization provides for a real organic union with these sister evangelical Churches. It should be a cause of great joy that so many denominations were willing even to unite in a conference on such a proposition. The actual results achieved by the Philadelphia Council may be far less than many of us desire; but it should be a source of profound gratitude to God that we have been able to make even this beginning. Indeed it may be far wiser for us to start in this modest way. Real organic union deals with life, and life often grows best from small beginnings.

3. The attention of the General Assembly is also called to the vital advance which this Council achieves over a mere Church Federation. Real powers, executive and administrative, are committed to it. It is an organization in which as sister Churches we can unitedly do things, and not merely talk about them. To quote from the proposed Plan of Union, the first of its specific functions reads: "The Council shall harmonize and unify the work of the United Churches." It is also empowered to direct the consolidation of both the missionary acivities of denominations and of individual congregations in over churched areas, "as the interests of the Kingdom of God may require."

4. Your Committee feels that our entire Church should offer profound gratitude to God that we have been permitted to take the initiative in such a signal step toward answering our Lord's intercession, that His people may be one.

Objection having been made to the change in the Preamble of the Plan of Union of the word "Evangelical" to the word Christian on the ground that it was not in harmony with the general purposes of the Council, the following action was taken unanimously by the Ad Interim Committee.

Inasmuch as the substitution of the term "the Christian Church" in Article One of the Preamble of the Plan of Union for the term "the Evangelical Churches" has raised doubtful questions and provoked disturbing discussions in reference to the design and scope of the Plan of Union adopted by the American Council on Organic Union of the Churches of Christ, the Ad Interim Committee submits the following statement in explanation of the significance of the change of terms.

The intention of the Committee on Plan was to bear witness, in the first paragraph of the Preamble, to the fact that the churches entering the proposed union accepted as their common heritage the cardinal objects of the Christian faith as these were set forth in great historic statements in different periods of Christianity.

When the Committee used the clause "the faith of the Evangelical Churches which has from time to time, found expression in great historic statements," they had in mind not only the common heritage of the Churches set forth in the great historic statements since the Reformation in the Sixteenth Century but, also, such statements as the Apostles' Creed and the Nicene Creed, which were made centuries before the Reformation.

Accordingly when a resolution was offered on the floor of the Council that the phrase in the first paragraph of the preamble be changed from "the faith of the Evangelical Churches," to "the faith of the Christian Church," the Committee on Plan favored it, and, with the exception of a single vote, the Council adopted it. The modification of terms was accepted in the interest of historical accuracy, but with no thought of including other than Evangelical Churches in the Union.

Since the two conferences on Organic Union have been composed exclusively of delegates of Evangelical Churches, the Ad Interim Committee desires to record its unanimous conviction that the proposed Plan of Union is to be submitted only to the Evangelical Churches, and directs that when the Plan is brought before the Supreme Judicatories or advisory bodies, it shall bear the superscription: *A Plan of Union for Evangelical Churches in the U. S. A.*

The Officers of the Ad Interim Committee are: President, Rev. Wm. H. Roberts, D.D.; Secretaries, Rev. Wm. P. Fulton, D.D. and Rev. Rufus W. Miller, D.D.; Treasurer, Mr. Edward H. Bonsall.

X. The Sulgrave Institution.

The request of the Board of Governors of the Sulgrave Institution that the General Assembly coöperate in appointing a Committee to arrange for the suitable celebration of the Tercentenary of the Landing of the Pilgrim Fathers (see *Minutes*, 1919, p. 277) having been referred to the Executive Commission, was referred by it to this Committee. Correspondence was had with Mr. John A. Stewart, Chairman of the Institution, and a committee appointed consisting of Drs. Roberts, Marquis, and Merrill.

XI. The Presbyterian Church in the U. S.

The results of the negotiations with the Presbyterian Church in the U. S., the Reformed Church in the U. S., and the United Presbyterian Church appear in the Report of your Committee on Page 52 of these *Minutes*.

The Committee respectfully requests to be continued.

Respectfully submitted,

William H. Roberts, *Chairman.*

Section XXVI of the Report of the Executive Commission, being the annual Report of the Assembly's Committee for the Every Member Plan, was presented by Mr. David McConaughy. It was received and adopted.

The Standing Committee on Men's Work, through its Chairman, Rev. Walter L. Whallon, D.D., presented its Report, and after an address by Rev. William F. Weir, D.D., the Report was adopted as follows:

The Standing Committee on Men's Work respectfully submits the following Report:

There are three words which recall to us the program of our Lord Jesus Christ when he began to build His Church—vitalize, organize, deputize.

Our Lord vitalized men. He touched them by His divine power and they were born anew. He organized them, equipping them as a unified body to carry on for the Kingdom when he should go away. He deputized them, sending out two by two to preach His Gospel and to bring others to a knowledge of His saving love.

The method instituted by Christ was unquestionably the method of His Church, not only for His day, but for our day as well. The task of the Church to-day is to vitalize those without life, because dead in trespasses and sins, by bringing into touch with the living Lord; to bind together in bonds of

unity, a living organism; and to deputize, assigning the specific tasks under wise leadership and direction.

In the local church organization we have our subsidiary organizations. The women and the young people have long been organized for service. But until comparatively recent years the men, with their great resources of power and possessions, have been passed by, the largely unused group of the Church.

This is the task of leadership of our Permanent Committee on Men's Work, to organize and utilize this hitherto unused group in the work of the local church and in carrying out the whole program of our denomination.

It is the conviction of your Standing Committee that the plan of the Permanent Committee to attain this end is the best possible available plan. The plan of the days of the Presbyterian Brotherhood has been superseded by the present Presbyterialized plan, which is no longer an experiment. The wisdom of its selection as the practical, permanent plan has unquestionably been vindicated. This plan calls for the organization of the men in the local church, under the supervision of the Session and the Committees of the Presbytery, the Synod and the General Assembly, to face the needs and problems of the local church and through the local church the needs and problems of the community, the nation and the world.

We congratulate the Permanent Committee upon the wise leadership of the General Secretary, Dr. William F. Weir, the genius of the men's movement in our Church. Years ago he had the vision of that which has come to pass in these present days. To his wise leadership, devotion and consecration is due, in large measure, we believe, the success of the present Men's Movement in our Presbyterian Church.

The following Resolutions are presented for adoption:

1. That throughout the whole Church prayer be made continually that all the men of the Church shall be speedily enlisted in the work of the Church, mingled with gratitude for the expansion of the work during the past year and with generous gifts for its more rapid expansion.

2. That in these days of urgent need for the ministry of the Church to human welfare, the men of the churches be summoned to use all the resources at their command in strengthening the local churches and every agency of the Church for its necessary work in a ministry to the world's need.

3. That the Assembly approve the plan of the Committee to add to its staff two Assistant Secretaries to serve particularly as advance men with expert abilities in publicity

and organization, as soon as funds are available, that a greatly increased number of men may be assembled in the conferences and institutes and men's organizations perfected in many more churches.

4. That the Assembly approves of the budget of $52,090 for the current year as already approved by the Budget Committee of the Assembly's Executive Commission, and that all sessions be urged to include Men's Work in the distribution of benevolent funds and that this cause be heartily commended to men who have the ability to contribute to its enlargement.

5. That the Five Fundamental Objectives now emphasized in the work of the Assembly's Committee have the cordial endorsement of the General Assembly as being the permanent constructive work that should be done in Men's Work, as follows:

(1) Building the local churches by organized Men's Work, for a larger ministry in their communities and through the Boards and other agencies of the Presbyterian Church.

(2) Building Christian Brotherhoods in the churches whose unity in Christ and His church will be a more complete unity than exists in any other organization of men.

(3) Winning men for Christ by the attractive power of these Christian Brotherhoods and their systematic and personal work in evangelism.

(4) Capitalizing for the churches the influence, leadership, and business abilities and methods of men for the work of the churches, in order to provide better support, and equipment of pastors and better provisions of all other facilities for the work of the churches.

(5) Assimilating into the life and ministry of the churches the Service Men, and nurturing in the churches the boys of our Sunday Schools and Christian homes.

6. That we commend to our Presbyterian Brotherhoods every practicable form of coöperation with the Men's Brotherhoods of other churches, to the end that the men of the Christian Church as a whole may be mobilized for the most effective service.

7. That the Assembly records its gratitude that because of the clearer understanding of the value of Men's Work, the churches have increased their appropriations for its support for the past year almost four-fold beyond the gifts of the preceding year.

8. That the Assembly recognizes the value and appropriateness of the Men's Fellowship Dinner on Saturday night of the opening week of the Assembly as the annual gathering of Presbyterian men when so representative a body of these

men, from all parts of the country, are brought together in the fellowship of the breaking of bread, and for the consideration of the larger ministry the men should bring to the world through their churches.

9. That the Assembly approves the election of Rev. Ezra Allen Van Nuys, D.D., and Rev. C. H. McDonald, D.D., as Associate Secretaries of the Permanent Committee, and record its judgment that the wisdom of the Committee has been vindicated in the choice of men who have qualified for this particular work by organized Men's Work.

10. That the members of the class of 1920 whose terms of office expire with this Assembly be re-elected as the class of 1923, as follows:

John Timothy Stone, D.D., LL.D., George N. Luccock, D.D., Henry B. F. Macfarland, Esq., Edgar H. Evans, Edward D. Ibbotson, W. H. Wray Boyle, D.D.

That the Rev. William B. Dantz, D.D., of Detroit, be elected as a member of the class of 1922 to fill the vacancy caused by the resignation of Rev. C. H. McDonald, D.D., and that Mr. J. Willison Smith, of Philadelphia, be elected as a member of the class of 1921 to fill the vacancy caused by the resignation of Rev. Edgar W. Work, D.D.

WALTER L. WHALLON, *Chairman.*

The Hon. William Jennings Bryan again addressed the Assembly.

The Special Committee on the Official Relation of Women in the Church presented its report, through its Chairman, Rev. S. Hall Young, D.D. The report was adopted and is as follows:

The constitution of your Committee was on this wise:

The General Assembly of 1919 received three overtures. The Presbytery of Columbia River asked that Women be made eligible to ordination both as ministers and ruling elders; the Presbytery of Saginaw overtured that they be ordained as ruling elders; and the Presbytery of Dallas asked that a committee be appointed to investigate the whole question of enlarged opportunities for women in the Church.

These overtures were referred to the Assembly's Committee on Polity. A majority of the Committee recommended that the Assembly take no action; a minority report asked that a committee be appointed to take under consideration the whole matter of enlarging opportunities for women in the Church, and to report to the next Assembly. The minority report was adopted and the Committee appointed by the Moderator. In composing the Committee the Modera-

tor selected one each from those voting for the majority and the minority reports of the Committee on Polity.

At the first meeting of the Committee held September 23, 1919, the following sub-committees were appointed: Dr. Young, to obtain and tabulate the consensus of opinion of prominent men and women in the Church on this subject; Dr. Work, to examine the teachings of Scripture on the question; Dr. Barrett, to ascertain the deliverances and practice of other ecclesiastical bodies; Mr. Manson, to review the case of Mrs. Chapman which was before the last Assembly, and other similar cases; and Mr. Taggart, to report on the law and equity of the question.

It was decided that as far as possible public discussion of the question should be avoided until after the report of the Committee should be rendered; and that Presbyteries and Synods and their officers should not be consulted officially until the Assembly should decide whether or not it would send an overture or overtures on this subject to the Presbyteries.

On December 30, 1919, a meeting of the Committee was held at which all the members were present, with the exception of Dr. Work who was ill. However, he presented his report.

The facts and conclusions arrived at by your Committee at this meeting and from subsequent investigation and correspondence are as follows:

Personal letters were sent to over a hundred ministers and elders and to forty women asking their opinion on these three questions: (1) Should women be admitted to ordination as ruling elders? (2) Should they be received into the ministry? (3) Should they be made eligible to sit in the courts and councils of the Church on an equality with men?

The names of the men to whom this letter was sent were selected from those prominent in the Presbyterian Church and representing the different synods and the various theological seminaries. The women addressed were generally officers in missionary organizations, or of wide reputation in other lines of Christian work.

In addition requests for letters on the subject were inserted in various church papers; and the sub-committees corresponded concerning their special subjects.

Many letters have been received in reply, evincing a general, intelligent and growing interest in this question. These were distributed among the sub-committees, tabulated and discussed in Committee. After laying aside those letters which were indefinite or expressed no decided convictions, a hundred letters have been examined and compared, with these results:

I. From a Scriptural standpoint, the question was discussed keenly, pro and con, by professors in our theological seminaries and others, strong on the Old and New Testaments. After examining these arguments and after independent investigation your Committee is of the opinion that the Scriptures do not forbid either women elders or women preachers.

II. The sub-committee appointed to investigate the usages of other ecclesiastical bodies corresponded with the leading representatives of seven Protestant denominations, receiving courteous and informing replies in every case. In brief, this is the sum of these replies:

1. Three of these denominations, namely the Methodist Protestant, the Christian, and the Congregational, ordain women to the ministry. However but few women have availed themselves of the privilege.

2. The other four denominations interrogated, viz. the Lutheran, Baptist, Episcopal and Methodist Episcopal do not have women preachers, nor does there seem to be any particular inclination in these Churches to accord them this office.

3. Where women preach their labors are generally limited to small fields.

4. In practically all of these seven churches women are admitted to every other official position in the Church except the ministry. They serve on official boards, are trustees, deaconesses, etc., and there is a growing tendency to admit them to official equality with men in the matter of counsel and oversight in the government and service of the Church.

5. If the experience of other denominations is to be considered in helping us to reach a decision, the evidence is favorable to women in the office of the eldership, but is, on the whole, unfavorable to women in the ministry.

III. The case of the appeal of Rev. Robert C. Hallock, D.D., against the Presbytery of Chemung for licens'ng Mrs. Wm. A. Chapman to preach. The Assembly sent the case back to the Synod of New York and it came before the Judicial Commission at the fall meeting of Synod.

The appellant had three counts in his plea: first, that the licensing of a woman to preach was irregular; second, that it was unconstitutional; third, that it was unscriptural.

The Judicial Commission refused to pronounce upon any of these counts but the first, that the licensing was irregular. It found against the Presbytery and directed that the license of Mrs. Chapman be rescinded, reminding the Presbytery that the proper way to reach such a license would be by overture to the Assembly. The papers in the case were

handed to this Committee by the Chairman and Clerk of the Synod's Judicial Commission.

The fact that the Presbytery's attorney moved that the Synod overture the General Assembly that women be granted the right of licensure and ordination; and that the motion was voted down, was taken by some of our Presbyterian papers to mean that the Synod of New York had gone on record as opposed to giving women the right to preach. The officers of the Synod's Commission made it plain that this was not the case. The Synod did not act upon the merits of the question, but only upon the irregularity of such licensure under the present order of things, and the impropriety of the Synod's sending up such an overture.

IV. As to the propriety and equity of ordaining women as ruling elders and ministers, the hundred letters which were carefully examined and tabulated by your Committee and considered as fairly representing sentiment in our Church, were most interesting and illuminating. Seventy of these were from ministers and elders of the Church, sixty-three ministers and seven elders, all men of weight and influence in the Church; thirty were from women of like prominence.

Of these seventy men, forty-two, or sixty per cent. favored the ordination of women to the eldership; thirty-four, or forty-eight and one-half per cent. advocated their right of ordination to both ministry and eldership; six thought they ought to have the right to a seat in the courts and councils of the Church, but without ordination; while but twenty-two, or thirty-one and one-half per cent. opposed any change in the present usage of the Church.

Of the thirty women whose letters were listed, eighteen favored granting women the right of ordination to both ministry and eldership, two advocated admission as commissioners to presbytery and assembly without ordination, while but seven opposed their advancement in any respect or degree in the Church.

One very significant item must be recorded here. Seven of these ladies who wrote to your Committee took the question to the missionary and other organizations of which they were officers, and a vote of sentiment was taken. In each case the majority was in favor of the ordination of women.

Among the arguments advanced by those opposed to any change in the present usage of the Church, in addition to the Scriptural, are these: That woman's sphere is the home. That her family duties would interfere with her functions as minister and elder. That her ordination would result in lowering the dignity of the office. That it would afford an excuse for men to shirk *their* duties. That it would retard,

and perhaps defeat the hoped for union of the Presbyterian Church in the U. S. A. with other Presbyterian bodies; that it would keep men away from the Church; that it would lend countenance to and accelerate a dangerous feministic movement.

Some of the arguments urged by those who advocate the ordination of women to one or both these church offices, in addition to the argument from Scripture, are these: The ordination of women belongs to the spirit of the age, her civil equality is assured in our own and other nations—who deny her ecclesiastical equality? A considerable majority of the membership of the Presbyterian Church is composed of women and girls, and they do more missionary and other church work than the other sex; hence they are entitled to the honors as well as the labors of the Church. In many cases, especially on the frontiers, the organization of new churches is hindered and sometimes made impossible because of the lack of suitable material for elders among the men of the community, whereas there is abundance of good "elder-timber" among the Christian women. Women elders and ministers would in thousands of cases be able to do useful and necessary work for the children and the poor which is impossible for male officers. The call to minister in holy things is of God and is not limited to one sex; when this call is heard by a woman it is not seemly in man to say her nay.

Other arguments on both sides were advanced. It is proper to report that the ladies advocating the ordination of women to the ministry or eldership in each case disclaimed any wish to occupy the office themselves but claimed the right for their sisters.

Your Committee declines to express an opinion upon the merits of this important question. It is divided in sentiment, a majority having expressed themselves as conservative. But it is united in the opinion that the question is of sufficient moment and has excited such widespread interest as to demand discussion and settlement by the Church at large.

As the question of admitting women to the office of ruling elder has commanded the support of the larger number, and seems most urgently to call for the decision of the Church upon it, your Committee has decided to present only the one subject to the Assembly. The admission of women to presbytery, synod and Assembly without ordination would involve radical changes in our Constitution, while this right naturally follows ordination. Your Committee respectfully presents the following resolution and urges its adoption:

Resolved, That the Stated Clerk be directed to prepare and

send to the Presbyteries for their action the following Overture:

"Shall the Constitution of the Presbyterian Church in the U. S. A. be so amended as to admit properly qualified and elected women to ordination as Ruling Elders, with all the rights and duties pertaining to this office."

Respectfully submitted,

S. HALL YOUNG, *Chairman.*

The question, "Is the function of the office of deaconess equal to the function of the office of the deacon?" was referred to the Judicial Committee.

Rev. Charles L. Thompson, D.D., presented the greetings of the Federal Council of Churches of Christ in America.

The following Resolution was presented and adopted:

Resolved, That the Assembly coöperate with the Committee on the Mayflower Tri-centenary appointed by the Administrative Committee of the Federal Council.

The Standing Committee on Publication and Sabbath School Work, Rev. Alfred H. Barr, D.D., Chairman, presented its Report which was received. After an address by Rev. Harold McAfee Robinson, D.D., Secretary of the Board, the Report was adopted as follows:

Your Committee on Publication and Sunday School Work begs to submit the following report:

The Committee has carefully examined the minutes of the Board and of its four Committees and unanimously approves them, together with the plans reflected in them.

It was strongly impressed by the vigor, harmony, and open-mindedness of the Secretary and his administrative associates, and by the careful but aggressive approach to the exceedingly complex and critical responsibilties laid upon the Board by the Church. It notes that the receipts of the Board from Churches, Sabbath Schools, Young People's Societies, and individuals amounted to $389,922.96, an increase of $130,209.08 over the previous year. It records the death during the year of Colonel W. W. Allen, for thirty-one years a member of the Board, and the death on April 12, 1920, of Mr. William H. Scott, for thirty years a member of the Board, and for seven years its President. It expresses the gratitude of the Church to God for the faithful service of these men to the cause of religious education in the Church.

The following recommendations are submitted for adoption:

1. That the Minutes of the Board and its four administrative committees be approved.

2. That the 82d Annual Report of the Board be approved.

3. That the General Assembly elect to membership in the reorganized Executive Committee of the International Sunday School Association:

Harold McA. Robinson, D.D., John T. Faris, D.D., J. M. Somerndike, Walter D. Howell, Hugh T. Kerr, D.D., and Cleland B. McAfee, D.D.

4. That the General Assembly confirm the election of the following ministers and elders as members of the Board to fill vacancies:

In the class of 1920, William Porter Lee, D.D., in place of Rev. John Harvey Lee, resigned; Edward F. Hitchcock, in place of Abraham R. Perkins, resigned; H. M. Voorhees, in place of T. Edward Ross, resigned.

In the class of 1921, J. Bird Moyer, Ph.D., in the place of W. W. Allen, deceased.

In the class of 1922, John B. Rendall, D.D., in the place of John A. MacCallum, D.D., resigned; B. K. Wilbur, M.D., in the place of Cheesman A. Herrick, LL.D., resigned.

And the following ministers and elders to serve for three years, beginning June, 1920:

Ministers	*Elders*
Rev. Frank Lukens	C. T. Kirkpatrick
John B. Laird, D.D.	Roland M. Eavenson
Rev. James Ramsay Swain	C. H. Ruhl
George H. Mack, D.D.	H. M. Voorhees
William Porter Lee, D.D.	Edward F. Hitchcock

5. That the General Assembly approve the reorganization of the Board's administration in order more effectively to carry out the Assembly's instructions that the Board regard itself as preeminently an educational Board "whose main function is the promotion of the nurture of the children and youth in Christian knowledge and life" in the home, the individual church and the community and that it direct the Board to prosecute its enlarged program with all possible diligence and fidelity.

6. That the General Assembly approve the plans of the Educational Staff for special emphasis on family religion during the year and that through synods and presbyteries, pastors and sessions be instructed to lay upon the hearts and consciences of parents their responsibility for the Christian nurture of their own children.

7. That churches be urged to organize themselves with a view to the discharge of their responsibilities in the Chris-

tian nurture of the children and youth, that they study means of making the Sunday School a more effectual school of religion, particularly by training adequately qualified teachers, that they organize and maintain Daily Vacation Bible Schools and week day schools for religious instruction, coöperating with our evangelical churches wherever advisable.

8. That pastors be especially urged to be faithful in conducting Communicant Classes in connection with week day schools for religious instruction where such are in existence.

9. That in each church there be developed an educational program which shall include in its scope all the young people of the church, and which shall bring into closer coördination all young people's organizations. For the development of trained leaders and efficient workers to carry on this educational program, each church is urged to make the fullest possible use of the Summer Conferences and Winter Institutes, as promoted and conducted by this Board.

10. That renewed emphasis be placed upon the importance of observing Children's Day and Rally Day and Young People's Day. The recognition of these days has great educational value. They also furnish an opportunity for the children and youth in our Sunday Schools and Young People's Societies to share in providing for the extension of our activities in behalf of the multitude of children and youth in America who are without Christian instruction and training. The Sunday Schools are urged to remember particularly the work which the Board is doing in behalf of our immigrant population and to respond liberally to the Board's appeal for the enlargement of that work.

11. The Committee commends the Board's action in providing means for the training of field representatives for its extension work, and recommends that as liberal an appropriation as may be practicable in the judgment of the Board, be made for the purpose of furnishing scholarships in approved training schools for those desiring to devote their lives to this service.

12. The Committee is impressed with the conditions revealed by the results of recent surveys in rural districts of America, indicating that 69 per cent. of the Protestant children and youth under twenty-five years of age are not enrolled in any Sunday School. In order that the Presbyterian Church's responsibility for these children and youth may be fully met, the Committee recommends that our churches be urged to establish mission Sunday Schools, wherever necessary or practicable, in adjacent communities and neighborhoods, and that larger support be given to the Board for the development of this work in unoccupied regions.

13. That the Board be especially commended for its efforts to keep down the price of its periodical literature in the face of advancing manufacturing costs.

14. That to further the program of religious education the Board of Publication and Sabbath School Work be instructed in coöperation with the General Board of Education to join with Presbyterian Colleges where mutually agreeable in presenting a program of religious education that will assist in preparing students to be Sabbath School teachers and workers in the individual church. To this end Synodical Committees of Religious Education and Publication and Sabbath School Work with the Educational Staff and the field forces of the Board be directed to seek and secure coöperation with Presbyterian Colleges within the bounds of their Synod where possible.

15. The Committee reports that conferences are in process looking toward the carrying out of the stipulations regarding literature in the articles of union between the Welsh Calvinistic Methodist Church and the Presbyterian Church in the U. S. A., and recommends that the Board of Publication and Sabbath School Work be instructed to elect a clerical member of the Board from the Welsh Calvinistic Methodist constituency as soon as a vacancy occurs, and that until such vacancy has occurred, a representative of the former Welsh Calvinistic Methodist Church be invited to sit as a corresponding member.

Respectfully submitted,

ALFRED H. BARR, *Chairman.*

A resolution prohibiting sectarian appropriations was presented by Rev. E. E. Weaver, of the Presbytery of Boston, and was referred to the Standing Committee on Polity.

The report of the Special Committee on Work on the Continent of Europe was presented by Rev. Sylvester W. Beach, D.D., Chairman. It was received and after an address by Rev. Stanley Ross Fisher, Pastor of the American Church in Paris, it was adopted as follows:

Changed conditions on the Continent of Europe resulting from the World War have required readjustments and new alignments in the sphere and functions of your Committee.

I. The enlarged program for the American Church in Paris includes "a Social Service Building" in the Latin Quarter to minister to the needs of thousands of American students who are coming to the Art and Music studios, the Beaux Arts, and the Sorbonne. The American sub-committee on Work in the Latin Quarter decided that owing to

the new conditions and needs arising out of the war, it would be necessary to send a representative to Paris to make a detailed and thorough study of the problem with authority to reorganize our work as in his judgment might seem wise. Rev. Charles Wood, D.D., Pastor of the Church of the Covenant, Washington, D. C. consented to accept our appointment to this delicate and difficult service. He was peculiarly fitted for this task by reason of the fact that our enterprise in the Latin Quarter was inaugurated by him during a visit in Paris in 1895. Since that time he has been in constant and active connection with all the developments connected with the marvellous growth of the work. Dr. Wood returned to this country early in October. The Committee was called together to receive his report and to determine upon its future policy. Dr. Wood recommended that our Committee fall in with the new program of the American Church by which our work should be incorporated with the American Church and made an integral part of the activities of that Church. This involved the merging of "The Students' Atelier Reunions" Committee with the American and Foreign Christian Union. This corporation holds the title to the Rue de Berri Church in Paris, and also administers a considerable endowment in behalf of that Church. The merger was duly effected, and the Chairman of your Committee on Work in Europe, and another member of our sub-committee, Mr. Walker Buckner, of New York, were elected members of The American and Foreign Christian Union. The program adopted by the Union involves the erection of a social service building in the Student Quarter as a memorial to Dr. Ernest W. Shurtleff, who died in 1917—a plant that shall adequately minister to the spiritual, moral, intellectual, social and physical needs of Young America in Paris. This building will provide gymnasium and baths, dormitories where students of small means can live until adjusted, library, art-exhibition rooms, and a large auditorium for religious services, concerts, open forums, etc. It was decided that only a large and attractive building of this nature could be effective in meeting the greatly increased demands created by the number of students coming from America to Paris.

Rev. Stanley Ross Fisher, co-pastor, with Dr. Goodrich, of the American Church in Paris, was commissioned to launch a campaign in America to raise the necessary funds to carry into effect the enlarged program. Including a new site and church edifice for the American Church, and an endowment adequate to support the joint work, the sum of $2,000,000 was deemed essential. This campaign is still in progress,

and Mr. Fisher is meeting with a degree of encouragement that leads him and us to hope and believe that the total sum will eventually be raised.

From what sources are we to hope that so large a sum of money may be secured?

(1) Members of the American Colony in Paris. During the war these have borne heavy burdens, but they stand ready to render generous support, and are subscribing with great alacrity.

(2) Denominational Boards of America. Here is a supreme opportunity of supporting a united Christianity in Europe at the very center of the world's thought and activity, at an hour when world conditions are tragically demanding a *United Church* on every foriegn field. It would seem most consonant with its purpose and policy that eventually this enterprise should be supported by the Inter-Church World Movement which represents thirty evangelical denominations. The Methodist Church has already pledged from its Centenary Fund $50,000, and $2,500 a year for the next five years. Is it to be believed that our beloved Church, always foremost in all inter-church movements, and most vitally connected these many years with the American Church in Paris and the Latin Quarter work, can fail of full and generous coöperation in this hour of unprecedented opportunity.

(3) Parents of the American boys who fought in the great war, and who, to the number of 75,000, sleep in the sacred soil of France. How fitting a thank-offering for victory, and a memorial in Paris, not a stone shaft or brass tablet, but a living monument that shall go on from day to day and from year to year to complete the sacrifice!

(4) The appeal is also to the stewards of large wealth. The constructive program proposed by the American Church in Paris should appeal to men and women whose generous giving is based upon careful investigation of needs and of the methods planned to meet those needs. Our work is not a palliative or an alleviate. It lays the soundest foundations possible in the lives of the most promising group of our youth, for the finer civilization of the coming years.

Dr. Oscar Maurer, who has recently been in Paris, and is familiar with the plans for the enlarged program now proposed, has said: "This task utters a ringing challenge to the forces of righteousness in America."

II. Work on the Continent outside of Paris.

The last General Assembly, in adopting the Report of the New Era Committee has necessarily modified and directed in new channels the activities of the Committee on Work in Europe. Section 8 of that Report is as follows:

"8. As concerns the Fund for the Aid of Protestant Churches in Europe, we recommend

(a) That the Board of Foreign Missions be appointed the Treasurer of this Fund.

(b) That the Board of Foreign Missions and the Board of Church Erection, jointly with the following committee, be charged with the administration of the fund: Rev. W. H. Foulkes, D.D., Rev. W. H. Roberts, D.D., Rev. C. B. McAfee, D.D., Rev. Robert Freeman, D.D., Rev. H. G. Mendenhall, D.D., Rev. S. W. Beach, D.D., Mr. W. S. Coffin, Col. H. W. Hodge.

(c) It is suggested that the first concern in the administration of this fund should be the support of an able and adequate ministry for the Protestant peoples in the countries which have suffered by the war by supplementing in a reasonable proportion local gifts.

(d) The General Assembly expresses the hope that this fund can be administered without overhead charges, so that the whole amount may go directly to our sister churches in Europe that have so sorely suffered."

The Federal Council of Churches of Christ has a Commission on Relations with France and Belgium, and the Chairman of your Committee has been made a member of that Commission. About $200,000 have been received and disbursed by this Commission through the General Committee for the Protestant Churches and agencies in France and Belgium with headquarters in Paris. Mr. W. S. Coffin is now in France that he may consult and coöperate with the General Committee regarding the allocation of funds sent from this country. He represents both the Federal Council and the Assembly's Committee on the Administration of the Fund for the Aid of Protestant Churches in Europe. This Committee has sent to France and Italy up to the end of March not less than $100,000. Details of this distribution will be found in the Report of the Committee which will be made to this Assembly.

Work in Bohemia, Hungary and Czecho-Slovakia has challenged the interest of your Committee. From reliable reports received, copies of which have been sent to the President of the United States and our Secretary of State, there seems to be no doubt with regard to the dangers threatening the continuity, the rights and liberties, and the integrity of the Hungarian Reformed Church. This involves as well the cause of religious liberty, freedom of conscience and of worship for Protestants generally in Hungarian territory now occupied by the troops of other East European countries; and in fact our anxieties in regard to the future of Protestant-

ism in Eastern Europe are now more acute than they have been since the end of the war. Hundreds of Protestant schools of all grades are threatened with permanent extinction. Teachers and professors have been expelled and expatriated by Rumanians to whom control of Hungary has recently passed. Terrorism is prevailing, and there seems to to be a deliberate attempt to undermine the Protestantism and Protestant culture of Eastern Europe. There would seem to be a necessity of immediate action being taken by the Allied Nations to secure the cessation of such acts of barbarism and Middle Age methods of repression, and aggressive interference with the liberties of ministers and members of the Hungarian Protestant Churches, or the worship, the administrative and educational work of these churches as such.

The situation in Transylvania is even worse. Here 2,000,000 of Calvinistic Protestants are in process of extermination. Schools and churches have been closed, and in many cases razed to the ground. Ministers have been expelled. Worship is forbidden unless a representative of the Rumanian Orthodox Church is present, and all sermons, addresses and prayers are censored. A delegation representing these distressed and harried Protestant Churches has been recently in America. Their appeal is not for money, though that is sorely needed, but for religious liberty. They do not ask that we take their word as final regarding the havoc that is being wrought; they beg that an impartial Commission be sent by the American Protestant Church to investigate and report.

Your Committee would respectfully submit the following recommendations:

1. That the General Assembly puts on record its approval of the larger program now contemplated respecting the American Church and Students' Latin Quarter Work in Paris. We hope and pray that the full amount of money necessary to effectuate the plan proposed may be raised; and we commend the cause to all who have a concern for the welfare of the ever-increasing American colony in Paris; especially our students. That our Presbyterian Church may not be behind some other Protestant Churches which have made, and are now making, substantial appropriations towards this work, the Assembly would approve the placing of the Paris work among the causes for which we appeal in our budget, and that the Committee on Administration of the Fund for the Aid of Protestant Churches in Europe be charged with the administration of any funds contributed for this purpose.

2. That with a view to obtain a clear understanding of the situation respecting Protestantism in Hungary, Bohemia, Czecho-Slovakia and Transylvania, and to discover what

means should be adopted to secure the maintenance, continuity and freedom of worship in these historic Churches, we respectfully suggest the urgent necessity of sending to those countries a qualified special Commission composed of representatives of the several Presbyterian and Reformed Churches of America with whom the Reformed and Calvinistic Churches in East Europe are kindred in faith and polity; and that in case this is done, that the Executive Commission of our Church be authorized to appoint a Commissioner to be a member of said Commission. We also respectfully suggest that the Federal Council of the Churches of Christ be invited to act with the various Presbyterian and Reformed Churches in furthering the end sought.

3. That in view of the changed conditions wrought by the war in Europe which renders impossible for the present any extension of our work along the lines originally laid down for guidance in our operations, that the Committee be continued with instructions by the Assembly to attempt no work for Americans now resident in Europe, Paris being excepted; and that its purpose for the present be understood as that of coöperation with our Churches and agencies in giving counsel, encouragement and relief to the Protestant Churches in Europe whose appeal is at this moment so indescribably urgent and pathetic.

4. That the Committee be reconstituted by the appointment of the following ministers and elders: Rev. Sylvester Woodbridge Beach, D.D., Chairman, and Drs. Charles Wood, W. H. Roberts, Joseph W. Cochran and Rev. Tertius van Dyke; with Messrs. Alba B. Johnson and Cheesman A. Herrick.

Respectfully submitted,
SYLVESTER W. BEACH, *Chairman.*

The Assembly adjourned and was closed with prayer by Rev. John F. Patterson, D.D.

THURSDAY, May 27, 1920, 9.00 o'clock A.M.

The Assembly met and was opened with prayer by Rev. Robert Freeman, D.D.

The Minutes of yesterday's sessions were read and approved.

The Judicial Committee, through its Chairman, Hon. John C. Chaney, presented a report upon the question, "Is the function of the office of the deaconess equal to the function

of the office of deacon"? The Report was adopted, and is as follows:

Your Judicial Committee understands the actual question referred to it to be as follows:

"Are the qualifications and functions of a Deacon and of a Deaconess parallel?"

I. How do we define a Deacon?

(1) He must be a person elected to that office by a congregation in a definitely prescribed manner, who has been solemnly ordained by prayer and, in most cases, by the laying on of hands, and as definitely installed for service in the congregation electing.

(2) In service his ministrations include both the care of the poor and, at the will of the congregation, the "management of the temporal affairs of the church," subject to the general supervision of the session.

He is thus both an administrator and elemosynary officer of the congregation electing him, and of, or for no other congregation. As such officer, within said congregation, he is subject to the same rules as apply to Ruling Elders, as to ordination, installation, resignation, deposition, removal, dismissal, return, ceasing to act, effect of suspension and restoration.

II. What, among us, is a Deaconess?

(1) She is not an elected officer of an individual congregation, but is a self-chosen candidate, set apart with prayer by the church-at-large for a definite service in any congregation by which she may be employed, though without ordination.

(2) Her service includes such benevolent and educational ministry as may be assigned her by the pastor or session or mission, wherein for a period she is engaged to serve. She does not cease to be an active deaconess whenever her present engagement terminates.

III. Opinion.

(1) It is evident, therefore, that, paradoxical as the expression may appear, a "deaconess" is not a "female deacon," the apparent similarity being rather in the choice of similar terms whereby to designate variant offices. This becomes the more evident when it is remembered that in effect a "deaconess" is actually an assistant pastor and educator, and not primarily an administrator of benevolent or congregational funds.

(2) In the matter in hand, it is the judgment of the committee that, should the Assembly desire to include inquiry concerning the will of the Church on the matter of women

serving in office similar to that of the Deacons, the overture to the Presbyteries should include the phrase, "so as to admit properly qualified and elected women to ordination as Ruling Elders or as Deacons, with all the rights and duties pertaining to these respective offices."

(3) The practical result of such a change in our Form of Government being a natural confusion in our use of the term "Deaconess," it is recommended that, should said change in our Form of Government be made, thereafter the term "Deaconess" shall be reserved to designate as at present, a woman properly prepared and set apart by prayer for the duties of a pastor's assistant in the broadest sense; but that a woman elected to serve on the Board of Deacons shall be designated merely as "A Member of the Board of Deacons of .....Church."

Respectfully submitted,

JOHN C. CHANEY, *Chairman.*

The overture to be sent to the Presbyteries, upon the ordination of women as ruling elders, was amended to read "So as to admit properly qualified and elected women to ordination as ruling elders or as deacons with all the rights and duties pertaining to these respective offices."

The following telegram was received from the General Synod of the Reformed Church in the United States:

READING, PA., May 26, 1920.

To the Rev. William H. Roberts, D.D., Stated Clerk of the General Assembly of the Presbyterian Church in the U. S. A., Philadelphia, Pa.:

The General Synod of the Reformed Church in the United States has this day authorized its Commission on Closer Relations to continue negotiations for entering into organic union with the Presbyterian Church in the U. S. A.

GEORGE W. RICHARDS, *President.*

The order of the day being the further consideration of the Report of the New Era Committee, the Report was again presented, and after amendment to conform with certain recommendations of the Standing Committee on Bills and Overtures, was adopted. The recommendations are as follows:

Resolved, 1. That the General Assembly reaffirm the endorsement of the principles of the New Era Movement given by the two preceding General Assemblies, and that it approve

the policies of the General Assembly's Committee as interpreted and modified in the foregoing report, and that it hereby authorizes the General Assembly's Committee and its Boards and Agencies to coöperate in carrying out the proposed policies and programs.

Resolved, 2. That the Assembly reiterates its confidence in the object and purposes of this Movement and commends it to the study and support of the Church.

Resolved, 3. In order that the organization under which this Movement operates may be more complete and better adapted to the supervision of the work for which the Movement exists, it is recommended that a Committee consisting of twenty-five members shall be established, thirteen of whom shall be from the Boards and Agencies of the Church. Each Board and Agency shall elect one with one alternate. The other twelve members shall consist of six ministers and six laymen, to be selected by the Executive Commission. To this Committee shall be entrusted the administration and direction of this work as soon as the Committee is constituted and organized.

Resolved, 4. That the General Assembly suggests to all its judicatories, including Synods, Presbyteries and sessions, that they adopt the principle of setting objectives for the Church and of carrying out plans to meet these objectives.

Resolved, 5. That the General Assembly's Committee on the New Era Movement, in consultation and coöperation with the Stated Clerk of the General Assembly, be authorized to secure such statistical data from the Presbyteries and churches as will be of service to the entire Church.

Resolved, 6. The expenses incurred in the support and conduct of the New Era Movement shall be alloted to and met by the several Boards and Agencies of the Church, on a pro rata basis, each Board and Agency having assigned to it that proportion of the whole amount, equal to the percentage of that Board or Agency's receipts to the sum total of the receipts of all the Boards and Agencies.

Resolved, 7. That in view of the fact that the Committee now has an indebtedness of approximately $600,000, it is recommended that during the ensuing year, the work shall be conducted with economy and care, to the end that the present indebtedness may rapidly be reduced, the entire proportion of 8.04 per cent. shall be available for this purpose, and that a sum not exceeding $400,000 shall be the maximum of expenditures for the present ecclesiastical year.

Resolved, 8. That the General Assembly give formal approval, authority and direction to all Agencies concerned for a full and hearty coöperation in the New Era Movement.

(*a*) That the work of promoting the whole task of the whole Church is an objective that demands the whole-hearted coöperation of all the Boards and Agencies.

(*b*) That all the Boards and Agencies be urged to join with whole-hearted sympathy through the New Era Movement in carrying on their promotional work among the churches and that special emphasis should be laid upon those forms of work which are common to and strengthen all the Boards.

(*c*) That scrupulous care shall be taken to carry out the intent of the original donors of funds.

(*d*) That individuals, churches, Presbyteries and Synods be urged to follow the percentages approved by the Executive Commission.

(*e*) That the term "funds given by original donor and designated gifts" shall be understood to cover all amounts contributed by individuals or churches or organizations under the present percentage plan and funds so given shall not be diverted from the causes for which they are designated.

That donors are to be free to specify their gifts to any Board or Boards or Agencies in the proportion they desire.

That individuals or organizations are free to specify their desire to have their contributions used to assure as far as possible the full quota of each Board or Agency in accordance with the ratio of the total budget.

That the statement of the pledge card covering the above points should be prepared to the mutual satisfaction of the New Era Committee and the Boards.

(*f*) That funds designated by the original donor to objects within the budget of any Board or Agency shall be counted against the budget of such Board or Agency receiving the same.

(*g*) That the Boards and Agencies shall report promptly each month to the New Era Movement the total amount received.

(*h*) That the churches be left free to send their gifts to each separate Board or Agency or to the Central Receiving Agency, and that the treasurer of the individual church shall be urged to remit monthly all funds received by him for the General Assembly's Boards and Agencies.

(*i*) That the Central Receiving Agency and the Boards and the Agencies are authorized to accept funds from individual churches up to midnight, April 10th, of each year when the postmark on the envelope containing the remittance bears a date not later than midnight, March 31st, and that funds sent by any one of the several Receiving Agencies and Treasurers of the Synods and Presbyteries be received

by the Central Receiving Agency, Boards and Agencies, up to April 10, when accompanied by a statement that the envelope containing the original remittance bears a postmark not later than midnight, March 31st.

(*j*) That the following percentages for the year 1920-21 be and are hereby approved as the percentages of distribution for all funds received under the general percentage or budget plan, using the first column for regular distribution and the second column for final adjustment at the close of the year, it being understood that the budget of the Woman's Board of Foreign Missions, and Woman's Board of Home Missions and the Woman's Department of the Freedmen's Board are included in the quota of the Church sent down from Presbytery, but pledges for the work carried on by these organizations are made on separate pledge cards and contributions are sent through the regular channels of the missionary organization, and are, therefore, not subject to the percentage division.

That in the selection of any person or persons to represent the Presbyterian Church in the Interchurch World Movement (should such representation be continued) the Executive Commission be instructed to make its selection of official representatives from persons not serving as members of the General Assembly's Committee on the New Era Movement.

Resolved, 12. That in view of the unpaid obligations resting upon the Presbyterian Church in the U. S. A. for the work of the New Era Movement, during the past two years, and for the credit advanced to the Interchurch World Movement, and in view of the fact that under the action taken in the preceding paragraphs authorizing and directing the Boards and Agencies to provide the expenditures for the reconstituted Committee on the New Era Movement, the General Assembly authorizes and directs its reconstituted Committee on the New Era Movement to carry forward the present campaign for benevolences to the largest possible measure of success, in order that all our Boards and Agencies may be adequately supported and that all moneys received by the New Era Movement, whether by designated gifts secured for this purpose, or by its share of the approved percentage budget, shall be applied:

First, to the liquidation of the entire indebtedness of the New Era Movement, and

Second, to the liquidation of the indebtedness incurred through the furnishing of credit to the Interchurch World Movement, and that the whole Church shall be informed concerning and encouraged to meet its full responsibility.

Resolved, 13. That the General Assembly call upon all of its constituent judicatories and members to enter wholeheartedly, through their participation in the New Era Movement, into the task of promoting the whole work of the whole

Church, in order that the whole Gospel may be given to the whole world, and that the Lord Jesus Christ may be glorified through His Church.

Respectfully submitted in behalf of the Committee,

WILLIAM HIRAM FOULKES, *General Secretary.*

The Special Committee of the Eleventh Council of the World Presbyterian Alliance, through its Chairman, Rev. John A. Marquis, D.D., presented its report, which was adopted and is as follows:

The Committee to name the delegates of the Eleventh Council of the Alliance of the Reformed Churches throughout the World holding the Presbyterian System, reports as follows:

The Committee was appointed by the General Assembly of 1916, (See *Minutes* G. A., 1916, p. 123) and its members are the Rev. John A. Marquis, D.D., Chairman, Rev. Wm. H. Roberts, D.D., and Rev. Edward L. Warren, D.D.

The Committee has reported to each successive Assembly, but owing to the continued postponement of the Council because of the World War, has not named the delegates as directed by the General Assembly. The Eleventh Council has now been definitely called to meet at Pittsburgh, Pa., in September, 1921, and therefore the Committee, after giving careful attention to the matter entrusted to its care, is ready to make its Report.

The Basis of Representation in the Council is one member for each 12,500 communicants in the Churches, entitling this Church to 130 delegates. The distribution of delegates has been made on that basis in so far as practicable geographically. The Ministers number 81, the Ruling Elders, 40. It is understood that the expenses incurred by attendance upon the Council are to be paid by the delegates themselves. This has been the unvarying usage in connection with the Council.

The entire list, including alternates, is as follows:

The Report of the Special Committee on Chaplains in the United States Army and Navy was presented through its Chairman, Rev. Wallace Radcliffe, D.D. The Report was adopted and is as follows:

The General Assembly's Committee upon United States Army and Navy Chaplains would report:

While the recent World War imposed suddenly enlarged and far-reaching responsibilities involving delicate and often oppressive service there was a splendid return in a patriotic and devoted chaplaincy which won on every side the highest appreciation and applause. By the demobilization we are being returned to normal conditions and demands. This, however, is working at least a temporary hardship upon many well furnished and serviceable men, who find the transfer from chaplaincy to pastorate difficult and embarrassing. Their experience has given special fitness and their Christian patriotism summons thoughtful and practical help for their quick return to the pastorate.

The following is the record of the chaplain changes in the Army and Navy during the church year just closed:

This is history only until April 1, 1920, which fact explains certain unnoted honors here, which have been publicly an-

nounced. This report includes only those of record in the U. S. War Department at the close of our General Assembly year. The subsequent Assembly report will, of course, include all others officially recorded. This list reveals that our Presbyterian apportionment for the Army is full at present, with, however, an intelligent confidence that the apportionment will be larger after July 1, 1920. There is a special and earnest demand for the Navy. There are approximately 60 vacancies in the corps of Naval chaplaincies. This is not only an important and demanding, but an attractive field. It should summon especially young men of strength and ability, and is earnestly commended to the recent graduates of our theological seminaries. The Navy Department intimates quite distinctly that the need being so pressing they will commission acceptable candidates without regard to the church apportionments.

The new Army Bill, H. R. 12,775, recently approved by the House of Representatives, and now on the docket of the U. S. Senate, presents in several respects a great advance in the recognition and better defined work of the chaplain. It appoints one chaplain for every 1200 officers and enlisted men. It allows rank, pay and allowance according to length of service; for less than five years, that of First Lieutenant; from five to fourteen years, that of Captain; from fourteen to twenty years, that of Major, and for twenty years and more, Lieutenant-Colonel. It also ordains that in vacancies existing July, 1920, the preferences shall be to applicants under 54 years of age, who served as chaplains between April 6, 1917, and November 11, 1918. With these exceptions all applicants must be between 23 and 45 years of age.

The Bill is defective in that it does not include provision for the erection of the Chaplains' Corps, for which we have been insistent for many years, as necessary to the most intelligent and efficient organization. An amendment, however, is pending to this effect on the Bill in the U. S. Senate, with very favorable prospect of adoption. The Senate Bill will also add rank and pay of Colonel. Another defect of the present Bill is that it makes no provision for equipment of the chaplains, similar to that afforded to the medical and other Corps. It is believed that with the organization of the Chaplains' Corps this will be quickly secured. In the meantime they are dependent upon their own financial ability and the thoughtful generosity of sympathetic friends and churches.

We regret to announce that during the year we have lost through his death the genial fellowship and valuable counsels of Chaplain George Robinson who, being retired after an honored record in and since the Civil War, gave unstintedly

time and energy to our work, and especially in the stress and perplexities of our recently multiplied duties. He was a good soldier of Jesus Christ.

We recommend:

1. That we assure all our demobilized chaplains of our continued recognition and pride in their heroic and Christ-like service for their fellow men, and pledge our sympathetic and loyal help for the speedy and permanent engagement of their efficiency and devotion in the large pastorate of our church.

2. That we believe the establishment of a Chaplains' Corps to be a needed and most efficient organization for intelligent and enduring spiritual work in the Army, and earnestly desire its inclusion in the terms of Bill H. R., 12775, Sec. 15, for the reorganization of U. S. Army, and that a copy of this action be transmitted to the President of the United States, the Secretary of War, and the Committee on Military Affairs of the United States Senate and House of Representatives.

3. That chaplains be promoted on the same basis as that now in effect in the United States Medical Corps, and that they have their insignia of rank returned.

4. That for the purposes of heartening fellowship, sympathy and coöperation, we urge upon churches, especially in the presbyteries in which he is enrolled, the adoption of either an Army or Navy Chaplain, as may be arranged by the Committee, for mutual correspondence, for church bulletin announcement now so usual in case of missionaries, and such other methods as may continue such intimate and helpful relations.

5. In answer to *Overture No. 174*, asking "that all Chaplains who are regularly ordained Presbyterian ministers be placed under the care of the Board of Home Missions, in order that a monthly appropriation may be made out of Home Mission funds for the furtherance of their work," referred to this Committee for action, your Committee would recommend:

That in consistence with its recommendations heretofore made and with the statements included in this Report we authorize this Committee to appeal to the churches for a special equipment fund for our Chaplains' exceptional needs until the need shall be met by special legislation of Congress.

A message of affectionate sympathy was ordered sent to the Rev. John F. Carson, D.D., in his present illness.

The Report of the Special Committee on the National Service Commission was presented in the absence of the Chairman, Rev. John F. Carson, D.D., by Rev. Ford C. Ottman, D.D. The Report was adopted and is as follows:

The National Service Commission of the Presbyterian Church in the U. S. A. was dissolved by the General Assembly convened in St. Louis, Mo., May, 1919. By resolution of that Assembly your Special Committee was appointed "to bring to a completion the work of the National Service Commission in its relation to Chaplains and other workers in active service until the demobilization of the American forces, and to represent the Presbyterian Church in coöperation with such War Work Commissions as may be continued by other denominations, except in cases where official representation is otherwise provided; to represent the Presbyterian Church in the closing of the inter-denominational work, and in securing such equity from the sale of buildings to which appropriations have been made, and to report to the next General Assembly."

The Special Committee met in New York City on June 4th, following the meeting of the General Assembly, and was organized for work by the appointment of the following officers:

Chairman, Rev. John F. Carson, D.D.; Vice-Chairman, Mr. John T. Manson; Treasurer, Mr. Roy M. Hart; Assistant Treasurer, Rev. George R. Brauer; Executive Secretary, Rev. Ford C. Ottman, D.D.

The Chairman appointed the following special committees:

On Chaplains: Dr. David G. Wylie, Chairman; Mr. William A. Harbison; Dr. Robert E. Speer; on Camp Activities: Mr. John T. Manson, Chairman; Mr. Arthur Curtiss James; Dr. Ford C. Ottman; on Interdenominational Work: Dr. William H. Foulkes, Chairman; Dr. John A. Marquis; Dr. Robert E. Speer.

The executive officers were authorized to close up the work in the camps where demobilization had taken place and to assign to other camps, workers as needed.

Your Committee has had during the year representatives at Camps Dix, Presidio, Lewis, Main, Wadsworth, Doniphan, Funston, Gordon, Jessup, McPherson, Logan, Merritt, and at Newport News. Work has continued and is in progress in each of these cantonments excepting Wadsworth and Merritt, which have been closed, and some others where

vacancies are to be filled. So far as possible your Committee has secured the services of pastors of churches located near the cantonments and has been able, through such coöperation, at a minimum of expense, to render a spiritual service to the large number of men either sick or waiting for their discharge.

Weekly reports have been received from each of the representatives. Regular services, so far as possible, have been held in all camps. While statistical reports are necessarily inaccurate, your Committee has record of more than five hundred decisions made by the soldiers and sailors to accept Christ, one hundred and fourteen of these having been received into the membership of the churches located near the camps; eleven thousand, nine hundred and sixty-five personal visits made; hundreds of New Testaments distributed; many communion services held with the soldiers.

The most effective work has been that of ministering to sick and convalescent soldiers and sailors at the different Base Hospitals. In Base Hospitals, not connected with the cantonments, we have kept representatives at Ft. Sheridan, Ill.; Colonia, N. J.; Fox Hills, Staten Island; Greenhut Building, N. Y.; Columbia, N. Y.; Polyclinic, N. Y.; Carlisle, Pa.; Salt Lake City, Utah; Ft. McHenry, Baltimore, and at the U. S. Naval Air Station at San Diego, Calif. Greenhut, Columbia and Colonia are now closed. Our representative, Dr. A. H. Fish, who has been constantly in the service at Camp Merritt until its demobilization, has since that time maintained at Monroe, N. Y., a convalescent home for soldiers received from the surrounding Base Hospitals. This has been a work of very great importance and of blessing and has been coöperative in that the expense of it has been largely met by other organizations.

Our Committee on Chaplains has been in correspondence with many of the returned Chaplains and, so far as possible, has given them needed encouragement and assistance.

We were instructed by the Assembly to suggest some program by which the permanent Chaplains in the Army and Navy might be brought in closer relationship with our denomination. Your Committee has corresponded with churches suggesting that a church adopt one of the Army or Navy Chaplains, place his name upon the church calendar and so keep in vital touch with him, that he through the pastor of the church with which he is connected may make his need known, so that this Committee, or some other agency designated by the Assembly, might make provision to meet such need and give the Chaplains assurance that the Church is in deep and abiding sympathy with them in their work.

The Chairman of your Committee presented to the Committee for the disbursement of the Fund for Soldiers and Sailors a plan for work among the members of War Veteran's Associations, in order to bring ex-service men into a closer relationship with the Church and to organize them for effective spiritual work. The Rev. George J. Russell, a returned Chaplain, was engaged by the Committee to prepare a plan and program for such service.

He organized a Committee of Presbyterian Chaplains, all of whom had been in service overseas, and together they began work on the development of a program designed to meet the needs in this important and extensive field. This Committee made an investigation of the whole subject of returned service men in their relation to the Church, considered the attitude taken by the service men toward the Church, and conferred with Chaplains, war workers, and service men respecting the need and possibilities of an organized movement in the churches among the former service men.

As a result of these investigations the Committee formulated a plan to organize the service men in the churches in a movement known as "The Allied Comrades" which should be the logical successor of the great organization of the A. E. F. known as the "Comrades in Service." An outline of the plan proposed was printed in pamphlet form and sent to every pastor in the Presbyterian Church. The plans and object of the movement were presented at meetings of Presbyteries and at men's conventions. The response was immediate and cordial. Presbyteries endorsed the movement and ministers from different sections of the country gave it their approval. Church papers also gave it an unqualified endorsement, and churches in which the movement was introduced have reported favorably on the results attained.

The Committee of Chaplains is now in conference with representatives of other Protestant denominations and a federation of Christian ex-service men is in process. The movement has passed the experimental stage and has demonstrated its usefulness in the Church. Provision should be made to establish it on a permanent foundation.

It will be of interest to the Assembly to know that during the existence of the National Service Commission it has had 154 pastors in service at the various camps and hospitals.

During the present year 22 representatives have been at work at various stations, and we have maintained constantly a spiritual work in 20 camps, naval stations and hospitals.

In bringing this work to a close your Special Committee makes the following recommendations:

1. That the Committee be authorized and directed to con-

sider at once with the Assembly's Special Committee on Army and Navy Chaplains the present status of our Chaplains, to prepare a plan to give the Chaplains effective coöperation, and to assure them that the Church is vitally and deeply interested in the unique and splendid service to which they have been called.

There are now in the United States service, as will doubtless be reported by your Special Committee, Chaplains as follows: Regular Army, 6; Emergency, 3; Navy, 10; Naval Reserve, 4; total, 23.

A number of these Chaplains have been related to some particular church, and the plan proposed by your Committee has met with general and favorable endorsement by nearly all of them. We believe that when each of them has been so related, and thereby a point of contact established, it will be possible to devise some plan by which their modest needs may be met.

Our investigation has shown that other denominations have taken active interest in their Chaplains and have made in most cases ample provision to supplement what the Government does for them in order that their work may be efficiently done.

It is our recommendation, therefore, that such information as your Committee has gathered be submitted to the Special Committee on Army and Navy Chaplains, in order that a plan may be prepared which, in its operation, will meet the needs of our Chaplains; and that this plan be presented by the Assembly's Special Committee on Army and Navy Chaplains and be made a part of their report to the next General Assembly.

2. The ministry to the sick and wounded soldiers has been of such vital importance that your Committee believes that this work should be continued so long as such ministry is needed. There are and will be for some time in our Base Hospitals thousands of soldiers, many of them crippled for life, many of them past hope of recovery, and many of them convalescent; all of whom are in need of a spiritual ministry such as our representatives have been able to provide. Your Committee has also learned through its investigation that many civil hospitals are practically without any Protestant ministration. We believe that it is only necessary to call the attention of the Assembly to this condition in order that it may be corrected.

We, therefore, recommend that your Committee be authorized and directed to confer with the Board of Temperance and Moral Welfare and, at the earliest possible moment, turn over to that Board the work that remains to be done among

the sick and wounded soldiers and sailors; also to prepare a plan for systematic visitation of our Presbyterian hospitals, and that the Board of Temperance and Moral Welfare submit that plan and make it a part of their report to the next General Assembly.

3. In reference to the work of the Allied Comrades your Committee recommends that this movement be endorsed by the Assembly, that the Committee complete its plan of operation, and that in conference with the Permanent Committee on Men's Work the value and future direction of this movement be considered and made a part of the Report of that Committee to the next General Assembly.

4. The Committee recommends that the General Assembly authorize and direct the agency charged with the disbursement of the Coöperative Fund for Returning Soldiers and Sailors, to appropriate $15,000, or so much thereof as may be needed, to carry out and make effective the above recommendations.

In behalf of the Committee,
JOHN F. CARSON, *Chairman.*

The Standing Committee on Home Missions, through its Chairman, Rev. John E. Bushnell, D.D., presented its Report. After addresses by Mrs. F. S. Bennett, President of the Women's Board of Home Missions, Rev. John A. Marquis, D.D., Secretary of the Board of Home Missions, and Rev. John McDowell, D.D., Associate Secretary, the Report was adopted as follows:

Your Committee respectfully submits the following Report:

With grateful hearts we acknowledge the many blessings of God upon the Home Missionary activities of our Church for the past year. We have examined the minutes of the Board of Home Missions for the year 1919-20 and recommend their approval by this Assembly. We have also examined the Board's Annual Report and heartily commend it for its frank acknowledgement of whatever has been disappointing in the record of the year, and rejoice also in the manifest energy with which its officers and able secretaries are pressing the work of the Board, and for the splendid record of its achievements for the year in the face of the unusual difficulties which it has confronted during this period of unrest and confusion in the world at large.

We note that the receipts of the Board were larger than in any previous year of its history and commend it for the broad vision and aggressive constructive spirit set forth in its declared purpose and specific program of service. We recommend that the Assembly approve of its fourfold purpose to

promote worship, evangelism, education and social service, noting with especial satisfaction that its staff is consecrated to the idea of recognizing evangelism as the basic principle and primary object of the Board, and also as supplementary to this and of pressing importance for the Church which is alive to the vital issues of these throbbing times, the function of social service in the sense of applying the principles of Jesus Christ to all human relationships and interests. For this end we commend its plan of an educational propaganda to more clearly set forth those principles to counteract the evil forces which are becoming more and more aggressive in their hostility to them, as also its aim to Christianize industry and the entire structure of the social order.

Your Committee has examined the findings of the Home Mission Council and recommends that they be approved and printed in connection with this Report. We have carefully considered its several recommendations and suggestions, as also certain others from other sources, some of which look to important legislative matters which will no doubt in the future require full consideration, but it is the judgment of your Committee that under all the perplexing and confusing conditions that confront the Church at large, and especially the Home Mission Board at present, the emphasis of this Assembly should be laid less upon new legislation and the raising of new questions of reorganization than upon the advancement of the field work of the Board and its encouragement in the practical lines of the service for which it is constituted. Let the keynote of the year be a minimum of discussion and a maximum of work, a truce of criticism and a drive in action.

The Report of the Board indicates an unusual degree of determination to prosecute the work of Home Missions for larger achievements in the conversion of souls to Christ and for making the Gospel in every way possible the largest factor in shaping the destiny of our beloved country. We believe that the time has come for a larger recognition of the vital importance of this Board. Its supreme purpose is to bring America to Christ, not only for the sake of America but because thereby we create the largest factor for the future evangelization of the whole world. We therefore confine ourselves to the following specific recommendations affecting the practical work of Home Missions:

1. That *Overture No. 173* from the Board of Home Missions referred to this Committee, asking the General Assembly to rescind the action of the General Assembly of 1915 in legislating against the practice of paying out of Home Mission appropriations for the transportation of ministers to their

fields, in view of the vastly increased cost of transportation, be answered in the affirmative.

2. We recommend the approval of the special program of the Board to meet the new problems of our greatly increased Mexican population in our Southern States.

3. Obedient to a general demand for the correction of the evils of overlapping and overchurching, we recommend the approval of the principle of the Community Church in localities where conditions clearly indicate the advisability of the same, but with the proviso that such a Church be identified with some evangelical denomination.

4. We recommend that the Assembly instruct the Board of Home Missions to provide so far as possible such additional field workers as may be requested by the Synods and Presbyteries in the interest of vacant churches and otherwise neglected fields, and the coördinating agency be directed, in the interest of unity and economy and conservation of ministerial forces, to use Presbyterial and Synodical Home Mission field men wherever possible without injury to the Home Mission interests.

5. We recommend the approval of the Board's plan of enlistment and recruiting in order to secure larger and more efficient missionary forces and leadership, but with the instruction that it use great care that only men of evident fitness be appointed.

6. We recommend that the so-called American Work of the Board, which was its original and is still its central and largest department, have fullest recognition through the official designation of one of the present secretarial forces as Secretary of the American Home Mission Work, and that this Assembly herewith record its judgment that these devoted and efficient Home Missionaries are ministering in a work which is of primary importance both for the advancement of the Church and for the promotion of a Christian civilization, and that they are to the Nation itself one of its most valuable factors for the preservation and integrity of our Republic.

7. We call the attention of this Assembly to the fact that upon the financial side the Board of Home Missions has had a most unhappy experience, on account of which it seeks the protection of the Assembly against a similar misfortune for the ensuing year. The Board, through the service of many of its staff, contributed much toward securing the general budget for the year. It declined, in loyalty to the budget plan, to enter the field in its own interest, relying upon the percentage under the budget for its receipts, but its confidence was far from justified. The results appear in the finan-

cial statement of the Board. It was authorized to appropriate 85 per cent. of a projected budget of $1,600,000. It appropriated only 66 per cent. and received less than 50 per cent. of the same, though this was an increase of 39 per cent. over the previous year. Its deficit, by expenditures over receipts from living contributors and interest money, was $240,000, which it was compelled to satisfy by the use of a portion of the legacies received during the year. This condition was due to the failure of the Board to receive the pro rata quota of the budget, and chiefly in consequence of the present relation of the self-sustaining Synods to the Board. In order, if possible, to prevent the recurrence of such a situation and so that the Board may receive this year its pro rata quota of 22½ per cent., we recommend that the matter be referred to the Executive Commission, and commend for their consideration the plan of readjustment set forth in the findings of the Home Mission Council subjoined to this report.

8. We recommend in accord with custom that Washington's Birthday and Thanksgiving Day be set apart by our Sunday Schools as Home Mission Days, with appropriate exercises and offerings to be sent to the Treasurer of the Board of Home Missions.

9. We recommend that the following persons, whose terms of office expire at this time, be re-elected to serve in the class whose terms of service expire in May, 1923:

Ministers	*Laymen*
Rev. Wilton Merle-Smith, D.D.	William E. Carnochan
Rev. Calvin C. Hays, D.D.	Francis S. Phraner
Rev. Rasmus Thomsen, D.D.	Herbert K. Twitchell
Rev. Robert B. Beattie, D.D.	George D. Dayton
Rev. W. Beatty Jennings, D.D.	James N. Jarvie

10. Your Committee has examined the minutes of the Woman's Board of Home Missions for the year 1919-20, and also its Forty-first Annual Report, and recommends that the General Assembly approve the same and record our congratulations and a sense of gratitude to the consecrated and efficient women of our Church who are in zeal our inspiration, in example our despair and in achievements our crowning glory in the service of the Master. Their report indicates a total increase of receipts from all sources of $289,534.64 over the last year, with the expenditures of the year all met and with a substantial balance yet in the treasury. This is attended with a large advance of construction of buildings and with marked progress in the number of woman's societies and membership, and we will ask the Assembly on this

occasion to receive its honored President, Mrs. F. S. Bennett, of New York, in connection with this report. We recommend that the following persons, whose terms of office upon the Woman's Board of Home Missions expire in 1920, be re-elected for a term of three years:

Mrs. R. S. Allen	Mrs. W. W. Hayden
Miss A. M. Alward	Mrs. O. E. Hovey
Mrs. F. S. Bennett	Mrs. W. E. Honeyman
Mrs. S. B. Brownell	Mrs. Thomas Preston
Mrs. J. S. Dickson	Mrs. John Sinclair
Mrs. W. A. M. Grier	Mrs. James Yereance

That the action of the Board in electing Mrs. John McDowell, Miss Dorothy Harrison and Mrs. Frederick Stockwell be approved, and that these three members be added to the class of 1923.

11. We recommend that in view of the fact that both our Church and Country, as well as the world, confront problems, perils and opportunities, greater perhaps than ever before, the General Assembly invoke the especial blessing of Almighty God upon our Home Missionary forces, assuring them of our fullest confidence, bidding them go forward with renewed courage in the consciousness of a Church which stands unitedly back of them with its prayers and its resources, recognizing that there is no single issue which is paramount to that of making America Christian through the preaching of the Gospel of Jesus Christ so that His will may be the law of our land. And, in conclusion, while we thus face the task of the living, we hold in sacred memory those who have fought the good fight, have kept the faith and finished their earthly course, and ask that these be remembered in memorial prayer at this time.

Respectfully submitted,

JOHN E. BUSHNELL, *Chairman.*

*The numbers indicate the year in which the Synod elects its member for the three year period.

From the great number of matters presented to the Home Mission Council touching all sides of the Home Mission activity, we present the following for consideration by the General Assembly. The Board submitted to the Council through its representatives and in its printed Report, its minutes and its outline of the budget, a thorough and impressive statement of the deliberations and actions of the past year, and its plans for the future, showing a statesmanlike grasp of the task committed to it, as well as fidelity, earnestness and efficiency in carrying out the details of a many-sided administration.

The Council commends the *Community Church idea* as a part of the solution of the problem of overchurching and overlapping, but believes that such a church should be vitally connected with some evangelical denomination for the sake of a proper oversight and of a broad missionary interest.

The large *influx of Mexicans* into our Southern States—both for permanent residence and as "bonded laborers" temporarily employed in our land presents a field of great necessity, and to avoid duplication of effort among these

people, some comity arrangement between our own Board and the Boards of other Churches should be immediately established with assignments of definite fields to particular denominations. And, that we may ourselves be sufficient for our own share of this responsibility, schools for the *training of Mexican workers* similar to the schools already provided for the training of Indian workers should be established; and an arrangement between the Board of Home Missions and the Women's Board of Home Missions should be made whereby there may be established *Bible training courses* in connection with the existing schools for Mexican boys and girls in order to prepare these young people for religious work among those of their own race.

The Board is placing a special emphasis upon the Church's responsibility toward the *great social unrest* of to-day. The appointment of the Rev. John McDowell, D.D., in the previous year and the development of his department during the past year, are well-planned efforts to solve in the spirit of the Gospel of Christianity the great and pressing problem of the day. The Council approved this action and encourages the extension of this work with a recommendation that special effort be applied to the preparation and distribution of a suitable literature on the subject, and that in part at least this material shall be such as to be used in the development of proper Christian social ideas among the youth in our educational institutions.

The Home Mission Council views with satisfaction the progress of the *New Era Movement* in advancing closer coöperation between the Boards and Agencies and in presenting "The whole task to the whole Church." Among the churches two large advances are seen—a growing disposition to set up organizations to advance the Church in every line of work, and an increasing willingness of congregations to accept definite goals not only in financial matters but in other phases of the common task. In every possible way Home Mission forces should coöperate with the New Era Movement especially in the New Era Presbyterial schools to promote the work of Boards and Agencies which are to be held during the summer and autumn.

We believe the effort of the *Interchurch World Movement* to make a complete survey of the field and to secure reliable and accurate information regarding religious conditions and needs of the country in order that a proper distribution of missionary responsibility may be made among the different parts of the evangelical church is a valuable contribution to the Home Mission enterprise. The program of interdenominational coöperation set in motion should be conserved and advanced in our Presbyteries and Synods.

The Revisional Division of the country from a Home Mission standpoint seems wise, but the Council is not sufficiently informed to express an opinion on details of operation. In all cases, representatives of the Board should continue to observe great care in respect to relationships and matters which come under the supervision of Presbyteries and Synods so as not to create criticism for the Board itself.

While recognizing the inherent rights and privileges of Presbyteries, we would approve of the proposed plans for *Presbyterial functional organization* as suitable for presentation to the Presbyteries.

The Council feels that the *first step toward simplification, economy, and the consolidation* of scattered agencies into one great national Society or Board to deal with the entire Home Mission task should be the immediate merging into one of the present Boards of Home Missions, Church Erection and the Missionary Department of the Board of Publication and Sabbath School Work. Pending such action, the three Agencies referred to should jointly place in the field a promotional Secretary, empowered to represent them in the coöperative study of situations and in the setting of adequate programs with recommendations to the Boards as to their several participations in the same.

WORKERS

In view of the inability of Presbyteries and Synods to secure pastors for their fields because of the inadequate supply of ministers, the Council urges the General Assembly:

1. To instruct the Board of Home Missions to provide such additional field workers as may be requested by the Synods and Presbyteries, in order that proper oversight may be maintained, at least occasional services held in vacant churches, and the whole Home Mission task be kept before the Church.

2. To direct the New Era Committee in the interest of unity, economy and conservation of ministerial forces to exercise care in their appointment of field men; to use Presbyterial and Synodical Home Mission Field Men wherever possible without injury to the Home Mission interests; and to make other appointments in harmony with present Home Mission arrangements, and Presbyterial and Synodical boundaries.

3. To instruct the Board of Home Missions in its Enlistment and Recruiting Policy to use wisdom and care that only men of eminent fitness shown either by exceptional success in closely related work or exceptional promise as students be

appointed, and that a program of coöperation with colleges and theological seminaries be worked out whereby young men of promise may be challenged and laid hold upon for this service for a Christianized America.

AMERICAN WORK AND WORKERS

The Council expresses its entire unanimity and its heartiest desire to give the proper relative place to and adequate emphasis upon the historic and honorable department of American Work, its largest force of consecrated and efficient missionaries and the necessity for the multiplication of its points of contact. It, therefore, most urgently recommended:

1. That along with other expert leadership and publicity of socialized departmental effort, some one of our present able secretarial force be designated by the Board and be made known to the Church as Secretary of American Home Mission Work; that he be charged with the task of making an adequate program for this department—a program that may command adequate resources and become splendidly specialized and efficient and worthwhile.

2. That the Assembly be given opportunity to record its judgment, as is ours, that these hundreds of faithful servants of the Church—our Home Missionaries—are a splendid body of faithful, able, consecrated and efficient men; that their work is second to none other in its importance; that they are themselves among the greatest spiritual assets of the Church to-day, and that they constitute her crowning glory.

3. That this department shall exert itself to multiply its points of contact with our growing urban and country populations so that our Presbyterian Church may make its legitimate contribution to the ever-expanding Kingdom of God in America.

FINANCIAL

The Council hears with satisfaction that the income of the Board from living sources during the past year exceeded that of any former year, and looks forward to increasing financial resources being at the disposal of the Home Mission Agencies of the Church.

The Council expresses its conviction that a central receiving agency is the best plan for handling New Era benevolences, and requests the Assembly to direct the Boards and Agencies, except the Woman's Boards, to receive all funds from living sources which apply on the New Era budget through such a central receiving agency and to request self-supporting Synods and Presbyteries to make use of the same central receiving agency when the plan is put into operation.

The Council adopted the following Resolutions and requests the Assembly to take steps to put them into effect.

1. That in every self-supporting Home Mission Agency the amount of the Home Mission funds on which there may be a prior lien for work within the bounds of the Agency should be a matter of mutual agreement between the Board of Home Missions and the Agency concerned, subject always to the deliverances of the General Assembly touching this matter.

2. The Home Mission Council requests the General Assembly to direct that all Boards and Agencies, other than the Woman's Boards, represented in the budget of 1920-21, shall share in the gross receipts from living givers in the proportion that their respective budget items bear to the total budget, and

That the Central Receiving Agency of the New Era Movement shall be directed so to distribute the undesignated gifts as to accomplish this result, and

That for this purpose undesignated gifts shall include the gifts of all donors who do not indicate a specific object or Board to which the gift shall go, and all other gifts directed by churches or others to be distributed according to the plan of the Executive Commission.

3. *Resolved*, That the Executive Commission be directed to prepare uniform budget forms for the use of all Boards and Agencies participating in the general benevolent budget. These forms should be so arranged as to give sufficient detail of each budget item to permit a comparative study of previous expenditures with proposed budget, and

That the Executive Commission be further directed to have a careful study and analysis made of all budgets submitted, prior to the final adoption of the gross budget, in order that the work of all Boards and Agencies may be proportionately provided for. In order to facilitate an adequate review of said budget, all Boards, Agencies or other profiting parties be directed to open their books and give full information to the Executive Commission or its appointed representative.

All of which is respectfully submitted.

R. H. GAGE, *President*,
B. W. TYLER, *Secretary*

After devotional exercises conducted by Rev. George G. Mahy, D.D., the Assembly took recess until 2.00 o'clock P.M.

THURSDAY, May 27, 1920, 2.00 o'clock P.M.

The Assembly met and was opened with prayer by Rev. Sylvester W. Beach, D.D.

The following Resolution was presented and adopted:

Resolved, That the $400,000 allowed the New Era Committee as a maximum to cover all expenses for the year be understood to mean *all* expenses including those of the campaign.

The Committee on Next Place of Meeting presented its Report as follows:

The Committee on the Next Place of Meeting, composed of the Moderator, the Stated Clerk and the Permanent Clerk, respectfully presents its report, as follows:

Two invitations have been submitted to the Committee, one from Winona Lake, Ind., and the other from Atlantic City, N. J. Both tender to the General Assembly the usual guarantees for an appropriate place of meeting, for free entertainment of the officers of the Assembly, for the expenses of the Local Committee of Arrangements, and such other provisions as may secure the comfort of the Commissioners and the business efficiency of the Assembly. It is further understood that provision will be made for the entertainment of the Commissioners at the best reduced rates possible.

The Committee refers to the General Assembly the decision between Winona Lake, Ind., and Atlantic City, N. J.

Respectfully submitted,

SAMUEL S. PALMER, *Chairman.*

Winona Lake, Ind. was selected as the meeting place of the General Assembly in 1921.

Rev. William H. Roberts, D.D., the Stated Clerk, appeared before the Assembly and from his wheeled chair read the following communication:

MAY 26, 1920.

To the General Assembly:

DEAR BRETHREN:

Your great kindness to me is warmly appreciated. One of the uplifts of my life has been the manner in which the General Assembly from year to year has approved my work. In the present situation occasioned by my illness I ask the Assembly to appoint a Special Committee of the Executive Commission consisting of the Moderator, Rev. S. S. Palmer, D.D., Dr. John Willis Baer, Hon. Allen B. Endicott and Rev. George B. Stewart, D.D., said Committee to have from the Assembly full power to do anything that may be necessary to assist me in my work, and that the Executive Commission through this Committee shall have during the year full charge of my office.

WM. H. ROBERTS, *Stated Clerk.*

The General Assembly voted unanimously to comply with the request of its Stated Clerk as contained in the foregoing communication, and upon the request of the Moderator, Dr. John Willis Baer expressed to Dr. Roberts the high regard of the Assembly for him and their sincere hope that he might soon be restored to health again.

The Moderator appointed the Committee on the Management of the Office of the Stated Clerk, to present to the Assembly resolutions commemorating the fortieth anniversary of the official connection of Rev. Wm. Henry Roberts, D.D., with the General Assembly.

The Executive Commission, through its Chairman, Dr. John Willis Baer, presented its Report upon the matters referred to it in connection with the relationship of the General Assembly to the Inter-Church World Movement. After discussion, the Report was adopted as follows:

The Executive Commission reports to the General Assembly that after full consideration it returns the proposals introduced by Rev. C. Waldo Cherry, D.D., and by Rev. Edward A. Wicher, D.D., with the recommendation that they be not adopted.

The Commission presents to the Assembly two plans, Plan A and Plan B.

[Plan A, not having been adopted, under the Rule of the Assembly, is not printed.]

Plan B was adopted and is as follows:

A communication from the Interchurch World Movement dated May 22, 1920, having been addressed to the General Assembly, in which the Assembly is asked to express its judgment regarding certain future plans of the Movement, to elect to membership on the General Committee of the Interchurch World Movement representatives of the Presbyterian Church in the U. S. A., and to make provision for contributing to the financial support of the Movement for the year 1920-21; and this communication having been referred to the Executive Commission, the Commission begs to submit in reply the following paper:

WHEREAS, The Executive Commission, under the authority of the General Assembly (See *Mins.*, G. A., 1919, pp. 228-9), authorized the New Era Committee and the various Boards and Agencies of the Presbyterian Church in the U. S. A. to underwrite the sum of $200,000 toward the expenses of the survey and the publicity campaign of the Interchurch World Movement, under limitations, fixed by the General Assembly, and under further conditions imposed by the Executive Com-

mission, which underwriting was executed in due course by the New Era Committee.

WHEREAS, The Executive Commission at a subsequent date and under the same authority of the General Assembly, after having officially ascertained that the conditions referred to had been complied with and on the assumption that they would continue in force, authorized the New Era Committee to underwrite an additional sum of eight hundred thousand dollars with the following stipulation, which was made a part of the underwriting contract, to wit:

"The total of not to exceed one million dollars will cover not only the expenses of the financial gathering in behalf of the Boards and Agencies carried on by the New Era Movement, but also the full Presbyterian share in the Interchurch World Movement, including the two hundred thousand dollars of credit already advanced by the authority of the Executive Commission. In other words, a sum of not to exceed one million dollars is to cover the total maximum cost of the ingathering of 1920-21, and our share of the expenses of the Interchurch World Movement" and

WHEREAS, The Interchurch World Movement has called upon the guarantors for the amount of their underwritings and is engaged in a further campaign for funds to meet the deficit in its expenses;

Therefore, the Executive Commission hereby recommends to the General Assembly:

1. That the General Assembly of the Presbyterian Church in the U. S. A. decline to incur any further financial obligation for the Interchurch World Movement, as now organized and controlled; that it terminate its relationship with said Movement and withdraw any representation it may have therein.

2. That the General Assembly authorize the Executive Commission to take immediate steps to provide for the payment by the Presbyterian Church in the U. S. A. of the amount underwritten by the New Era Committee in behalf of the Interchurch World Movement as authorized by the Executive Commission or of such part of that amount as may still be owing.

3. That official notice of this action be given to the Interchurch World Movement, to the New Era Committee and to the Boards and Agencies of the Presbyterian Church in the U. S. A.

4. Realizing the deep and wide-spread feeling in the Church that some definite agency of a coöperative character should be in actual and efficient operation and in order to give further effect to the action of the Assembly of 1919 (*Mins.*

G. A., 1919, p. 228) the General Assembly contribute to the Interchurch World Movement when properly reorganized, for the year 1920-21, the sum of one hundred thousand dollars in equal quarterly installments, to be used for the payment of its current operating expenses as a going concern (not including interest) for said period and for no other purpose, the Executive Commission is hereby authorized to take appropriate action for the payment of such sum. No part of said sum shall be paid until the Interchurch World Movement has been reorganized so as to insure an efficient and economical administration of its affairs and the adoption of a budget for the year 1920-21, not in excess of one million dollars exclusive of interest charges. The Executive Commission is to be assured that the General Assembly and its agencies in making said contribution and in coöperating in the activities of said re-organized Movement are protected against additional liability arising out of the relationship of the General Assembly to said Movement; and if in the judgment of the Executive Commission the relations of the General Assembly and the reorganized Interchurch World Movement shall at any time become such as to make probable the creation of liabilities in excess of the amount herein provided for, the Executive Commission shall have the power to terminate such relationship or to take such other action as may be necessary to protect the General Assembly against such excess liability.

5. The General Assembly in thus entering into relationship with the Interchurch World Movement as reorganized, in accordance with these resolutions, in no manner recognizes its liability for any indebtedness not specifically authorized by it.

6. The Executive Commission is further authorized to provide for the selection of the persons who shall represent the General Assembly in its coöperative work with said Movement; and shall have full discretion as to the manner in which said representatives shall function with the representatives of other agencies affiliated with said Movement.

Respectfully submitted for the Executive Commission.

JOHN WILLIS BAER, *Chairman.*

The Committee on Correspondence, through its Chairman, Rev. Harlan G. Mendenhall, D.D., introduced the following corresponding delegates, who addressed the Assembly: Rev. Charles D'Aubigne, representing the Protestant Churches of France; Rev. Donald A. Cameron, representing the Presbyterian Church of Australia; Rev. Herbert L. Willett, representing the Federal Council of the Churches of Christ

in America; Rev. Walter R. Ferris, D.D., representing the World's Alliance of the Reformed Churches holding the Presbyterian System; Rev. C. A. R. Janvier, D.D., representing the Presbyterian Church in India, Rev. Paul Kanamori, representing the Church of Christ in Japan, and Rev. Vaclav Losa, representing the Reformed Church of Bohemia. The Moderator responded to the addresses.

The Report of the Standing Committee on Correspondence was presented, and adopted as follows:

The Committee on Correspondence makes the following recommendations:

1. That the following gentlemen be received from their accredited bodies: Rev. Charles Merle d'Aubigne from the Reformed Churches of France; Rev. Donald A. Cameron from the Presbyterian Church of Australia; Rev. Herbert L. Willett from the Federal Council of the Churches of Christ in America; Rev. Paul Kanamori from Japan; Rev. C. A. R. Janvier, D. D., from the Presbyterian Church of India; Rev. Vaclav Losa, D.D., from the Reformed Church of Bohemia; Rev. W. R. Ferris, D.D., from the Alliance of the Reformed Churches throughout the World.

2. That the following message be sent to the General Synod of the Reformed Church in America meeting at Asbury Park, N. J., June 3, 1920:

"The General Assembly of the Presbyterian Church, U. S. A., sends greetings to the General Synod of the Reformed Church in America and would respectfully call attention to the action taken regarding a Plan of Union for Presbyterian and Reformed Churches and invites the Reformed Church through its Synod to take similar action and to coöperate with us in the establishment of closer relations among Presbyterian and Reformed Churches."

3. A resolution was sent to this Committee by order of the Assembly from the Committee on Work on the Continent of Europe, asking that a Commission be appointed to visit the Presbyterian and Reformed Churches in South Eastern Europe "with a view to obtain a clear understanding of the situation respecting Protestantism and to discover what means should be adopted to secure the maintenance, continuity and freedom of worship in those historic churches." Similar requests have come from the Conventus of Hungary and from the Reformed Church in Transylvania and the Committee to administer the Fund for the Aid of the Protestant Churches in Europe. It is recommended that the Committee to administer the Fund for the Aid of the Protestant Churches

in Europe be authorized to send committees to the Reformed Churches in France, Belgium, Italy, Czecho-Slovakia, Hungary and Transylvania for the purpose of examining the condition of these churches, as to their needs, to learn how they may be assisted and the application already made of funds sent from our Church, such committees to serve without any expense to the church.

4. The General Assembly of 1915 appointed a special committee to carry greetings to the Reformed Church of Bohemia on the 500th Celebration of the martyrdom of John Huss. Inasmuch as this celebration was postponed on account of the war and is to take place on July 6th of this year, it is recommended that the original committee be continued with the addition of the following names:

Ministers—Rev. Drs. Samuel S. Palmer, Daniel Russell, D. S. Schaff, D. E. Lorenz, W. H. Foulkes, V. Pisek, W. J. Dobias, D. S. Kennedy, J. A. Marquis, Jos. Krenek, William Carter, Frank C. Monfort, J. E. Clarke, Joseph T. Gibson, W. C. Covert, G. A. Papperman, and Maitland Bartlett. *Ruling Elders*—A. L. Jackson, N. R. Best, W. H. Ridgway, C. L. Huston, and W. A. Harbison.

This Committee is to serve without any expense to the Church.

5. An Overture on the censorship of the press was received from the Presbytery of Meridian and referred to this Committee. It is recommended that no action be taken. Also from the same Presbytery a request was received for action in regard to the conditions in Ireland.

In response the following resolutions are recommended for adoption:

WHEREAS, We had a visit during the months of December and January by a delegation of Ministers and Laymen representing the Protestant Churches of Ireland and from the lips of these splendid men many thousands of peoples from the Atlantic to the Pacific heard a true statement of the religious and political conditions of that land, from which came most of those who founded the Presbyterian Church in America, therefore, be it

Resolved, 1. That the General Assembly expresses sympathy with these Protestant people in the resistance they are offering to that which threatens their freedom and is in danger of leading to widespread persecution.

Resolved, 2. That we call upon our American people to heed the admonition of this delegation, viz: to keep hands off, to refuse to contribute to the cause of Irish freedom, to remember that Protestant Ireland is asking for nothing but

to be let alone. And we request England to make thorough investigation before giving moral or material support to that which pretends to be an effort to make Ireland free.

Resolved, 3. That this General Assembly shall communicate to the Presbyterian Church in Ireland our interest and sympathy and shall either by personal messenger or written communication carry to them our joy in the steadfastness of their faith and the courage and sanity of their attitude in these days of trial.

6. Papers were received bearing upon the situation in Armenia. This answer is recommended:

The General Assembly of the Presbyterian Church records its most emphatic protest against the massacres and all other acts of inhumanity to which the Armenians, the Hungarians, the people of Transylvania and other peoples of the war stricken areas have been subjected.

We also express our hope that at a very early date all such harsh and cruel treatment shall be at an end.

In line with this expression we present the following resolution, viz:

Resolved, That the General Assembly of the Presbyterian Church, U. S. A. (*a*) express sincere sympathy with the Republic of Armenia and its national aims; (*b*) that we protest vehemently against the repeated atrocities committed upon such a faithful people; and (*c*) that we endorse the Near East Relief for its great service to stricken Armenia.

7. It is recommended that Rev. Edward A. Wicher, D.D., of San Francisco Theological Seminary be made a fraternal delegate from this body to the General Assembly of the Presbyterian Church in Canada.

Respectfully submitted for the Committee,

H. G. MENDENHALL, *Chairman.*

The Committee to Administer the Fund for the Aid of Protestant Churches in Europe presented its Report, through its Chairman, Rev. Harlan G. Mendenhall, D.D. The reported was approved and is as follows:

The General Assembly's Committee to Administer the Fund for the Aid of Protestant Churches in Europe has set for itself the hope of contributing this year $500,000, as its share towards the relief of devastated regions. An appeal for this amount has been made by advertisement in some of our religious papers, and by circulars sent to pastors and to clerks of session. The Committee regrets that it must make its appeal at a time when public willingness and sympathy have been worn thin and when more money is to be solicited for

the carrying on of services revealed by a renewed and enlarged spirituality. Our special appeal is made, however, because of the urgency of the need of our brothers across the sea—an urgency that in instances cries out in distress. It is the purpose of the Committee to administer its gifts judiciously—not to weaken by an indiscriminate amiability but to strengthen by a wise helpfulness.

There are three zones of relief as follows:

1. *France and Belgium.*—The Committee is helping these regions in coöperation with the Federal Council of the Churches of Christ in America; and has adopted the following measures of relief agreed upon by this Council, viz.: (a) The restoration of ruined churches in specified strategic centers; (b) Welfare work in devastated areas; (c) Training of nurses; (d) Assistance to the Protestant Theological School; (e) Aid to impoverished pastors and their families; (f) Aid to missions. For this work the Committee has sent to France to date, $72,907, a very small proportion of its share in the work.

2. *Italy.*—The needs here are of a like kind though ruin has not been so extended. All money sent to Italy goes through the Waldensian Aid Society of America. $50,000 has been promised for this year; $10,000 of which has been sent and $10,000 of which is on hand in our treasury.

3. *The Countries of Southeastern Europe.*—Bohemia, Czecho-Slovakia, Hungary, Transylvania, and possibly Poland, stagger the imagination with their difficulties. Here Protestantism, for centuries the bulwark of civil and religious freedom against the fanaticism of the Oriental Church and of Islam, is threatened with extinction. It must be saved now or perish. To this need of the Protestant Churches is added the appalling suffering of a starving, unclad people. The Committee has to date voted $10,000 for the aid of Protestant pastors in Transylvania, and $5,000 for Presbyterian Churches in the Republic of Czecho-Slovakia. More definite policies with regard to this third zone await recommendation from an investigating Committee to visit Eastern Europe this summer.

The following financial report is given:

The Chairman of the former Committee on the New Era Movement was authorized to convene the new Committee on the New Era Movement.

The Board of Home Missions through Rev. John McDowell, D.D., presented its Report upon the Church and Industry, the subject having been referred to it by the General Assembly of 1919. (See *Mins.* G. A., 1919, p. 215.) The Report was adopted and is as follows:

As a Christian Church, accepting the revelation of God's nature and purpose which He made through Jesus Christ,

we hold it to be our duty not only to proclaim to all men what this revelation means for the life of the individual and of society, but also particularly to instruct our own members in the duties which Christian discipleship lays upon them. To this end the General Assembly of 1910, in response to a request from a number of presbyteries, issued a statement "of the thought and purpose of our Church regarding the great moral questions arising out of the industrial and commercial life of the people." Reaffirming this statement, we desire to prefix to it a declaration of our convictions respecting the whole subject with which it is concerned.

1. *The Ground of our Social Interest.* Our persuasion of our right and duty to speak on contemporary social questions grows out of our certainty that God has revealed to us in Jesus Christ not only the way of salvation for the individual, but also an ideal of life which defines the right relations of men to each other. This Christian ideal of social life is formed by these beliefs:

(*a*) That God is "the father of all men," and that men as His children are potential members of His kingdom.

(*b*) That God has made men members one of another, bound together in society, and that therefore this society ought to be a brotherhood of love and service.

(*c*) That God has sent His Son Jesus Christ to be our Saviour from sin and to establish His Kingdom among men.

(*d*) That God is now and ever at work in the world by His Spirit for the accomplishment of His will.

2. *The Goal of our Social Effort.* Believing thus, we hold that it ought to be our aim to bring these truths to bear upon every relation of life, economic, political, legal, ecclesiastical, social. We know no way of commending the gospel we profess so effectively as action in the spirit of our profession. We cannot but see that much in our present social order is contrary to the mind of Christ and we believe that it is our duty to protest against these unchristian things and, so far as we can, to establish in their place that which is Christian.

3. *The Christian Method of Social Progress.* We believe that all true social progress begins where Christ began—with repentance, a change of heart. We would not divorce our social from our individual Gospel, but on the contrary proclaim the need of personal conversion with redoubled energy. We believe that the fundamental vice of our time is not so much any particular thing that we do, as the spirit which animates the doing of it. We proclaim, therefore, as the fundamental need of our time, the substitution of the spirit of love and service for the spirit of greed and selfish compe-

tition and call upon our fellow Christians to join with all men of good will of every race and walk of life to permeate industry with the Spirit of Jesus Christ and to advocate such changes in our conduct of industry as shall more perfectly express His spirit. While recognizing that liberty must be exercised under law and that where men differ in social judgments the will of the majority must prevail, we are persuaded that law, however enforced, cannot of itself command the inner assent through which alone the Christian social ideal is realized. We deprecate, therefore, all effort to repress free discussion of social questions, believing that the only way to conquer error is by truth and that in the Christian Gospel we have a message so adapted to the heart of man that when truly proclaimed it will win acceptance.

4. *Consequences of the Christian View of Industry.* What is true of men's relations to society in general is true more particularly of the relations of men to one another in industry. Here also the principle of brotherhood must control. As each industry exists to serve the community so each individual must be regarded as a partner in the enterprise, and the relations of those engaged in it to one another must be characterized by mutual understanding and good will. The acceptance of this ideal will affect (*a*) the motive of industry; (*b*) its method, and (*c*) its spirit.

(*a*) It will affect its motive, which instead of private gain, will become public service.

(*b*) It will affect the methods of industry. Since industry, in the Christian ideal of it, is coöperative service, the right of all who take part in it to share according to their ability and education in determining the conditions under which they work is self-evident. Whatever may be true of particular methods of realizing the ideal, the democratic control of industry follows from the democracy inherent in the Christian principle of the brotherhood of man.

(*c*) Finally, it will affect the spirit of industry, which must be one of mutual confidence and good will. Men may differ in their view of the methods to be followed, but if they are one in spirit, they may differ without danger, and out of a multitude of counsel, sifted by free discussion and tested by experiment, wisdom will in time evolve.

The Social Creed

The General Assembly of 1910, as has before been said, made an expression of the mind of the Church regarding social questions, which was published in that year by the Assembly's order, with the title, "What the Presbyterian Church Believes About Social Problems." This utterance

was reaffirmed by the General Assembly of 1914. It has recently been republished by the Home Mission Board. This General Assembly, placing itself on the ground thus held by our Church for ten years, reaffirms this action of previous Assemblies, and adds to its declarations on certain subjects regarding which recent and contemporary developments seem to require the Church to speak.

We hold that our Church ought to declare:

1. For the Christian social obligation resting upon every man, for his family, his community, his nation and the whole world.

2. For the Christian obligation to use wealth and power as trusts from God for fellowmen.

3. For the application of Christian principles to the conduct of industrial, agricultural and commercial organizations and relationships. Among these Christian principles are:

(*a*) The sacredness of life and the supreme worth of personality, so that a man must always be treated as an end and never as a means.

(*b*) The brotherhood of man, demanding for every worker a democratic status in industry, and mutual understanding, good will, coöperation and a common incentive among all engaged in it.

4. For the right and duty to work, since human society cannot endure unless each of its members has the opportunity and feels the obligation to serve the common good to the extent of his ability.

5. For a worthy and just return to every man according to his contribution to the common welfare, and for a social order in which no man shall live on the fruits of another man's labor and no man shall be denied the fruits of his own labor. "The laborer is worthy of his hire." Worthiness of return for honest work is measured today first of all by the standard of "a living wage," by which is meant a wage adequate to maintain the worker and his family in health and honor, and to enable him to dispense with the subsidiary earnings of his children up to the age of sixteen.

6. For the abatement of poverty, some of which is due to vice, idleness or improvidence, but much also to low wages, preventable disease, uncompensated accidents, insufficient education and other conditions for which society is responsible; and the Spirit of Christ requires that society shall make provision for adequate education for all, for public health and for the relief of those in want.

7. For the protection of children from exploitation in industry, agriculture or trade and from work that is dwarfing, degrading or morally unwholesome.

8. For such regulation of the conditions of occupation of women as shall secure an adequate living wage and at the same time safeguard their physical and moral health and that of the community and of future generations.

9. For the safeguarding of working people from harmful conditions of labor, dangerous machinery and occupational disease, and for the education of the workers in avoiding hazards in connection with their employment.

10. For the assumption by industry of the burdens entailed by industrial accidents, disease and death, and for the training of injured workers for continued production and self-support.

11. For the release of every worker for rest one day in seven, which, wherever possible, should be the Lord's Day.

12. For the ordering of the hours of labor to secure at once sufficient production and sufficient leisure for the physical, mental and moral well-being of the workers.

13. For the employment of the methods of investigation, conference, conciliation and arbitration in industrial disputes.

14. For the inviolability of agreements, both in letter and in spirit, since good faith is the foundation of social and industrial stability and progress.

15. For the right of wage-earners to organize and to deal, through their chosen representatives, with the management of the industries in which they work, because an adequate representation of all parties (Labor, Capital, Management and the Public) in industry is needed for production and to secure attention for the human factors involved.

Recommendations

1. That the General Assembly urge pastors and churches to study industrial problems in the light of this statement and to coöperate in every effort for the attainment of these ends.

2. That wherever possible the churches encourage mediation in industrial disputes and avail themselves of the opportunities to perform the Christian ministry of reconciliation.

3. That the churches be encouraged to provide a suitable place for the consideration and discussion of industrial and social problems which concern the peace and welfare of the community.

4. That pastors and sessions be urged to use their influence with the public press for a statement and discussion of the Christian conception of industry, its purposes, its motives and its methods.

5. That an effort be made to interest educational institutions—universities, colleges, secondary schools—in the study of industrial problems from the Christian point of view; that

the General Board of Education be requested to use its influence with the colleges under its care to include this subject in their curriculum, and that theological seminaries give attention to the preparation of their students to meet the responsibilities which the industrial situation is now laying on the ministry.

6. That each congregation be urged to adopt a constructive program to meet the social needs of the community in full coöperation with other agencies engaged in this service.

7. That the General Assembly urge Christians everywhere to insist that labor is encumbent upon all; that idleness, whether among the rich or poor, is sinful; that it is wrong to take advantage of the necessities of the public, to adulterate goods or to charge exorbitant prices for them; that such industries as can only be carried on by methods which degrade human beings ought not to be carried on at all; that if an institution or an organization is socially harmful no vested interest in it is a valid plea for its maintenance.

8. That this Report be printed by the General Assembly for free distribution to the pastors and sessions; also copies be sent to the religious press of the churches with the request that liberal use of it be made in their columns; and that the Board of Home Missions be directed to incorporate a study of industrial and social problems in its mission schools and study classes.

The Committee on the Canvass of the Vote on the Overture presented its Report, through its Chairman, Rev. P. W. Snyder, D.D. The Report was adopted and is as follows:

Your Committee has canvassed the count of the vote of the Presbyteries on Overture on proposed change in Book of Discipline, Section 114, as made and reported by the Stated Clerk, and find it correct. The Overture reads:

Shall Section one hundred and fourteen (114) of the Book of Discipline be altered by the addition of the following paragraph:

"When any member removes from a community in which the church is located, of which he is a member, for the purpose of securing an education, the Session of said church may issue to him a certificate of good standing, which, if issued, shall be used by the member receiving it, solely for the purpose of establishing affiliate membership, without enrolling as a regular member, in a church located in the community of which the educational institution he attends is a part. The certificate shall be good for two years, subject to renewal. The Session issuing the certificate shall duly notify the fact to the pastor of the church named therein and

shall retain the name of the member on the roll of the home church."

All the constitutional requirements having been complied with, we recommend that the Moderator of the Assembly according to the usual form of procedure, declare that the proposed Amendment be made in the Book of Discipline, Section 114, and that it shall immediately go into effect.

Respectfully submitted,

P. W. SNYDER, *Chairman.*

The Moderator declared that the Overture sent down to the Presbyteries by the Assembly of 1919 had been duly adopted in the following terms: "I hereby declare that the Overture sent down by the Assembly of 1919 to the Presbyteries, being an amendment of the Book of Discipline, Section 114, has been duly adopted, and is a part of the Constitution of the Presbyterian Church in the U. S. A."

The Standing Committee on Mileage presented its Report, through its Chairman, Mr. A. H. Whitford. The Report was adopted, and is as follows:

The Committee on Mileage respectfully submits the following preliminary Report:

Checks for transportation to and from Philadelphia have been drawn in favor of the several Commissioners in the sum total of $61,138.51. This was done by the Treasurer, the checks being countersigned by the Stated Clerk, after mileage bills had been audited by your Committee.

The receipts for apportionments from the Presbyteries for this Assembly are: Mileage Fund, $46,616.73; Entertainment Fund, $30,890.10; Contingent Fund, $46,128.63; Committee on Vacancy and Supply, $7,560.64.

The payments are as follows: Mileage, $61,138.51, and Entertainment, $35,000.

All balances of funds are in the custody of the Treasurer of the General Assembly, The Land Title & Trust Company of Philadelphia, Pa.

The Presbytery which did not contribute to the Mileage Fund is the Presbytery of Kittanning, and the Presbyteries not contributing to the Entertainment Fund are Clarion and Kittanning.

The Committee recommends the following for adoption:

That the apportionment for the next Assembly be 8½ cents for each communicant; to the Mileage Fund, 3 cents; to the Entertainment Fund, 2 cents; to the Contingent Fund, 3 cents; to the Vacancy and Supply Fund, ½ cent.

That the Stated Clerk and the Treasurer be authorized to

have the accounts for the mileage and entertainment of the Assembly duly audited after the adjournment of the Assembly.

That the Treasurer be empowered to pay Commiss oners such further sums as may be considered by the Treasurer and Stated Clerk justly due by the reason of underestimation of railroad charges and other expenses incurred in returning home; and also for fare paid in excess of the published rates of transportation, in cases where it was found that it was impossible for the Commissioners to secure reduced rates.

That the allowance for the entertainment of Commissioners to the General Assembly be fixed not to exceed $4.00 per day.

In behalf of the Committee,

A. H. WHITFORD, *Chairman.*

The Special Committee to Administer the Coöperative Fund for our returning Soldiers and Sailors presented a report, through Mr. Thomas R. Synnott, Acting Chairman, which was adopted as follows:

In recognition of the service rendered by many of the sons of the Church in the recent world war, the last General Assembly appointed a Committee to administer a Coöperative Fund for our returning Soldiers and Sailors, for which cause the sum of $500,000 had been placed in the New Era Budget of Opportunity. Owing, in part, to the fact that the Cause was a new one and many churches were reluctant to add to their list of benevolent agencies, the Fund did not receive the large sum that had been suggested for it. At the same time, the number of applications for the assistance of the Fund was limited.

The following rules were adopted at the beginning of the work of the Committee:

(1) To assist financially and otherwise the returning soldiers and sailors of our churches who have been incapacitated by wounds or illness from earning a livelihood and for whom no proper provision has been otherwise made.

(2) To give limited temporary assistance by loans, to be repaid to the General Board of Education, Treasurer of this Fund, upon convenient terms, or, in exceptional cases, by outright grants, to those of our returnng soldiers and sailors who need to be assisted to secure suitable employment.

(3) To offer special assistance both by loans to be repaid to the General Board of Education, Treasurer of this Fund, or grants, to such of our returning soldiers and sailors as may become candidates for the Gospel ministry, or for distinct missionary service at home or abroad, and for whose assistance sufficient funds could not be provided under the

rules and from the usual income of the General Board of Education.

(4) To afford special assistance by loans to be repaid to the General Board of Education, Treasurer of this Fund, or grants, to such returning soldiers and sailors as may desire to prepare themselves for Christian service and leadership, but who would be unable to do so without the Committee's assistance.

(5) To furnish through the offices of the General Board of Education suitable blanks upon which application may be made for assistance under any one of the above classes, the applications to be endorsed by the Session of the Church to which the applicant belongs or with which he has been affiliated, and sent to the Chairman of the Presbyterial Committee on Education for his endorsement.

(6) To make an immediate survey of its entire field and the probable extent of its financial requirements, and to make its appropriations on the basis of the relative need of the applicants, as well as the probable total income of the Committee.

(7) To place at the disposal of the entire Church, at the earliest possible moment, a statement covering the practical outworking of its plans and policies.

(8) To appropriate to the Special Committee on National Service of the General Assembly, for the continuance and completion at the time of demobilization of the work among soldiers and sailors already undertaken by the Church, and out of such funds as may be available, a total sum not to exceed Twenty Thousand Dollars ($20,000) between now and October 1, 1919.

(9) To spend for administrative expenses only such limited sums as may be needed for clerical hire, stationery, postage, etc., paying no salaries, because of gratuitous services rendered by the Chairman, Treasurer and Secretary of the Committee, all of whom will serve without compensation.

During the year there were 168 applications received. A Special Committee gave careful consideration to these applications and in every case passed upon them, the administrative officers carrying out the action of the Committee. Of these, 147 were accepted, 17 were declined, and 4 are now pending. The applications accepted were distributed over the three classes as follows: for scholarship, 139; for disability, 1, and for emergency, 7. To 37 applicants, loans were voted, and to 113, grants (3 applicants were voted part loan and part grant).

The following financial report is given:

The officers and members of the Committee have served without compensation and the only administrative expenses have been the matter of printing, clerical hire and the share of the Victory Fund Campaign expenses charged to the Committee. An appropriation of $25,000 was made to the Special Committee of the General Assembly, which was instructed to carry on and conclude the labors of the National Service Commission. Its report is presented as a special report to the General Assembly.

The Committee having surveyed its activities on the field for the future, respectfully reports to the General Assembly its judgment that the work of the Committee should be continued during the next few years, in order to enable those who have received assistance from it to complete the courses of study upon which they have now entered, but the Committee is also of the opinion that it is not necessary to continue its existence but that the entire work of the Committee might be properly carried forward by the General Board of Education, under the rules already adopted by the Committee, until such time as the need for assistance shall have ended.

The Committee, therefore, recommends to the General Assembly that the work of the Committee, during the past year, be approved and the Committee discharged with the appreciation of the Assembly; and that the General Board of Education be authorized and directed to continue the work of the Committee, under the general plans and policies al-

ready approved and subject to such general modifications as the General Board of Education may adopt, both with reference to the continuation of assistance to those whose applications have already been approved and to such others as may properly apply, within the policies and rules of the Committee.

WILLIAM HIRAM FOULKES, *Secretary.*

The Standing Committee on Education presented the following supplemental Report, which was adopted:

1. It is recommended that the communication from the Synod of Missouri concerning Missouri Valley College be referred to the Judicial Committee.

2. In answer to *Overtures 275 and 276*, from Westminster and Washington City Presbyteries concerning the increase of aid to candidates for the ministry, we recommend the following: That inasmuch as the General Board of Education has already substantially increased the amount of aid granted students no further action be taken.

3. In response to *Overture No. 158* from the Presbytery of Baltimore, we recommend that negotiations be entered into between the General Board of Education and our Presbyterian Training Schools looking to the correlation and endorsement of the work and to the provision of adequate support.

The Assembly adjourned, and was closed with prayer by the Rev. E. E. Weaver, D.D.

A Popular Meeting in behalf of Education, was held on Thursday, May 27, at 8.00 P.M., in the Academy of Music. Rev. Charles Wadsworth, Jr., D.D., presided, and addresses were delivered by the Vice-President of the United States, Hon. Thomas R. Marshall; Provost Edgar F. Smith, LL.D., and Hon. John H. Finley, LL.D. Music was rendered by the Lincoln University Glee Club.

FRIDAY, May 28, 1920, 9.00 o'clock A.M.

The Assembly met and was opened with prayer..

The Minutes of yesterday's sessions were read and approved.

A supplementary report of the Committee on Christian Life and Work was presented by its Chairman, Rev. Jesse Lee Cotton, D.D. It was adopted, and is as follows:

The Standing Committee on Narrative of Christian Life and Work respectfully submit the following additional report:

Your Committee has experienced the same embarrassment felt in former years of grace owing to the inadequate returns from Synods and Presbyteries. Fully one-third of the Presbyteries of our Church failed to send in any report, or their reports were very incomplete.

The summaries of the state of the Church presented in the Report to this Assembly by the Special Committee on Christian Life and Work sets before us much interesting and profitable information. We would call your special attention to a few outstanding features of the Report.

The place of the Sabbath evening service and of the mid-week prayer meeting deserves thoughtful and candid consideration. In one of our Synods fifty-six churches report that they have omitted the mid-week prayer meeting, while one hundred and seven churches of the same Synod report an average attendance of fifteen per cent. of their membership. Other churches in other Synods report an attendance at the prayer meeting of ten per cent. and of eight per cent. of their church membership. From one of our large Synods this report comes: "Fewer services are being held, as the Sabbath evening service and the mid-week prayer meeting fall more and more into disfavor." Another Synod reports that "Many churches have deemed it wise to give up the prayer meetings because of the lack of a constituency for it, and where it is still maintained, there is a pitiful smallness of interest in it."

A new emphasis it appears is being put by our churches on the importance of religious training in the home, which we hope may eventually issue in much good.

Taken as a whole the reports from the Presbyteries give us little ground for boasting or self-congratulation.

The number of pastors in 1918 was 4,396 and in 1919 was 4,105, a decrease of 291; the Stated Supplies in 1918 were 1,486 and in 1919 1,455, a decrease of 31; the ministers without charge in 1918 were 1,930 and in 1919, 1922, a decrease of 8. Returns give 289 ministers engaged in "war work." The vacant churches in 1918 were 1,907 and in 1919, 2,202, an increase of 295.

Forty per cent. of the churches report no additions by Confession of Faith. Eighty-one per cent. added nine or under, sixty-six, four or under.

The Sabbath School membership also shows a decrease over the preceding year.

Surely these conditions should lead us to humble our-

selves before God and to beseech Him to graciously revive His work in our midst.

The resolutions recommended in the Report of the Special Committee on Christian Life and Work having been adopted already by this Assembly, your Standing Committee has no further recommendations to offer.

Respectfully submitted,

JESSE L. COTTON, *Chairman.*

The Report of the Standing Committee on Polity was presented by its Chairman, Rev. R. H. Beattie, D.D. It was adopted, and is as follows:

The Committee on Polity reports that the following Overtures and Papers have been placed in its hands and have been considered.

Overture No. 251, from the Presbytery of Lackawanna, requesting permission to drop the name of the Rev. Samuel Bogar from its ministerial roll. It is recommended that the request be granted.

Overture No. 252, being a request of the Presbytery of Lincoln to be transferred from the Synod of Kentucky to

the Synod of East Tennessee, and which was referred by the last General Assembly to the Synods and Presbytery interested therein for action, which request the Presbytery of Lincoln for reasons assigned asks the General Assembly for leave to withdraw overture. It is recommended that such permission be granted.

Overture No. 253, from Presbyteries of Coos Bay and Southern Oregon, with reference to a transfer of territory from the latter to the former. No ministers or church being affected thereby, the matter is approved and submitted by Synod of Oregon to this General Assembly for approval and final action. It is recommended that the change called for be effected.

Overture No. 254, concerning the transfer of the Second Church, Oil City, Pa., from the Presbytery of Clarion to the Presbytery of Erie. The two Presbyteries and the Synod of Pennsylvania concur in granting the request of said Church. It is recommended that the Assembly approve of said transfer.

Overture No. 255, a request of the Synod of Montana that the General Assembly approve the transfer of the Church of Poplar, Montana, from the Presbytery of Dakota (Indian) to the Presbytery of Great Falls, the Synods of Montana and South Dakota agreeing to such transfer. It is recommended that said transfer be and is hereby made effective.

Overtures Nos. 256 to 259, being a request from the German English Presbyterian Church of Lakota, Iowa to be transferred from the Presbytery of George, Synod of the West (German), to the Presbytery of Fort Dodge, Synod of Iowa, said request having been concurred in by both the Presbyteries and Synods interested. It is recommended that the General Assembly approve said action.

Overture No. 260, from the Synod of Michigan, asking approval of Synod's action in the matter referred to on Pages 59 and 60, Minutes of Synod of Michigan, 1919. It is recommended that it be answered in the affirmative.

The Committee reports that while recognizing the action of Synod as irregular, in that it assumed final authority, nevertheless since the other steps in the action were regular, it recommends the approval of the action of the Synod of Michigan referred to in the Overture.

Overture No. 244, being a request from the Presbytery of Chemung as to the extension of privileges of official authority to women. Inasmuch as the subject has been in the hands of a Committee of the General Assembly appointed last year to consider the matter and which Committee has reported to the Assembly, we recommend no action.

Overture No. 245, from the Presbytery of Waterloo, asking the change in the wording of the prescribed form of pastoral call, "Form of Government, Chap. XX, Sec. 6." It is recommended that inasmuch as the words "or in like form" do not make mandatory "That you may be free from, etc.", the liberty sought is already secured, and therefore no action is required.

Overture No. 246, from the Presbytery of Buffalo, as to statistics of membership being reported from Easter to Easter. It is recommended that it be answered in the negative.

Overture No. 247, a request of the Presbytery of Newark asking that in "Congregational expenses" of the Statistical Report the amount contributed by the congregation and the amount received by income from endowment be separately designated. It is recommended that the amount of income from endowment devoted to congregational expenses be indicated by a foot note.

Overture No. 248, from the Presbytery of Kalispell, asking the question, "What is legally the relation of the Presbytery to the Superintendent of Home Missions, for the Synod of which Presbytery is a part? What are his rights and duties in the matter of initiation and supervision of Home Mission work within the bounds of the Presbytery?" The following answer is recommended:

The Superintendent of Home Missions for the Synod is under control of Synod's committee on Home Missions subject to the control of each Presbytery of the Synod insofar as the work of that Presbytery is concerned.

Overture No. 249, from the Presbytery of Shenango, asking, "When a pastor at large or field superintendent of Missions is employed jointly by two Presbyteries to look after weak or vacant churches within their bounds, can the Presbytery of which he is not a member confer upon him authority to act as Moderator of the session of one of its churches?" It is recommended that it be answered in the negative. (See Form of Gov., Chap. IX, Sec. 3.)

Concerning the resolution referred to this Committee presenting the matter of a proposed endorsement of a suggested amendment to the Constitution respecting sectarian legislation, your Committee reports as follows: In view of the lack of information furnished the Committee, the inadequacy of time for its informed consideration, in view of the magnitude of the matters involved and the need for the most careful investigation and discussion of the probable effects of this proposed amendment, it recommends that no action be taken.

Overture No. 250, from Synod of Wisconsin relating to the rights of a dissenting minority. It is recommended that in view of the fact that the rights of the minority have already been recognized on the floor of this Assembly, no action be taken.

Overture No. 261, from Winona Presbytery, being the request in behalf of a Federated Church to extend rights, etc., to non-Presbyterian Church Members, etc. It is recommended that inasmuch as the granting of this request would involve unconstitutional action, no action be taken.

In the matter of the resolution referred to this Committee on Federation of local Churches. Your Committee reports:

1. That it is keenly alive to the importance of the question introduced.

2. That this Committee at this late hour in the life of the Assembly finds itself unable to issue an adequate answer to the resolution.

3. That in view of the widespread interest in this matter we recommend that the whole subject be referred to the Executive Commission with instruction to report to the next General Assembly.

All of which is respectfully submitted,

ROBERT H. BEATTIE, *Chairman.*

The Standing Committee on Church Erection, Rev. J. A. Dunkel, D.D., Chairman, presented its report, which was adopted as follows:

Your Board of Church Erection comes to you with its seventy-fifth annual report. It has given years of faithful and painstaking service. During this time eleven thousand, eight hundred and twenty congregations have been assisted in the erection of churches and manses. The Board has really functioned as the church and manse building agency of our church during all these years in a fair and helpful way. The work has grown by leaps and bounds. The rise of the cost of material and labor has called for ever-increasing appropriations. Yet your Board has promptly and courageously granted the requests wherever possible.

The Board's budget for 1919-20 was $467,010 and it received on account of its budget $257,630. The Board has appropriated during the year the sum of $641,294 for 151 churches and $109,502 for 80 manses, or a total appropriation of $750,796. The Board has been business-like, economical in the administration of its affairs. While the average business concern considers 12½ per cent. and 15 per cent. economical administration, your Board of Church Erection has conducted your business at a cost of but 6½ per cent. to the Church.

The expanding work of our church is naturally making increasing demands upon the fund available. For, with the Evangelizing work of the church must go necessarily a church building and community housing program, if we, as a church, are to do our whole duty. Synods, Presbyteries, Church Extension Committees and Churches, are clamoring for the housing of church activities in the great centers of population and in strategic places throughout the country. The Board is exceedingly anxious to be able to meet all these requests. The Board of Home Missions has asked the Board of Church Erection to write into its budget for home mission building enterprises alone the sum of $1,000,000. The General Board of Education has asked for a like sum in the budget to provide residences for university ministers, churches, and buildings suitable for the carrying on of our student work in the great university centers of our land. Certainly, the Board of Church Erection is ready to render all help and service possible in any way commensurate with its ability and authority.

The slogan "A Manse for every Minister" has not been realized but appropriations to about 100 manses have been made during the year. The manse fund is financially the weakest department of the Board and needs to be increased. The Church and Manse go together. The churches of our denomination should not stop until they have provided homes for their ministers to the end that they might be free from wordly rent profiteers. Pastors are required in many instances to buy their homes at inflated prices or move two or three times during the course of the year. One way to get some of the sob out of the minister's salary is to secure for him a home. There should be a more generous response on the part of the churches and individuals to the Manse Fund. Calls for funds are coming in larger numbers and with increasing sums to the Board from every part of the church. It can be readily seen how difficult it is to distribute the limited funds equitably among the several churches, and yet, in all the history of this Board not a single just request for a manse has been denied.

The Board is confronted with the embarrassing situation in that every work is important and also unique. Every church problem calls for quick and decisive action. Earnest and enthusiastic workers are clamoring for means to develop peculiar situations. To all these appeals the Board turns with great sympathy and a deep desire to be of service. In the midst of all this, needs are necessarily arising in the Board itself. If the work is to be carried forward, and it certainly will be, more funds are needed. Instead of $495,000

the Board will require $1,000,000 to do its own regular work. That the Board of Church Erection is ready to do its part along with the other Boards and Agencies to carry forward the church's great building and adequate housing program, we would call your attention to Pages 14 and 15 of the Annual Report of the Board to this Assembly as an instance of splendid coöperation.

This year we believe that we are coming to you with forward looking resolutions. We are asking you to direct the Board to create a department of Church Architecture, the object being to advise churches and communities, wherever practical, in the matter of right building. This certainly will realize for us a long felt need. We also believe that the Board's helpfulness would be increased if it were directed to secure a secretary of church extension, who would be able to go under the direction of the Board into churches and communities and assist in a practical and helpful way to realize local needs. The duties of the General Secretary and the Field Secretary are already too heavy to permit them to give attention to this great need out in the fields of the church.

In view of the work which the Board hopes to undertake, and the demands made upon it for funds, the General Assembly would suggest to the Board the largest dissemination of its program and its acts throughout the church by well-prepared literature. Your Committee feels that the Board has performed a fine piece of work well and it is worthy of your heartiest commendation.

We submit the following Resolutions for your consideration, and if pleasing, for your adoption:

1. That the General Assembly approve the Minutes of the Board which have been kept in a neat and accurate manner.

2. That the Officers and Members be commended for their fidelity in attendance upon the meetings of the Board.

3. That the General Secretary, David G. Wylie, D.D., and Field Secretary, Jesse C. Bruce, D.D., be commended for their courteous and intelligent conduct of the affairs of the Board.

4. That the rule now in existence authorizing the Board to make a loan of $4,000 without interest, be amended, and that the Board be authorized to make a loan of $6,000 without interest.

5. That the Assembly approve the action taken by the Board to protect its claims against loss by fire, and that all churches receiving aid from the Board be directed to carry sufficient insurance to cover any loss by fire and in the event of churches failing to provide such insurance, they shall be disqualified from further aid in the event of loss by fire.

6. In view of the rapid growth of cities as commercial and industrial centers, with large groups of foreign-speaking people, creating new and perplexing problems to Home Missions and Church Erection, beyond the ability of the local church, acting through Presbytery or Church Extension Board, to solve, it becomes necessary for the church at large through the agency of its national boards, and particularly the Board of Church Erection, to share sympathetically and liberally in meeting the task. This, however, although very pressing as a duty should not be so emphasized as to obscure the vision of the building needs of the entire field, with its multitude of smaller churches, nor so draw upon the available funds of the Board as to prevent it from making an equitable distribution of aid to all deserving applications.

7. In case of coöperation between a Synod or a Presbytery, or a local Board of Church Extension and the congregation building a church, said coöperation being a pledge on the part of Synod, Presbytery or Board of Church Extension, to give the congregations specific sums of money at definite periods of time to aid in said building, and such pledges being based upon actual subscriptions already secured and certified by Synod, Presbytery or Board of Church Extension as reliable, the Board of Church Erection shall have discretion to make partial payments out of the total amount appropriated by the Board for such building as the work progresses, which total amount could ordinarily not be paid until the entire completion of the building; and such partial payments shall not exceed at any time the amount the Synod, Presbytery, or Board of Church Extension, is ready to pay in cash upon its total pledge to the congregation, the mortgage to the Board to be delivered for the full amount upon the first partial payment.

PROVIDED, however, that the payment by the Board shall at no time exceed in its ratio to the total amount paid by Synod, Presbytery, or Board of Church Extension and congregation combined the ratio of the Board's appropriation to the estimated cost of the completed building and lot, and that in no case shall the amount advanced exceed 75 per cent. of the appropriation, 25 per cent. being retained for the final payment when building is completed and all conditions are met.

PROVIDED FURTHER, that before any partial payment can be made a certificate must be furnished the Board that no lien exists against the building.

8. That the General Assembly authorize the Board of Church Erection to advance to the Board of Home Missions and the General Board of Education toward the Home

Missions and General Board of Education Building Fund, such sums as may be immediately necessary on account of seasonal or emergency requirements to a total amount not exceeding the receipts by the Board of Church Erection for these respective funds during the preceding year. It being understood that such advances rest upon the guarantee of return by said Boards.

9. The Standing Committee on Church Erection believes that an adequate building should be provided at Annapolis, Md., in order to accommodate the congregation and the Presbyterian students attending the Naval Academy, and recommends that this be made a national enterprise in which the Presbytery of Baltimore, the Synod of Baltimore, and the Board of Church Erection and the Church at large should participate.

10. That the basis of coöperation between the General Board of Education and the Board of Church Erection, in providing buildings in college and university centers, is that no grant or loan shall be made by the Board of Church Erection for such buildings, without the written application of the General Board of Education, and that the Board of Church Erection, in its consideration and action upon such application shall have the right, if it is so desired, to satisfy itself as to the facts by making its own independent investigation.

11. That with a view to furnishing assistance to Presbyteries and churches in their campaigns for the raising of church building funds and other work of the Board, the Board be authorized to employ an additional Secretary.

12. That the *Overtures Nos. 282, 153 and 154* asking for a liberalizing of the rules of the Board be answered in the affirmative as follows:

In cases where a Synod and Presbytery and the Board, from their own investigation, agree in judgment from the standpoint particularly of the strategic importance of a church, the Board shall have discretion to meet the needs of the case by such combination of funds, i. e., grant, loan without interest, and loan with interest, as may be necessary.

13. That the Board be authorized and directed to establish a Bureau of Architecture so organized as to be of the greatest practical service to our churches.

14. We recommend that the following Ministers and Elders be elected to membership on the Board, to become the class of 1923:

Ministers	*Elders*
Rev. Paul R. Hickok	Mr. Wm. K. Gilchrist
Rev. C. W. Kerr, D.D.	Mr. R. H. Gillespie
Rev. Ford C. Ottman, D.D.	Mr. Roy M. Hart
Rev. Newell W. Wells, D.D.	Mr. Robert Johnston
Rev. Clarence E. Macartney	Hon. Warner E. Settle

Respectfully submitted,

J. AMBROSE DUNKEL, *Chairman.*

The Special Committee on Resolutions with reference to Rev. William H. Roberts, D.D., presented its Report through its Chairman, Rev. George B. Stewart, D.D. The Report was received, and adopted as follows:

Mr. Moderator, Fathers and Brethren:

Your Committee reports the following Minute for adoption.

The 132d General Assembly takes the occasion of the fortieth anniversary of the official connection with the Assembly of the Rev. Wm. Henry Roberts, D.D., LL.D., to record its appreciation of his faithful and efficient service in the Church.

From the Assembly of 1880 when he entered upon the duties of the office of Permanent Clerk, through the four years in that office and the thirty-six years in the office of Stated Clerk, to and including the present Assembly, he has been in attendance upon every Assembly. During this period with the growth of the Church the duties and scope of the office of Stated Clerk have vastly increased, and in 1893, it became necessary that Dr. Roberts should resign his professorship in Lane Seminary and devote the whole of his time to these duties. In addition to the work of his office he has been charged with the Chairmanship of the Assembly's Committee on Church Coöperation and Union since the appointment of that Committee in 1903, and it is well known that it has been due in large degree to his wise and skilful guidance of that Committee that the union with the Cumberland Presbyterian and the union with the Welsh Presbyterian Churches have been effected. In 1907 the Assembly elected him its Moderator.

Other churches recognizing his abilities and prominence have honored him in many ways. As instances of these honors there may be mentioned his election to the Presidency of the Sixth Council of the World Presbyterian Alliance meeting in Glasgow in 1896, his election to the Permanent Chairmanship of the Conference in New York which established the Federal Council of the Churches of Christ in America, and his election to the Presidency of the Council

of Evangelical Churches on Organic Union. In these positions and in a multitude of other ways he has given our Church a conspicuous and valued place and influence among the Churches in this and other lands.

Through all these years he has ever sought to keep our Church true to her traditions in doctrine and polity, to extend her usefulness, and to safeguard her good name. He has magnified his office and has made it great. It may be most accurately said he has been a capable and distinguished Stated Clerk, and that in him the Church has had an invaluable servant, whom it and the Whole Church has delighted to honor.

This Assembly expresses its heartfelt sympathy with Doctor Roberts in his present illness, and most devoutly prays that his health may be speedily restored and his life may be spared to us and him for many years.

Respectfully submitted,

SAMUEL S. PALMER,
JOHN WILLIS BAER
ALLEN B. ENDICOTT
GEORGE B. STEWART, *Chairman.*

The Committee on Bills and Overtures presented a Report which is as follows:

The Committee has received the Reports of the Western Section of the Executive Commission of the Alliance of the Reformed Churches throughout the World holding the Presbyterian System, and of the Council of the Reformed Churches in America holding the Presbyterian System. It recommends that the Reports be received and the recommendations contained therein adopted.

In response to *Overtures Nos. 13 to 56,* the Committee on Bills and Overtures replies that while it believes it would be for the good of all concerned that such a review be made, it seems now impracticable . Therefore it recommends that the Assembly and the Church be requested to acquaint themselves with the constitution of the Executive Commission. (Manual, G. A., 1920, p. 34.)

The Standing Committee on Finance presented its Report through its Chairman, Elder James H. Gray, which was adopted as follows:

The Standing Committee on Finance respectfully reports:

The Report of the Land Title & Trust Co. of Philadelphia, Treasurer of the General Assembly of the Presbyterian Church in the U. S. A., with accompanying certificate of certified public accountants, was submitted to and examined

by your Committee. This account shows receipts and disbursements as follows:

RECEIPTS.

Balance, April 1, 1919	$57,135.54
Interest on Deposits	1,203.53

The Land Title & Trust Co. has made no charge for its services as Treasurer.

With the report of the Treasurer is a report of the Stated Clerk of the General Assembly, showing the vouchers issued by him during the year ending March 31, 1920, properly classified, corresponding with the Treasurer's Report and attested to be correct by the certified public accountant.

There was also submitted to your Committee the report of the Trustees of the General Assembly and the report of their Treasurer, the correctness of which is verified by the certified public accountants.

These reports show that the Trustees are now administering the following trusts:

PRINCETON THEOLOGICAL SEMINARY.

29 Scholarships	$46,575.83
4 Professorships	34,284.60
Permanent Fund	10,661.80
Students' Fund	10,794.10

50 Separate Investments in Securities	795,757.81

Real Estate held for Account of the Palethorp Legacy	62,384.07
Balance Uninvested	10,496.59
Total	$1,168,678.51

These trust funds are invested in safe securities according to the provisions of the By-Laws of the Board of Trustees and the terms of the trusts under which they are held. The average rate of income on the securities during last year was 4 9-10 per cent. which is a very favorable return. The management of these trust funds requires a large amount of time and skill, which has been most faithfully given to these trusts by the Trustees and their officers.

In their report the Trustees mention the legacy under the will of the Rev. John C. Lord, late of Buffalo, N. Y., the amount of which, $50,000, has come into the hands of the Trustees since the preparation of their report. By the terms of this trust the annual interest of said fund is to be disposed of and distributed by the General Assembly at each annual meeting 'for the furtherance of the Gospel of our Blessed Saviour at home and abroad, as to the Assembly may seem best.'

"Your Committee respectfully makes the following recommendations:"

1. That the Reports of the Land Title & Trust Co., Philadelphia, Treasurer, of William H. Roberts, Stated Clerk of the General Assembly, of the Trustees of the General Assembly, and of the Treasurer of the Trustees of the General Assembly, be received and approved, with the thanks of the General Assembly for the faithful services rendered.

2. That the income from the John C. Lord Fund for the ensuing year be distributed, one-half thereof to our Board of Foreign Missions and one-half to our Board of Home Missions.

3. That pursuant to the action of the General Assembly in prior assemblies, the following appropriations be made:

To the Federal Council of the Churches of Christ in America	$1,614.00
To the Council of Reformed Churches	200.00
To the World Alliance of Churches holding the Presbyterian System	2,060.00

4. The Committee nominates J. Renwick Hogg, of Philadelphia, Pa., as a member of the Board of Trustees of the General Assembly of the Presbyterian Church in the U. S. A., to fill the vacancy caused by the death of William H. Scott.

Respectfully submitted for the Committee,

JAMES H. GRAY, *Chairman.*

The following Resolutions with reference to Armenia were presented by Rev. Stanley White, D.D., and adopted:

WHEREAS, The General Assembly of the Presbyterian Church in the U. S. A. has had brought to its attention the

serious conditions now developing in the Near East which menace the peace of the world, and

WHEREAS, America's delay in signing the peace treaty and entering the League of Nations is a contributing factor in these conditions, therefore, be it

Resolved, First. That we urge upon our government the necessity of immediate affirmative action which will permit America to join the League of Nations with such reservations as righteousness requires for the following reasons:

1. That America may bear her share of the responsibility in bringing to an end the suffering and wrong that still continues within the border of these Eastern countries.

2. That America's prestige as a nation which stands for open diplomacy and the rights of smaller nations may be preserved.

3. That the charge that America is failing to keep faith with the Allies may be disproved.

4. That the tendency now manifest among the nations to abandon the high ideals embodied in the League of Nations and to return to the methods of force and selfishness may be checked.

5. That America may take advantage of the opportunity providentially thrust upon her to aid in establishing the peace of the world upon that righteousness which alone can exalt a nation.

Secondly. That in regard to America assuming responsibility for securing stable governments in the Near East and especially in Armenia which matter is now before Congress, we urge that our government approach this question not from the viewpoint of political expediency, self interest or past tradition, but from the viewpoint of the service which her peculiar position makes possible. We call attention to the fact that the purpose which led America into the war was not fulfilled with the cessation of hostilities and that the statement that "the war will not be over until the Eastern question has been disposed of and disposed of rightly" is becoming increasingly evident. For this reason the Assembly while recognizing the widely diverse opinions held on this subject and the exceedingly delicate questions involved heartily endorses the action of the Federal Council of the Churches in America, as follows:

That it is well nigh, if not actually, impossible for Great Britain and France to meet their present responsibilities, which cannot be avoided, and much more to assume new ones, without America's aid.

That cable dispatches from Lord Bryce and other British leaders interested in the Christian peoples of the Near East declare that "Unless America joins to help bear the burdens, we see no hope of delivering the subject races of Turkey."

That the King-Crane, the Harbord, the Near East Relief and other commissions, public and private, as well as a large number of Americans in the Near East, all agree that America alone is in a position to do, with comparative ease, what ought to be done in that country for its pacification, for the protection of the people there, and for the setting up of a safe and righteous government.

We therefore appeal to the government at Washington to recognize America's peculiar opportunity and obligation to help in the solution of this problem because she, better than any other nation, can take up its consideration with nothing to gain for herself, without arousing suspicion in others, and in answer to the practically unanimous call of all the nations concerned, especially those smaller nations that are now awaking to a desire for national independence.

We believe that we express the opinion of the large majority of those whom we represent when we say that the Christian people of our country, while not coveting for America the responsibility of an advisory or mandatory position, feel that she should not shrink from declaring her willingness to take such an advisory or mandatory responsibility if the allied nations and the peoples of the East should make strong representation that by doing so she could effectively aid them in bringing order out of the chaotic conditions that now exist.

Thirdly. *Resolved* further, That we urge America to take this more intimate part in Eastern affairs so that the peaceful work of missions may continue to render its helping hand and that those now in exile from Armenia and Persia may return to their homes and the pursuit of their ordinary vocations unmolested.

Fourthly. That copies of these resolutions signed by the Moderator be sent to the President and to our representatives in Washington and that they be printed and put into the hands of all ministers in the Presbyterian Church with a request that they use them as may seem wise, either by presenting them to their congregations or to mass meetings or in approaching their representatives in Congress.

Fifthly. That the expense of printing and distributing these resolutions be met by the Assembly.

The following Resolutions were presented and adopted:

Resolved, 1. That the present political conditions of the world call aloud to the Church and all her ministers to acclaim with new and solemn emphasis the great doctrine of the Kingship of Jesus Christ over the nations.

2. That we see in the complete defeat of Germany, the

overthrow and dismemberment of Austria, the downfall of the old despotism of Russia and the initial destruction of the Turkish Empire a glorious vindication of the righteous judgments of Almighty God and of the truth that the nations that will not serve Him shall perish, yea, those nations shall be utterly wasted, and we observe in these extraordinary events a striking pledge of the fulfilment of the declaration of Isaiah, that the Messiah will not fail nor be discouraged till He has set justice in the earth and the isles shall wait for His law.

3. That we do especially give thanks and praise to the Righteous Ruler of Nations that our eyes have beheld the forked lightning of Divine Wrath fall on that Empire that for centuries has drunk the blood of the saints and whose accursed sway has been an unspeakable blight upon every land and people over whom the Turk has held dominion.

4. That we rejoice and give thanks to God that in the recent unfoldings of history He has been making it perfectly clear that the principles of Christianity afford the only basis for a true, safe and lasting democracy and that the safety, honor and perpetuity of our country can be secured only by the thorough inculcation of the Gospel message in the minds of the people and by a statesmanship that is thoroughly Christian.

5. That we have new ground for triumph and faith in the universal Kingship of our Divine Lord in that, we now may clearly see, He has been for centuries training His disciples through their world-wide mission of love, peace and goodwill to a noble international mindedness and thus has been preparing the nations for the application of those principles of justice, truth, love, service and sacrifice by which alone they can maintain just governments and live in mutual respect, peace and harmony, which principles are now beginning to find political expression in a league of nations.

6. That despite certain defects in the League of Nations we see in its great objectives, and in the methods provided for securing these ends, so much that is just and good and in harmony with Christian principles, that we believe it was and is the imperative duty of America to enter into it. We furthermore put on record our conviction, that the long and dreary debate on the League of Nations while Europe was on the verge of starvation, bankruptcy and chaos and its final rejection has subjected the American people to the most profound and shameful humiliation ever suffered in all their history. The prestige and moral leadership of our beloved country has been trampled under foot, our lofty idealism and proud championship of the rights of small nations has

been virtually labeled hypocrisy, and the astounding fiasco has made us the laughing stock and derision of the world. It is not for us here to apportion the blame for this abysmal humiliation. We do not judge the motives of men. It is the Christian view of things that concerns us.

Thus viewing the sad predicament in which our country is placed, we importunately urge the friends of the treaty in Washington to speedily compose their differences and find a via media between fifteen reservations and no reservation at all and hasten to rescue our country from the pungent disgrace of seeing the League a growing functioning body made up already of thirty-five or more nations, while America, that did more than any other nation to create it, is lined up on the outside with Germany, Russia, Turkey and Mexico—nations as yet deemed unfit for membership. It should be the altogether worthy ambition of America to take a prominent place in the League, help to perfect it, and make it a great instrument of International justice, peace and goodwill and a vast clearing house for the political conscience of the world.

The following Commissioners to the General Assembly requested that record be made of their protest against the action of the General Assembly concerning the action and position of the Government relating to the Treaty and League of Nations as presented in the foregoing resolutions:

James E. Adams, A. F. Bittner, Wm. N. Branham, Edward J. Brown, James I. Buchanan, J. A. Burnett, Charles Allen Clark, J. Ambrose Dunkel, Percy H. Gordon, Edward H. Kistler, John Laman, Edwin Lynde Lord, Alexander Mackie, H. M. Maguire, George W. Montgomery, Richard Montgomery, R. T. Moore, J. C. Parrett, F. S. Thomas, Ashton M. Van Nuys, L. W. Wilson, L. Wilbur Yeates, and William B. Pugh.

The following Resolution in reference to the budget of the New Era Movement was presented and adopted:

Resolved, That a maximum budget of 10-12 of the $400,000 be approved to include the financial campaign of next year; it being understood that the portion of the sum of $400,000 to be used is subject to a vote of approval by the Boards and Agencies as provided in the action of the Assembly.

The following Resolutions were presented and adopted:

1. That this Assembly wishes to recognize the work that is being done by the Presbyterian Historical Society in the study and preservation of the history of the churches of the Presbyterian and Reformed faith.

2. That it has heard with regret of the very narrow financial resources with which this work is being carried forward, and the small number of ministers and laymen who are willing to become members and to pay the annual contribution of $5 a year.

3. That in view of the importance of having all our pastors gain a deepened interest in the history of the Church, and of the difficulty of many of them, owing to the high cost of living, of subscribing to such an organization, we recommend to Church sessions the propriety of making their pastors members of the Society, and providing for their dues out of their Sessional Funds.

4. That in order to help the Society to tide over its financial difficulties, the Assembly direct its Executive Commission to provide for an appropriation of Five Hundred Dollars ($500) for the work of the Society.

The following Resolution was presented and adopted:

WHEREAS, The conditions existing in the Postal Service, due to the meager salaries paid to the employees and the existing high cost of living and the many resignations, make it imperative that Congress now in session be requested to take immediate action to increase the salaries of said employees. Therefore, be it

Resolved, That this General Assembly of the Presbyterian Church is in hearty sympathy with the postal employees and favors an immediate increase in their salaries.

The following Resolution was presented and adopted:

The General Assembly having instructed the Executive Commission to provide for the payment of its underwriting in the Interchurch World Movement in the U. S. A., express authority is hereby given the Executive Commission to borrow in the name of the General Assembly of the Presbyterian Church in the U. S. A., such sum or sums of money as may be needed from time to time to pay said underwritings as they mature, or may be called, provided the amounts so borrowed shall not exceed in the aggregate the sum of one million dollars plus interest thereon.

And to this end the proper officers of the Executive Commission are instructed to execute such note or notes as may be needed and to pledge the credit of the General Assembly for the payment of the same.

The Executive Commission, through its Chairman, Dr. John Willis Baer, presented Sections XII and XXIII of its Report, which were adopted. Rev. William O. Thompson, D.D., presented, for the Executive Commission, Sections XVII and XXI of its Report, which were adopted.

The Report of the Executive Commission was then adopted as a whole. It is as follows:

I. Powers.

Chapter XXVI of the Form of Government, entitled, "Of Executive Commissions," was officially declared to be the law of the Church in 1915. This chapter will be found in the *Manual* of this General Assembly, pp. 34–36. The particular sections to which attention is especially called are Section 1, dealing with the election of members; Section 2, dealing with officers, and Section 3, covering, in general, the business which Commissions may transact, and Sections 7 and 8, directly related to the General Assembly. By virtue of this chapter, the General Assembly of 1919 took action which reads:

"The Executive Commission presented the following additional Report, which was adopted, and is as follows:

"The Executive Commission respectfully reports, requesting that the General Assembly vote to it the general powers indicated in Chapter XXVI, Section 7, of the Form of Government, and as follows: to correspond with the Executive Commissions of Presbytery and Synod; to confer with and advise the permanent benevolent and missionary agencies of the Church; to prepare and submit annually to the General Assembly the budget for such benevolent and missionary agencies; and to consider, between annual meetings of the General Assembly, cases of serious embarrassment or emergency concerning the benevolent and missionary work of the Church, when requested by a Board, and to provide direct methods of relief. Also the power to take steps to coördinate and unify the benevolent and missionary work of the Church, as indicated in Chapter XXVI of the Form of Government, Section 7.

"The Commission further requests the Assembly to authorize it to meet at the annual meetings of the General Assembly." (*Minutes*, G. A., 1919, p. 18.)

II. Meetings.

The Executive Commission met preceding and during the sessions of the General Assembly at St. Louis, Mo., May 15–23, 1919. The first meeting of the Commission with a new chairman and the newly elected members was held at St. Louis, Mo., May 23, 1919. Subsequent meetings were held at Atlantic City, N. J., September 24–25, 1919, and February 10–11, 1920. The Commission is in session at Philadelphia, Pa., and awaits the pleasure of the General Assembly.

In this connection the attention of the Assembly is asked to the provisions of Chapter XXVI, Section 1, Form of Government, which pertain to the membership of the Commission. The number is to be not less than fifteen, and to be divided in each case, as equally as practicable, between ministers and ruling elders. No member, salaried officer or employee of a missionary or benevolent Board or organization, under the direction of the judicatory concerned, shall be a member. The term of service shall be three years, and the members shall be divided into three classes, one of which shall be elected annually.

The General Assembly, prior to adoption of the above section of the Form of Government, itself passed a rule with reference to the election of members, providing that "no

person who has served a full term of three years on the Executive Commission shall be eligible for reëlection until another full term of three years has intervened." The Commission draws attention to the fact that this latter rule, as to ineligibility to reëlection, does not appear in any form in Chapter XXVI of the Form of Government. It is, therefore, a provision subject to change by the Assembly.

III. Members.

To fill the vacancy in the membership of the Executive Commission caused by the resignation of Rev. J. Frank Smith, D.D., the Moderator of the Assembly, by virtue of the power given him by the Constitution (See Form of Government, Chapter XXVI, Section 1), appointed in his place the Rev. George B. Stewart, D.D., as a member of the class of 1918–21. The members of the Commission whose terms of service expire with this Assembly are the following: *Ministers*—H. C. Swearingen, D.D., Aquilla Webb, D.D., Joseph A. Stevenson, D.D.; *Ruling Elders*, Hon. Montgomery Webster, Mr. George W. Sutherland. Rev. Dr. Swearingen and Mr. George W. Sutherland, having been chosen to fill vacancies, have not filled out three year terms.

IV. Vacancy and Supply.

The resolution authorizing the Executive Commission to act in this matter reads:

"That the Assembly approves the action of the Executive Commission in the methods which it has followed in endeavoring to secure the expenses of the Permanent Committee on Vacancy and Supply, and continues the Executive Commission in its supervision of the matter." (*Minutes*, G. A., 1916, p. 209.) This approval was renewed in 1917, 1918 and 1919.

A great majority of the Presbyteries are continuing to contribute to the support of the Permanent Committee on Vacancy and Supply. Indeed a larger number have contributed than last year. The number of Presbyteries not contributing is 24.

The financial account for the year shows receipts of $7,821.05. There was carried over from the last year as a balance, $1,495.22, and the total sum to the credit of the Committee is $9,316.27. Against this sum will be charged the payments for the year, about $7,000.00. This year the expense of the work of this Committee, therefore, is again more than met by the moneys paid in by the Presbyteries. The following Resolutions are recommended for adoption by the General Assembly:

Resolved, 1. That the General Assembly approves the action of the Executive Commission in the methods which it has followed in endeavoring to secure the expenses of the Permanent Committee on Vacancy and Supply, continues the Executive Commission in its supervision of the matter, and directs that the balance on hand be credited to the Committee on the books of the Assembly.

Resolved, 2. That the General Assembly earnestly requests the Presbyteries which have not contributed toward the expenses of the Permanent Committee on Vacancy and Supply to do so, thus uniting with the majority of the Presbyteries in a common effort to solve the long-time problem of Vacancy and Supply.

Resolved, 3. That the Mileage Committee be and is hereby directed to add one-half cent per communicant to the apportionments to be voted by this Assembly for the Budget of the Assembly for the year ending March 31, 1921, the same to be for the expenses of the Committee on Vacancy and Supply.

V. Legal Matters Connected with Reunion.

The Chairman of the Committee of the General Assembly on Legal Matters connected with the Reunion of 1906, has stated that the Executive Commission has been empowered to act, along with this Committee, on the following matters:

1. In determining as to the suits at law which may be instituted in the name of the Church for the protection of the Church's interests.

2. In the employment of counsel and the settlement of the expenses of litigation.

3. In the appointment of Commissions consisting of one or more ministers or lay members of the Church, to institute as well as defend suits connected with the Reunion of 1906.

During the past year no matters of importance have developed in connection with the Committee's work.

In view of the apparent close of all litigation in the matter of the Reunion of 1906, the Executive Commission unites with the Committee on Legal Matters in the following recommendations to the General Assembly:

1. The Committee on Legal Matters connected with the Reunion is hereby discharged with thanks, and that thanks are extended to all persons who have in any manner contributed to the successful issue of the litigation connected with the said Union.

2. That any matters needing attention in the way of this specific litigation, should such unexpectedly arise, be and

are hereby referred to the Executive Commission, with power, for such action as may be appropriate.

VI. Finances of the General Assembly.

The Executive Commission herewith submits the Budget for the expenses of the General Assembly for 1920-21, as prepared by the Stated Clerk by order of the Assembly, and approved by the Finance Committee of the Commission. Attention is called to the following explanations:

1. The salaries of the Stated Clerk, Permanent Clerk, and Assistant Clerk have been fixed by the Assembly.

2. The amount recommended for the Executive Commission covers the expenses of the regular meetings of the Commission, also the expenses of its sub-committees.

3. The mileage expenses of Commissioners for the meeting of the General Assembly of 1920 are estimated at $65,000.00. The railroads have not as yet granted any Convention rates for the present year, awaiting action by the Government in the matter. It has been necessary, therefore, to make the estimate for mileage expenses on the basis of full fares, ministers, not excepted. The estimate submitted for the cost of entertainment, $30,000.00, is based upon the rate of $3.50 per day, which is now the allowance to Commissioners of Presbyteries that have paid in full their apportionments.

4. The Budget provides $5,000.00 for the expenses of the special committees, which it is believed will be sufficient.

5. The special appropriations approved are the same as those for previous years. The Assembly, having officially entered into coöperative relations with the Churches of the Presbyterian family, both in the United States and throughout the world, and with the Evangelical Churches in the United States, has provided annually its proportionate share of the expenses of the maintenance of the organizations connected with these relations, viz.: The General Council of the World Presbyterian Alliance, the Council of the Reformed Churches in America, and the Federal Council of the Churches of Christ in America.

6. The Finance Committee draws attention to the fact that the General Assembly has ruled that the Assembly has "no power to devote the funds collected for the expenses of the Assembly to other purposes." (*Minutes*, 1891, p. 107.) The Assembly, further, as early as 1806, pledged itself to keep the funds placed in its hands for its expenses, entirely separate and distinct. (*Minutes*, 1806, p. 370.) These rulings have applied all along to the apportionments made by the Assembly for its own expenses, and are applicable to the Budget as now adopted from year to year.

7. The Finance Committee has performed its duties as stated in the Financial Plan of the General Assembly, and the accounts have been duly audited and are submitted to the Assembly.

8. The thanks of the Commission are due to Rev. William P. Fulton, D.D., and Wm. H. Roberts, Jr., Esq., for helpful services rendered to the Finance Committee.

9. The Executive Commission has received regularly at its meetings reports from the Treasurer and the Stated Clerk of the General Assembly, in accordance with the provisions of the Assembly's Financial Plan.

10. Attention is also called to the fact that receipts for the Committee on Vacancy and Supply now, for the third time, more than equal the estimated expenses of that Committee.

11. The increased cost of printing has so advanced that the printing and mailing of the *Minutes* will cost more than twice what they did in 1914 and six thousand dollars more than in 1919.

The tentative Budget of the General Assembly for the year ending March 31, 1921, is as follows:

VII. The Committee on Supplies.

The General Assembly of 1913 authorized the appointment, by the Executive Commission of a Committee on Supplies, consisting of three members, one representative from the Executive Commission, one from the Boards and Agencies of the Church, and a business man from the membership of the Church. The Committee was continued by the Assemblies of 1915 to 1919. During the past fiscal year the Committee was composed of A. B. Endicott, Esq., of the Executive Commission, Mr. Henry F. Scheetz, for the Boards and Agencies, and Mr. Thomas W. Synnott, for the Church at large. The work done by the Committee from year to year has been of decided value. The report for the last fiscal year is as follows:

The Committee on Supplies reports to the Executive Commission, that owing to the increased cost of all materials and the difficulty in arranging contracts for printing the literature used by the various Boards and Agencies of the Church, the expense of this work has necessarily been much heavier than heretofore. However, so far as your Committee have been able to ascertain, the material has been procured at fair prices.

Although there has been a further advance in the cost of paper over the price paid a year ago, the Chairman of your Committee has secured figures from manufacturers, which will enable the Boards and the Assembly to buy what may be necessary for printing the Reports and *Minutes* at a cost far below the present market price.

The Executive Commission recommends that the Committee on Supplies be continued, under the supervision of the Commission, that the report be approved, and that the thanks of the Assembly be tendered to the members of the Committee.

VIII. Polygamy.

The Committee appointed to take action under a resolution of the General Assembly of 1918, in regard to Polygamy, and the report of the Executive Commission to the General Assembly of 1919 (*Minutes*, 1919, p. 26) with respect thereto, makes the following report:

In view of the great and absorbing work in which the Church is now engaged in connection with the New Era and Interchurch World Movements, the time does not seem to be propitious for a campaign against Polygamy, and the postponement thereof is recommended.

The Report was adopted by the Executive Commission.

IX. Communications from Presbyteries, Etc.

The following communications were received:

1. A communication from the Presbytery of Utica, with reference to the expenses of special committees of the General Assembly.

2. Communications from the Chosen or Korea Mission and missionaries as to relations to the Board of Foreign Missions.

3. A communication from the Executive Commission of the Presbytery of Pittsburgh.

These all were received and considered, and the attention of the parties interested was drawn to the action of the General Assembly of 1913 as to such communications. That action so far as necessary is printed as a part of this Section of the Report of the Commission. Since 1913, Chapter XXVI of the Form of Government has been constitutionally adopted. It is entitled, "Of Executive Commissions," and in Section 7, provision is explicitly made for the voting of "powers" to the Assembly's Commission annually by the Assembly. Unless the Assembly confers "powers" the Commission has no power to act.

Communication from the Executive Commission of the Presbytery of Pittsburgh.

Pittsburgh, Pa., February, 1920.

To the Executive Commission of the Presbyterian Church, U. S. A.

Dear Sirs:

The following action of the Presbytery of Pittsburgh was referred to the Presbytery's Executive Commission:

"Whereas, The Presbytery views with alarm the increasing overhead expenditures of the New Era Movement, and

Whereas, there is no constitutional authority for these expenditures except by the direct action of the General Assembly itself;

Therefore, be it Resolved, that the Presbytery instruct its Executive Commission to correspond with the Executive Commission of the General Assembly, presenting for the consideration of that Commission, a statement of the facts as to the budget of expense, and the reasons in support of the constitutional questions involved thereby."

The Presbytery's Commission was further directed to ask the Assembly's Commission for its opinion on the constitutional questions hereafter raised by it, in this communication, and to report the answer to the Presbytery.

In the discharge of this duty Presbytery's Commission

respectfully presents for your attention the following facts as to expenditures of the New Era Committee, and as to its budget for the year 1920-21 (See Minutes of Executive Committee, New Era Movement, October 8, 1919); and, also, raises the following constitutional questions for your consideration:

1. Expenditures and Budget:

1	Deficit of the New Era Movement	$652,079.08
2	Budget for the New Era Movement for 1920-21	996,000.00
3	Working Capital of the New Era Movement	350,000.00
4	Five per cent. of Budget of Boards Agencies, for securing pledges and collecting funds	850,000.00
		$2,848,079.08

There is the further item of expenditures for the Inter-Church World Movement, which seems to be in addition to the above expenditures, although this is denied by the New Era's Executive Committee's Chairman. If the $200,000, which it is proposed that your Commission shall underwrite, and the 5 per cent. of the entire budget for Inter-Church World Movement, are to be added to the $2,848,079.08, then the obligations of the church for the two movements will be $3,898,079.08. In either case, the Presbytery of Pittsburgh is alarmed over the deficit, and the ever increasing costs of administration, and the readiness to incur new liabilities; and, asks that the New Era Movement, be, at once, placed on a more conservative and practical financial basis, and that your Commission exercise its control to that effect.

2. On further instructions for this correspondence, are inquiries in certain matters of constitutional authority, as follows:

(1) In the opinion of your Commission does the resolution of the last Assembly, authorizing the New Era Committee to increase its budget, relieve your Commission of all financial control of the Committee, during the current ecclesiastical year, and empower the Committee to incur obligations and expend money at its discretion until the meeting of the next Assembly? The Presbytery desires your interpretation of that act of the Assembly.

The resolution is as follows: (See *Minutes* of the General Assembly, 1919, p. 205, resolution 9.) "That in order to enable the Committee to carry forward the enlarged program of activity it be authorized to increase its budget to such an extent as may be necessary, and that it be authorized to secure such sums in addition to the amount authorized in the Victory Fund Budget as may enable it effectually to carry

forward the full program provided by the General Assembly."

(2) The Presbytery also desires your opinion on the question whether the above authorization to the Committee, namely, "to secure such sums in addition, etc.," and any like authorization to the Committee, or to the Executive Commission, to secure and to appropriate funds, not included in the budget, that had been approved by the Assembly be not *ultra vires* (of the Assembly), as being a delegation of function expressly withheld from the Assembly by the constitution. We refer the Commission to Chapter XXVI, of the Form of Government Section 3, and to the interpretation of that chapter and section by the Committee submitting it for the action of the Assembly. (See *Minutes* of the Assembly, 1914, p. 239.) "The Committee has provided that Executive Commissions, also, shall have no legislative power, as will be seen by the general tenor of the new chapter, and in particular as expressed in section 3, of the same."

(3) The Presbytery desires, also, your opinion as to the constitutional authority of the Assembly to authorize your Commission or any Committee to appropriate funds for purposes, either not specified in the budget, or, at least, not contemplated by the donors of the funds, as, for example, for the uses of the Inter-Church Movement, which is not denominational but interdenominational.

May not such authorization of the use of benevolent funds, given through the ordinary denominational channels, be beyond the power of the Assembly? May it not, indeed, be considered a diversion of funds, that have been sacredly confided to the Assembly, for other uses?

That the Assembly recognizes a constitutional limitation upon its power of appropriating its own funds appears from deliverances of the Assembly in the matter, as, for example (See *Minutes*, 1891, p. 107.), the Assembly has ruled that the Assembly has "no power to devote the funds collected for the expenses of the Assembly to other purposes." (See also *Minutes*, 1806, p. 370.)

If the Assembly may not divert funds placed in its hands for its expenses, to other purposes, what power has it to divert funds placed in its hands for benevolence, to the use of an outside agency whose program has a multiplicity of items, some of which are social and civic?

Presbytery's Commission, in making these inquiries and in requesting these interpretations, has sought to do so in harmony with the Assembly's own suggestion of such correspondence, between Commissions, and has confined itself strictly within the limits of the Presbytery's instructions.

The unanimous vote of the Presbytery in this matter, together with the vigorous remarks, pending its action, made clear its settled purpose, quietly, if possible, but in the most public manner, if necessary, in the interest of the church's solvency and of her spirit of benevolence, and, also, of the success of the New Era Movement itself—to do all within its powers, by overtures to the Assembly already passed, and by the enlistment of the coöperation of other Presbyteries, and by such correspondence as this with your Commission, to stop, at once, and finally, the New Era Committee's extravagant expenditures for administration, its reckless incurring of indebtedness, and in particular, its eagerness to underwrite the financial program of the Inter-Church Movement, as to which Movement we entirely concur, in the wise opinion of your Commission given to the last Assembly. (See *Minutes*, 1919, p. 227.)

Respectfully submitted,
Attest: Jos. M. DUFF, *Clerk pro tem.*

Answer of the Executive Commission of the General Assembly to the Presbytery of Pittsburgh:

February 18, 1920.

Rev. Joseph M. Duff, D.D., Secretary,
Executive Commission, Presbytery of Pittsburgh.

DEAR BROTHER:

In reply to a communication from the Presbytery of Pittsburgh with reference to the expenses of the New Era Committee and certain questions as to the constitutionality of Assembly action with relation to the New Era Budget. The Executive Commission respectfully states that it received and read the communication, and heard the representative of the Executive Commission of the Presbytery of Pittsburgh, Rev. Dr. Taylor. The Executive Commission respectfully draws the attention of the Executive Commission of Presbytery:

(1) To the fact that the Commission has no power to pass upon constitutional questions unless such questions are referred to it directly by the General Assembly.

(2) That the General Assembly of 1913 cautioned the Synods, Presbyteries and other organizations to the effect that the jurisdiction of the Executive Commission is limited, and that when important matters are pressing upon the attention of a church judicatory that the proper course for it to pursue would be to take the matter to the proper higher judicatory under the regulations of the Constitution of the Church.

(3) That the Executive Commission of the Presbytery of Pittsburgh is respectfully requested to receive this answer and to submit the same to the Presbytery.

By direction of the Commission,

WM. H. ROBERTS, *Secretary.*

Communications from The Chosen or Korea Mission.

Three papers were received by the Executive Commission described as "1, A petition of Missionaries laboring in Korea to the Executive Commission of the General Assembly; 2, A statement of three cases of the Board's dealings with the Korea Mission in such matters; 3, The correspondence on these subjects by Board and Mission Officials, 1912-1919." They were referred to a Committee, whose report was approved as follows:

1. That the paper No. 3 was not before the Committee as it had not yet come to the Executive Commission. Nevertheless as this report does not go into the merits of the case, its absence cannot affect the action of the Executive Commission, and we therefore do not think it necessary for the Commission to await its arrival before issuing the matter.

2. The matters covered in these papers pertain exclusively to the internal administration of the affairs of the Korea Mission by the Board of Foreign Missions.

In 1913 the Executive Commission in interpreting its functions took the following action: "that the General Assembly has not conferred upon the Commission any authority to interfere with the purely administrative work of the Boards and kindred Agencies of the Church, except as to a few exceptional matters as to which authority has been specially conferred by the General Assembly."

As this matter does not appear to fall within the exception referred to, we recommend that the Commission inform the signers of this paper that it has no authority in the matter.

3. We recommend that the Commission inform the petitioners that should they desire to reach the Assembly, they may do so through the Board of Foreign Missions or by communication addressed directly to the Assembly.

Overtures from Synods, Presbyteries, etc.

The action of the General Assembly of 1913 referred to at the beginning of this Section is as follows:

"The Executive Commission received directly from two Synods Overtures upon certain matters hereinafter named, and referred the question of the powers of the Commission in connection therewith to a Special Committee whose report was approved by the Commission, and is herewith submitted

for the approval of the General Assembly. The Report is as follows:

The Commission has received:

1. An Overture from the Synod of Kansas, as to the payment of the expenses of the Western members of the Board of Church Erection by said Board.

2. An Overture from the Synod of New Jersey, as to certain acts of the Hungarian Reformed Church.

Having considered said Overtures, the Commission reports as follows:

The Executive Commission represents, at least in a limited sense the General Assembly between its annual meetings. It must, as such representative, receive all communications coming, under whatever name, from the Presbyteries, Synods or recognized agencies of the Church, even though it may appear from the examination of the papers, that the Commission has not jurisdiction of the matters therein referred to.

As an answer to the prayer of these Overtures and as a statement of the position which the Commission must, for the future, take with reference to all similar communications, the Commission declares:

1. That the Commission has no power or authority except such as has been expressly conferred upon it by the General Assembly.

2. That the General Assembly has not conferred upon the Commission any authority to interfere with the purely administrative work of the Boards and kindred agencies of the Church, except as to a few exceptional matters as to which said authority has been specially conferred by the General Assembly.

3. That the matter referred to in the Overture from the Synod of Kansas is purely a matter of administration of the affairs of the Board of Church Erection and is not within the exception referred to in the last article, the election of the Western members of the Board which was referred to the Commission, having been accomplished.

4. The Overture from the Synod of New Jersey presents a matter of Church polity, over which this Commission has no jurisdiction.

Because, however, the matters presented by both of these Overtures are of importance and should be considered by the General Assembly; and as there will be no meeting of either of these Synods prior to the next meeting of the General Assembly, the Commission, expressly disclaiming the intention to make such action a precedent, places both said overtures in the hands of the Stated Clerk as the medium of transmission to the General Assembly, without recommendation.

5. The Commission requests the Synods, Presbyteries, and other agencies and bodies to refrain from bringing to the Executive Commission matters which are not within the express jurisdiction of the Commission; but to bring them, in the usual manner, to the attention of the Boards, or if it be deemed necessary so to do, to the attention of the General Assembly. Such a course will, in the judgment of the Commission, operate most expeditiously and effectively to secure the required relief. It will also result in saving the Commission from misunderstanding and criticism and in allaying any suspicion that the Commission is seeking to usurp in any way the function of the Boards and permanent agencies of the Church." (*Minutes*, G. A., 1913, p. 191.)

The General Assembly of 1920 is respectfully requested to confirm the action of the General Assembly of 1913.

X. Report on the Situation in Porto Rico.

The situation in Porto Rico has been under the consideration of the Executive Commission for three years. The following report is final and the Commission asks to be discharged from further consideration of the subject.

Under the authorization of the General Assembly the Seminary has been established at Rio Piedras near San Juan.

The following is the plan under which it is operated:

1. *Trustees.*—A board of trustees consisting of two members elected by each of the Coöperating Mission Boards at work in the island. The representatives of the Presbyterian Board are Rev. A. E. Keigwin, D.D., and Mr. Francis S. Phraner.

2. *Management.*—The management of the Seminary, including the selection of the Faculty, is in the hands of the Trustees. The present President is Rev. J. A. McAllister, D.D., one of the Presbyterian missionaries.

3. *Finances.*—The support of the Seminary is provided by the coöperating Boards allocated on the basis of their respective budgets.

4. *The First Year's* work is regarded as highly satisfactory by our missionaries at work in the island.

5. *Needs.*—The first need is additional buildings. A five year program has been worked out by the Trustees and approved by the coöperating Boards. The first year's program is incorporated in the respective budgets for the coming year.

XI. Counsellors or Pastors at Large.

The following Resolutions were referred to the Executive Commission:

Resolved, 1. That this General Assembly hereby instructs its Executive Commission to take under consideration the desirability of the selection by the Assembly of a limited number of Ministers of approved experience and ability to serve as Counsellors or Pastors at Large, in order that through these leaders the message of the Church may be presented to the largest possible number of people with greater effect.

Resolved, 2. That these Counsellors or Pastors at Large shall not exercise either administrative or executive authority but render service similar to that performed by our Moderators in their tour of the Church, and such other service as the Assembly may appoint.

Resolved, 3. That the Executive Commission be instructed to report on this matter at the Assembly of 1920 with such recommendations as to plan, if any, as it may deem wise. (*Minutes*, 1919, p. 254.)

The above resolutions were carefully considered and upon the report of a Committee the following action was taken:

In the matter of the proposal to appoint in the Presbyterian Church "Counsellors or Pastors at Large," who shall not exercise either administrative or executive authority, your Committee recommends:

1. That without some change in the Constitution, no such permanent office could be established.

2. That there does not seem to be the need of such Pastors at Large at the present time, when the Secretaries of the various Boards, the Evangelistic Committee, the representatives of the New Era Movement and their itinerant advocates, are available for any part of the Church when there is need of their services.

3. That no action be taken.

XII. Ministerial Support.

Overture No. 81, being a resolution from a Commissioner on the subject of minimum salaries for ministers. It is recommended that it be referred to the Executive Commission. (*Minutes*, 1919, p. 179.)

It is also recommended that the following resolution be referred to the Executive Commission for consideration, viz.:

Inasmuch as the Ministry is dedicated to a life of service, it is needful that provision should be made by the church against unemployment, and to this end be it

Resolved, That the Assembly direct and empower the Committee on Vacancy and Supply, or other appropriate church agency, to take necessary steps to provide work at living wages for the Ministry, without charge; and that the

Committee be directed to confer with the Executive Commission as to cost and method of financing the project, the same to be provided for in the New Era Budget. (*Minutes*, 1919, p. 265.)

The subject of ministerial support above referred to the Commission, was the subject of much thought on the part of the members, and the result of conference with other parties as well as of the Commission's consideration was the appointment of a Special Committee constituted as follows:

Chairman, Ruling Elder Edward H. Smith; *Ministers*, John A. Marquis, D.D., Joseph A. Stevenson, D.D., Walter H. Houston, D.D., Wm. H. Roberts, D.D., Wm. S. Holt, D.D., J. M. Broady, D.D., Alfred H. Barr, D.D., Paul M. Strayer, D.D., Robert Hunter, D.D.; with *Ruling Elders*, Craig N. Ligget, A. R. Nicol, and Ralph W. Harbison.

The Committee presents the following resolution:

Resolved, That in the judgment of the Executive Commission the matter of the salaries of ministers is of such pressing importance that steps should be taken at once which may be effective for the increase of ministers' salaries. We, therefore recommend that each Presbytery and each Synod be advised to appoint a Committee of laymen on this subject and that the Executive Commission be charged to represent the Assembly in this matter and to see that it is prosecuted with vigor.

XIII. Disposition of Offerings Recommended by the General Assembly.

The Executive Commission being advised of certain irregularities in the assignment and forwarding of funds secured under the plan approved and authorized by the General Assembly through the New Era Movement directs the attention of the Church to the following statement.

The New Era Movement is the Agency through which the Church undertook to meet in a larger way than ever before the needs of the Church in a forward looking program. This plan was given formal approval and sanction at the Columbus meeting of the Assembly. Under this plan a percentage method of distribution was agreed to and authorized. A concert of effort was arranged, and a unified budget was part of the arrangement in making the appeal with churches under the jurisdiction of the General Assembly. That arrangement was clearly before the Church, and has been acted upon, both by the Executive Commission and the General Assembly. All the Boards and Agencies of the Church have coöperated in urging the arrangement and are operating upon the basis of the unified appeal and the approved percentages.

In the cases where certain Synods and Presbyteries have undertaken to disregard the approved percentages and assign the funds locally, the Executive Commission is of the opinion that such a procedure cannot be approved under the present authorized plan, unless there has been a clear and distinct announcement to the effect to the subscribers and givers. It is obvious such action as here outlined would destroy the integrity of the Movement and work injustice. At the present time, the Board of Home Missions and the General Board of Education appear as the principal sufferers. On the other hand, since all the budgets were included, it follows that the success of the plan carries with it adequate care of all local needs.

The Executive Commission therefore adopts the following resolution:

Resolved, That the Executive Commission directs the attention of the Church to the fact that plans of collections, ordered by the General Assembly for its Boards and Permanent Agencies are not subject to modification by sessions, Presbyteries or Synods, but are to be presented by the Church Sessions to the Congregations and that the contributions made under plans formally approved by the General Assembly are to be forwarded in accordance with such plans to the party or parties named by the General Assembly.

[The above Resolution was referred by the General Assembly to the Standing Committee on Bills and Overtures, which recommended that it be disapproved.]

XIV. Absentee Members, Rule As To.

The Committee on the Members of the Executive Commission recommended the adoption by the Assembly of 1919, of the following resolution:

Resolved, That hereafter it be a rule of the Assembly that when members of the Executive Commission are absent from three consecutive meetings, that their places become automatically vacant. (*Minutes*, 1919, p. 245.)

An interpretation of the above rule was approved by the Commission as follows:

Resolved, That in administering the rule of the General Assembly with respect to vacating the places of members of the Executive Commission who have been absent from three consecutive meetings, the word "Hereafter" shall be construed as applying to a time subsequent to the adjournment of the General Assembly which adopted the rule; and that meetings of the Executive Commission held in connection with the General Assembly at which new members of the Executive Commission are appointed, shall not be considered as applicable to the cases of such new members.

XV. Libraries for Ministers.

The General Assembly of 1919 adopted the following recommendation:

With reference to a paper concerning circulating libraries for ministers referred to the Executive Commission, it is recommended that the Commission take up the matter with the Board of Publication and S. S. Work, and make report to the next meeting of the Assembly. (*Minutes*, 1919, p. 284.)

After consultation with the Board of Publication and Sabbath School Work, the following recommendation is presented for adoption:

That the sum of not less than ten thousand dollars be used for the purchase of circulating libraries for the use of pastors who may make request for them.

XVI. General Assembly, Reduction in Size.

The following resolution was referred to the Executive Commission:

Whereas, the General Assembly, as at present constituted, consisting of more than nine hundred commissioners, is larger than necessary for deliberative purposes, too large ordinarily, to hold its sessions in churches, and its meetings are held with increasing expense to the church, therefore

Resolved, That the Executive Commission be requested to devise a plan to reduce the number of commissioners to about one-half the present number and to present said plan to the next General Assembly. (*Minutes*, 1919, p. 266.)

A plan was presented to the Assembly but it was not adopted, and therefore is not printed.

XVII. American Bible Society.

Resolved, 2. That the General Assembly refers to the Executive Commission with power the request of the American Bible Society to be placed upon the Assembly's Official List of Benevolences. (*Minutes*, 1919, p. 86.)

The American Bible Society was duly placed upon the Budget of the Assembly's Boards and Agencies for 1920–21.

The following resolutions are presented for adoption:

Resolved, 1. That the General Assembly hereby approves of the action of the Executive Commission in placing the American Bible Society on the New Era Budget for 1920-21 for the sum of $175,000, with the privilege of sharing in the pro rata distribution of the undesignated gifts, and be it further

Resolved, 2. That until this action is rescinded it is the will of the General Assembly, and it is hereby directed that the

American Bible Society be placed each year in the Budget for such an amount as the Executive Commission may from year to year determine and that it share pro rata with the Boards and Agencies of the Church in all undesignated gifts.

XVIII. BOHEMIAN CHURCH, DELEGATE TO.

That inasmuch as the American Section of the Alliance of the Reformed Churches plans to send a deputation to visit the Protestant Churches of Europe, the overture of the Central West Bohemian Presbytery asking that a deputation be sent from this Church to visit the Churches of Bohemia be referred to the Executive Commission with power, and with the recommendation that Rev. Joseph Krenek, who goes as a missionary from the above Presbytery to the new Czecho-Slovakia Republic, be given credentials, to bear the greetings of our Church to the Church in Bohemia. (*Minutes*, 1919, p. 277.)

The Rev. Joseph Krenek was duly appointed as above requested.

XIX. GENEVA, SWITZERLAND, CHURCHES, PROPOSAL OF.

That the request from the Churches of Geneva, Switzerland for our coöperation in the appointment of a United Commission to represent all Protestant Churches be referred to the Executive Commission. (*Minutes*, 1919, p. 278.)

The request was referred by the Executive Commission to the American Section of the World Presbyterian Alliance.

XX. SULGRAVE INSTITUTION.

That the request of the Board of Governors of the Sulgrave Institution that this Assembly coöperate in appointing a Committee to arrange for the suitable celebration of the Tercentenary of the Landing of the Pilgrim Fathers, be referred to the Executive Commission with power. (*Minutes*, 1919, p. 277.)

The matter was referred to the Assembly's Committee on Church Coöperation and Union.

XXI. TENTATIVE BUDGET OF THE BOARDS.

The important subject of the Budget of the Benevolent and Missionary Boards and Permanent Agencies was considered most carefully by the Budget Committee of the Executive Commission, and also at the Conference, with the Boards in Atlantic City on February 12, 1920. The Budget is submitted herewith for the approval of the General Assembly and includes the amounts to be raised both by the New Era Committee and the Interchurch World Movement.

XXII. FINANCIAL STATEMENTS OF THE BOARDS.

Messrs. Price, Waterhouse and Co., of New York City, presented to the Executive Commission, at its February Meeting in 1919, the following report which was ordered printed as a part of the Report of the Commission for 1920.

"Under the date of September 19, 1918, and in accordance with the instructions set forth in this regard in the *Minutes* of the General Assembly of 1917, we submitted statements of the assets and liabilities and of the revenues and expenditures of the Benevolent and Missionary Boards of the Church, as of March 31, 1918, and we presented also a report calling attention to various questions and difficulties which had arisen in connection with the compilation of these statements.

"The statements and report in question were considered at the meeting of the Commission on September 24 and 25, and according to the resolution adopted at that meeting (copy of which was furnished us for our information and guidance) it was decided to refer the matter to the Finance

Committee, with instructions to arrange, so far as possible, for a uniform plan of accounting by all the boards and to make use of our services in this connection, with the ultimate object, as we interpreted it, of adjusting the difficulties to which we called attention in our report above referred to, and of insuring that the statements as of March 31, 1919, and ensuing years should be on a footing satisfactory to all concerned."

Price, Waterhouse and Co., presented to the Commission at its meeting in September, 1919, a detailed exhibit of the revenues and expenditures, assets and liabilities of the Boards and Agencies of the Church to the Commission for the year ending March 31, 1919. A copy of the same was submitted to each of the parties interested. The whole subject was referred to the Finance Committee of the Commission to report at its May meeting in 1920. The expenses of the preparation of the exhibit are borne by the Boards by order of the Assembly.

XXIII. Report of the Department of Publicity.

The Report which follows is up to March 31, 1920:

Despite the heavy and varied demands constantly made upon the space of daily newspapers the Department of Publicity has had an increasingly large amount of matter in the secular press, daily and weekly. This we ascribe solely to the fact that only actual news and human interest matter has been offered to the papers. At this date,April 1st, it is safe to say that the amount of newspaper clippings thus far brought back to this department by its clipping bureaus would measure at least six miles in length, probably more. This means that at least six miles of Presbyterian news has appeared in the newspapers of America in the last year and a half, but it is very much more than six miles for the reason that clipping bureaus, of course, do not bring back anywhere near all the matter that appears.

This fact is stated because it appears to be the only accurate way in which a definite understanding may be given as to just what the department is obtaining in the way of newspaper publicity.

This publicity comprises activities and interests of virtually all the boards and agencies of the church. In the current life of every board and agency there is almost daily matter of vital public interest.

At the outset this department undertook to stimulate on the part of the church a better news consciousness. While some progress has been made in this direction, we feel that the surface of possibilities has only just been scratched.

It is a pleasure to bring to the General Assembly the assurance that the newspapers of the country have met us more than half way in our efforts to present accurately and with a living interest news of Presbyterian activities. The newspapers have been and are overburdened in demands upon their space on the one hand, and the appalling price of white paper plus its unprecedented scarcity on the other hand, therefore, we ought to appreciate the more their generous treatment of us. They should not be asked to handle anything that is not actual news, or does not possess an actual news value.

PUBLICITY WORK AMONG PRESBYTERIES. This department in the last year has been gratified to see established in at least 230 out of 290 Presbyteries an approach to organized publicity work. In other words, under the program of the New Era Movement 230 Presbyteries now have Publicity Committees. Some Presbyteries are taking up the matter of organization in a most systematic manner. Notably among these is the Presbytery of Cleveland which has its own working organization headed by a committee which gives actual time to the matter of publicity, and an employed practical publicity and advertising man to handle the work. So successful has this adventure been from the outset that the papers of Cleveland are publishing more news on church interests than ever. On a certain Sunday not many weeks ago, 60 per cent. of all the church news in Cleveland newspapers was Presbyterian news. This is not the result of intensive denominationalism; it is simply the natural outgrowth of effort which one denomination happens to be exerting.

Newspapers, large and small, throughout the country made extensive use of the circulation of the first pamphlet which this department issued on Church Advertising and Publicity. Churches likewise distributed them widely.

OUR NEW ADVERTISING OFFICE. During the summer of 1919, we began urging churches to engage more systematically and scientifically in permanent paid newspaper advertising. Responses by churches soon made it necessary for us to add a division and another man to our department, so on November 1, 1919, we opened our Western office in Chicago with Mr. Herbert H. Smith, formerly of *The Continent*, in charge, working in close coöperation with the headquarters in New York.

The Department of Publicity offers without charge up to the limit of strength of members of the department its facilities for writing copy for advertisements or booklets for any Board or Agency, College or Seminary of the denomination. If desired, the preparation and placing of ads for an

entire campaign will be assumed by this department under the supervision of the Secretary of the Board or Agency. The services of members of the department are available for consultation on form of booklets, manner of illustration, layout of matter, time to advertise, and manner of approach to special classes.

Among the Boards and Agencies served in the first six months of the establishment of this service were:

Board of Foreign Missions.
Board of Ministerial Relief and Sustentation.
Board of Temperance and Moral Welfare.
Committee on Men's Work.
New Era Movement.
Board of the Northwest.
Presbytery of Brooklyn.
Church Extension Board, Chicago Presbytery.
Buffalo Presbytery.
Auburn Seminary.
Presbyterian Training School of Chicago.
Presbyterian Home, Chicago.
University of Dubuque.

Among the services offered by the Department of Publicity to any Presbyterian pastor without charge are the following:

1. Monthly sheet of advertising suggestions. Ads can readily be modified and set for use in papers of towns of any size. In the first seven weeks after this offer was made 300 churches asked for these copy suggestions. The list of churches has grown every month and now approaches 1,000. This number includes pastors of other denominations who pay for the ideas offered.

2. Cuts for church printing of all sorts. List is constantly growing. Special cuts of any sort obtained when demand justifies. By buying electrotypes in quantities a remarkably low price can be offered pastors.

3. Circulation library of printed church calendars or bulletins. Sent on request accompanied by a dozen samples of your calendar. This service includes on request constructive suggestions for possible changes in typographical arrangement of matter in calendar.

4. Suggested sentence sermons for use on outside bulletin boards, your "lawn preacher."

5. Up to the limit of the strength of members of the department special ads will be written for pastors who cannot adapt the standardized ads to a special series of sermons they plan.

To date 750 churches are receiving such part of this service as requested. The list grows steadily.

ADVERTISING IN THE SEMINARIES. Since church advertising and church publicity are here to stay and are recognized as vital factors in the propagation of the gospel, we venture to suggest that it would be a wise provision for the seminaries of our church to permit the installation of a course of lectures during the year on such phases of these subjects as would give to the coming generations of Presbyterian ministers practical knowledge along these lines.

WESTERN NEWSPAPER UNION. One of the very important developments of our advertising work has been the preparation of model advertisements for the Western Newspaper Union. This is the corporation which supplies patent insides to more than 12,000 newspapers in towns and cities up to 100,000 population. Our department was requested by the Western Newspaper Union to undertake this service. Our department simply prepares certain advertisements on the service of the Christian religion, turns these advertisements over to the Western Newspaper Union which puts them into its extensive service for 12,000 newspapers. These newspapers in turn are at liberty to use these advertisements as the basis of soliciting advertising from the churches in their localities. Of course this work extends beyond the lines of any denomination, but it offers our department a tremendous scope of righteous influence and is, we think, a very distinct recognition of this department and its service to the world. This is really helping pastors and churches that want to advertise as much as it is helping the Western Newspaper Union. Of course, it is a matter of mutual interest.

PERSONNEL. The Department of Publicity's staff now consists of 4 men and 4 young women. The Director and Mr. Smith have already been referred to, Mr. Walter I. Clarke, one of the most accomplished and widely known newspaper men of America, continues in charge of newspaper publicity and Mr. J. V. Clarke (no relative of Walter I. Clarke) is the reporter of the staff and a general utility man. He fills a want keenly felt for some one to keep in personal touch with the various boards and agencies in the various cities in the matter of news which they have to channel through the department to the secular and church press.

NEW ERA MAGAZINE. In presenting the interests of *New Era Magazine* we shall deal as was customary in the case of the *Assembly Herald* with the calendar year. On January 1, 1919, we aimed at a circulation of 100,000 by the end of the year. Our audit shows that we closed the year with a paid circulation of 116,470. This gave us an average circulation for the year of approximately 97,000 a month.

Our audit shows an apparent deficit for the calendar year

of $20,422.26. This is considerably less than the estimates at the beginning of the year. As we said one year ago in our report to Assembly, so we desire to repeat here, that in a practical sense this $20,000 is not to be regarded as a deficit or a loss unless we are ready to consider that the magazine itself represents a loss to the Presbyterian Church. One year ago the Assembly concurred in the view that any so-called deficit was in reality to be regarded as an investment or an operating expense. We adhere to that proposition on the principle that the magazine is deemed necessary in the prosecution of the present program of the church. Therefore, if the magazine because of any deficit, were eliminated, other means and instrumentalities far less effective in the aggregate would have to be substituted and while being far less effective they would entail a very much greater expense than the magazine has entailed.

New Era Magazine came into existence at a time when hundreds of publications of various kinds were going out of existence under the crushing impact of abnormal costs and conditions. It has therefore, required the most diligent effort to bring the magazine up to anything like a befitting standard and at the same time meet current obstacles. Here on the one hand is the scarcity of paper which is appalling, fatally appalling in many cases, and on the other hand prices of white paper and of everything else entering into the production of a publication are utterly unprecedented and these prices are still advancing.

The simple truth is that if in 1919 *New Era Magazine* had been published upon the basis of 1917 prices, it would have cost $40,000 less than it did cost, which would have meant a very handsome net income instead of a so-called deficit of $20,000.

A YEAR OF ACID TEST. We are in the year of a severe test for the magazine. As is well known, we increased our club rate beginning with January, 1920, from 50 cents to 75 cents per year, holding our single subscription rate at $1. Obviously, the bulk of subscriptions come in under the club rate. While this increase is practically nominal when compared with the abnormal increase in the prices which the magazine has to meet, it has been unwelcomed in many quarters. At the same time that we are making this 50 per cent. increase in our very low subscription rate, newspapers have made increases of 100 per cent. in their subscription rates and properly so because they are up against crushing conditions. Very properly we have not stopped reading newspapers because they have increased their subscription rates. Is any Presbyterian willing to stop reading his magazine because it was compelled to increase very slightly its sub-

scription rate? We all knew at the outset that it was neither practicable nor desirable to continue the 50 cent club rate, that it was purely experimental. Even the 75 cent club rate is not economical in the presence of totally abnormal costs of production.

In addition to this, costs of paper and every commodity entering into the production, including labor, continues to advance.

The following resolutions are presented for adoption:

Resolved, That the General Assembly reaffirms its definition of the Department of Publicity, including *New Era Magazine*, as an agency of the General Assembly for the whole church, all of its Boards and Agencies, including the New Era Movement as set forth in the *Minutes* of the General Assembly, 1919, pp. 37 to 39.

Resolved, That the character, policy and function of the Department of Publicity, including *New Era Magazine*, and also their financial direction, continue under the authority and control of the General Assembly through the Executive Commission.

Resolved, That the Director of Publicity be continued as Editor of the *New Era Magazine*, and that upon his recommendation the character and policy of the Department and Magazine be determined by the Executive Commission acting for and reporting to the General Assembly.

Resolved, That a sum of not more than $60,000 be appropriated for the ensuing year for the Department of Publicity and in order to meet this appropriation the recommendation of the Mileage Committee as to the Presbyterial apportionments for 1920-21 be amended so that the apportionment shall be 10 cents a member instead of 8½ cents as at present in force.

XXIV. Central Treasury.

The subject of a Central Treasury was referred by the General Assembly of 1919 to the Executive Commission in the following action:

In answer to *Overtures Nos. 13 to 19, and 58*, from the Presbyteries of Box Butte, Hastings, Lake Superior, Lansing, Niobrara, Omaha, Saginaw and Flint, relating to a central receiving agency or treasury, to which all the missionary and benevolent gifts of the Church may be sent, when so desired, for distribution among the various Boards and Agencies of the Assembly.

The Executive Commission recommends that these Overtures be recommitted to the Executive Commission, with instructions to confer with the Boards and Agencies including

the New Era Movement, and that the Executive Commission be given power to act and directed to reach a conclusion as soon as possible. The reason for the recommendation is that the question of a central treasury is now a matter of conference between the Executive Commission and the New Era Committee and not yet concluded. (*Minutes*, 1919, p. 284.)

The above Overtures were referred to the Executive Commission by the General Assembly of 1919 early in its sessions, were considered by the Commission, and their subject was so important that it was felt that more time was needed for further consideration than could be given during the Assembly's sessions. The matter was submitted to the Official Conference between the Commission and the Boards and Agencies in September, 1919, and the following action approved by the Conference was adopted by the Commission.

The following recommendations proposed at the official conference between representatives of the Executive Commission and the Boards and Agencies of the Church were adopted:

1. That the New Era Movement be given full authority to represent the Executive Commission and Boards in the collection of funds now subscribed or which may hereafter be subscribed.

2. That the present Receiving Agency of the New Era Movement, A. R. Nicol, Treasurer, 156 Fifth Avenue, New York City, be constituted as the Central Receiving Agency to act as the official clearing house of the Presbyterian Church for the Benevolent Funds of the Assembly.

3. That the pastors, the sessions and the treasurers of all churches, together with the treasurers of all Presbyteries and Synods where a treasurership exists, be urged to use either the Central Receiving Agency or any Board treasurer as a clearing house for the funds collected under the New Era Budget of Opportunity, or send direct to the treasurers of the Boards.

4. That the Central Receiving Agency be instructed as follows:

a. That the wishes of the original donors of funds be respected when known.

b. That the Session has the right to designate funds, if the donor fails to make designation.

c. That the Central Receiving Agency be instructed to distribute funds received by him at regular intervals to the several Boards and Agencies or causes or interests for which he may receive funds.

d. That the treasurers of the Boards and Agencies of the General Assembly be instructed to report to the Treasurer of

the Central Receiving Agency those funds that have been sent directly to them on account of their New Era Budget.

e. That the Central Receiving Agency be instructed to distribute according to the designation of the remitter. When no designation is given that it shall distribute according to the percentage given by the Executive Commission covering the budgets sent from time to time.

XXV. The New Era Committee and the Interchurch World Movement.*

The important subject of the participation of the Presbyterian Church in the U. S. A., in the Interchurch World Movement was committed by the General Assembly to the Executive Commission by action taken as follows at St. Louis, Mo.:

Resolved, 1. That the General Assembly hereby records its approval of the central principle of a proper coöperative program among the evangelical Churches.

Resolved, 2. That the General Assembly refers the matter of the Interchurch World Movement to the Executive Commission, with power to act within the limits as outlined in the Report of the Executive Commission to wit:

1. That the coöperative movement, as above specified, be one of the agencies of evangelical churches.

2. That in the proposed coöperation the Presbyterian Church shall function through its Committee on the New Era Movement.

3. That the coöperation shall involve the following features:

(a) A common survey of the home and foreign fields;

(b) A united propaganda to reach the whole Protestant Church of North America in educational and inspirational campaigns;

(c) A simultaneous campaign to realize the budgets;

(d) A full presentation to the Interchurch World Movement of the Presbyterian Budget for all the Boards and Agencies, as approved by the Executive Commission.

4. That the coöperation shall be upon the condition that funds raised by the Presbyterian Churches and agencies shall be paid to and distributed through the regular channels of the Presbyterian Church.

5. That no financial obligation for the administrative expenses of the Interchurch Movement shall be incurred by any of our Boards or agencies without the authorization of the General Assembly or its Executive Commission. (*Minutes*, 1919, pp. 228-229.)

* See final action upon the Interchurch World Movement, p. 174.

Action, Meeting, September, 1919.

The Executive Commission took up the Interchurch World Movement at its meeting at Atlantic City, N. J., September 24–25, 1919, in full conference with the New Era Committee and the official representatives of the Benevolent and Missionary Boards and Permanent Agencies of the Church. The Commission had already appointed a Committee on the subject, Rev. H. C. Swearingen, D.D., Chairman, and this Committee consulted at length with representatives of the Interchurch World Movement, including Drs. Taylor and Cory. Previously the Committee through its Secretary had secured information in many quarters as to the Movement. The Report of the Committee was adopted by the Commission, and a part of the Introduction, with all the recommendations are as follows:

Your Committee has been earnest and diligent in its search for light on this whole matter. At the present time however, it does not possess sufficient information of a definite character respecting the plans, the organization, the purposes and the budgets of the Interchurch World Movement to warrant it in recommending to the Executive Commission a complete indorsement of the Movement and full coöperation in its activities. This attitude of caution, if approved by the Commission, is not to be interpreted as indicating any lack of interest on the part of the Presbyterian Church in the U. S. A. in respect to united Church efforts. Quite the contrary, our Church is committed to the principle of organic union and therefore, necessarily, to all wise schemes of federation as steps towards the ultimate goal. It means rather that the Presbyterian Church desires to be fully informed as to just what is proposed and what the precise responsibility that will rest upon it in undertaking to coöperate in the Interchurch World Movement.

As an evidence of sincere desire to further every well directed effort of the United Protestant Evangelical Churches, your Committee is prepared to recommend that the Executive Commission authorize coöperation in certain features of the Interchurch World Movement, to wit: the Survey and the Publicity Campaign, conditioned however, upon the following provisos, which, in the interest of clarity and of Christian candor, it is deemed wise to state:

1. That a detailed budget of proposed expenses of the Interchurch World Movement for its survey and its publicity campaign be submitted to, and approved by, the Executive Commission of the Presbyterian Church in the U. S. A. It is but fair to state that the Executive Commission would not

feel warranted in approving a budget based on the present scale of expenditures by the Interchurch World Movement, in so far as the Commission has been able to learn what these are.

2. That the Interchurch World Movement effect such readjustments and reorganization as will articulate the Movement with the agencies of the Churches and provide for a wider representation of these agencies in the committees which control the policies of the Movement. Reports of actions of denominational bodies indicate that there is not yet among the Churches the support of the Movement which is essential to its success. This arises, we judge, from the fact that their official representatives have not been taken into counsel before policies were framed, and, therefore, Churches have not been advised as to just what is contemplated. Almost without exception, actions of denominational bodies have been hesitant and conditional. This situation can be remedied, we believe, only by frank conference with those under responsibility for speaking officially for the Churches, and by admitting them to the counsels of the Movement where its policies are made.

3. That the Interchurch World Movement place on its governing bodies as representatives of the Presbyterian Church in the U. S. A., only those persons duly appointed by the Executive Commission, and reported to the General Assembly.

Accordingly it is recommended:

1. That a Committee be created consisting of the Moderator, as Chairman of the Committee, the Secretary of the Executive Commission, as Secretary of the Committee, and the members of the Budget Committee of the Executive Commission; that to this Committee there be referred with power, (a) Approval of the budget of expense of the Interchurch World Movement in connection with the Survey and the Publicity Campaign; (b) Decision as to compliance by the Interchurch World Movement with the other conditions specified above; certification of the actions of the Committee to be made by its Chairman and Secretary to the Boards and Agencies of the Presbyterian Church in the U. S. A.

2. That the Boards and Agencies of the Presbyterian Church in the U. S. A. having received such official notice of the favorable action of the Committee in respect to the two matters committed to it, be authorized to coöperate, through the New Era Movement Committee, with the Interchurch World Movement, in respect to two features of the proposed program of the Interchurch World Movement, viz., "(a) A common survey of the home and foreign fields; (b) A united

propaganda to reach the whole Protestant Church of North America in educational and inspirational campaigns."

3. That in order to assist in defraying the administrative expenses in the Survey and the Publicity Campaigns, the New Era Movement Committee of the Presbyterian Church in the U. S. A. having received official notice required in Resolution 2, be authorized to give its endorsement in a sum, or sums, not to exceed a total of Two Hundred Thousand Dollars, ($200,000), to the obligations of the Interchurch World Movement incurred in connection with these two parts of its work.

4. That each of the Boards and Agencies of the Presbyterian Church in the U. S. A. be authorized to write, if necessary, an underlying endorsement of its pro-rata share of the total sum of $200,000 specified in Resolution 3, or any portion thereof, the share of each Board or Agency to be determined by its proportionate financial interest in the New Era Budget; provided, however, that if any Board or Agency fails to give its endorsement as herein authorized, such remaining part of the total sum of $200,000 or of any portion thereof, thus unprovided for, may be endorsed by those Boards or Agencies, or by any one of them, which may be willing to accept the added financial responsibility, allotment to be made equitably by the Committee of the New Era Movement.

5. That decisions on items (c) and (d) of section 3, Resolution 2, of the action of the General Assembly and on all other questions pertaining to the relations between the Presbyterian Church in the U. S. A. and the Interchurch World Movement, such as the time for making the financial canvass the size of the budget etc., be specifically reserved for such action by the Executive Commission as further consideration and the facts developed by the Survey may seem to warrant.

6. That until the meeting of the Executive Commission in February, 1920, when representatives of the Boards and Agencies of the Presbyterian Church in the U. S. A. can be provided, the persons connected with our Church who are now serving on Committees of the Interchurch World Movement, be appointed to act as official representatives of the Presbyterian Church in the U. S. A. when certification, as provided for above, shall have been made that the way is open for the coöperation authorized by this action of the Executive Commission, and that the Secretary of the Commission be authorized to notify the persons referred to above of their appointment.

7. That the New Era Committee be instructed to report to the Executive Commission any actions it may take under the authority of these resolutions.

Report of the Special Committee.

The Special Committee appointed under Resolution No. 1 of the preceding report proceeded with the work entrusted to it, and its Minutes are herewith made a part of the Commission's report as follows:

The Committee of the Executive Commission, established to carry out the Commission's inquiries in this matter, viz.; the Moderator, the Stated Clerk and the Budget Committee of the Commission, to which later were added the Rev. H. C. Swearingen, D.D., and Judge Allen B. Endicott, met as authorized, in New York City, October 9, 1919, at 7 P. M., with the official representatives of the Interchurch World Movement. The following persons were present for the Interchurch World Movement: Drs. Mott, Taylor, Cory, Foulkes, Millar, Mr. James M. Speers and others.

The following persons were present for the Executive Commission: Drs. Thompson and Webb, Judge Endicott and Dr. Roberts.

After full conference and debate the Committee expressed its belief that the Interchurch World Movement had taken all preliminary steps to meet the conditions as set out by the Executive Commission, in the following particulars:

1. A complete and comprehensive Budget up to January 1, 1920, was duly submitted at the conference.

2. The readjustment and reorganization of the Interchurch World Movement. The resolutions adopted at the Cleveland Conference September 26, 1919, cover the points at issue, and provide for the readjustment and reorganization of the Interchurch World Movement in order to articulate it with the Agencies of the Churches and to provide that it shall be a movement of Evangelical Churches.

The Committee, therefore, acting under the authority of the Executive Commission hereby determines that the General Committee of the Interchurch World Movement through its Executive Committee has indicated its acceptance of the conditions laid down by the General Assembly and the Executive Commission. This Committee therefore,

1. Approves the Budget of the Interchurch World Movement for the items of survey and publicity as authorized by the Executive Commission.

2. Interprets the resolutions transmitted to the Executive Commission from the Cleveland Conference of the Interchurch World Movement dated September 26, 1919, to mean, that the Committee of the said Interchurch World Movement has effected such readjustment and reorganization as will articulate the movement with the Agencies of the

Churches, and provide for a wider representation of these Agencies in the Committees which control the policies of the movement: and that the actions referred to above exclude from the Interchurch World Movement as an organic part of the movement all interdenominational and undenominational and other Agencies not recognized as official agencies of the Evangelical Churches or denominations.

A communication was duly addressed by the Secretary of the Executive Commission to the Executive Committee of the Interchurch World Movement requesting an explicit statement of said Executive Committee's understanding of the action taken by the Commission's Special Committee, and the following answer was received:

New York, N. Y., October 17, 1919.

My Dear Dr. Roberts:

The Executive Committee of the Interchurch World Movement held a meeting today at which were read your letter of October 14th and the report of the action taken by the Committee of the Executive Commission of the Presbyterian Church on the Interchurch World Movement. The Committee passed the following resolution:

"*Resolved*, That the Interchurch World Movement is gratified to receive this action, and that the Presbyterian interpretation is the complete statement of the position which the Interchurch World Movement itself occupies."

Our Committee is very clear that the interpretation of the Commission is in accordance with its own understanding of the entire matter.

Yours very truly,
W. B. MILLAR, *Secretary*.

Full information as to the action of the Executive Commission's Special Committee was sent to the New Era Committee, and to each of the Benevolent and Missionary Boards and Permanent Agencies under date of October 21, 1919.

Action, Meeting, February, 1920.

The subject of the Interchurch World Movement was again taken up by the Commission at Atlantic City, N. J., February 10–11, 1920, and after full conference with all parties interested the following action was taken:

The Executive Commission in session at Atlantic City, N. J., February 10–11th has given careful consideration to the situation confronting the Boards and Agencies of the Presbyterian Church in the U. S. A. and the Church itself in connection with the work of the New Era Movement and the Interchurch World Movement, particularly with reference

to the matter of further coöperation in the Interchurch World Movement in its financial campaign, in addition to the coöperation which has already been authorized by the Executive Commission under the action of the General Assembly in the matter of survey and publicity and the underwriting of the sum of $200,000 to apply upon the expenses of the Interchurch World Movement in the matter of surveys and publicity.

The Boards and Agencies of the General Assembly have presented their proposed budgets for the year 1920-21 through the Budget Committee, totaling the sum of $22,901,970.00, which includes the amounts required to meet the expanding needs of these agencies, including their equitable share of the unoccupied areas and unalloted types of work, as disclosed in the surveys made by the Interchurch World Movement.

Therefore the Executive Commission takes action as follows:

1. *Resolved,* That the Executive Commission authorizes the full and wholehearted coöperation of the agencies of the General Assembly under the terms outlined by the General Assembly itself, in the Interchurch World Movement in the matter of its financial campaign.

2. *Resolved,* That the total budget of the Agencies of the General Assembly of the Presbyterian Church in the U. S. A. for the year 1920-21 be fixed at $22,901,970.

3. *Resolved,* That the Budget Committee of the Executive Commission, Presbyterian Church in the U. S. A. approve a total Budget of $22,901,970 covering current expenses and building estimates as per attached schedule including $3,000,000 for endowment for the General Board of Education and the Board of Sustentation and Ministerial Relief as approved by General Assembly of 1919. Of this total budget $19,901,970 should be assigned to the Synods, Presbyteries and Churches. The remaining $3,000,000 should not be assigned to the individual Synods, Presbyteries and Churches but should be raised in the Presbyterian Church at large through individual givers. *Resolved, further,* that the total Budget of the Boards and Agencies of the Presbyterian Church, U. S. A., for the ensuing year be increased to $45,000,000 the sum of $22,098,030 to be incorporated in the nation wide community appeal of the Interchurch World Movement of North America, the sum total of this shall come to the Presbyterian Church, U. S. A. as far as secured. The basis for the apportionment of this amount among the Boards and Agencies of the Presbyterian Church, U. S. A. shall be determined as follows: for each the difference between its reduced budget and its advance budget including the Interchurch World Movement

allocations shall be computed. The distribution shall then be in the ratio of these respective amounts.

4. *Resolved*, That of the total budget of $45,000,000 the sum of $22,098,030 be certified to the Executive Committee of the Interchurch World Movement as that part of the budget of the Presbyterian Church in the U. S. A. to be secured through the united part of the united simultaneous campaign, that is, through the Presbyterian share of the undesignated gifts secured through a community appeal, the Agencies of the Presbyterian Church in the U. S. A. to share through the New Era Movement in such undesignated funds according to the amounts they receive in the simultaneous part of the campaign; it being understood that the first lien upon the undesignated funds shall be the payment of the entire expenses of the Interchurch World Movement until the end of the current year.

5. *Resolved*, That in order to provide for the expenses of securing pledges and collecting such funds both under resolutions 3 and 4 above, the Executive Committee of the New Era Movement of the Presbyterian Church in the U. S. A. be and hereby is authorized, under the powers given to the Executive Committee by the General Assembly and under the powers given to the Committee on the New Era Movement by the General Assembly to underwrite to the Interchurch World Movement of North America, incorporated, the sum of one million dollars as follows: The assignment and filing of the securities herein authorized shall be available as needed from time to time subject to the discretion of the Executive Committee of the New Era Movement; and that the Executive Committee of the New Era Movement of the Presbyterian Church in the U. S. A. be and hereby are authorized in the name of the General Assembly of the Presbyterian Church in the U. S. A. to sign and execute a contract or contracts under the general form of the foregoing resolution.

The total of not to exceed one million dollars will cover not only the expenses of the financial ingathering in behalf of the Boards and Agencies carried on by the New Era Movement, but also the full Presbyterian share in the Interchurch World Movement, including the $200,000 of credit already advanced by the authority of the Executive Commission. In other words, a sum of not to exceed one million dollars is to cover the total maximum cost of the financial ingathering of 1920-21, and our share of the expenses of the Interchurch World Movement.

6. *Resolved*, That before depositing with the Interchurch World Movement of North America the credit as provided

in Resolution No. 5 above, the Executive Committee of the New Era Movement of the Presbyterian Church in the U. S. A. shall receive in writing from the Executive Committee of the Interchurch World Movement of North America an agreement that of the money secured through such credit as provided in Resolution 5 above, such sums as may be necessary to carry on the part of the campaign outlined in Resolution No. 3 above, shall be paid to the Executive Committee of the New Era Movement in its discretion and upon its request.

7. *Resolved*, That the persons who are now serving upon the General and Executive Committees of the Interchurch World Movement from the Presbyterian Church U. S. A. be approved as official representatives until the time of the ensuing General Assembly. Their names are as follows:

John Willis Baer, LL.D., Mrs. F. S. Bennett, Rev. Drs. Arthur J. Brown, Wm. C. Covert, Wm. Hiram Foulkes, Edgar P. Hill, John A. Marquis, John T. Stone and Ernest F. Hall, Hon. Wm. J. Bryan, Dr. Robert E. Speer, Miss Margaret E. Hodge, Hon. Will H. Hays, Messrs. L. J. Colman, Dwight H. Day, Ralph W. Harbison, John B. Lennon, A. R. Nicol, Fleming H. Revell, James M. Speers, and J. Campbell White.

XXVI. Report of the Assembly's Committee for the Every Member Plan for the Year Ending March 31, 1920.

The Assembly's Committee for the Every Member Plan submits its Ninth Annual report to the General Assembly, through the Executive Commission.

In accordance with the arrangement approved by the General Assembly, this Committee has continued to coöperate with the New Era Movement in promoting Stewardship and the Every Member Plan through its representatives, Mr. David McConaughy and Rev. William S. Marquis, D.D., whose services are loaned for the time for this purpose.

Mobilization.—The Every Member organization of our churches has made marked progress during the past year. Not only have many more churches carried out the Every Member Financial Canvass, but still better, between one and two thousand churches have been organized on the Permanent Group Plan. This plan of organization puts every member and constituent of the Church into a neighborhood group, appoints a leader and assistant to look after the group and prepares these leaders to carry the whole program of the Church—oversight, evangelism, stewardship, missions, social service, Sabbath School and Young People's work—down to each group and every member in it. This per-

manent mobilization and training of the entire constituency of the Church for the realization of her program is of the utmost importance. If pastors will patiently perfect and use this Every Member Group Plan, they will not only relieve themselves of many burdens, but develop the members of the Church, increase its spiritual and financial fruitfulness and stop the lamentable exodus at the back door of the Church, commonly called "The Reserve Roll."

Stewardship.—Since getting Systematic Giving, by means of a weekly envelope offering based upon an annual personal canvass, generally established among the churches, this Committee has been turning chief attention to the promotion of proportionate giving and the practice of Stewardship in its wider applications in relation to the acquiring and using of money and other possessions. It was found necessary, first of all, to produce materials suitable for instruction in the principles and practice of Stewardship. Where previously scarcely any such material was available, now a fairly complete equipment is in use very widely throughout the Church. This includes, besides the text-book, "Money The Acid Test" (of which some 80,000 copies have been issued), Charts and "Suggestions for Leaders of Classes Studying the Text-book"; also a dialogue for use in Young People's Societies; a series of thirteen lessons, adapted to Adult and Intermediate Departments of the Sunday School, and four Platform Talks; as well as a variety of leaflets and pamphlets on different phases of the subject. All through the year the process of seed sowing has gone on steadily with the loyal coöperation of many pastors and church officers, by means of sermons, study classes, reading circles and other methods.

At length, an attempt was made to have the impressions thus made expressed through a Church-wide Stewardship Enrollment. This was first planned for the first Sunday in December, but when the Interchurch World Movement suggested a Sunday in February for a similar Enrollment interdenominationally, it was agreed to carry over until that time. Up to the time when this report is prepared, returns are still incomplete, but the number of those reported as having signed up to set apart a definite proportion of income for giving to extend the Kingdom of Christ is well over 12,000.

The effect of Stewardship cultivation is also seen in many notable increases in contributions traceable directly to conviction produced through Stewardship teaching. But this sort of result is quite secondary to the major purpose, kept constantly in view in the propagating of our Lord's doctrine of Stewardship, not as a scheme for raising money, but a school for *raising men.* Hence, the main emphasis is put

upon applying the fundamental Scriptural principles by dedicating the first fruits of one's possessions as a practical acknowledgment of God's ownership of the whole.

It is when such a test is applied that the sin of Covetousness is uncovered. There is encountered reluctance, if not actual resistance to such claim camouflaged oftentimes under pious phrases. This is the point to which this undertaking has now come. The best way to break through and capture this central citadel of selfishness is now to be found. This involves siege-work, characterized by persistence as well as patience.

Board Literature Distribution.—The duty of serving as a clearing house for the orders of the Churches for literature from the Boards, which has been discharged by this Committee hitherto, is now transferred to the Boards and Agencies Department of the New Era Movement.

The Committee continues to fulfill the function of planning for the Exhibit at the General Assembly, unifying the plans for the Pre-Assembly Conferences, preparing the dockets for the Official Conferences of the Boards and other Agencies of the General Assembly with the Executive Commission.

The expenses of this work are provided for out of the profits of the Hubbard Memorial Press, as shown in the appended statements.

The output of the Press, at Auburn, N. Y., showed better results than ever, despite extraordinary difficulties encountered. The net gain in number of sets of church offering envelopes produced was 38,400; more envelopes in Italian were produced and fewer in German.

Recommendations.

1. That the Church heartily approves the effective measures put forth by the Assembly's Committee for the Every Member Plan, in coöperation with the New Era Movement, to promote the exercise of the Grace of Giving, both Systematically and Proportionately.

2. That the Churches which have not yet adopted the *Permanent Every Member Group Plan* be urged to do so without longer delay, assigning all members and adherents to neighborhood groups, with duly appointed leaders, so that the whole program, educational, spiritual and financial, may reach and enlist every member.

3. That Stewardship as taught by our Lord—including within its scope not only Giving but also Spending and Saving and Acquiring of money and indeed the entire life—be

presented with fresh and constant emphasis, calling upon everyone to make practical acknowledgment of God's rights in all possessions by the dedication of the first-fruits—a definite proportion of the net income—to be given for extending the Kingdom of Heaven upon earth.

4. That Sunday, February 20, 1921 be observed as Stewardship Enrollment Day, after a period of cumulative preparation, to commence with the National Thrift Week, in January.

XXVII. Conferences with the Boards.

These official conferences were established by the General Assembly of 1911 (see *Minutes*, p. 178), and the General Assembly of 1916 approved the following action as to the details of its composition:

"There shall be an official conference of representatives of the Boards and the Executive Commission, which shall meet at least once a year, and at such other times as the Executive Commission may order. Said official conference shall be composed of representatives from each of the Boards, to be elected by the respective Boards, who shall constitute one party. The Executive Commission shall select, through its Budget Committee or other Committees, representatives who shall constitute the other party. In deliberation, the voting shall be by the representatives present; but when called for, the Boards shall vote as units and the Commission as a unit, or the Boards and the Commission shall vote and agree or disagree as the two parties."

Three Conferences were held during the fiscal year ending March 31, 1920. The first at St. Louis, Mo., May 14, 1919, the second at Atlantic City, N. J., September 24, 1919, and the third at the latter place February 10, 1920. Each of the Boards was represented by one or more persons, and the Executive Commission was represented by the Budget Committee and two other members at its meetings. All matters agreed to at the Conference were reported to the Executive Commission for approval. They were chiefly the Budget of the Boards, of the New Era, and of the Interchurch World Movement.

These Conferences will be held as customary the present fiscal year, the first at Philadelphia, Pa., May 18, 1920.

Respectfully submitted for the Commission,
John Willis Baer, *Chairman and Moderator.*

The following additional Report was submitted by the Executive Commission, and adopted:

The Executive Commission recommends the adoption of the following Resolutions:

Resolved, That a Committee of ten persons, five ministers and five laymen, be appointed, who shall be charged with the duty of considering the re-organization and consolidation of the Boards and Agencies and of reporting on the matter to the General Assembly of 1921, and that the necessary expenses for such study and report be authorized and paid upon presentation of properly certified accounts.

Resolved, That in order to correct, so far as possible, the error in omitting Lincoln University from the Budget under the title of Theological Seminaries, Lincoln University be allowed to receive through the New Era, designated gifts; to appeal for New Era gifts and that gifts to the Lincoln University be permitted in the New Era quotas; and further that it be not permitted to participate in the percentage distribution of undesignated gifts.

The following resolution was presented and adopted:

Resolved, That this Assembly directs all its Boards and Agencies to credit all contributions received on or before midnight of April 10th in their respective Annual Reports. *Provided*, That all contributions received for credit after March 31st of each year are accompanied by official statement that the contribution belongs to the year ending March 31st preceding.

The Records of the following Synods were approved without exception: Alabama, Arizona, Arkansas, Atlantic, Baltimore, California, Canadian, Catawba, Colorado, East Tennessee, Idaho, Illinois, Indiana, Iowa, Kansas, Kentucky, Michigan, Minnesota, Mississippi, Missouri, Montana, Nebraska, New England, New Jersey, New Mexico, New York, North Dakota, Ohio, Oklahoma, Oregon, Pennsylvania, South Dakota, Tennessee, Texas, Utah, Washington, West, German, West Virginia, Wisconsin, and Wyoming.

The following Resolutions were adopted:

That to the list of the General Assembly's Standing Committees there shall be added one, as No. 19, on Synodical Records, to which shall be referred all Minutes of Synods for examination, this method of caring for the records of Synods to supplant the one now in vogue.

That, in the preparation of the Manual for the next Assembly the Stated Clerk is hereby authorized to make such revision thereof as he may deem proper in order best to serve the purpose of its publication.

Statements having been made as to the inadequacy of the hotel accommodations at Winona Lake, Ind., the question

of the place of the next meeting was referred to the Moderator and Stated Clerk, with power.

The Stated Clerk was directed to send the *Minutes* to all Foreign Missionary Stations.

The Necrological Report was read, and while standing the Assembly was led in prayer by the Rev. David S. Kennedy, D.D.

The following resolution was adopted:

Resolved, That the Commissioners who cannot reach their homes without traveling on Sunday be granted an additional allowance of $3.50 per diem, the amounts to be paid by the Stated Clerk and Treasurer.

The Standing Committee on Leave of Absence presented its Report through its Chairman, Rev. David H. Templeton, which was accepted and is as follows:

The Committee on Leave of Absence respectfully reports that by the authority of the Assembly it granted leave of absence to the Commissioners named below.

The roll of the Standing Committees was called and they, having reported the completion of their work, and that papers referred to them had been returned, were discharged.

The roll call in view of the unusual number of Commissioners present at this closing session, was dispensed with, by vote of the Assembly.

The reading of the *Minutes* was dispensed with by vote of the Assembly, and the records of the day's session were referred to the Permanent and Stated Clerks with power.

The Committee on Resolutions of Thanks, through its Chairman, Rev. Alfred H. Barr, D.D., presented the following Report which was adopted:

The one hundred and thirty-second General Assembly,

meeting again in this city of great Presbyterian traditions, desires to express its gratitude for all that has contributed to the pleasure, profit, comfort and spiritual well being of those who have attended its sessions.

1. We believe that the Divine blessing and guidance so earnestly sought have pervaded our meetings during the pre-Assembly Conferences and from the opening hour, the solemn sacramental season of the Assembly itself down to these closing moments. We record therefore, first of all our glad and joyous recognition of the presence and infinite goodness of Almighty God, the Father of our Lord and Saviour, Jesus Christ.

2. By an almost unprecedented act of unanimity, our Moderator was placed in his honorable and responsible position. He has met our every expectation. Because of the shrewd humour of his interrogations and comments, his generous, patient and candid spirit, his manifest concern that men should fully understand the questions they were debating or deciding, controversial attitudes have yielded to an irenic spirit, and as a result, we believe that this Assembly will stand high as a deliberative body of wisdom, force and high purpose.

To our Vice Moderator also, we express our appreciation of the honorable share taken by him in directing our course whenever occasion arose.

3. To our beloved Stated Clerk, whose occasional presence evoked an unfailing outpouring of respectful and tender affection; to his chosen official representative the Rev. H. B. Master, D.D., to the Rev. Edward L. Warren, D.D., Permanent Clerk, and to the Rev. James M. Hubbert, D.D., and to all the officers of the Assembly and their Assistants, we express our gratitude.

4. To the Rev. Alexander MacColl, D.D., pastor of the Second Presbyterian Church, which invited the Assembly to Philadelphia, and to all the ministers and laymen associated with him as chairmen or members of the various committees, and to the Presbyterian people of Philadelphia in general, we desire to say that the personal, particular, and untiring solicitude for our every comfort and need, which they have shown, merits and receives from us far more than a perfunctory vote of thanks. They have not spared themselves in any way. They have been accessible at all times. Their wisdom, far-sightedness, and devotion more than convince us that the leadership which the Presbyterian Church of Philadelphia now enjoys is second to none in the past.

5. Innumerable hospitalities and courtesies have been shown us. The Governor of Pennsylvania and the Mayor

of Philadelphia brought to us their personal greetings. A reception was given by the Presbyterian Social Union to the Moderator and Officers of the Assembly in this historic building where our meetings have been held. A thousand of our commissioners and their friends enjoyed a delightful excursion to Atlantic City generously arranged by the Hon. John Wanamaker and two of his friends as a tribute of the citizens of Philadelphia to the visiting delegates of the General Assembly. The piers were thrown open and a reception was given at the Hotel Chalfonte by the citizens of Atlantic City. At the invitation of the Valley Forge Historical Association, the Sight-Seeing Committee arranged a most profitable visit to that historic shrine. A luncheon was tendered the clerical members of the Assembly by the Officers of the Deaconess Home of the Presbyterian and Reformed Churches.

6. We feel called upon to make special mention of the Semi-Centennial Celebration of the Reunion of 1870 and to thank the speakers on that occasion and the ministers and officers of the Mother Church of the Presbyterian Communion in America, where we met, and where thirty-eight of the one hundred and thirty-two General Assemblies have convened.

7. The Assembly shares in the gratitude of the Woman's Board of Home Missions for the advances reported at their Biennial Meeting and in the gratitude of the Women's Boards of Foreign Missions for the completion of fifty years of work crowned by the consolidation of the various boards into one great Woman's Board of Foreign Missions.

8. We are under great obligations to the Board of Publication and Sabbath School work for placing at our disposal the Witherspoon Building and for providing a special selection of hymns; to the Presbyterian Historical Society for its welcome to its rooms, and for many other courtesies; to the ministers and the officers of the Chambers-Wylie Church for the free and constant use of their buildings by the Assembly, and to the Presbyterian Hospital for making careful provision for the care of any cases of illness.

9. We desire also to express our thanks for the spirit of cordial coöperation shown us by the officers and attendants of the Academy of Music and for the special courtesies extended us by the Department of Public Safety, by the Pennsylvania Railroad, the Bell Telephone Company and the Postoffice Department.

10. In the matter of publicity the local committees records its gratitude for the helpful service of Mr. James B. Wootan of the *New Era Magazine*, and for the coöperation of Mr. G. B. St. John of the New Era Movement in the arrangement of the notably complete exhibit.

11. The General Assembly expresses its appreciation of the service of the Press, for the faithful and extensive reports it has given from day to day of the proceedings of the General Assembly. The newspapers of Philadelphia as well as the New York *Times*, The Boston *Transcript*, The New York *Evening Sun*, The Newark *News*, The Detroit *News* and the Baltimore *Sun* have been ably represented in person at every session, and all the reporters manifestly have made a special effort to get all the important facts and present them fairly and fully to the readers of their newspapers.

The General Assembly takes this occasion to record its appreciation of the way the great press associations and the newspapers of the country in general, during the last year, have given space to publicity matter relating to the interests and activities of the Presbyterian Church.

And now as we separate, going hence to our various posts of duty, we depart with humble and grateful hearts, and with confidence and good cheer for the future. "Thanks be to God Which giveth us the victory through our Lord Jesus Christ. Therefore my beloved brethren, be ye steadfast, unmovable, always abounding in the work of the Lord, forasmuch as ye know that your labor is not in vain in the Lord."

Respectfully submitted,
ALFRED H. BARR, *Chairman.*

A response to the resolutions of thanks was made by the Chairman of the Local Committee of Arrangements, Rev. Alexander MacColl, D.D., who paid tribute to the Chairmen of the Sub-Committees of the Local Committee of Arrangements.

The business of the Assembly having been completed and a vote having been taken for its dissolution, the Moderator dissolved the Assembly, saying, "By virtue of the authority delegated to me by the Church, let this Assembly be dissolved and I do hereby dissolve it, and require another General Assembly chosen in like manner, to meet at Winona Lake, Ind., on the third Thursday of May, 1921."

The Sessions were closed with prayer, singing and the Apostolic Benediction.

EDWARD L. WARREN, *Permanent Clerk.*
WILLIAM H. ROBERTS, *Stated Clerk.*

APPENDIX.

I. Narrative, Necrology, Correspondence, etc.

I. REPORT OF THE STANDING COMMITTEE ON THE NARRATIVE OF CHRISTIAN LIFE AND WORK.

[For this Report see p. 191.]

II. REPORT OF THE SPECIAL COMMITTEE ON CHRISTIAN LIFE AND WORK.

The Committee on Christian Life and Work respectfully submits to the General Assembly its Fourteenth Annual Report. The order of presentation of subjects is the following:

I. Purposes.
II. Meetings.
III. Members.
IV. Synodical Narratives.
V. Statistics—Ministers and Churches.
VI. Overtures Referred.
VII. Religious Training in the Home.
VIII. Suspended Members.
IX. The Need of Ministers.
X. Resolutions.

I. PURPOSES.—In order to make clear the purposes of the Committee, the action of the General Assembly, constituting the Committee and indicating its sphere of work, is again quoted in full:

"That a Special Committee on Christian Life and Work is hereby appointed, to consist of eleven members, of whom two shall be the Moderator, for the time being, and the Stated Clerk; the other nine members to be appointed by the Moderator. Of the nine members to be appointed, one-third shall be changed each year. The duties of the Committees shall be to consider and report upon the Narrative of Christian Life and Work from the Presbyteries, annually prepared for the Assembly, and also to report, from their own knowledge, upon any related matters connected with the general spiritual condition of the Church. The Stated Clerk of the Assembly shall be the Secretary." (*Minutes*, 1906, p. 222.)

II. MEETINGS.—The Committee held, during the year, two meetings, at Philadelphia, Pa., on April 9, 1920 and April 16, 1920.

III. MEMBERS.—The membership of the Committee is composed of three classes, each serving three years. The class whose term of service expires this year is composed of Rev. Matthew J. Hyndman, D.D., Rev. Alfred H. Barr, D.D., and Mr. James Yereance. It is recommended that the successors of these members be appointed by the Moderator. It is to be noted also that the Chairman of the Committee is always the Moderator of the General Assembly, for the time being; and the Secretary is the Stated Clerk.

IV. SYNODICAL NARRATIVES.—The Synods hold a highly responsible place in the administration of Church affairs, as is shown by the provision found in

Chapter XI, Section 4, of the Form of Government, where it is said that the Synod has power, "finally, to propose to the General Assembly, for its adoption, such measures as may be of common advantage to the whole Church."

With a view to utilizing, in part, this constitutional power, the General Assembly, now for three years in succession, has made the Stated Clerks of Synods advisory members of the Committee on Christian Life and Work; has requested each of the Synods to appoint a Standing Committee on Narrative, and to place the Report of this Committee on the Docket at a morning session, to be accompanied with exercises of praise and prayer. It is felt that each of the Synods should in some manner provide for this Report, and regret is expressed that some of them have not as yet complied with the recommendations of the Assembly. Further, we note that the following Synods have made no report upon the Narrative of Christian Life and Work in their Synodical Minutes: Alabama, Arizona, Atlantic, California, Canadian, Catawba, Kansas, New Mexico, New York, Tennessee, Texas, Utah, West, German and Wyoming.

The Synodical Reports, either in printed or manuscript form, as received by the Committee, are presented below in the form of abstracts, and, in so far as practicable, under the main heads given in the Annual Congregational Narrative of Christian Life and Work. These are as follows:

1. Church Membership and Services,
2. Religious Education and Young People's Work,
3. Evangelism,
4. The Community,
5. Missions and Benevolence,
6. Finance,
7. The Nation.

1. Alabama.—(No report in Synod Minutes).

2. Arizona.—(No report in Synod Minutes).

3. Arkansas.—In the Synodical Narrative, which contains only four brief paragraphs, it is stated that no Presbyterial Narratives had been received from which to frame such a report as is contemplated in the Assembly's blank. The net total of communicants in the Synod is 5,746, a decrease of 270 during the year. The Sabbath School membership is 5,814, an increase of 386. With a single exception, there has been a gain in the contributions made to all the Boards, and for local congregational expenses.

4. Atlantic.—(No report in Synod Minutes).

5. Baltimore.—(1) *Church Membership and Services:* During the past year our churches have added to their roll 1,202 on confession; 906 on certificate and 65 by restoration. The losses were 578 by death; 715 by dismission and 84 by suspension, leaving a net gain of 453, and making the membership in the Synod 35,531. Our success in winning men to Jesus Christ has not been great enough to produce a thrill of enthusiasm, but we dare not turn aside from our general business, viz., prayer and the ministry of the Word. Most of our churches have two services on the Lord's Day, and report morning services well attended, but the evening attendance is only fair. 60 per cent. of the membership of our churches are present at communion services which are held quarterly in most of the churches. The Mid-week prayer meeting has been omitted in 56 churches and 107 have an average attendance of 15 per cent. Some form of Bible reading seems to be the prominent feature in most of the successful prayer meetings. The Church can no longer afford to neglect a careful inquiry into the pathologic condition of this arm of our public worship. Does not the prayer meeting need readjustment to modern conditions?

(2) *Religious Education and Young People's Work:* The important questions touching religious training of children, their presentation for baptism, and the requirement of Chapter 10, Section 1 of the Directory of Worship are answered simply "yes." Concerning family worship and religious training in the home, pastors seem still awake to the importance of these fundamental duties. The methods used to arouse interest are briefly, visits for counsel, sermons, and the New Era Movement.

151 Sunday Schools, with a total membership of 25,426 are reported, a loss from last year of 815. Washington Presbytery has gained 179. Two-thirds of the schools are graded, 3,200 men are in Bible classes, 90 per cent. of whom attend church service. 75 schools have home departments. The total en-

rollments are 3,500. One-third of the schools observe Decision Day, 24 have training classes and Teachers' meetings of some kind are held in most schools. The report shows 118 societies of young people, 75 being Senior, 22 Intermediate, and 21 Junior, they have some 30 study classes, 5 in Social Service, and 4 in personal work, 33 Junior Mission Bands, and 25 Westminster Guilds are also reported, besides these, there are Scout Bands, and various other clubs.

(3) *Evangelism:* On account of influenza, only 19 churches held evangelistic services last year, the services averaging 10 per church. About 35 churches have classes for instruction preparatory to communion.

(4) *The Community:* 38 churches have made special efforts to interest our people in neighborhood problems, 5 making a systematic study of nationalities, 8 of social conditions, 3 of sanitary conditions and 15 of religious conditions, 10 societies with a membership of 616 persons taking part in this work. 53 churches gave support to the Y. M. C. A.; 43 to the Y. W. C. A.; 51 to local Temperance Work; 20 to Settlement Work; 12 to playgrounds; 12 to Rural Community Organizations, and 10 to Vacation Bible Schools.

(5) *Missions and Benevolence:* Out of 163 churches 110 contributed to all the Boards. A majority of our churches claim to be using the Every Member Plan, and assert that the canvass is made by personal visitation.

(6) *Finance:* The local churches' expenses are fully and promptly met and all funds for benevolence are kept distinct from its church support, and are administered by the Session. The New Era Movement seems not to have been adopted with enthusiasm, though many churches have entered it to some extent. The Presbytery of New Castle seems to have profited most by it. The response to inquiry concernlng this work seems to agree in one particular that the Movement had precipitated on the churches a bulky scheme of indefinite aid, that confuses somewhat the people. If mistakes have been made it were but human, and there is no just reason for not securing something definite for ourselves out of the whole scheme. 1,860 of our men were in the service of the United States Army, during the war; 396 in the Navy; 23 with the Y. M. C. A.; 3 with the Y. W. C. A., and 140 in the Red Cross Work; 5 were Chaplains; 3 Camp Pastors, and 257 are classed as other officers, the total reported being 2,905.

(7) *The Nation:* In response to the last question, touching the influence of war on the spiritual condition of the Church. The response indicated that at the beginning we heard exclamations from the doubtful and unbelieving that Christianity had been a failure, and a few good people became excited and ran out with their little swords to defend the mighty God and His Church, but their excitement was of short duration, for in a few hours, the world was begging the Churches for light; for sympathy, for money and for men. Not a stone of the Church's foundation however has been moved. Let the nations rage, but "He that sitteth in the Heavens will laugh. The Lord will have them in derision."

6. California.—(No report in Synod Minutes).

7. Canadian.—(No report in Synod Minutes).

8. Catawba.—(No report in Synod Minutes).

9. Colorado.—(1) *Church Membership and Services:* Added on examination, 1,041; by certificate, 1,034. The attendance at the Sunday evening preaching service is at a low ebb. Some churches have no mid-week prayer meeting and where this service is maintained the attendance is very small, being about one in ten of the membership. Most of the churches have four communion services during the year, and the attendance is 75 per cent. of the membership.

(2) *Religious Education and Young People's Work:* There is a gratifying fidelity on the part of parents in presenting their children for baptism and in making clear the relationship of baptized children to the Church. The Catechism seems to have dropped almost entirely out of use in the Sabbath schools, as only 8 schools teach the Shorter Catechism and 3 the Intermediate. 80 schools are graded wholly or in part. There are 237 organized Bible Classes

reported. It is an exceptional thing for a school to have a practical up-to-date library, but the literature of the Publication Board is used in all the schools. There are 133 Sabbath schools reported with a membership of 16,707.

(3) *Evangelism:* Only a few churches held evangelistic meetings, but where such services were conducted the results were good, in the way of accessions and a spiritual quickening of the membership.

(4) *The Community:* The only forms of Community work reported were those carried on in behalf of the Red Cross, and the Y. M. C. A. But few of the churches are studying Community needs.

(5) *Missions and Benevolences:* Full opportunity has been given for making offerings to all the Boards, and the contributions for the various benevolences have been from 20 to 30 per cent. more than during last year. The Every Member Plan is generally in practice throughout the churches of the Synod. The New Era Movement is most encouraging.

(6) *Finance:* The churches are prompt in meeting their financial obligations.

10. East Tennessee.—*Membership and Service:* The total membership is 2,031. Added on examination, 101 and by letter, 20.

(2) *Religious Education:* Religious education has been fostered by means of Sabbath schools, Young People's Societies and Teacher Training Classes. All of these are doing good work.

(3) *Benevolence and Missions:* The churches generally have adopted the Every Member Plan and make an annual contribution to all the Boards.

11. Idaho.—(1) *Membership:* Total membership, 4,619—a loss of 180 during the past year. Additions on examination, 110; on certificate, 165.

(2) *Sabbath Schools:* Total membership, 4,225—a loss of 695 for the last twelve months.

12. Illinois.—(1) *Church Membership and Services:* Total membership 109,719. Additions on examination, 4,435; by letter, 3,468. There has been a net loss of 1,971 members for the past year.

(2) *Religious Education and Young People's Work:* The increasing activity of committees in charge of this work, the interest in workers' conferences, and the considerable number of training classes, all indicate a growing appreciation of the importance of preparation for the task of religious education. The Sabbath school membership has been steadily declining for several years. Reports on Young People's Societies indicate much uncertainty as to whether the Church as a whole is in favor of these organizations. There is at least much indifference.

(3) *Evangelism:* There has been a notable lack of special evangelistic effort in the Synod during the year. But in churches where such services have been held the results have been gratifying, even where conditions were unfavorable.

(5) *Missions and Benevolences:* There has been a decline in contributions for general Church benevolences, but all reports indicate that there was a most creditable response to calls made for war giving and war work.

(6) *Finance:* Contributions of churches for their own support amounted to less than during last year.

(7) *The Nation:* The war has to some extent temporarily turned the energies of the Church aside from its particular mission, but it has been helpful in revealing the important place occupied by the Church, in the life of the Nation, it has also awakened the Church to the imperative need of a more comprehensive policy looking to the evangelization of the world.

13. Indiana.—(1) *Church Membership and Services:* Total membership 55,699, a net decrease of 1,112. There were 70 churches vacant all or part of the year; half of these were supplied, and 18 closed. Prayer meeting attendance, 8 per cent. of the membership.

(2) *Religious Education and Young People's Work:* About 5 per cent. of the churches have classes in instruction preparatory to communion. There are 25 graded Sabbath schools, and 44 have Teachers' Meetings. There are 1,400 men enrolled in Adult Classes. The 220 Sabbath schools in the Synod have lost 1,000 members. Only 38 churches report Senior Young People's Societies, and 28 report Junior and Intermediate; their general condition is "poor," as only 5 have mission study classes and 3 are organized for personal work.

(3) *Evangelism:* Only 19 churches have held special services, resulting in 125 accessions; 3 churches report new life and interest.
(4) *The Community:* Much has been done for the Army and Navy, through the Y. M. C. A., Y. W. C. A., and the Red Cross.
(5) *Missions and Benevolences:* 28 of the 342 churches have carried out the Every Member Plan for church support and benevolences, and with marked gratifying results in achieving large success.
(6) *Finance:* With a few exceptions, local expenses are promptly met, and a goodly number of churches have advanced their pastors' salaries to meet the high cost of living.
(7) *The Nation:* The spirit of loyalty prevalent in the churches is shown by the following figures: 1,821 went into the Army, 119 into the Navy, 29 into the Y. M. C. A. Work, 56 into Red Cross labors, 5 into Y. W. C. A. service, 4 became chaplains, 1 camp pastor, and 85 other officers.

14. I o w a.—(1) *Church Membership and Services:* Total membership reported, 55,699. Added on examination, 1,705; by certificate, 1,668. The attendance upon preaching services is but fair. A number of churches have been without pastors, but few have been closed. The majority of churches maintain a prayer meeting, but the attendance is discouragingly small.
(2) *Religious Education and Young People's Work:* Presbyteries do not closely supervise the educational work of the churches, but the religious training of children is kept prominently before congregations in the course of pastoral preaching. A few churches have committees that are seriously striving to promote family worship and there is occasional preaching on the subject, but not much seems to be accomplished. Parents are faithful in presenting their children for baptism, and in most churches there are efforts to make clear the baptized child's relation to the church. Decision Day is fairly well observed, but is not the rule by any means. Classes for instruction before communion are rare. Most of the churches have Sabbath schools and a few have branch or mission schools. But few schools are teaching either the Shorter or Intermediate Catechism. There are only a few training classes. Not many schools are completely graded, but practically all are graded in one or more departments. Teachers' meetings of some description are generally held, but without uniformity as to their character or time of holding them. The publications of our own Board are found in most of the schools. A goodly number of organized Bible classes are found in the senior and adult departments, but few are found among the younger pupils. The library for general reading is not often seen now, and in its place are springing up select libraries for teachers, mission classes and social workers. Total Sabbath school membership is 45,407, a net decrease of 3,602. During the last year about half the churches have Young People's Societies,but few are in a prosperous condition. Junior and Intermediate are reported as doing the best work. Very little is done in the way of training for Christian service.
(3) *Evangelism:* Special evangelistic meetings seem almost to be a thing of the past. The highest effectiveness has been attained through earnest evangelistic preaching by the pastors themselves, followed by personal work.
(4) *The Community:* Some of the churches have interested themselves in neighborhood problems, while there has been general coöperation with the Y. M. C. A., Y. W. C. A., temperance organizations, vacation Bible schools, Play Ground Associations, and Settlements.
(5) *Missions and Benevolence:* Sessions give congregations full opportunity to contribute to every Board. A large number of the congregations entered into the New Era Movement, but with varied success. In the light of what the Movement is reported as achieving, there is reason to thank God, and take courage.
(6) *Finance:* For the most part the churches meet their obligations promptly. The benevolences administered by the Sessions, and the amount raised is most gratifying.
(7) *The Nation:* While some think otherwise, the majority believe the war had a beneficial effect on the churches.

15. K a n s a s.—(No report in Synod Minutes).

16. K e n t u c k y.—(1) *Church Membership and Services:* Added on examination, 380; by certificate, 428.

(2) *Religious Education and Young People's Work:* Reported Sabbath school membership, 10,644.

(5) *Missions and Benevolence:* Contributions for general benevolences have been about the same as last year.

(6) *Finance:* There has been an increase in contributions for local congregational expenses, with an advance in the amount of salary paid to ministers. We call attention to Princeton Presbytery whose report shows not a blank opposite any column for offering to the benevolent agencies of the church.

17. Michigan.—The matter contained in the Synodical Narrative is not of such a character that it can be presented in the form required by the Assembly's blank. The general statement is made that, notwithstanding a heavy decrease in membership "There is a spirit of earnestness and consecration and prayer, that marks an advance over past years, and gives promise of larger harvest in years to come."

18. Minnesota.—(1) *Church Membership and Services:* It has been a hard year along most lines of activities. Church work has been no exception. A decline was inevitable. Many of our ministers went to the war and many more of our laymen. As far as reports were secured our Synod furnished 2,028 for the Army, 341 for the Navy, 52 for the Y. M. C. A., 7 for the Y. W. C. A., 59 for the Red Cross, 5 Chaplains, 2 Camp Pastors, 176 other officers. Total in the service, 3,290. The young men going to war left our Sunday schools and young people's societies small. There were fewer to hear, to give, and to do. Our women were busy with the Red Cross work, and consequently did not have as much time for church work. Fabulous sums of money were raised for the war and war work. This naturally affected the treasury of the church. And then came the "flu." The war took many, but the "flu" took more. The death rate increased almost 25 per cent. Of those left, many were sick and weak and unfit for good service. And those able to work were so busy caring for the dying that they had little time for rescuing the perishing. From the *Minutes* it appears that the increase in membership has been decreasing in the past four years. But this last year we have failed to even hold our own in numbers. While many have been dismissed and many have died, nearly 70,000 have been placed on the Suspended Roll. What shall we say when the great Shepherd of the sheep asks us where these are? There are now 33,070 members enrolled, a gain of 3 over last year.

(2) *Religious Education and Young People's Work:* The stars on the service flags of our churches tell that our people gave their sons for the service of their country in the hour of her need—gave as many as she needed, but, if the list of candidates for the ministry tell the truth, these same people are less willing to give their sons for the service of their church in her time of need and for the Head of the church when the call for men is so loud and so persistent. While our Lord still calls Whom shall I send and who will go for us? we seem scarcely to hear him for the babel of tongues in argument over trifles and the din of battle.

(3) *Evangelism:* Evangelistic meetings become practically impossible. Few are reported. The most conspicuous were at Willmar and Duluth. The lack of prayer is evidenced by the small number of people that attend the weekly prayer meeting and the small number of homes in which there is now maintained the family altar where the children hear God's Word read and where they not only hear prayer offered for them in a different way from what it is at church but where they themselves learn to pray. And we ourselves by so much as we neglect the Bible and prayer, do we lose power as winners of souls.

(4) *Community:* Little has been done to solve the problems of neighborhoods or the social condition of our foreign population or indeed of their religious needs.

(5) *Missions and Benevolence:* The gifts to the Boards show an increase due no doubt to the Every Member canvass now quite generally employed, and to the New Era Movement.

19. Mississippi.—(1) *Church Membership and Services:* The membership is more loyal and interested in the support of the Church and its Agencies The ingathering is less than last year. The churches are kept supplied with pastors, generally.

(2) *Religious Education and Young People's Work:* Most of the churches have Sabbath schools and the membership remains about as last year. Religious

training in the home is being presented by pastors and considered. There are few Young People's Societies except those under the supervision of the Woman's Societies.

(3) *Evangelism:* The annual summer revival is generally kept up in all the churches, but personal evangelism is not very much in vogue. Pastors are assisted by other pastors in the summer revivals generally.

(5) *Missions and Benevolence:* Churches are studying missions more and societies are more active. The Benevolences are more liberally supported, and more regularly presented.

(6) Finances of the churches are being placed on a business plan and pastors are better supported, with more liberal contributions to the Church Agencies. The New Era Movement and the faithful assistance of the Synodical Superintendent has done much in bettering our finances.

20. Missouri.—Reports were received from only 6 out of the 10 Presbyteries of the Synod. Instead of being a unified statement, such as is called for by the Assembly's blank, the Synodical Narrative consists of a presentation of the scattered and undigested facts of these 6 presbyterial reports. On the basis of this incomplete survey, the following general statements may be made: There has been a goodly number of accessions, on examination and by certificate. Two preaching services are usually held on the Lord's Day, with an attendance varying very greatly in different communities, but a few churches have been without pastors. It is the prevailing custom to have quarterly communion service. Probably not more than half the churches have prayer-meetings, at which the attendance is light. Sessions are not generally diligent in the matter of giving information concerning removing church members. Committees supervising educational work are not much in evidence. There is nothing very encouraging in the exhibit made as to the religious training of children or the presence of the family altar, though many parents are faithful in presenting their children for baptism. A fair showing is made in relation to Sabbath schools and Young People's Work. There have been evangelistic services in numerous churches, and with somewhat gratifying results. There is nothing especially noteworthy in the way of Community work. The situation is rather cheering as to offerings for the Boards, also as to the finances, as handled in local matters. The New Era Movement has favorable mention in some of the Presbyteries and congregations.

21. Montana.—(1) *Membership and Service:* There are several ways in which this report might be presented to the Synod. One way would be the bare recital of statistics as they come to us in the Presbyterial reports. This way your committee lays aside, as feeling that in so great a time as this, any committee with so significant a title as that on Christian Life and Work, may not conscientiously limit itself to indigestible statistics. Your Committee acknowledges with gratitude the guidance of God's Spirit in the days which this report covers. Perhaps never before has the Synod of Montana had to cope with so many discouragements as in the past year. And if this report reveals great needs and great shortcomings it is mainly because we are dealing with new conditions, new maps, new politics, new society and new opportunities.

(2) *Religious Education and Young People's Work:* No Committee within the memory of your Chairman has been able to enthuse over a report on the family altar. And beyond his memory, the Assembly of 1906 had its attention called to the decadence of family worship. So it is no new thing to report the same conclusion. But our altered commercial and school life has had much to do with this lapse. Would it not be better for us to find some way to keep alive the family spirit of devotion without calling it by this insufficient name? We would call attention to some of the manuals of daily prayer that are to be had. The pastor may introduce them into the homes and meet with encouraging results. Better a brief season of prepared worship than a Godless beginning of each day. Your Committee would call attention to the almost unanimous opinion expressed in the reports from Presbyteries as to the low ebb of spirituality. We are facing the greatest alignment of evil the world has ever seen. Our young people are just as fine as young people ever were but one shudders to think of the gauntlet of evil devices they must run. It is not a wonder that so many go astray, but that any fail to do so. Is it enough for us to condemn these things without lifting a hand to stay the perils that they bring? We

feel that our duty as Christian ministers demands the throwing off in one courageous move of precedents, and daringly stepping into the midst of these evils to stem the tide by braving criticism and misunderstanding, and meeting the situation.

(3) *Evangelism:* Your Committee therefore believes that if every church in the state were to undertake a campaign for members, in which both ministers and laity would participate, we could gain enough to increase by 50 per cent. the membership of the Synod. Our suspended roll is a rebuke. There are far too many unsheltered ones. There are far too many residents in every locality who are members of other churches but are not brought into fellowship with that locality's church. Our purpose is evangelization, which means conversion to Christ. And where churches show only one or two new members added during the whole year, there is an indication of collapse somewhere.

(4) *Community:* Your Committee is of the opinion that the Synod of Montana together with every Synod of the Church, should have a Committee on Social Problems, whose scope would include the pressing questions of wages, the cost of living, profit-sharing municipal amusements, vice, etc. and whose duty it would be to throw the light of Christ on these problems. Let this Committee have publicity. Let it have strong men for its personnel. Let it present its recommendations to the Governor and to the Legislature. Let its purpose be to put the church into the market place and the mine and glorify God in so doing. Your Committee had read of the gratitude with which the Federation has received the recommendations of four clergymen of the Catholic Faith concerning the labor problem. It would appear that one of the great opportunities of all time, to impress our interest in the lives of men, upon these common men, is immediately at hand.

(5) *Finance:* Financially the churches report progress and encouragement. Individual churches report themselves in fair shape as far as the getting and giving of money is concerned. The minister who cannot report generous increases to benevolences has not done his work well along that line. We except from this indictment the pastors of churches within a purely agricultural district. No others are exempted. There is a spirit of giving that the war has engendered, which every minister should direct into the proper channels, for enlarged usefulness. It is also noticeable that the churches contributing most to foreign work have been most successful in raising funds for home work. No comment is necessary, for we know that unselfishness is nowhere more fruitful than in the Lord's work.

22. Nebraska.—(1) *Church Membership and Services:* Total membership, 25,990. Added on examination, 1,163. Of the 208 churches, 55 were reported vacant in the spring. Most of the stronger churches have prayer meetings but the attendance is only 10 per cent. of the membership.

(2) *Religious Education and Young People's Work:* Added emphasis is being placed upon the importance of religious education—more literature is being distributed, and more interest is being awakened than ever before, and in many homes the family altar is being erected or restored. Number of Sabbath schools reported, 171. The Catechism is unknown to most of the boys and girls. There are about 300 enrolled in teacher training classes. Westminster helps are generally used. There are more than 5,000 in organized Bible classes. Comparatively few schools have well selected libraries. In the Home Department, 1,900 and 2,700 on the Cradle roll. Total Sabbath school membership, 23,557. In the Young People's Work there is not the same enthusiasm as formerly.

(5) *Missions and Benevolence:* With a few exceptions, gains for benevolences were reported.

(6) *Finances:* Churches are being better financed; mortgages and old debts are being paid; and the salaries of ministers are being increased.

23. New England.—(1) *Church Membership and Services:* As a general thing the Sabbath preaching services both morning and evening are fairly well attended. The attendance at communion service ranges all the way from 30 to 75 per cent. of the membership. The prayer meeting attendance ranges from 6 to 18 per cent. of the membership; 3 churches are reported as holding no prayer meetings. Sessions are neglectful in the matter of reporting removing members.

(2) *Religious Education and Young People's Work:* The Catechism seems to be taught in but a small number of the schools. Probably half the churches maintain the Home Department. In the different Presbyteries the Young People's Work is variously reported as "not flourishing," "fair," "good," "most excellent."

(3) *Evangelism:* Not many churches held special evangelistic services, and the results of such meetings, were not particularly encouraging.

(7) *The Nation:* There were 1,594 persons of the Synod who were engaged in different forms of the national service in the war. Upon spiritual conditions, the Presbyteries make varying reports, viz.: "deepened the thought of the people"; "young men who were in camp and overseas do not attend church services as regularly as formerly, and spiritual conditions are in a disturbed state"; "the sacrifices made in the war did not come near enough home"; "the war had a stimulating effect upon the consecration and service of the people."

24. New Jersey.—(1) *Church Membership and Services:* Total membership, 121,190 a net gain of 4,780 for the entire Synod, but leaving the two foreign Presbyteries out of the count there has been a decrease of 697. Added on examination, 8,855; by certificate, 4,530. Almost without exception, two preaching services are held on the Sabbath, the morning attendance being the better. The prayer meeting attendance continues to be low.

(2) *Religious Education and Young People's Work:* The reported Sunday school membership is 157,239, a gain of 9,127; but if the two foreign Presbyteries be not counted, there has been a decrease of 2,965. The organizations for young people, show no diminution of zeal.

(3) *Evangelism:* In a majority of the Presbyteries evangelistic meetings have been conducted, and usually with gratifying results.

(5) *Missions and Benevolence:* Pastors and people have shown intense gratification at the successful working of the Every Member Plan, and there has been a cordial response to the New Era Movement and a cordial coöperation therein; but upon the whole there has been a decrease in offerings for religious purposes.

(6) *Finance:* There seems to be no change from the fairly good conditions of last year.

(7) *The Nation:* Many narratives say the influence of the war upon spiritual conditions has been beneficial, while probably 25 per cent. of the reports received declare it has been detrimental.

25. New Mexico.—(No report in Synod Minutes).

26. New York.—(No report in Synod Minutes).

27. North Dakota.—(1) *Membership and Services:* The report is certainly deplorable and should cause heart searching on the part of all of us. It is certainly a sad condition to find in this great northwest state an increase of only 20 in the membership of our churches in a year, and if one takes the totals as given in 1918 and compares them with the totals of 1919, we have suffered a loss of more than 200. It is time to cease excusing the condition and go to work to change it. It is absolutely uncalled for. The excuse that there is no new blood "of our persuasion," that the communities are filling up with Catholics, that foreigners are taking the place of former pupils, will not stand up in the face of our own reason.

(2) *Religious Education and Young People's Work:* A mass of students have come to the various schools of Fargo, no doubt to Grand Forks and other places in the State, and although I have sent out cards to reduce your efforts to a minimum in reporting such persons I have not had notice of a dozen, and yet my secretary and the reports from the colleges have furnished a list of more than fifty from the rural sections of this State.

(3) *Evangelism:* Dr. P. E. Wells has held meetings in several of the communities in this State where nothing, in most cases, was being done until he went in, and great revivals have followed his efforts. Do you mean to tell me that God is more willing to work through one than through another? See the results of Dr. Wells' meetings this past year, as indicated by 587 additions to 13 churches.

(4) *The Community:* Little has been done to solve neighborhood problems.

(5) *Finance and Benevolence:* The New Era Movement has stressed the financial side of the matter. It seems that most of the churches have done well and the amount that each one was supposed to raise has been received. The church at home is being well financed. We have no complaint to make along that line. If the winning of souls has not been stressed as it should have been, we want to put a greater effort to the work and just trust Him, for He will give souls for hire. There are just as great opportunities now in the church as there have ever been. The first question is, "Are we really desiring to see souls saved?"

28. Ohio.—(1) *Church Membership and Services:* Total communicant membership, 133,422, a decline of 3,382 from last year; and there have been 1,989 fewer additions on examination. The churches have generally been supplied with ministers. Fewer services are being held, as the Sabbath evening service, and the mid-week prayer meeting fall more and more into disfavor.

(2) *Religious Education and Young People's Work:* There has been an apparent decline of 5,000 in the total membership of the Sabbath schools, but this does not indicate a loss of power and effectiveness in winning souls for the Kingdom.

(4) *The Community:* Little is being done in the way of Community work except sporadically. There is a multitude of secular agencies striving to ameliorate undesirable conditions, but they are not acting specifically on avowed Christian principles.

(5) *Missions and Benevolence:* The total amount of money contributed by the churches of the Synod was 5 per cent. less than during last year.

(6) *Finance:* In the great majority of churches all local pecuniary obligations are suitably met.

29. Oklahoma.—(1) *Church Membership and Services:* Total membership, 19,460. Added on examination, 898; by certificate, 1,381. In every Presbytery except one there has been a decrease in membership. The morning service on Sabbath is well attended, but not so in the evening. In March 84 churches were reported as being without pastors. A fair per cent. of the members attend communion services, but the attendance at the mid-week service is discouragingly small.

(2) *Religious Education and Young People's Work:* All Presbyteries report that religious training in the home is being emphasized by well-chosen methods. Christian parents are faithful in presenting their children for baptism. Many churches observe Decision Day. The number of children and youths attending church services is alarmingly small. Several Presbyteries report no communicant classes.

(3) *Evangelism:* Several Presbyteries report no evangelistic services for the year, and where such services were held the results were not gratifying, in most cases.

(4) *The Community:* Several Presbyteries report considerable activity in community work, but the majority of congregations have done little in this direction.

(5) *Missions and Benevolence:* The Every Member Plan is being used by a large number of churches and with gratifying results. With a single exception there has been an increase in the offerings made for all the Boards. Many churches are entering heartily into the New Era Movement.

30. Oregon.—(1) *Church Membership and Services:* In the four Presbyteries reporting out of 6 there is a total membership of 11,906, and there were received 95 on examination, and 441 by certificate. In most churches two preaching services are held on the Sabbath, and the attendance is variously reported as "good," "fair," and "poor." A part of the time, 28 churches were vacant, 9 were not supplied, and 4 were closed. The prayer meeting is unpopular, and the attendance small, and many churches do not maintain this service at all.

(2) *Religious Education and Young People's Work:* Reports have been made from 105 Sabbath schools, 6 of which are union and 1 is a mission; in only two schools the Catechism is taught. There are 12 teacher-training classes. In 1 Presbytery nearly all schools are graded. Total membership reported 10,144.

(4) *The Community:* Community efforts have been confined to war work, Y. M. C. A., Y. W. C. A., and temperance. There is general agreement that the war had no beneficial effects upon church interests.
(6) *Finances:* Reports received make no showing as to what has been done for benevolences, these are administered by the Sessions. Local expenses are generally cared for through the Every Member canvass.

31. Pennsylvania.—(1) *Church Membership and Services:* There has been a lack of growth in membership, and 3,462 fewer additions on examination than in last year. The attendance at Sabbath services has been but fair, except that on Communion occasions it has been markedly larger. The Sunday evening service is regarded generally as an unsolved problem. The mid-week prayer meeting is heart breaking to many pastors, and in not a few churches it is not held at all.
(2) *Religious Education and Young People's Work:* There has been an increased interest in organized Bible classes and graded schools, but there has been a decrease of 14,289 in the total membership. Young People's Work is at a low ebb. Only 40 per cent. of the churches have any kind of societies for their young people, and but few of the existing organizations are reported as being in a flourishing condition; and it seems there are no definite objects after which they are striving. Only about 25 per cent. of the churches have anything in the nature of Catechism classes.
(4) *The Community:* There is nothing to be mentioned here except war activities, such as have been common throughout the country.
(5) *Missions and Benevolence:* In connection with the New Era Movement, gratifying achievements have been made in behalf of the Church's benevolences.
(6) *Finance:* So far as reports indicate conditions in this respect, churches are promptly meeting their local expenses though $53,000 less has been raised for congregational expenses.
(7) *The Nation:* Almost 10 per cent. of the Synod's entire church membership were in some form of war service, and many of these were broken, bruised, some making the supreme sacrifice for the Nation's life, liberty and democracy.

32. South Dakota.—In matter and arrangement, the Synodical Narrative fails to conform to the requirements of the Assembly's blank. For only 1 Presbytery in the Synod is there an approach to an exhibit of specific facts and figures, and this embraces reports from less than half the number of churches in the Presbytery. An optimistic view is presented with reference to the general situation in the Synod's varied activities and benevolences.

33. Tennessee.—(No report in Synod Minutes).

34. Texas.—(No report in Synod Minutes).

35. Utah.—(No report in Synod Minutes).

36. Washington.—(1) *Church Membership and Services:* Decrease in membership during the year, 1,655. Additions on examination, 701. Many churches have deemed it wise to give up the prayer meetings, because of the lack of a constituency for it, and where it is still maintained there is a pitiful smallness of interest in it.
(5) *Missions and Benevolence:* Interest in the New Era Movement has been manifest in all the Presbyteries and most of them report great results.
(7) *The Nation:* As to what has been the influence of the war upon spiritual conditions in the church, the reports are varied, viz., "no appreciable influence," "generally good," "not good," "little or no improvement," "depressing," "helped to fuller realization of responsibility," "conditions are worse."

37. West, German—(No report in Synod Minutes).

38. West Virginia.—(1) *Church Membership and Services:* In our investigation we find the morning service is attended by about 40 per cent., evening service 25 per cent., the mid-week service 10 per cent. and communion service about 55 per cent. of the total membership which gives us an average of about 33 per cent. Why the pleasures of the world and absence of religion

in the home? Three services are regularly held in most of our churches weekly; some churches are without regular pastors. Something must be done to obtain more men for the ministry.

(2) *Religious Education and Young People's Work:* Family worship is essential in keeping the spiritual life growing. If we lock our religion up in our hearts after the Sabbath services are over and leave it there until the next Sabbath we sure will fall by the way. The Sabbath or the School of the Church is where the seed of a Christian life is sown. Like the seed of the field if it is not cultivated, it will wither and die. We urge the parents of the church to put forth every effort to get all the children connected with the Sabbath school in some way. There are hundreds of children who are not connected with any Sabbath school; do not have any religious training and are surrounded with all the wiles and temptations of Satan. They will grow to manhood and womanhood, and at the end of their servitude upon this earth be lost.

Where does the responsibility rest? Is the Church, through all of its activities, doing what it can to win the children to Christ? Christ said, "Suffer little children to come unto me for of such is the Kingdom of Heaven." We would that this Synod would go on record, as asking the pastors to have their schools make a thorough canvass of their territory and put on a special campaign for new members in the coming year.

(3) *Evangelism:* The spiritual life of the Church needs an awaking. We hear the ministers complain of preaching to empty pews. Does the Church need a revival? If so let us begin in the Synod. With earnest prayer let us ask God to help us increase the attendance at worship in God's House this coming year.

(4) *The Community:* What shall we do to get the men to attend the Church services more regularly? The rural Church has a better attendance than the city Church. We would ask the Synod to ask the Presbyteries to take this matter up and by the Grace of God find ways and means to win the men to attend worship in God's House, and study community conditions.

(5) *Finance and Benevolence:* The benevolences of our churches are beyond our expectations. The calls have been greater with the ravages of war, and yet the duplex system has aided wonderfully. Some people have not been giving this much thought, therefore, were very much surprised when through the New Era Movement they were greatly enlightened on the subject of benevolence. The subscriptions this year were nearly double that of former years. The different societies of our churches are doing a great work and give us encouragement.

39. Wisconsin.—(1) *Church Membership and Services:* There has been a decrease of 172 in total membership. Added on examination, 1,448, by certificate, 592. The attendance at the Sunday morning preaching service is good, but the evening service, with a few exceptions, continues to be a problem. The prayer meeting attendance averages from 10 to 20 per cent. of the membership.

(2) *Religious Education and Young People's Work:* Parents are faithful in presenting their children for baptism. Only a few churches have communicants' classes. Three Presbyteries report 99 organized Bible classes. There has been a decrease of 1,133 in the total Sabbath school membership. Generally speaking, the Young People's Work is in good condition.

(3) *Evangelism:* Services of an evangelistic character have been held in many churches, and with good results reported in a few cases.

(4) *The Community:* The churches generally support the local community organizations.

(5) *Missions and Benevolence:* There has been a gratifying increase in contributions for benevolences.

(7) *The Nation:* Five Presbyteries report a total of 2,758 persons, men and women in the service of the United States during the year.

40. Wyoming.—(No report in Synod Minutes).

V. Statistics.—*Ministers and Churches.*—The summaries given below show the general conditions having to do with Church growth. The number of pastors in 1918 was 4,396, and in 1919 was 4,105, a decrease of 291; the stated supplies in 1918 were 1,486, and in 1919, 1,455, a decrease of 31; the ministers without charge in 1918 were 1,930, and in 1919, 1,922, a decrease of 8. Returns give 289 ministers engaged in "War Work." The vacant churches in 1918 were 1,907, and in 1919, 2,202, an increase of 295.

The statistics as to self-sustaining churches, so far as received, show, 1918, 4,519, 1919, 4,899, an increase of 380. The churches by size, and in two classes, show 6,305 churches having fifty members and upwards, as against 3,393 churches reporting less than fifty members. Emphasis is again laid upon the fact that these smaller congregations, if properly nurtured, are the centers where great progress can be made, not only in the addition of members, but in the upbuilding of large sections of the country into vigorous spiritual life.

When the matter of congregational expenses is considered, as usual, food for thought is found, for 5,591 congregations contributed, during 1919, towards congregational support, pastors' salaries included, amounts less than $1,200 each, the number of churches contributing between $1,200 and $3,000, during the year, for congregational purposes, being 2,472, leaving only 1,635 churches contributing $3,000 and upwards for self-support.

Forty (40) per cent. of the churches report no additions by Confession of Faith. Eighty-one (81) per cent. added nine (9) or under, sixty-six (66) four (4) or under.

VI. OVERTURES REFERRED.—The General Assembly referred to this Committee, *Overtures 33* and *34* from the Presbyteries of Freeport and Los Angeles, asking that the blank for the Annual Narrative of Christian Life and Work be so amended as to make it more simple, brief, and practicable. The subject of a new form of questionnaire to the churches, Presbyteries and Synods which would more concisely reflect the spiritual life and activities of the Church was referred to this Committee by the General Assembly of 1918. After careful consideration a revised form of the Annual Narrative was printed and sent down to the Presbyteries for 1919–20. In view of these facts the Committee recommends that no change be made in the blank.

The Assembly also referred to this Committee, *Overtures 35* to *40*, and *42*, from the Presbyteries of Coeur d' Alene, Indianapolis, Lansing, Monroe, Santa Barbara, Seattle, and Walla Walla, asking that certain contributions for Social Service and War Work Funds be reported in the *Minutes*. It is recommended that no action be taken upon this matter until next year when the returns of the New Era Committee shall be in hand.

Overture No. 41, from the Presbytery of Utica, with reference to certain changes of the Statistical Tables in the Assembly *Minutes* was also referred to this Committee. Inasmuch as the majority of the Presbyteries in 1918 through an Overture sent down to them expressed their approval of the present form of statistical report, the Committee recommends that no action be taken.

VII. RELIGIOUS TRAINING IN THE HOME.—The development of the Sunday school and the Young People's Societies in the United States has obscured the place of the family in the religious education of its own children. The family is the first and the most powerful school of religion or irreligion. Pastors and Sessions should use every effort to lay the duty of religious instruction in the family, including family worship, on the conscience of parents. The Sunday school, particularly through the Home Department, the Cradle Roll, and through Parents' Training Classes in connection with the Adult Department, may be of service not only in impressing parents with the necessity for religious education in the home, but in preparing themselves for it. Coöperation is urged with the Board of Publication and Sabbath School Work in the plans which it has developed for special emphasis on family religion during the year 1920–21.

VIII. SUSPENDED MEMBERS.—The Committee views with alarm the net decrease of 28,715 during the past year in the communicant membership of the Church. Notwithstanding the special efforts made by our Assembly's Committee on Evangelism and the stimulus of the New Era Movement, there were 7,810 more members placed on the suspended roll than were received into the Church on Confession of Faith. During the year 1918–1919, there were 62,014 members received on Confession of Faith, while 69,824 members were placed on the suspended roll.

IX. THE NEED OF MINISTERS.—There is a great and growing need for well prepared ministers of the right sort. All those who love the Church and highly value the ministry should earnestly pray and diligently endeavor for an increase in the number of young men offering themselves for service in this high calling. The Presidents of our Presbyterian Theological Seminaries moved by their particular knowledge of the facts bearing upon the supply of candidates for the ministry and of the demand for capable and consecrated ministers, recently sent out a letter to pastors and parents, suggesting to the former that they present the claim and opportunity of the ministry to their congregations by public speech and in private interview, and calling the attention of the latter to their duty to dedicate their sons to this calling unsurpassed by any other in opportunity and reward for service. It is earnestly hoped that this appeal together with the life enlistment campaigns conducted by the General Board of Education will result in a notable increase in the number of young men who will dedicate their lives to the Christian ministry. "Pray ye, therefore, the Lord of harvest that He will send forth laborers into His harvest."

X. RESOLUTIONS.—The following general resolutions are recommended to the Assembly for adoption:

Resolved, I. That the attention of all the Presbyteries and Synods be called to the need of yet further improvement in connection with the reporting of

the Narrative of the Form of Religion, and also to the propriety of assigning a period of at least one hour to the presentation of the Report during a morning session of the judicatory, to be accompanied with exercises of praise and prayer.

Resolved, 2. That the Stated Clerks of Synods be and are hereby appointed as advisory members of the General Assembly's Special Committee on the Narrative of Christian Life and Work, and that the Synods be requested to direct the said clerks to coöperate with the Committee in the preparation of the Narrative for the Assembly by their reports and suggestions.

Resolved, 3. That the Narrative of the Special Committee, when approved by the Assembly, be printed in full in the Appendix of the *Minutes*.

Resolved, 4. That Presbyteries be urged to exercise to the utmost their constitutional power to "order whatever pertains to the spiritual welfare of the churches under their care," to the end that the grace of liberal giving may be cultivated in each congregation, and the distinction clearly drawn in favor of systematic offerings in accordance with the Every Member Plan adopted by the General Assembly and included in the New Era Movement.

Resolved, 5. That in view of the ever-increasing need for ministers we would earnestly suggest that our pastors present to their congregations the claims and opportunities of this vitally important matter, and that they and all church officers diligently seek to place upon the consciences of young men the duty of giving careful consideration to the question of devoting their lives to the gospel ministry; and furthermore, we would call the attention of parents to the duty and privilege of dedicating their sons to this high calling, and would urge upon all who love the Church to use their influence in encouraging young men to enter upon the Christian ministry.

Respectfully submitted,

JOHN WILLIS BAER, *Moderator.*
WM. H. ROBERTS, *Secretary.*

CORRESPONDENCE

I. REPORT OF THE EXECUTIVE COMMISSION OF THE ALLIANCE OF THE REFORMED CHURCHES THROUGHOUT THE WORLD HOLDING THE PRESBYTERIAN SYSTEM, WESTERN SECTION, FOR THE YEAR ENDING MARCH 31, 1920.

To the General Assembly of the Presbyterian Church in the U. S. A.:

DEAR BRETHREN:—The Western (American) Section of the Executive Commission of the Alliance of the Reformed Churches throughout the World holding the Presbyterian System, respectfully presents its Annual Report for the year 1919–1920, under the following heads:

I. MEETING.—The Western Section, during the year 1919–1920, held one meeting, the place being Pittsburgh, Pa., and the time March 23 and 24, 1920. The Rev. R. C. Reed, D.D., Chairman, presided, and the Section was most comfortably and generously entertained by the First Presbyterian and the Sixth United Presbyterian Churches, and the Presbyterian Social Union of Pittsburgh. The edifice in which the Section assembled was the Lecture Room of the First Presbyterian Church.

II. OFFICERS.—The officers for the present year are : Chairman, Rev. J. Ritchie Smith, D.D.; Vice-Chairmen, Rev. John MacNaugher, D.D., and J. W. Appel, Esq.; Recording Secretary, Rev. J. C. Scouller, D.D. The Rev. Wm. H. Roberts, D.D., is the Secretary of the Western Section by virtue of his position as American Secretary of the General Council, and the Treasurer of the Council, Mr. Philip E. Howard is Treasurer of the Section.

III. NECROLOGY.—The members of the Section who departed this life during the past year were three in number. They were the Rev. John Somerville, D.D., of the Presbyterian Church in Canada; the Rev. Robert H. Fleming, D.D., and the Rev. J. Lynn Bachman, D.D., both of the Presbyterian Church in the U. S. These all were worthy co-laborers in every good work.

IV. AD INTERIM GENERAL SECRETARY.—Upon the death of Rev. Dr. Robert Dykes Shaw, General Secretary of the Alliance, the American Secretary was authorized to correspond with the Eastern Section in the matter of a Secretary *pro tem*, to act until the meeting of the Eleventh Council, the nominee to be named by the Eastern Section and confirmed by the Western Section. As a result of this action the Rev. J. R. Fleming was appointed Ad Interim General Secretary, by action of both the Eastern and Western Sections, and is now located in the office at 122 George Street, Edinburgh, Scotland.

V. WORK ON THE EUROPEAN CONTINENT.—To understand the situation in Europe, where the various churches of the Presbyterian and Reformed Faith are facing so many great and tremendous problems, it is necessary to take a survey of the different countries under three heads.

1. The Churches of the Neutral Countries:

Holland.—The Reformed Church of Holland has been playing an important part recently in acting as an intermediary between the nations which have been at war with each other, in bringing to the notice of the world the sad condition of the Hungarian Churches, and those of other countries of Eastern Europe, and in preparing the way for peace between the nations and unity among the churches.

Switzerland.—Two movements have become prominent. One is the separation of Swiss Foreign Missions from German Foreign Missions, which have been

largely outlawed in some countries during the war. The other movement is an effort to bring the Swiss Churches into closer touch with the Churches of other lands, particularly with our Alliance and its constituent Churches.

Spain.—Last May there met in Madrid to celebrate the movement toward religious liberty the largest interdenominational Protestant gathering ever held in Spain. Resolutions were passed asking the government for religious liberty.

2. The Churches of Western Europe:

France and Belgium.—The Reformed Churches of France and Belgium have lost about eighty church buildings, either wholly or partially destroyed, the total property loss including mission halls, parsonages, orphanages, and asylums, amounting to several millions of dollars. Twenty five of their ministers and twenty five of their students for the ministry, and between 30,000 and 50,000 of their members, have been killed or died in the war. Despite this tremendous loss their faith is still strong and they are looking forward hopefully to the dawn of a new day. The call comes to our Churches to continue their efforts to raise funds for these Churches. As to the outlook for evangelical religion in France it is somewhat difficult to state. The people have lost to some extent their sympathy with the present Pope because of his pro-Germanism, and this means a larger opportunity and greater responsibility for the Protestants to work among the great unchurched and unbelieving class, the number of which some people place as high as 25,000,000. Protestantism has been strengthened by the return of the provinces of Alsace and Lorraine which contained about 300,000 Protestants, of whom 50,000 were of the Reformed Faith.

Italy.—Italy has come out of the war greatly wakened up. This will mean the stirring of the dry bones of Catholicism which always produces gains for Protestantism. During the war the Waldensians distributed thousands of New Testaments to the soldiers, many of the Catholic soldiers asking for them. Eight or nine of the Waldensian pastors were appointed chaplains, a recognition of Protestantism that had never occurred before.

3. The Churches of Central and Eastern Europe:

Germany.—From Germany little information has come to hand. At the beginning of the German Republic an effort was made to separate the state and the church, but the action was prevented. Disestablishment, however, is bound to come.

Hungary.—Here the situation is most threatening. There are two main problems to be solved. The first has to do with the Reformed Church of Hungary, which has 2,603,000 adherents. The church organization was entirely broken to pieces last summer by the Bolsheviki under Bela Khun. Ministers were thrown out of their pulpits and parsonages into the streets where many of them almost starved. The invested funds of the Reformed universities were confiscated. The second problem has to do with Transylvania, which is now under Rumania, and contains about a million of Reformed adherents. The aid which the pastors had received before the war has now been entirely cut off by Rumania, who does not grant religious liberty, and whose established Church is the Greek Orthodox Church. As a result some of the pastors are starving and all are greatly suffering. Many buildings have been taken away from the Church, and there have been cases of persecution by the Rumanians. The two thousand Reformed Churches are threatened with destruction. The state Church alone is recognized. The British Churches sent a deputation to Paris, to the peace table asking that religious liberty be granted in Rumania and Servia, but nothing was done. Similar pleas have been made to our own State Department by the Federation of Churches, and the Western Section, but nothing can be done because of the present confused state of affairs at Washington concerning the Peace Treaty and the League of Nations.

Poland.—Similar conditions also prevail only in a lesser degree in the Reformed Churches of Poland, Lithuania, and the Baltic provinces. All need aid.

Bohemia (now Czecho Slovakia).—Here the war has brought great changes. Last December all the Bohemian Brethren (Reformed, Lutheran, etc.) came together into one church numbering 175,000 adherents. Another great change was the disestablishment of the Catholic Church by the new Republic.

To add to this, a remarkable movement has occurred among the Catholics themselves. A petition signed by 1,700 of the 3,200 priests of Bohemia was sent to the Pope last year asking (a) that the celibacy of the priests be no longer obligatory (55 of the priests having already married); (b) that the Bohemian language shall be used in religious services instead of the Latin. (c) that the civil power as well as the bishop shall have a voice in the election of the clergy. This means that even among the Catholics the old Hussite spirit of 500 years ago is reviving.

As a result of the situation in Europe the following recommendations were adopted:

1. That the Western Section authorizes the Secretary to place in his report to the General Assemblies and Synods of our Churches the request that each General Assembly visited by Rev. Charles d'Aubigne make an appropriation of $50 for his traveling, and hotel expenses, in America to the General Assemblies.

2. That this Western Section joins the action of the Eastern Section in its request to the Governments of the United States and Canada to use their good offices with Rumania and Jugo-Slavia so that the oppression of the Protestants in Transylvania and Banat may cease and that they grant religious liberty.

3. That this Section appoint a deputation to visit Hungary and the other countries of Europe to inquire into their needs and to encourage those brethren by our prayers and sympathy.

4. That this Section appoint these deputies as commissioners to any of the Synods of the Churches of our faith in Europe; to the Huss Celebration and to the General Assemblies of the British Churches.

5. That this Section approve of the action of the Eastern Section in regard to the holding of a Sub-Council or Conference on the Continent this summer at Geneva, and appoint this delegation as its Commissioners to that conference.

6. That in the report of our Section to the General Assemblies and General Synods of our constituent bodies, we again recommend them to take action for the continuance of the systematic raising of funds for the suffering Church of Europe—for the Churches of Central Europe, as well as France and Belgium, in coöperation with the Commission of the Federal Council. We recommend that the last Sunday in October (Reformation Day) be set apart as a day of prayer and offering for the Churches on the Continent, and that special sermons on this subject be preached. This action, however, is not to affect churches that have some other day as Reformation Day, or that now raise their money for that purpose at some other time of the year.

VI. Foreign Missions.—In making a general survey of Foreign Missions, one is more attracted by the indirect influences bearing upon foreign missions than by the actual conditions in the field. The temperance victory, the newly awakened conception of philanthropy and of life, the spirit of democracy, of nationalism, and the forward movement of the churches have all had an important influence on the evangelization of the world.

The *Orient* has been passing through a course of preparation for greater things. China is following, at even a more rapid pace, the evolution of Japan. Today 1,400 Chinese students are attending colleges and technical schools in the United States. Railroads are being built in all directions. Hundreds of journals are published in the principal cities, and a phonetic system of writing has been adopted that will prove revolutionary in the rapid extension of education. The opium traffic, the most heartless and destructive enemy of China, has at last been destroyed.

The *Allies*.—During the war the East and the West met in a new sense, for 1,250,000 Indians and 160,000 Chinese came into personal contact with western civilization. They experienced Western hospital ministrations and the benevolent ministries of Chaplaincies, Red Cross, Y. M. C. A. and Salvation Army organizations, and learned in a new sense what is meant by the strong bearing the burdens of the weak. They are now returning to their homes carrying with them new conceptions of western civilization.

The Mission Field.—The intensified spirit of nationalism has indicated that the Foreign Mission Boards, before slow in recognizing native ability, must

lay upon the natives the responsibility of shaping Church life in their own country and among their own people. The new Constitutional Reform Bill in India accords to the native a greatly enlarged share in the administration of the country, and this fact will expedite similar action on the part of Missions. Illiteracy is one of the gravest problems in connection with this subject. Eighty-five per cent. of the Indian Christian community is unable to read. In China, out of a membership of 315,000, about 188,000 are illiterate. But the tide is rising everywhere. Not only are there large accessions to the membership, but the spirit of liberality has grown. The public attitude toward Christianity has changed, and there is a willingness to be taught, growing out of a weakened confidence in their own religions of the past. The end is sure—a New Heaven and a New Earth wherein dwelleth righteousness.

VII. HOME MISSIONS.—The splendid way in which the Church met the titanic task thrust upon her so suddenly by the great world war has created a wide-spread conviction that the hope of the world is in the religion of our Lord Jesus Christ. This lays upon the Church a task far more serious than that which came to her with all the tragedies of war.

The wideness of vision, the practical wisdom and the courage and faith of those who are planning and directing the Home Mission activities of our churches inspires a confidence that is calculated to arouse the largest response of our people in prayers and offerings and personal efforts to make America not only the Torch of the World but the leader of the Nations in their loyalty to the Prince of Peace. The chief difficulties are a lack of men and money, but efforts are being made by those in charge to remove these difficulties. In addition the millions of dollars called for in the New Era Movement and in the Progressive Movement and in the other Movements of our churches are well calculated to impress our people with the feeling that their offerings should bear some proportion to the importance of this work.

There has been a very marked speeding up in practical coöperation among our churches. In Cuba, Porto Rico, Santo Domingo, Alaska and Canada, plans are being perfected for the prosecution of Protestant Mission work along lines of interdenominational coöperation. The Interchurch World Movement will also achieve important results along this line.

The following table indicates the Home Mission conditions during the past year among the Churches of the Western Section.

	Missionaries employed	Churches and Missions aided	Receipts

VIII. CHURCH HISTORY.—There has been an unfortunate delay in the preparation and publication of the English translation of the works of Zwingli, the first founder of our family of Churches. It is hoped that during the coming year progress may be made in publishing this important work.

This being the 300th anniversary of the Landing of the Pilgrims in America, recalling afresh the foundation principles that have made possible our religious and political liberties, it is urged that our churches devise a fitting program of celebration in all communities, to be carried out in December.

Next year it is hoped that there can be presented a complete statistical digest of the splendidly creditable war record of our Presbyterian and Reformed Churches in Canada and the United States of America.

IX. EVANGELISTIC WORK.—There is a great variety of opinion with reference to Evangelism to be found among the churches. The thought of the bodies in this Alliance may be expressed in the following statement:

(1) That all true evangelism depends upon the direct operation of the Holy Spirit upon the minds and hearts of preachers and people, and that we must look to God in prayer for any true and lasting revival of religion.

(2) That it is not only true that the Scriptures contained in the Old and New Testaments constitute the only infallible rule of faith and action, but that they contain the only evangelistic message for the world.

(3) That the only evangelism with which the Churches holding the Presbyterian and Reformed faith can be satisfied, is the evangelism that magnifies the teaching of the Word of God as the only basis of appeal to men and women to yield their hearts to God, and to confess their faith in Jesus Christ.

(4) That the evangelistic work of the Churches in the Alliance must spring from the heart of the Church itself; be carried on under the direction of her proper courts and agencies, and that the evangelistic leaders of the Churches should devote themselves to the development of the evangelistic resources of the various Presbyteries and Classes, and to the direction of their work under the definite instructions of the General Assembly or Synod.

(5) That our Churches recognize the office of evangelist as a Scriptural office and believe that the men who offer themselves to our Churches as evangelistic preachers, should submit to the discipline and direction of the denominational bodies of which they are members, and should be properly vouched for by the constituted ecclesiastical agencies.

(6) That we hold it to be a cardinal principle in the life and work of our churches, that pastors are instructed to make full proof of their ministry, and that one of the ways by which they are to afford this proof is by "doing the work of an evangelist."

X. AMERICAN AND EUROPEAN RESIDENTS IN FOREIGN SEAPORTS.—The number of American and British residents in foreign seaports was greatly diminished during the war. The delay in the re-opening of foreign trade since the war still prevents the return of many of the absentees, with the result that the local strength of many Union Churches established before the war has been diminished and their progress toward self-support and adequate equipment arrested. An indispensable requisite for carrying on this work successfully is that there should be adequate and attractive buildings both for church services and for community service work. Recognizing this the Interchurch World Movement has placed in its budget $1,060,000 for buildings and equipment, at Mexico City, Tampico, Rio de Janeiro, the Canal Zone, Tokyo, Peking, Shanghai and Havana. It is hoped that the constituency of the Western Section will lend their encouragement and assistance to the success of this important work.

XI. FINANCES.—The receipts from the apportionment of the Churches during the year, ending March 16, 1920, amounted to $3,480. To this was added interest to the amount of $105.42, and special monies collected for rebuilding churches in Europe, amounting to $6,703.31, making a total of $10,288.73. The disbursements were as follows: Alliance expenses, general office (Edinburgh), $1,857.87; expenses annual meeting, Chambersburg, Pa., $834.60; reconstruction of churches in Europe, $5,175.00; miscellaneous expenses, $371.22; total, $8,238.69.

It is respectfully requested that the apportionment from your Church be forwarded not later than October 1, 1920, to the American Treasurer, Mr. Philip E. Howard, 1031 Walnut St., Philadelphia, Pa. The financial provisions of the Alliance include the salary and expenses of the General Secretary and the current expenses of the Western Section. The American Secretary continues to serve without pay.

XII. THE QUARTERLY REGISTER.—This publication of the Alliance continues to supply the various Churches with interesting and valuable information. Especially does it furnish the Churches of the Western Section with needed details of the present situation in the Churches of the Eastern Section. The Rev. J. R. Fleming, Ad Interim General Secretary of the Alliance, is the present editor, and persons desiring to subscribe should write to him at 122 George St., Edinburgh, Scotland.

XIII. THE ELEVENTH COUNCIL.—After considerable correspondence with the Eastern Section it was decided that the Eleventh Council should be held in September, 1921, the place to be Pittsburgh, Pa. The Chairman of the Committee to have charge of the local arrangements, is the Rev. John McNaugher, D.D. The Supreme Judicatories are respectfully requested to report the names of their delegates to the Eleventh Council at an early date to the Rev. Wm. H. Roberts, D.D., American Secretary, 512 Witherspoon Building, Philadelphia, Pa.

XIV. MINUTES.—The Minutes of the last meeting are transmitted to each of the Supreme Judicatories, with the request that they be used in connection with this concise report wherever necessary for detailed information.

XV. APPORTIONMENTS FOR EXPENSES AND REPRESENTATIVES IN THE ELEVENTH COUNCIL.—The Eleventh Council of the Alliance will consist of 350 members, 150 from the Eastern and 200 from the Western Section. The distribution of members to the constituent Churches, and the annual apportionment of the Churches for the expenses of the Alliance are as given below. The rate of apportionment is $20 per representative per annum.

XVII. NEXT MEETING.—The Western Section will meet in March, 1921, in Washington, D. C., the date to be fixed by the American Secretary.

XVIII. THE FUTURE.—The future of the churches comprising the Western Section of the Alliance, as well as churches in general, demands that Christians everywhere should recognize that the chief factor in reconstruction and progress is God. Everywhere let our churches give themselves not only to earnest work for the advancement of Christ's kingdom on earth, but also in united and persistent prayer for the outpouring of the Holy Spirit upon the whole world. God is both our Refuge and Strength.

J. RITCHIE SMITH, *Chairman.*
WM. H. ROBERTS, *Secretary.*

II. REPORT OF THE COUNCIL OF THE REFORMED CHURCHES IN AMERICA HOLDING THE PRESBYTERIAN SYSTEM.

DEAR BRETHREN:—The Council of the Reformed Churches in America holding the Presbyterian System respectfully reports to its constituent Churches for the year ending March 31, 1920.

The constituent Churches in the Council are the same as heretofore reported, and the names appear later in this report. The following items are presented for consideration and action.

I. MEETINGS.—The regular biennial meeting of the Council was held on March 16 and 17, 1920, in the Witherspoon Building, Philadelphia, Pa.

II. OFFICERS.—The officers of the Council for the biennial term of service ending March, 1922, are as follows: President, Prof. George L. Omwake, Ph.D.; Vice-President, Rev. J. S. Lyons, D.D.; Stated Clerk, Rev. William H. Roberts, D.D.; Permanent Clerk, Rev. Rufus W. Miller, D.D.; Treasurer, Rev. David F. Magill, D.D.

III. EXECUTIVE COMMITTEE.—The Executive Committee of the Council, which transacts the business in the intervals between the regular meetings, is composed of the officers above named, along with the Chairmen of the standing committees for the next year, Rev. George Alexander, D.D., Foreign Missions; Rev. J. S. Lyons, D.D., Home Missions; Rev. J. Gray Bolton, D.D., Work Among Colored People; Rev. James E. Clarke, D.D., Christian Education and Literature; Rev. Frederick C. Seitz, Ministerial Relief; Rev. J. Addison Jones, D.D., Correspondence; and Silas F. Hallock, M.D., Finance.

IV. MEMBERS PRESENT.—There were present at the meeting of the Council representatives from all the constituent Churches, with the exception of the Associate Reformed Presbyterian Synod and the Cumberland Presbyterian Church (Colored). The members of Council present numbered 25, and the Boards were represented in every case, except from the Churches whose members were all absent as above stated.

V. COURTESIES.—Admirable provisions for the business sessions of the Council and the meetings of its Committees were made by the Presbyterian Board of Publication and Sabbath School Work. For these courtesies appropriate acknowledgment was made.

VI. NECROLOGY.—Since the last meeting of the Council the following members departed this life: the Rev. J. Wilbur Chapman, D.D., of the Presbyterian Church in the U. S. A.; the Rev. John F. Cannon, D.D., of the Presbyterian Church in the U. S.; and Prof. Frederick R. Hutton, of the Reformed Church in America.

VII. CONFERENCES.—The Conferences of the Council with the representatives of the Boards and Agencies were held on the evening of Tuesday, March 16th, and the morning of Wednesday, March 17th. These Conferences were frank, fraternal and fruitful of fellowship and harmony.

VIII. HOME MISSIONS.—There are two significant facts which should fill the hearts of Christians in America with profound concern. First, that the most important task for the Kingdom of God in the world to-day is the thorough evangelization of America, as the agency specially fitted by Providence to give to all the nations the inspiring ideal of human welfare through the Christian religion. Secondly, that God who has wrought so wonderfully in the life and growth of this nation, by which we have the resources needful for a world service, and by which the heart of every nation has been opened to us as its best friend, has in the past few years given us the call to render this service.

In view of the foregoing facts the following recommendations are submitted:

1. That the supreme, foremost and all-important task of the Church of Christ in America is to make this a genuinely Christian nation as speedily as possible. To accomplish this great end the ideal of home missions must be enlarged beyond that of supplying gospel privileges to sparsely settled communities. It must mean the entire Church investing and devoting its resources to make this nation an adequate and willing agent of Providence for bestowing a supreme blessing upon all the people of the earth.

2. In order that this enlargement, enrichment and increased efficiency may be attained, it is essential that all of the executive agencies of Home Mission work in the constituent Churches shall heartily practice the principles set

forth in previous actions of the Council, all of which have been approved and adopted by their supreme ecclesiastical bodies.

3. That the Stated Clerk be requested and authorized to publish in pamphlet form the various declarations of principles of effective coöperative home mission work, and that they be furnished to all executive home mission agencies as well as to the religious press.

IX. CHRISTIAN EDUCATION.—Reports from the constituent Churches indicate that the number of students in our Christian colleges is greater than ever before, that the enrollment in seminaries has increased greatly, that the lower college classes include a gratifying number of students preparing for the Christian vocations, and that life enlistment campaigns are resulting in a notable increase of the number of young people who have dedicated their lives to the ministry or missionary service. There is, however, a disturbing decrease in the number of Sunday-school pupils which indicates that our churches are not thoroughly alive to the fundamental importance of Christian education as the basis of all activities for the extension of the gospel at home and abroad.

It is suggested that the constituent Churches of the Council increase the measure of their coöperation in the following particulars:

1. In providing Sunday-school literature and supplies, to which end we recommend that representatives of the various Boards of Publication and Sunday-school work be asked to hold another conference, Rev. Rufus W. Miller, D.D., to act as convener of the conference, report to be made to the next meeting of the Council.

2. In securing enlistments for the Christian vocations. In some of the churches there are held conferences of selected high-school boys, for the purpose of laying before them the claims of the ministry and missionary service as a life work, and in at least one instance such a conference is being planned by the representatives of two of our constituent bodies. Why should not such coöperation be the rule in cities where two or more of our churches are represented? We recommend that Rev. W. H. Crothers of the General Board of Education, Presbyterian Church, U. S. A., be requested to call a conference of representatives of other similar boards to consider the possibility of coöperation in this field.

3. In maintaining student pastors at State Universities. Some of our churches give much attention to this important phase of the work of Christian education, while others have not entered the field; but in most of the state institutions two or more of our Presbyterian churches are represented by large bodies of students. While it would be impracticable and unwise for each of our churches to have a student pastor at each university, there are many places where we might coöperate in such work, to the great good of our Presbyterian young people. We recommend that Rev. Elias W. Thompson of the Board of Education of the Reformed Church in America be requested to call a conference of secretaries for the purpose of devising a plan of coöperation in this field.

4. We recommend that the Council call the attention of its constituent Churches to the great importance of increasing greatly and promptly the endowments of our Christian colleges, in order that competent Christian teachers may be retained and that students may not be turned away because of excessive tuition charges.

X. PLAN OF FEDERAL UNION.—The "Plan of Federal Union," prepared and approved by the Council at its biennial meeting in Philadelphia, March 19–20, 1918, was duly submitted to each of the seven Churches which are members of the Council. Of these Churches, four by formal vote approved the Plan, viz., the Presbyterian Church in the U. S. A., the United Presbyterian Church, the Reformed Church in the U. S., and the Cumberland Presbyterian Church, Colored. The Presbyterian Church in the U. S. A., and the Reformed Church in the U. S., also passed the Enabling Act, called for by Article 5, and made provision for the enlarged representation of their judicatories in the General Council called for by Article 2.

The Reformed Church in America approved the Plan with the exception of Articles 2, 5 and 11. Their recommendations were that the change set forth in Article 2 be deferred, that Article 5 be referred back to the Council with the suggestion that it be recast in such a way as to reserve to the Boards of the

constituent Churches the initiative, in the organization of the proposed Boards or Administrative Agencies, and that Article 11 be disapproved. The Presbyterian Church in the U. S. referred the Plan to its Committee on Federation and Union. The committee, after considering the Plan, carefully formulated a Plan of Federal Union of their own, and their General Assembly directed that this Plan be presented to the Council of Reformed Churches in America as the response of their Church, requesting that the Council consider the Plan as a substitute for the one it has proposed. The Associate Reformed Presbyterian Synod took no action.

XI. Complaint Under Article Six.—A complaint contained in a communication from the Presbyterian Church in the U. S. A. was duly filed and considered. This complaint had to do with an alleged violation of Article 6, of the Plan of Federal Union in the location of the Central Presbyterian Church, South, of Kansas City, Mo.

There are only two comity agreements between the two General Assemblies involved. The first is limited to towns of less than 5,000 inhabitants and refers to the planting of new churches. The second refers to work among foreigners of the same nationality in towns of less than 100,000 inhabitants. Since the population of Kansas City is approximately 250,000 and the church in question is not a mission to a foreign population but an organization seeking to transfer its worship to a new place, the Council decided that there had been no violation of any law of comity constituted as such by action of the two Assemblies, and therefore the question was beyond its jurisdiction.

XII. Closer Coöperation of Adjacent Churches.—Rejoicing in the many evidences of closer coöperation among Churches of the Presbyterian type and in the sincere belief that relations will continue to become more intimate and that local churches should make their plans in the light of this gratifying tendency, the Council of Reformed Churches in America Holding the Presbyterian System respectfully recommends to the highest judicatories of its constituent Churches that they approve and send to their Presbyteries or Classes for consideration the following recommendation:

That all Presbyteries or Classes take suitable action calling the attention of ministers, sessions and consistories to the marked tendency toward much closer coöperation among Churches of the Presbyterian type and that they recommend to their congregations, especially those located in cities, that, in all cases where a change of site is contemplated, conference be had with representatives of any adjacent church of the Presbyterian family with a view of arranging, if possible, for such a combination and redistribution of forces as will provide accessible churches and make for greater efficiency, instead of seeming competition, on the part of Presbyterian organizations.

XIII. Representative of Agencies.—The Council asks the consent of the supreme judicatories to the following Resolutions:

Resolved, 1. That the supreme judicatories authorize their Executive Agencies to appoint representatives to be present at future meetings of the Council.

Resolved, 2. That each of the supreme judicatories appoint standing committees to report upon the minutes and recommendations of the Council.

XIV. Elections.—The supreme judicatories are also respectfully requested to elect at their next meetings the members to represent them in the Council for the next two years or for such other periods as to the judicatories may seem proper. The total membership of the Council is as follows:

Reformed Church in America	8
Presbyterian Church in the U. S. A.	32
United Presbyterian Church	8
Presbyterian Church in the U. S.	12
Reformed Church in the U. S.	12
Associate Reformed Presbyterian Synod	4
Cumberland Presbyterian Church (Colored)	4
Total	80

XV. EXPENSES.—The supreme judicatories are requested to pay apportionments for the current expenses of the Council in the following annual amounts:

Reformed Church in America	$50 00
Presbyterian Church in the U. S. A.	200 00
United Presbyterian Church	50 00
Presbyterian Church in the U. S.	75 00
Reformed Church in the U. S.	75 00
Associate Reformed Presbyterian Synod	25 00
Cumberland Presbyterian Church (Colored)	25 00
Total	$500 00

XVI. FINANCES.—The Treasurer of the Council, the Rev. David F. McGill, D.D., reports that the receipts during the year amounted to $700. The disbursements for the year were $278.65; the balance from the preceding year was $1,696.08, and the balance in the treasury March 16, 1920, was $2,117.43. It is to be borne in mind that all the officers of the Council serve without salary. The balance in the treasury will prove a decided help in putting the Plan of Federal Union into operation. The address of the Treasurer is 317 Home Avenue, Avalon, Pa.

XVII. DELEGATES.—Delegates to the supreme judicatories of the constituent Churches were appointed as follows:

Reformed Church in America.—Rev. J. Preston Searle, D.D.
Presbyterian Church in the U. S. A.—Rev. George Alexander, D.D.
Presbyterian Church in the U. S.—Rev. D. C. Lilly, D.D.
Reformed Church in the U. S.—Rev. Frederick C. Seitz, D.D.
United Presbyterian Church.—Rev. James A. Cosby, D.D.
Associate Reformed Presbyterian Synod.—Rev. R. M. Stevenson, D.D.
Cumberland Presbyterian Church (Colored).—Rev. J. M. W. DeShong.

The Minutes of the Council are herewith submitted to you for your consideration, the above compendium of the work of the Council being for general distribution through inclusion in the Minutes of the respective supreme judicatories.

With sincere respect, yours fraternally,

GEORGE L. OMWAKE, *President.*
WM. H. ROBERTS, *Stated Clerk.*

III. REPORT OF THE FEDERAL COUNCIL OF THE CHURCHES OF CHRIST IN AMERICA.

To the Constituent Bodies of the Federal Council of the Churches of Christ in America:

The progress of coöperation and federation on the part of the Protestant churches has been greater during the past three years than during all the preceding period of the existence of the Federal Council. The activities necessitated by the war have contributed to this end. While due to special exigencies, they were carried on by normal processes and thus have assumed permanent form and existence. The General War-Time Commission of the Churches, under the chairmanship of Dr. Robert E. Speer, adopted policies and measures with the deliberate intention of such conservation. Its work was not performed in an independent manner, but, in accordance with the prevailing policy of the Council, through the denominational commissions working in close coöperation. Perhaps it is for this reason that the magnitude of the work has not been adequately estimated. It appears in the volume issued recently, entitled "War-Time Agencies of the Churches," which is hereby submitted as a part of this report and will appear still more fully in the final report of the General War-Time Commission soon to be issued.

The work of the Commission was prosecuted in such coöperative relations with the other departments of the Federal Council that, when the war was

ended, the Commission was ready to dissolve and leave the conservation of its work to the permanent body. It had created no superfluous machinery. The carrying on of the service thus inherited from the War-Time Commission necessitated some reorganization in the administration of the Council and also a greatly increased budget.

The enlarging area of coöperation has so extended the relationships of the Council, and its increasing responsibilities have necessitated such immediate action on important measures, that the Administrative Committee has been reconstituted, by authorization of the special meeting of the Council held in Cleveland in May, 1919. It had become obvious that many important subjects could not await reference to an Executive Committee, meeting annually, and yet ought not to be dealt with by a sub-committee of the Executive Committee. It seemed clear, therefore, that the Administrative Committee, which meets each month, should consist of direct representatives of the constituent denominations. It was equally apparent that, in the interest of effectiveness and the avoidance of duplication, various other bodies, notably the Home Missions Council, should be in constant conference with the Administrative Committee.

That Committee has, therefore, been reconstituted in such a way that it now includes direct representatives officially designated by the appointing powers of the constituent denominations and of representatives, as affiliated bodies, of the Home Missions Council, the Council of Church Boards of Education, Sunday School Council of Evangelical Denominations, Federation of Woman's Boards of Foreign Missions and the Council of Women for Home Missions.

Increasing coöperation has also developed with other bodies not officially constituted by the churches and yet approved by them, and therefore representatives, of the American Bible Society, the International Committee of the Young Men's Christian Associations and the National Board of the Young Women's Christian Associations have been added to the Administrative Committee. Representatives of two other bodies have been made consultative members: the Committee of Reference and Counsel of the Foreign Missions Conference of North America and the Committee on Coöperation in Latin America. The Administrative Committee of the Federal Council is, therefore, now a body genuinely representative and democratically and effectively constituted to consider our entire range of Protestant interests.

The various commissions and other committees of the Council are being similarly reconstituted to the end that they may directly represent the constituent bodies. The commissions of the Council are of two kinds—those which coördinate the activities of existing denominational agencies and those which carry out tasks not now undertaken by other agencies. The Commission on Evangelism, for example, is of the first type, being organized to bring together for more united and effective action the official representatives of the committees on evangelism appointed by the various denominations. The Commission on Relations with the Orient is an illustration of the second type, dealing, as it does, with a sphere of Christian interest for which special denominational agencies do not exist. In the case of commissions of this latter kind, where there are no corresponding denominational departments to be represented, it is none the less the avowed policy of the Council to make the Commission genuinely representative of the whole constituency.

It cannot be said as yet that the coöperative relationships thus provided for have been fully established in practice. This coöperation is, however, proceeding in an increasing degree as concrete questions arise, and the Federal Council may readily be made a body fully adequate to all of the interests concerned as rapidly as the constituent elements, denominational and interdenominational, may find it desirable.

The whole movement for Christian coöperation is in some peril at the present moment on account of confusion resulting from the many different and generally unrelated movements in its interest. The sense of denominational responsibility in the constituent bodies of the Federal Council has seldom, if ever, been so strong as at the present moment and it is rapidly deepening. At the same time, there is a general and genuine spirit of coöperation. In this situation, characterized by more or less confusion resulting from the fact of various interdenominational and union movements, the Federal Council holds a strategic position. It is a clearly defined, solidly constituted organization which directly

represents the denominations themselves. For the fullest and most responsible coöperation such a representation of the denominations as corporate entities is essential. Upon the life and vigor of the Federal Council, therefore, the entire coöperative movement seems largely to depend. What the Council has achieved during the past decade has been the chief factor in making possible other coöperative movements, and it continues to be an important factor in conserving the work of those movements. It is, as our religious institutions are now constituted, the backbone of the whole coöperative undertaking. Its solid foundation, laid by the official action of the denominations themselves, and its steady development, puts it in a position to make particularly important contributions in the interest of permanent stability. This being so, the immediate future of the Federal Council is of the highest significance to the Christian world at large.

Structurally and constitutionally the Council is thoroughly representative of the denominational bodies. Its powers are determined by the denominations themselves. So far as they are willing to delegate to their Council additional powers or responsibilities it is in a position to advance into expanding spheres of service. It would seem, therefore, that it should be, in the last analysis, the body to which the churches should look for permanent, substantial and wisely considered coöperation.

Hence the strengthening of their Federal Council would seem to be one of the most important tasks to-day before the constituent bodies; and the proper relationship between the Council and the other permanent and established interdenominational organizations affiliated and coöperating with it, or which should be affiliated and coöperating with it, is one of the most important considerations before the entire group of interdenominational bodies.

The chief need at the present moment is for an actual intimacy of relationship between the denominations and their Council and, through the Council, between the higher governing bodies of the denominations themselves, such as has been provided for under the present administrative arrangements of the Council.

In order to provide for the expansion of this common work, the Council is increasing the executive staff as rapidly as the resources will warrant and the right men are found. Up to the present the work has been accomplished by a very small secretarial force. It is expected that in the near future more adequate executive organization will be provided, to consist of additional general secretaries and of secretaries for certain of the commissions not now adequately provided for.

The recent experience through which the nations of the world have passed has emphasized the necessity of coöperation not only in national affairs but also in international relationships in every sphere of human activity. This should be true of the Churches above all other institutions. In the face of the new situation the Federal Council has entered into fraternal and practical relations with similar federated Church bodies in European countries. The coöperation thus far undertaken has already revealed the significance of the Federal Council, as representative of the Protestant forces of America, not only in the religious life of our own land but in relation to the Christian forces of the world. The present international contacts, developed largely through sympathetic response to expressed needs of our sister churches in Europe, clearly indicate the importance of an external expression of the spiritual oneness of the Church universal.

THE PRESENT AREA OF SERVICE. It is difficult to present in a concise report the present scope of the Council's work or to give an adequate comprehension of its service. The appropriate committees of the constituent bodies should review the Annual Reports for the year 1919, which are submitted with this report.

The Central Department, at the National Offices in New York, is first of all the general correlating and guiding agency for the various departments and commissions whose work is considered month by month by the Administrative Committee. In addition to this the Central Department administers a large area of work not falling to the commissions and departments or relating to those which have no executive secretaries. One of its most important tasks at the present time is the arrangement for the proposed preliminary conference at Geneva, in August, 1920, looking towards an Ecumenical Conference of the

churches of the world, in response to requests from several religious bodies in Europe.

The Washington Office has recently been organized in a manner that makes it an effective headquarters of Protestant interests at the national capital, under efficient administrative care, with a coöperating committee consisting of representatives of the constituent bodies. At the present moment one of the outstanding activities is that carried on in association with the War and Navy Departments in their program of Education and Character Building. The same sort of appropriate relationships are being established with other Departments of the Government.

The Commission on Interchurch Federations now finds a well prepared field ready for the establishment of organized and financially supported federations in local communities, its work being limited only by its resources in the way of men and funds to carry out its plans. Important City Federations have been established during the year, including Boston and San Francisco. There are now 44 Federations with headquarters and executive secretaries.

The Commission on Evangelism is rapidly taking that place of prominence which belongs to it and is developing a type of Evangelism whose results are permanent. It is mainly concerned with pastoral evangelism, beginning its work with the theological seminaries, by whose faculties and students its Secretary has been warmly welcomed. The Commission has initiated a type of evangelism, known as simultaneous evangelism, which is proving very effective in securing permanent results.

The Commission on the Church and Social Service is a body which, after ten years of effective work, has secured in large measure the confidence of both the churches and of various social institutions. It has proceeded with its work in recognition of the fact that the churches are made up of men and women of all forms of social faith from the most conservative to the most radical. It has avoided both the reactionary and the spasmodic tendencies of the time and has proceeded along the line of the more patient and permanent evolutionary methods. No similar body in the country has obtained more general confidence on the part of men and women who believe in social advance through the persuasive spirit and educational methods of the Gospel.

The Commission on Christian Education, patiently engaged with the various phases of its task, has clearly shown the need of closer correlation denominationally, interdenominationally and between the various forms and institutions for Christian Education.

The Commission on the Church and Country Life has recently issued a volume entitled "6,000 Country Churches," a reliable survey of the State of Ohio, which, in itself, indicates the value of the service rendered by such a Commission representing the churches. It has been an effective informational and promoting agency. Its staff has rendered important service to the Survey Department of the Interchurch World Movement.

The Commission on Temperance, united with the *National Temperance Society*, under new forms of activity, is coöperating in the effort to make prohibition effective by continued moral education in temperance, to which is now added education in law and order without which the laws themselves can avail little. It has recently entered into coöperative relations for the propagation of temperance work throughout the world. Measures are being prosecuted to increase the distribution of its three temperance papers for adults, young people and children.

The Commission on Relations with the Orient is a most expert and practical, as well as a most idealistic body, dealing with our relationships with the people of the East. It handles these momentous questions in a representative capacity from a viewpoint and with a freedom which effectively supplements and serves the foreign mission organizations. Its wise and effective treatment of the delicate Korean situation is a striking illustration.

The Commission on International Justice and Goodwill was the first body of its kind and was in large measure the creator of other bodies which have now developed world relationships among the churches in the interest of its task. It works in coöperation with these bodies, and represented the Protestant evangelical churches of America in the recent international gathering at The Hague.

The work of this commission necessitates joint arrangements with other bodies, illustrated by the *Joint Committee on Ministerial Exchange*, which was

instituted by the Federal Council for the exchange of visiting ministers and laymen between the churches of our own and foreign nations.

As important occasions arise, committees are appointed under the authorization of the Administrative Committee of the Council, such as the *Committee on Relations with Mexico*, whose utterances are said to have had wide effect in Mexico, as well as in shaping the thought of our own people and their representative officials.

The Committee on Foreign Missions acts in coöperation with the Committee of Reference and Counsel of the Foreign Missions Conference, to forward movements of coöperation and unity, and especially, by its annual reviews, to keep before the churches the attainments already made in missionary federation, coöperation and unity.

The Commission on Relations with France and Belgium, and the less official committees which preceded it, have received from the constituent denominations and direct individual contributions, since the beginning of the war, about $750,000, and during the year 1919 about $245,000.

It brings together the constituent bodies having work or related work in France and Belgium for coöperative service in these countries and enlists the interest of other denominations in an evangelical work which is most strategic for Christianity throughout the world.

The Commission on Relations with Religious Bodies in Europe is now in close fellowship with federal councils, federations and similar joint bodies in practically all European countries and will, during the coming summer, send commissioners to visit and confer with our various sister churches in Europe.

The Commission is in receipt of appreciative words from several of these federated bodies recognizing the influence of the Federal Council in inducing or assisting coöperative movements in these other nations.

It is perhaps not impossible that the hope expressed by the great commissioner from the Swiss churches may be realized, of forming a real World Federation of Federations, or at least one which shall bind together the European and American evangelical bodies.

This Commission is endeavoring to stimulate the work of physical relief in the needy European countries, as well as the relief of suffering churches.

The Committee on the War and the Religious Outlook is issuing several volumes which will be of the highest importance in interpreting the influence of the war upon religion and the present tasks of the churches, among which will be one on the present status and the future development of Christian coöperation and unity.

While this Committee is now completing the particular task entrusted to it, the actual work will be continued under the direct guidance of the Council, its work having demonstrated the necessity for the constant study of the common movements of the churches and their interpretation to the churches.

The Committee on Negro Churches, functioning during the war as the Committee on the Welfare of Negro Troops, rendered important service in the camps and abroad and, in coöperation with a similar committee of the Home Missions Council, is working with the approval and appreciation of our colored brethren.

The Committee on the Mayflower Tercentenary, appointed by the Administrative Committee, has initiated the American Mayflower Council, which has become a comprehensive body to insure an adequate celebration of the Pilgrim Tercentenary in its religious and spiritual significance. This Council is coöperating with similar bodies in Great Britain and Holland.

The Quadrennial meeting of the Council in Boston in December will be characterized by a special observance of the Tercentenary in which it is expected that practically all the Protestant evangelical bodies will unite.

The Editorial Council of the Religious Press, organized by the *Department of Religious Publicity*, has brought together practically all of the editors of the religious papers and has been duly recognized as a Commission of the Council under authority of the special meeting at Cleveland in May.

The various lines of activity, stimulated and enlarged by the war and which could only be gradually diverted into the various Commissions of the Council, have been cared for by a *Continuation Committee* appointed by the *General War-Time Commission* when it went out of existence.

This review forbids any attempt to give record of the almost daily incidental service rendered by the Council in matters such as war relief and other general

matters. This is largely rendered through the *Printing and Publication Department* which is the coöperative workshop of the Protestant churches.

Various committees are appointed from time to time to meet special needs that appear, such as the *Committee on Religious Work in the Canal Zone*.

There has been brought together a group of interdenominational bodies to consider again the question of a common building in New York.

Accompanying this report are the following volumes, for more detailed information concerning the work of the Council:

"Volume of Annual Reports for 1919."

"War Time Agencies of the Churches."

"The Year Book of the Churches."

"6,000 Country Churches."

As our constituent bodies review the work of the Council we venture to call attention to the care which has been taken to carry out the frequently enunciated policy of never setting up a new piece of machinery when the matter under consideration could be carried out in coöperation with a body already in existence. Indeed, it may be said that one of the most important functions of the Federal Council is that of studying the whole field and of allocating common service, not only to its own departments but to various other bodies, in the interest of effectivenss and the avoidance of duplication. This is of the highest importance at the present moment when the danger must be clearly recognized of the multiplication of federative organizations. The Council often initiates movements which are not organically connected with it but which take wider scope, in coöperation with other bodies, such for example, as the American Mayflower Council.

Financial Resources. The Federal Council finds itself under obligation to call to the attention of its constituent bodies the necessity for permanent financial support.

The present denominational apportionments, amounting to a total of about $12,000 a year, were determined upon when the total budget of the Council was about $20,000.

The budget for the present year is a little over $300,000, of which about $50,000 is practically assured from contributions on the part of constituent and coöperating bodies.

The increase in the budget has been partly due to normal expansion and partly to the permanent activities developed during the war. The General War-Time Commission turned over to the Council and its other Commissions a large amount of work which required permanent activity, without, however, being able to hand over the necessary resources, beyond those required to complete obligations incurred and finish work which belonged to it, because the War-Time Commission itself had been largely supported from the denominational commissions which themselves went out of existence.

The funds, other than the small denominational apportionments, have been secured in the main from personal contributions from about ten thousand individuals interested in the work of the Council.

The situation has been complicated by the denominational campaigns associated in the Interchurch World Movement, because our individual givers have assumed that these campaigns were covering the whole field of both denominational and interdenominational work. The following action of the Executive Committee of the Interchurch World Movement points out the difficulty:

"The Executive Committee of the Interchurch World Movement recognizes the difficulty caused the Federal Council of the Churches of Christ in America by the financial campaign. Near the beginning of the Movement the following article in a mutually accepted statement of coöperative principles was agreed upon:

'In its financial campaign the Interchurch World Movement should take into account its effect on the financial support of the Federal Council and arrangements should be made whereby the Federal Council should be protected.'

"The Executive Committee regrets that under the limitations specified by some of the denominational bodies, no provision could be made for this im-

portant matter by the Interchurch World Movement itself and that no specific or adequate provision was made in the denominational budgets, with one or two exceptions.

"The support of the Federal Council is almost entirely by individual subscriptions, and it was inevitable that a considerable amount hitherto contributed to the Federal Council should be absorbed into the funds raised by the Interchurch World Movement campaign. Experience proves this to be the case.

"The Executive Committee of the Interchurch World Movement, therefore, requests the constituent denominations of the Federal Council, the denominational campaign committees and the individual supporters of the Federal Council to assist in adjusting this matter for the present year. The Executive Committee itself will do whatever may be recommended by the denominational assemblies.

"The foregoing action is taken by the Executive Committee of the Interchurch World Movement with double readiness, because it recognizes the effective and hearty coöperation of the Federal Council, as well as its staff, and because it fully recognizes the necessity of making adequate provision for the carrying on of the work of the Federal Council which has been approved by the churches and which is indispensable to their interests."

This matter has been taken up with the denominational representatives on the Administrative Committee of the Council, who have been requested to make it the subject of consultation with the constituent bodies.

It has been suggested that the portion of the budget covering the Central Department, the Washington Office and the Religious Publicity Service, amounting to about $150,000, be supplied, so far as possible, by denominational apportionment, leaving the work of the Commissions to be provided for by apportionments of the corresponding denominational organizations when possible and by personal contributions to be secured by the Administrative Committee.

We recognize that the denominational bodies vary in the amount of their resources to an extent that does not altogether accord with the size of their membership, and will therefore endeavor to adjust the situation in accordance with whatever action the several constituent bodies may be able to take.

It is our belief that a much larger share of the budget ought to be provided by apportionment, especially in view of the situation created by the present denominational campaigns associated with the Interchurch World Movement. Arrangements might be made whereby denominational budgets should include an item for interdenominational obligations, out of which apportionments to the Federal Council could be made.

We trust, however, that for the present year 1920, owing to the unusual situation created by the denominational campaigns in the Interchurch World Movement, such response will be made as will tide over the present emergency.

RELATIONS WITH OTHER COÖPERATIVE MOVEMENTS. Since the last report of the Federal Council to its constituent bodies, the Interchurch World Movement has developed, growing out of a practical emergency largely occasioned by the several denominational forward movements, to survey their fields and to secure the resources necessary to an occupation of them.

There has been more or less constant consultation between the official representatives of the Interchurch World Movement and the Federal Council, and more particularly between the General Secretaries of the Movement and of the Council. The Council's staff of secretaries and its machinery have been placed at the disposal of the Interchurch World Movement in hearty goodwill, in all those matters authorized by constituent denominations of the Council.

While there has thus been as much consultation as the pressing immediateness of the Interchurch World Movement would permit, and while there has been, we think, the fullest possible coöperation on the part of the Federal Council, it would not be true to say that there has been no duplication, either of organization or of practical work.

The Interchurch World Movement arose out of a special exigency, to meet special conditions and to do a particular task. It is now highly essential that wise provision should be made for the conservation of all permanent results.

Another movement that has appeared since the last report of the Federal Council is the proposal of the Ad Interim Committee of the Interchurch Council on Organic Union.

Your Administrative Committee fully recognizes that the Federal Council is concerned solely with denominational coöperation and has no warrant to take up the question of organic union unless authorized to do so by the constituent bodies. Inasmuch as the proposals of the Ad Interim Committee have been brought before the Federal Council they are referred to you for careful consideration as to how they may best be treated in the light of all the interests concerned.

We should assume that, if certain of our constituent bodies should choose to enter into organic union or unions, the newly formed body or bodies would continue to be constituents of the Federal Council, in order to preserve relationship with the other evangelical bodies which may not elect to adopt the principles of organic union.

In the midst of this situation, when so much careful thought is necessary, we would call your attention to the fact that there are two committees giving earnest study to the whole question of the future of Christian coöperation—a committee appointed by the Committee on the War and the Religious Outlook, independent of relations to the Federal Council or other organizations, composed of a few representative men in whom the various churches repose confidence, to deal with the underlying principles; and a committee appointed by order of the Federal Council to consider particularly the practical steps that the existing situation demands. The Committee on the War and the Religious Outlook is expected to submit its report by the end of the summer. The committee of the Federal Council is to report at the Quadrennial Meeting of the Council in December.

In concluding this report we would make certain suggestions for definite action by the constituent bodies.

I. We urge that in filling vacancies or electing new members to the Federal Council due thought be given to the selection of members who will be sure of attending the important Quadrennial Meeting in December and who will be thoroughly representative of all the great interests concerned.

II. Since these interests are not only nation-wide but of world-wide significance, we invite your special interest in the proposed Ecumenical Conference. In appointing the preliminary Committee on the Conference, authorization was asked of such appointing bodies as were available. We now ask that our constituent bodies definitely appoint either the present members or others, in order that, after the proposed preliminary conference at Geneva, that committee may be in a position to report back the findings to our constituent bodies for approval.

III. We request your careful consideration of an increased financial apportionment to the Federal Council in view of its increased responsibilities.

IV. We recommend that you authorize the Federal Council to appoint a committee which shall be fully representative of its constituent bodies and whose members shall be selected with the approval of their appointing powers, to enter into conference with the Executive Committee of the Interchurch World Movement and to hold such other conferences as may be found necessary, with a view of recommending the wisest procedure in the interest of the coöperative movement as a whole.

For the sake of making the largest impact upon our American life and for the sake of joining with Christians of other lands in the world task of the whole Church, the coöperative relationships of the churches must be brought to the point of maximum effectiveness. This, we believe, can be brought about only as the churches are themselves represented in a democratic way in such a body as the Federal Council which they have created. In its coming into being, in its increasing development, in its potential significance for the future, we see the Spirit of the Living God at work in His Church.

In all these matters that affect our interdenominational life we are, however, not concerned with organizations in themselves or with questions of priority and prerogative. The organization is only a means to an end. Our sole concern is for the fullest possible coöperation, and for that only because we regard it as absolutely indispensable to the progress of the Kingdom of God. To feel the continued guidance of His Spirit in all the problems and tasks that lie ahead is our one great and constant need.

VI. General.

There will be two summer schools held this year. The School of Theology, July 5–24th, will have fourteen in its Faculty; the School for Christian Workers, July 26th–August 7th, will have twelve in its Faculty. Last summer the aggregate attendance at the two Schools was 154.

By means of our Summer Social Fellowships we are sending four of our students to New York City and Auburn for study of the city problem during the summer months. This has proved to be one of the most desirable methods for theological students to become acquainted with the great city problem. They devote eight months of undivided attention to their seminary duties, and three months of undivided attention to Social Settlement work.

There are ten Oriental Fellowships available for native ministers of Japan, China, and the Philippines who have taken a theological course in their own country and desire to pursue post graduate studies in this country. These Fellowships yield $350 per year.

Royal Edmund McGowan, of the Graduating Class, was awarded the Joshua I. Maxwell Fellowship for 1920–21.

Samuel R. McKinstry, of the Middle Class, won the Newberry Scholarship for 1920 offered by the General Board of Education.

Rev. John Quincy Adams, D.D., Librarian, was appointed a representative of the Seminary to the Centennial Celebration of the beginning of Missions in the Hawaiian Islands, which was held April 11–16th. Dr. Adams was granted a leave of absence in order to meet this appointment and Auburn Seminary was the only Seminary represented at the celebration. It was fitting that the Seminary should be represented at this celebration, as it furnished, during the period when missionaries were sent to those islands, more missionaries than any other Seminary, many of whom were the outstanding men in establishing the Christian Church there.

Rev. John Baillie, A.M., of Edinburgh, Scotland, has been lecturer in theology during the year. He has commended himself to us so highly that the Board of Directors, on the unanimous recommendation of the Faculty, in February unanimously elected him as Richards Professor of Christian Theology. Mr. Baillie has accepted the election. He is a graduate of Edinburgh University and of the United Free Church College, was an examiner and Lecturer in Philosophy in the University, and throughout the four years of the War was in France in charge of the Educational Work of the British Army Y. M. C. A. He is a scholar of large attainment, a teacher with rare gifts, a man of genial spirit, and a Churchman who delights to speak of himself as a convinced Presbyterian.

The Seminary has entered upon a Forward Movement for recruiting for the ministry and for the increase of its endowment. Both of these undertakings are being vigorously prosecuted.

While the Seminary has not fully recovered from the effects of the War, it has rallied to a certain extent and there are indications of improvement in attendance and morale.

Respectfully submitted for information of the Assembly, on behalf of the Faculty.

HARRY LATHROP REED, *Clerk of Faculty.*

VI. Curricula.

No new courses of study have been added during the term which has just closed, but the faculty continue emphasizing those aspects of theological study which will prepare the candidate to grapple with the problems of modern life in the America of to-day. Special attention is paid to the study of the English Bible in both the Old and New Testament Departments. Of the forty-seven term hours of classroom work required for graduation, eight term hours are taken up with the exact study of the Bible in the English Version, or, in other words, nearly one-sixth of the student's time is concentrated on the Bible in English. Equal emphasis is laid upon studies which will prepare men for the foreign mission field, and courses have been provided in Comparative Religion, Phonetics, and the history and methods of missionary enterprise.

VII. Needs.

The high cost of living has brought a very serious problem to the Seminary Trustees. The salaries of the professors need to be increased in order to enable them to meet the increased cost in the necessities of life. The Board of Directors have voted an increase, but the Board of Trustees have been unable to find funds. The endowment of the Seminary is entirely inadequate to meet the regular expenses of the Seminary. During the fiscal year of 1919–20 the total receipts from endowment were $49,324.84, while the expenses amounted to $64,366.14. If the churches and the friends of the Seminary had not contributed $9,553.00, the Trustees would have faced a very serious deficit. To meet the increased cost of fuel and supplies, and to provide more adequate salaries, the Seminary needs an additional endowment of not less than $300,000.

VIII. General.

Since the last annual Report to the General Assembly the following endowments have been received:

From Mrs. R. A. Watson, widow of the Rev. Robert A. Watson, D.D., a member of the class of 1874, the sum of $1,000, to endow a prize in Hebrew.

From Mr. R. D. Campbell an endowment of $2,500, for a student loan fund.

From the Keith Bible Class of the First Presbyterian Church of Coraopolis a sum of $2,000 for the endowment of the Michael Wilson Keith Memorial Homiletical Prize, in memory of the Rev. Michael Wilson Keith, D.D., a former pastor of the church and founder of the Bible Class.

VI. REPORT OF THE COMMITTEE OF EXAMINERS.

May 12, 1920.

To the Faculty and Trustees of Lane Theological Seminary:

We, the appointed examiners and visitors of the Synods of Ohio and Indiana and their several Presbyteries, have attended the public examinations of the Seminary held on May 11 and 12, 1920.

It is gratifying to note the high spiritual quality of the students and the fine fellowship which exists among them and between the members of the student body and the faculty.

The examinations reveal a peculiarly constructive method of teaching which leads men to think through facts and truths for themselves.

In these days of liberal thinking it is refreshing to find men who are adhering to the fundamental evangelical doctrines for which the Presbyterian Church has always stood, and are successfully applying them to modern problems.

We heartily commend the Seminary to the attention and support of the ministers and churches of the Synods of Ohio and Indiana.

The Board of Visitors and Examiners.

GEO. D. McCULLOCH, *Chairman*,
FRANK L. FREET, *Secretary*.

VII. GENERAL.

The year has been one of steady and sustained effective work. The spiritual tone of the students has been high. The attendance has increased beyond that of last year, though falling short of the pre-war attendance. We believe that with the increasing numbers who are entering the colleges of the country, that all the seminaries will have the experience which followed the Civil war; a marked and disquieting falling off in numbers, followed, after a brief period, by an increase which broke all records.

The resources of the Seminary have been increased by generous gifts from the estate of Miss Eliza J. Kyle, and that of John Webb, Jr., both in life, warm friends of the institution.

The work in the department of public speaking has been strengthened, and will be strengthened still more the coming year. Mr. Benjamin C. Van Wye, Professor of Public Speaking in the University of Cincinnati has charge of this department.

Judge Aaron McNeill, an elder in the Norwood Presbyterian Church, and an honored member of our Board, has lost a devoted wife, whose wedded fellowship has extended over fifty-three years, and the Seminary has lost a devoted friend and helper. She was a woman of warm and active faith, abounding in good works, and binding to her with cords of love all who knew her, young and old. But our beloved brother sorrows not as those who have no hope.

Rev. L. E. Holden, D.D., LL.D., President of The James Millikin University; Rev. Frank H. Stevenson, Pastor of the Church of the Covenant, Cincinnati; A. O. Bing, of the Union Savings Bank & Trust Co., Cincinnati; Cecil H. Gamble, Cincinnati, were elected to the Board of Trustees.

We are looking toward to the future with enlarged hope.

WILLIAM McKIBBIN, *President*,
LEWIS EARLE LEE, *Secretary*.

III. Students.

The number of students enrolled for the year was 38, all of whom were pursuing undergraduate courses; no graduate courses were offered during the session. Conditions brought on by the war, and the smaller number of young men offering for the ministry, especially in the region from which this Seminary naturally draws most of its students, will account for the decreased attendance. It is gratifying to say, however, that the number of new students enrolled, with the return of several who had been in war service, is encouraging.

Eight young men were graduated on May 4, seven of whom received the degree of Bachelor of Divinity, and one the Diploma without the Degree certifying to his having completed the regular course of study, with the exception of Old Testament Exegesis.

VI. General.

1. The Board records with deep sorrow the loss to the Seminary of the Rev. Robert Alexander Webb, D.D., LL.D., for eleven years professor of Apologetics and Systematic Theology, and the Rev. Thompson McDonald Hawes, D.D., for twenty-six years professor of Elocution and Public Speaking. Dr. Webb passed away in his apartment at the Seminary in the early morning of May 23, 1919, and Dr. Hawes at Oakland, Md., on the morning of August 29, 1919. Services in memory of these Christian men and able professors, to whom the Seminary is so largely indebted, were held in the Harbison Chapel of the Seminary on October 25, and the Quarterly Register of the Seminary for the third

quarter of 1919 was made a Memorial number to Dr. Webb, and that of the fourth quarter, a Memorial to Dr. Hawes.

In the emergency created by these bereavements the Board was favored in securing the services of Rev. Angus R. Shaw, D.D., as Acting Professor of Theology, and the Rev. Dunbar H. Ogden, D.D., as Acting Professor of Apologetics. The full course of Public Speaking was given by Prof. J. Gray McAllister, D.D.

The Seminary suffered an added affliction in the death, on February 13, 1920, of Mr. Lattie A. Bain, of Dunn, N. C., a member of the senior class, and a young man of earnest piety and of every promise of a useful ministry.

2. The Rev. Charles R. Hemphill, D.D., LL.D., President of the Seminary for the past ten years, and the first to hold this office, asked to be relieved from the duties of this position. At the meetings of the Board, for several years, Dr. Hemphill has expressed the desire to give up the Presidency and to devote himself entirely to his professorial duties, so soon as the financial condition of the Seminary would allow an addition to the staff and an acceptable successor could be secured. These conditions appeared to the Board to be met, and Dr. Hemphill's resignation was accepted, with the proviso that he is to continue in office until a new president is elected and enters upon his duties. When his successor qualifies, Dr. Hemphill is to become Dean of the Seminary.

The Board proceeded to the election of a president, and the Rev. John M. Vander Meulen, D.D., pastor of the First Presbyterian Church, Oak Park, Ill., was unanimously elected to the office of President of the Seminary. Dr. Vander Meulen was reared in the Reformed (Dutch) Church, and his ministry has been given to this church with the exception of five years as pastor of the Second Presbyterian Church of Louisville, and three years as pastor of the church at Oak Park. Dr. Vander Meulen has not yet given his answer to the call of the Board. In accordance with the Seminary's constitution, this election is reported to the Assembly for its approval or disapproval.

3. The Board proposes to make every effort to fill the Chair of Theology with a permanent Professor before the beginning of the next session. Should it be unable to do this Dr. Hemphill, at the Board's request will teach the course in Theology, and the Board has authorized the Executive Committee to engage any additional instructors that may be needed to maintain the full curriculum of studies.

4. The Board reported the founding of two scholarships of $2500 each: one is established by a Presbyterian of Louisville, who wishes the name withheld, in memory of the Rev. Neander McAfee Woods, D.D., LL.D.; the other is the Wallace Lillard Lyons Memorial Scholarship, and is established in memory of Mrs. Lyons by her husband, the Rev. J. Sprole Lyons, D.D., of Atlanta, Ga., and her two sons, Rev. J. Sprole Lyons, Jr., and Mr. William Wallace Lyons.

Since the last meeting of the Board, information has been received concerning two bequests to the Seminary. Mrs. Sarah S. Barnes, of Kansas City, Mo., has bequeathed one-half of her residuary estate to the Seminary, on the death of her sister; and under the will of Mr. Henry B. Keene, of Washington County, Ky., almost all of his estate is bequeathed to the Seminary, subject to the life estate of his two sisters. It is expected that these bequests will eventually bring to the Seminary $100,000, or more.

5. The Board learns with great interest that a movement has been instituted for the publication of Dr. Webb's lectures on Theology, and expresses the hope that these matured studies of this great theologian may be given to the church.

Respectfully submitted,

PEYTON H. HOGE, *Secretary.*

Early in January, 1920, Captain Robert Dollar, the president of our Board of Trustees, presented the Seminary with $50,000 to create a foundation for the support of a professor of Christian Sociology and Librarian. On the 21st of January the Board of Trustees met and gratefully accepted this generous gift. It was determined that this foundation should be named for Mrs. Dollar, and that the incumbent of this position should be called The Margaret S. Dollar Professor of Christian Sociology and Librarian. Upon the suggestion of Captain Dollar, the Rev. Lynn T. White, D.D., Pastor of the Presbyterian Church in San Rafael for the past twelve years, was unanimously elected the first incumbent of this chair. Dr. White has been the efficient instructor in Christian Sociology in this Seminary for the past six years. He will be expected to divide his time between the work of the chair and the library. Under his direction the library is to become a circulating library for the ministry of the entire Pacific Coast,

as this was one of the purposes which Captain Dollar had in mind in creating the foundation.

At the annual meeting of the Board, April 28, 1920, Rev. Edwin Forrest Hallenbeck, D.D., pastor of the First Presbyterian Church of San Diego for the past eleven years, was unanimously elected Ladd Professor of Practical Theology. VI. Curricula.

Beginning with the session of 1920-1921, the degree of Bachelor of Divinity, which has been given heretofore to those only who did required work in addition to the ordinary undergraduate course, is to be conferred upon all students who have had the measure of preliminary education required of candidates for licensure in our Form of Government, Chap. XIV. Secs. 3 and 4, and who complete the full course of the Seminary and graduate therefrom. To others who complete the course a certificate of graduation will be given showing the work done.

The degree of Master of Theology (S.T.M.) has been established for the encouragement of higher attainments in theological study. To be entitled to this degree one must have first obtained a college degree of B.A. or its equivalent, and must be a graduate of this or some other approved theological seminary whose required course includes Hebrew and Greek exegesis. At least one year must elapse after receiving the B.D. degree, before one can obtain the degree of S.T.M. Other conditions are that the candidate must earn not less than twenty additional units (a unit representing one hour a week of curriculum work throughout one Seminary semester) above those required for the B.D. degree under the supervision of the Faculty of this Seminary. Not less than twelve of these units must be won by work done after graduation. The candidate must also present a thesis of not less than 10,000 words showing original thought or investigation on some topic approved by the Faculty.

A new feature in our activities has been the expert instruction in Home and City Missions given to all students who are engaged in any kind of mission and church service in the San Francisco Bay Region by the Rev. R. S. Donaldson, D.D., Executive Secretary of the Board of Church Extension of San Francisco Presbytery. Every Monday morning they have met in his office in San Francisco for an hour to discuss the problems arising in connection with their work and to be guided in the making and prosecuting of further plans.

Hereafter more extended and detailed instruction is to be given to women who are preparing for missionary service and parish work. This will be done under the general direction of the Professor of Christian Sociology. Arrangements have been made with the Pacific Coast Field Committee of the Young Women's Christian Association for a Seminar of two hours per week. This will be given

by experts provided by the Association. A variety of topics will be treated relating to American and Foreign women and girls and their problems.

VII. Needs.

There are many needs to be supplied if this Seminary is properly to do its work in this great and growing region of our country. The most pressing at present are:

$75,000 for Scholarships, the present number being entirely inadequate for the increasing number of students.

$100,000 increased endowment for the various chairs, to produce an income to increase the salaries of the professors, as a Faculty cannot be maintained on the present salaries, which are smaller than in most other seminaries.

$40,000 to provide for the maintenance of a Woman's Dormitory, as increasing demands are made on the Seminary to train women for mission service and parish work abroad and at home.

$10,000 the income from which shall provide new books for the library.

VIII. General.

The Seminary began its forty-ninth year September 18, 1919, with an address by Prof. Hugh Henry Bell, D.D., on "With our Soldiers Overseas." It closed with appropriate graduating exercises on April 29, 1920, Rev. Walter Hays, D.D., of Palo Alto, Cal., giving an address on "A Candidate for Christian Baptism."

Preparations are being made for the celebration of the Fiftieth Anniversary, which will occur in 1921.

The graduating class have created a fund of $1000, as a prize in Christian Sociology, the income of which is to be awarded annually to the author of the best essay on some social question of historical or contemporary interest.

A Summer Conference for Presbyterian Young People was held at the Seminary from July 28th to August 3rd, 1919 under the auspices of the Board of Publication and Sabbath School Work. Rev. William Ralph Hall was in charge. There were present 103 registered students, besides twenty leaders. The second Annual Conference of this character will be held the coming summer from July 29th to August 4th. A largely increased attendance is expected.

The fourth annual Student Volunteer Retreat was held March 27th and 28th. Nearly 100 Volunteers from central California were present and were the guests of the Seminary as usual. Addresses were given by leading missionaries and ministers and important conferences were held.

Through the kindness of Mrs. E. K. Wood of San Anselmo one of the large rooms in the third story of Montgomery Hall has been fitted up as an infirmary. Three beds have been provided, and the necessary electrical and other apparatus installed. Provision is thus made for satisfactory treatment in the case of illness or accident.

IV. CURRICULA.

Attention is called to the enrichment of instruction. The curriculum gives a standard theological course, founded upon the requirements for ordination in the Presbyterian Church. Many elective courses have been introduced, so that the graduate of the Seminary may equip himself in the most thorough manner.

The degree of Bachelor of Divinity is conferred upon those who have attained the scholarly requirements. The conditions upon which this degree is granted are as follows:

1. Graduation from a standard college.
2. Advanced theological work.
3. A meritorious thesis.
4. High scholarship in all studies.
5. Residence during final year.
6. Approval by Faculty of major and electives in major.
7. Examination in major.

V. Needs.

This statement of needs is written with a burdened heart. There are so many matters of importance in the administrative and educational requirements that one can but refer to them in a general way. We need $150,000.00 to carry on the work for one year. Our deficit this year is $47,000.00 for current expenses; accumulated obligations for land and buildings amount to over $100,000.00. The actual deficit on the annual budget is $80,000.00 a year, which must be raised through personal solicitation. In the immediate past, with higher taxes and the loss of a number of generous friends, our income has been greatly reduced. Whether through the New Era Movement or the Interchurch World Campaign this situation may be relieved, we cannot know at this writing.

In the education of young people of Foreign Birth there are many difficult problems, but we believe the Church can realize advantages of far-reaching benefit both religiously and patriotically. We firmly believe the Institution should occupy a large place in the thought and the plans of the General Assembly.

Unfortunately the school is situated in a Roman Catholic city, and the Protestant churches are not able to assist greatly in relieving the financial problems. The church at large must therefore come to the assistance of Dubuque University if she is to be able to meet financially and educationally the growing demands. For eighteen years I have carried the burdens under most trying circumstances, and now, in behalf of the Board of Directors, request such assistance as the Assembly can grant. The amount recommended by General Assembly, $500,000.00, to be raised to increase our endowment, does not seem sufficient to meet present demands. The raising of an adequate endowment is a heavy task, as the fund must be secured through the personal effort of the already overburdened administration. I trust that the committee to whom this report is referred will plan wisely for the enlargement of this work and the meeting of its financial obligations. With firm faith in God we hope for such assistance as may prove effective.

VI. General.

The name of our Institution has been changed from Dubuque College and Seminary to the University of Dubuque. After six years of litigation with the Roman Catholic college of our city, which also called itself Dubuque College, a compromise was effected, in March, by which it was agreed that our institution shall be known in the future as the University of Dubuque, and the Catholic college as Columbia College. While the name we have chosen is a little pretentious, it was taken to preserve the name Dubuque in our corporate name, and a settlement out of court seemed preferable in order that there might not be the ill feeling that might otherwise have resulted.

VI. New Features.

Bloomfield Seminary has this year 73 students, representing eight nationalities. The student body contains, Russians 23, Italians 14, Hungarians 12, Ukrainians 11. The Russian and Ukrainian groups make a special appeal to our interest and our effort. They are of mature age, evangelical in their convictions, and have broken completely with the Greek Catholic Church. An able professor, Mr. Nicholas Gaefsky, skilled in both languages, has been provided for this group. As under the rules of the General Assembly these young men can not receive aid from our Board of Education at present, the Seminary is compelled to provide for their maintenance and for the salary of their teacher. To meet the larger expense a fund of $5000 is being collected, subscriptions for almost the entire amount being in hand.

Rev. Frank Kovach has been advanced to a full Instructor in Classics and English.

Rev. John T. Kerr, D.D., has been appointed Lecturer on Church Polity.

VII. Elections.

Mr. Delevan Pierson, elected to fill a vacancy in the Board of Directors in the Class of 1919-22, was forced by the pressure of engagements to decline the election. There has been no other change in the Board during the year.

HARRY E. RICHARDS, *President.*

At a meeting of the Presbytery of Newark held April 13, 1920, the foregoing report was ordered sent to the General Assembly, and the above named persons were unanimously elected to serve on the Board of Trustees for a term of three years.

VI. Needs.

The needs of the Country and of the Church have been pressed as never before in the history of this land. As a vital part of both the Country and the Church and as one of the forces that contribute to the well-being of each, we have felt the need of extending and enlarging our work.

The endowment apportioned for this purpose, and approved by the General Assembly, herewith follows:

For New Buildings (Dormitory, Science Hall, Y. M. C. A. Building and Gymnasium)	$150,000 00
For Scholarships and Maintenance	150,000 00
For Full Endowment of Present Professors' Salaries	100,000 00
For New Professorships	100,000 00
Total	$500,000 00

VII. General.

The Board of Trustees released Dean William H. Johnson from most of his Professorial duties, in order to carry to Churches and Individuals the story of our needs for enlargement. An encouraging feature of the campaign is the generous and active coöperation of the Alumni, who have undertaken to raise $50,000 of the amount required. Relatively, we venture the assertion that Lincoln Alumni both in the percentage of numbers, and in the amount of gifts in proportion to income, are ahead of Harvard and Princeton Alumni. The Trustees, Professors and Alumni are all coöperating in this enlargement movement.

We are staggered by the need of greater production of food and material of all kinds, but after all the greatest need is men, ministers and teachers, and this place is a human Farm and Factory.

Rev. Edwin J. Reinke was unanimously elected by the Board of Trustees to the Professorship of English Bible, and has during the year filled the chair with rare ability and fidelity. Both by taste and training he is admirably fitted to keep up the standards of this Fundamental Department. We respectfully ask the confirmation of the Assembly in this election.

We cannot but believe we have reached the ebb of the Post-War Tide. Three students only are graduating this year. One for Africa, and one for the Isles of the Sea, and only one for all of the United States. But there are signs of better days to come. The messenger sent for our College week of Prayer by Dr. Crothers of the joint Committee of the Board of Education and the Evangelistic Committee of the Assembly was Rev. L. L. Downing, D.D., of Roanoke, Va. We said sent by Dr. Crothers, but it would be in a large sense true to say he was sent by God. He gripped the students at once. The Oratory was filled each night, and virtually all who had never made profession of their Faith in Christ surrendered themselves to the Saviour. And quite as important, a goodly number of the young men have declared their purpose to serve God in the ministry.

Such harbingers as this give us good hope of repairing the breaches made by war.

Respectfully submitted,

JOHN B. RENDALL, *President.*

W. COURTLAND ROBINSON, *Secretary.*

VI. General.

The work of the Theological Department of Biddle University for the year now closing has been in many respects very encouraging. The number of students enrolled during the year in this department is 22. Of these, 10 were enrolled in the Senior class. In addition to this number, 30 candidates for the ministry were enrolled in the preparatory and college classes, making a total enrollment of 52 candidates for the ministry in the entire institution.

The crying need of the Seminary is for a new dormitory in which her students, including the candidates for the ministry in the other departments of the university, may be comfortably quartered. Our daily prayer is that this urgent need may soon be met.

Respectfully submitted,

H. L. McCROREY, *President.*

VI. General.

At the late Annual Meeting of the Board of Directors, Dr. A. B. Marshall offered his resignation as President of the Seminary, which was accepted pending the selection of his successor, and he was chosen to serve the Board as President instead of Dr. Purmort, who had moved out of bounds.

The year closed without debt, a substantial increase was made in the salaries of the professors, and the outlook for the future is good.

The immediate needs are $200,000 for endowment, and $100,000 for a new building, and $450,000 additional for like purposes in the next five years.

One-fourth of the congregations of our denomination are nearer Omaha than any other seminary of our Church and so this institution must be equipped for every growing opportunity and usefulness.

ABSTRACT OF THE ONE HUNDRED AND EIGHTEENTH ANNUAL REPORT.

Foreword.—The year just closed has been one difficult to evaluate. It has been a year of great movements which have stimulated home mission work, given it a broader outlook and opened up to it new fields of service of vast possibilities. It has been a year of increased demands upon the Board. The task of the missionary on his field is becoming more complex as higher standards are set for the local church. The field men of the Board have carried a heavier burden, being important agents in the promotion of the Presbyterian New Era Movement and of the Interchurch World Movement.

It has been a year of financial perplexity and, in the end, of financial disappointment. The Board projected a budget on the basis of a certain anticipation through the New Era Movement, which the facts have not justified. The receipts of the year from living givers are $847,158, and the total receipts (exclusive of legacies), applicable to current work, are $978,622. The expenditures for the year were $1,219,223. The net deficit, therefore, is $240,600, which, added to the debt at the beginning of the year, makes the debt, as of April 1, 1920, $479,228. The receipts from living givers exceed those of any previous year, but the per cent. of increase over the year before was not so great as the percentage of advance made during the two preceding years. Moreover, the amounts received represent not 18 per cent. of the benevolent gifts of the Church, as was anticipated by the joint budget, but something slightly in excess of 13 per cent.

It has been a year of great evangelistic advance. Our churches everywhere seem to have caught the spirit of progress and the year has been one of unusual fruitfulness. The purpose of the Board of Home Missions is to help make and keep America Christian, for the redemption of mankind and the friendly service of the world. To accomplish this purpose the Board has developed a program which involves the promotion of worship, evangelism, education and social service, in and through all of its departments. This is a task which is constantly increasing in complexity. The old idea of home missions as merely the subsidy of weak churches in pioneer states until such time as they could assume their own support, is being replaced by the idea of home missions as the definite effort to stimulate a Christian community life and a Christian social order. The increasing diversity in the interests and characterisitcs of our communities call for an equal diversity of method. It is significant that the Board is being forced more and more, not alone by the logic of experience, but by the insistent demands of those who are working out problems on the field, to become a many-sided service agency. The organization of the Board recognizes the existence of specific problems which are sufficiently distinct to require separate administrative handling and a specialized leadership. These include American work, Spanish-speaking work in the Southwest, lumber camp work, church and country life work, city and immigrant work, Alaska, the West Indies, together with the various service departments for promotion, education, publicity, finance and administration.

The Board and the Synods.—The past year has advanced the idea of home missions as a national undertaking. There are three classes of synods and presbyteries: 1st, those which administer and support their work largely or wholly apart from the Board; 2d, those which support their own work but administer it in close relation to the Board; 3d, those which require more money for their home mission work than they are able to raise. The whole question of self-support presents many perplexities. It is recognized that in many cases a premature insistence upon it has had the effect of checking advance. There is a growing belief that financial independence is but one of many elements which enter into church work, and that emphasis must rather be placed upon the needs of the fields and the type of work which should be done to meet those needs. Various conferences held with representatives of the self-supporting Synods have made clear the desirability of the close integration of the work of the various independent synods and presbyteries with that of the Board and the development of a truly national home mission program. In the New Era Budget for 1920-21 the total needs of the Board of Home Missions and the various self-supporting synods and presbyteries are stated as one amount and represented by one percentage applicable to all the Church.

The Board and Other Agencies.—Home missions is increasingly an interdenominational matter. It is becoming more and more apparent that an

exclusively denominational approach, either to the whole task or to any given community, is inadequate and ignores vital elements in the situation. This is a day of large plans. The Church is impatient of the poverty of its resources and its vision when confronting the whole great task of world-wide evangelization. It is for this reason that the Interchurch World Movement is of such importance in its possibilities for the Board, not only in the promise which it holds out of increased resources, but also because it provides a means of arriving at and clearly stating a concerted program on an adequate scale. Of particular importance are the surveys which are being undertaken. There has been marked advance in certain fields in definite comity agreements. Montana is a happy example where, under the leadership of the Home Missions Council, a local home missions council was formed and a definite allocation was secured of fields needing advance work, the denominations agreeing to promote certain fields and to leave other denominations in the undisputed possession of the fields which were assigned to them.

American Work.—The American work includes work in 16 synods and 88 presbyteries of the "aid-receiving" type, and 5 synods and 36 presbyteries of the "self-supporting" type. In the aid-receiving synods are 966 churches and 506 missionaries. In the self-supporting presbyteries are 385 churches and 193 missionaries. There are still left instances of missionaries serving three, four, five or even more points. Where settlements are new and population scattered and the future of communities uncertain, it is not always desirable or feasible to adhere strictly to the principle of one pastor to one church, even though the men and the money were available. The average in American work is two churches to the man. The tendency, however, is the single church pastorate as rapidly as fields deserving promotion are clearly indicated and funds and workers are made available. The Board is supporting 33 field men who have general oversight of the work on the field. The policy is to make salaries adequate so that the missionaries may be free to give themselves absolutely to the service to which they have been called.

Lumber Camp Work.—The lumber camp work is carried on in three types of communities. The first is a camp in a settled community, generally with an established church near at hand. Here the workers are usually married and live near their work, often owning their own homes. The second is the mill town where the logs are brought to be manufactured into lumber. This does not differ materially from any other small industrial center. The third is the logging camp, deep in the fir or pine forests, far removed from any settled community life. The workers here are either unmarried men or living apart from their families under barracks conditions. Work is carried on in all three types of communities, but it is in the isolated logging camp that the need is greatest and by far the largest part of our work is done in places of this character.

Spanish-speaking Work in the Southwest.—The Spanish speaking-work in the Southwest is carried on through 36 churches and 25 mission stations under the care of 27 ordained ministers and lay helpers. The outstanding feature of the year's work has been the success of a thoroughly planned evangelistic program, through which the Spanish-speaking ministers undertook the task of winning 1,000 new converts. Full reports on the year have not been received, but it seems exceedingly probable that this objective will be reached, which will mark an advance in membership of over 40 per cent. The second great achievement has been in the matter of systematic giving. This has been stressed with very remarkable results. All over the Southwest, this work has outgrown its physical equipment. For the most part, it has been miserably housed. In many communities an impasse has been reached and further advance cannot be made until it is possible to provide equipment adequate to the activities of the fields. Fruitful experiments are now being carried on in the field of social work and it is hoped that this may be an increasing element in the task.

Indian Work.—The Indian work of the Board now includes missions in 20 states, among 50 tribal divisions. Over 225 churches and out-stations have been cared for by 66 ordained ministers and 61 unordained ministers and helpers. Among the achievements of the year have been the building of a community house among the Wellpinit and Spokane Indians in Washington; and a careful survey of all the Indian fields in Arizona, which was made by Dr. W. E. Finley.

The urgent needy fields in the American Indian mission work are under two headings: 1st, work among tribes and communities where stations have already been established and the work needs to be enlarged and better equipped; 2d, unevangelized and neglected tribes and communities assigned to the Presbyterian Church by the Indian Committee of the Home Mission Council.

Alaska.—The white population in Alaska is at low ebb and there is little opportunity for extension in this particular field. The needs of the natives, however, are greater than ever. Money has been secured for the erection of the hospital at Point Barrow and it is hoped that this may be accomplished during the coming summer. A very interesting congregational mission at Cape Prince of Wales has been turned over to our Board and a missionary doctor is being sent to that field. Definite advances are planned at other points for both Indians and Esquimos and it is hoped that hospital and medical facilities may be supplied at certain needy places.

Church and Country Life Work.—This department is a growing work in the promotion of especially promising or especially needy rural churches. The Southern Mountain presbyteries of French Broad and Cumberland Mountain are being developed with a program which stresses evangelism, education, and other necessary forms of community service. The hospital at White Rock and the Folk School at Alpine, Tennessee, are two outstanding instances. Presbyteries in increasing number are offering to the Board promising churches for development. In coöperation with the synod of Indiana, all of the country churches in New Albany Presbytery will be promoted. The work of the Southwest Bohemian Presbytery in Texas has been transferred from the city and immigrant department to the church and country life department because its Bohemian population is almost entirely rural and the rural is more distinct than the racial character. Another section where great advance is being made and is promised for the future is the Pacific coast, where the rural population is extending and there is great need of evangelism and the work of extension. To a considerable extent the church and country life department is a service department for the whole church. Its summer schools for rural pastors, held in coöperation with agricultural colleges and theological seminaries, had last year an attendance of 1,000 ministers. A bi-monthly magazine, *Home Lands*, is published as a country church trade journal. This is interdenominational in outlook and now has a circulation of 11,500.

City and Immigrant Work.—This office serves as a general clearing house for information concerning all Presbyterian work in this field. It also coöperates with synods and presbyteries in different communities extending from Boston to San Francisco. During the year 170 persons were regularly engaged, including 101 ministers, 20 lay workers, and 49 women visitors and community workers. This does not account for part time or volunteer workers. Of this number, 70 speak foreign languages, Italian, Hungarian, Czech, Polish, Russian, Ukrainian, Arabic, Armenian, Assyriac, Yiddish, Spanish, and Slavic. About $165,000 was granted by the Board for this work, for the year ending March 31, 1920, $140,000 being for work in distinctive immigrant communities. The Presbytery of San Francisco continues to be one of the outstanding instances of the Board's service to a great city area and Dr. R. S. Donaldson, who has had charge of this work since the beginning of the present program, has been appointed associate director of the department, and while continuing his service as executive secretary for the church extension board of San Francisco Presbytery will establish contact with other centers. In particular, he will assist in the development of a service program for a group of city churches. Another interesting project taking shape has to do with the metropolitan area of Greater New York. Representatives of seven presbyteries within this area have consulted as to ways and means of meeting their great home mission task in common. The Board of Home Missions is acting as the unifying agency in the movement which, it is hoped, may take definite form. At present the Board is entering into an agreement with the presbyteries of New York and Brooklyn, which will bring them into close relation with its work. Definite projects in Jewish evangelization are being carried on in Newark, Baltimore, Philadelphia and Brooklyn. In Newark the Board has assumed responsiblity for the direction and maintenance of Bethany Center. An adequate equipment will be provided and a staff of four full time workers has been employed.

New Era Objectives.—The budget which the Board of Home Missions is presenting to the Church for this next year shows the lines of progress which the Board proposes. Similar problems inhere in practically every phase of the Board's work. They are, more workers, better trained workers, workers for specialized fields of service, better salaries for workers and more adequate equipment. These are the things which the Board stresses as its New Era objectives and which occasion increases in its New Era budget. The items for buildings have been included in the budget of the Board of Church Erection and reach a considerable aggregate. A close study of the Board's own New Era budget reveals that six things have occasioned practically all of the increases contained therein: 1. The necessity of a more generous policy with regard to salaries of missionaries. 2. The necessity of a more adequate occupancy of present fields, particularly of a broader based service to exceptional groups. This requires a specially trained leadership, including community workers, doctors, nurses, teachers as well as pastors. 3. The strategic present opportunity to make definite advance and extend our work not only in "American" fields but also and particularly in cities, promising rural fields, immigrant and industrial communities, Alaska, the West Indies, on Indian Reservations, in lumber camps and for centers of Jewish and Mexican populations. 4. The correlative of such advance is the necessity of taking steps toward the creation of a permanent missionary force of specially trained and specially qualified workers. This involves graduate fellowships, specialized instruction in seminaries, workers' summer schools, and training conferences, sabbatical year scholarships and similar measures. 5. More adequate supervision of work by an increased staff of competent field men is in the long run a prime economy, but means immediate increases in the budget. 6. Missionary education and publicity are an increasing rather than a diminishing necessity, though their development will be in harmony with plans perfected by the New Era Movement.

ABSTRACT OF THE FORTY-FIRST ANNUAL REPORT.

The Woman's Board of Home Missions entered upon the year 1919-1920 with a new vision of its opportunity for service and a new appreciation of its responsibility for the world task of the Church. It had studied its field of effort; it had faced the crying need for better health and the growing demand for Chris-

tian education among those whom it desired to serve; in faith and prayer it had enlarged its program. And it found the women of the church ready. Opportunity and responsibility quickened interest; membership increased; women's societies were organized in churches in which the women had never been organized before; the organization of societies for young people and children became a matter of deep and active interest and leaders were found as a result; large groups of women came together for mission study and prayer; gifts increased and the enlarged program was made possible.

The Board closes the year with thanksgiving to God; total receipts, including $80,137.32 received in tuition from the field and a transfer of $16,139.99 from the Legacy Reserve Fund, amount to $805,023.24, an increase of $289,534.64 over last year. Expenditures for the year have been met, and a substantial balance remains in the Treasury; this balance, however, represents the New Era Increase which was appropriated at the beginning of the year for buildings; these buildings are now in the process of construction or plans for their erection are being developed.

Through the 37 synodical societies, 261 presbyterial societies and 12,582 individual missionary societies, the Board reaches its constituency of approximately 207,892 women, organized in 5,433 societies, of 151, 531 young people and children organized in 7,149 young people's societies, Christian Endeavor Societies, the Westminster Guild, Light Bearers and Little Light Bearers. These figures represent an increase of 121 in woman's societies and of 26,017 in membership.

From Headquarters.—For the unification and promotion of the work along most effective lines, the Board has established at headquarters the office of General Secretary and Assistant, of Secretaries for Missionary Education, Young People's Work, Student Work, and of Editor of *The Home Mission Monthly.*

The reports of the year 1919-1920 show that there was a marked increase in all departments: The Department for Missionary Education reports 2864 groups, with an enrollment of 41,012 studying missions. Young People's Work shows not only an increase in societies and in members, but an increase also in gifts as the following statistics show:

1919.	For regular work—	1920.	Increase.
$24,664 18	Y. P. S., (including Jr. and Inter.).....	$30,375 13	$5,710 95

16,704 23	W. G. Chapters and Circles.....	20,842 99	4,138 76

The New Era Advance:

Y. P. S., (including Jr., and Inter.)	$5,992 44
Y. L. M. S., (Light Bearers and L. L. B.).....	8,787 56
W. G. Chapters and Circles.....	6,665 47

During the year the student secretaries of the Board visited 112 colleges and interviewed 496 girls in the interests of Home and Foreign Missions. Missionary literature was more in demand than in any previous year, as shown by the fact that the sales amounted to $15,523.87, an increase of $4,512.18 over the year before. *The Home Mission Monthly* increased its subscription list by 2009 new names and reported a total list of 44,700 subscribers.

Abstract of the Eighty-third Annual Report.

Never was the evidence of the urgent need of world evangelization clearer than to-day. Whatever other institutions have been destroyed or weakened by the disintegrating forces of the last five years, the importance and necessity of the foreign missionary agencies of the Christian Church are more manifest than before.

The world we are confronting to-day is a world in which the old problems of England and the United States have become the problems of all nations. The whole world is in moral and economic confusion. The need of the missionary enterprise, redeeming personal life and saving individuals and society from sin, has been indisputably proved by the break-down of all the forces on which men have relied. The Board's Report shows how the missions of the Presbyterian Church are related to this immense and indispensable task. The Board has no hesitation in affirming that nowhere else in the world has the same amount of money accomplished as much toward promoting human welfare or building the Kingdom of God among men. It has not been possible, however, to conduct this work in the economic conditions which have followed the war without greatly increased expense.

The last General Assembly authorized the Board of Foreign Missions to proceed with negotiations with the foreign mission agencies of the other Presbyterian and Reformed Churches with regard to the possible union of the foreign missionary work of these bodies. In accordance with this action there have been most happy conferences between representatives of the Boards, and some measure of hopeful and practical coöperation has been effected.

The Home Department of the Board, which is charged with the task of educating and cultivating the Home Church and constituency in the interest of Foreign Missions, has had a busy year. No special campaigns have been carried on, the department throwing its strength into cordial coöperation with the New Era Movement and the Interchurch World Movement. Along the lines of the regular presentation of Foreign Missions, one of the district secretaries has noted a growth in the number of Mission study classes; an increased use of the stereopticon and the Board's literature; a growth in prayer and family worship; special efforts to secure life recruits, and a widespread growth in giving.

The Woman's Boards of Foreign Missions.—Early in 1919, a request came from the Woman's Presbyterian Board of Missions of the Northwest that the six Woman's Boards of Foreign Missions should be united into one national Board, with headquarters in New York city.. It was voted that the new Board should be auxiliary to and co-öperative with the Assembly's Board; and its name be the "Woman's Board of Foreign Missions of the Presbyterian Church in the U. S. A."; that it shall make the plans and policies for the work of the women in Foreign Missions; that it shall be elected by a delegated body, and represent all parts of the country. The Woman's Boards have heartily coöperated in the New Era Movement and in the Interchurch World Movement. The outstanding event of the year has been the last year of the Jubilee Campaign for gifts of Service, of Prayer, of Gold, and of Life.

Resume of the Work on the Field.—Africa.—The record of the year for the West Africa Mission, while excellent, does not show the large increase of previous years. This is due largely to the prevalence of influenza for many months, in many of the stations of the mission. The mission also suffered on account of lack of reinforcements, the special need being for clerical missionaries. A number of new missionaries will be needed for the work in Northern Cameroun, formerly carried on by the Basle and Baptist Missions. The plan adopted by the Board provides that the Paris Evangelical Society undertake the care of the work in Duala and eastward, and that the Presbyterian Mission extend its work north of its present territory as far as the Sanaga and Wuri Rivers. The French Government is planning to move the capital of all the French colonies on the Gulf of Guinea from Libreville, Gaboon, to Yaounde, Cameroun. The Mission has chosen a site at Yaounde and plans to open a station there. Reinforcements are needed also to check the growing power of Mohammedanism. There is a Mohammedan village within two miles of Elat Station, another within three miles of Lolodorf, another within four miles of Foulassi, and there is a very large Mohammedan village near the site for the new station at Yaounde.

China.—China continues to be a problem of extraordinary difficulty and magnitude. A country of enormous undeveloped resources; a people of unusual industrial capability; a race long stagnant, but now awakening in response to the insistent demands of the modern world—could any problem be more stupendous than this? Dark as the year has been, from a political and economic viewpoint, it will be remembered as the year when the first Chinese missionary society was formed. This year will also go down in history as the year in which the Chinese churches connected with the Presbyterian, Congregational, United Brethren and London Missions formed themselves into one organic church. The "China for Christ Movement," was another of the notable developments of the year. It was inaugurated by a conference of over one hundred Christian leaders, representing all branches of the Church, who met in Shanghai, December 16 to 20th. Approximately one half of the delegates were Chinese. We are entering upon a new era in Christian Missions in China.

Chinese, Japanese, and Koreans in the U. S. A.—Our fellow Christians in the Chinese churches in California entered eagerly in the New Era Movement. Their gifts for Home and Foreign Missions amounted to $3,318. The larger portion of this was sent to China to pay the salaries of native workers, Bible women, preachers, and teachers in churches in China in which they had some personal interest. The California State Board of Charities and Corrections, after making thorough investigation of the managements of the Rescue Home for Chinese Girls in San Francisco, and the Tooker Memorial Home in East Oakland, has endorsed both and placed them on the list of "Accredited institutions." The work among the Japanese in the United States, while slow, shows advance for the year. The thousand mark in the membership of the churches and missions on the Pacific slope has been passed.

Chosen.—The overshadowing problem in Chosen has been, and still is, the uprising of the Korean people. A revolutionary movement was inaugurated so secretly that missionaries and Japanese were caught unawares. On March 1, 1919, independence was proclaimed. The result proved anew that Japan will not voluntarily grant Korean independence; that the Koreans cannot secure it by force; and that other governments, having long ago recognized Japanese annexation of the peninsula, will not interfere. Amid all these difficulties and distractions the missionaries are earnestly pressing their work. They realize that the difficulties are numerous and great, but they are more firmly convinced that ever that Christ and Christ alone can save Chosen.

India.—The year began with very dark clouds settling over India. Movements of discontent and unrest found expression in agitation against the Rowlatt bill, which provided methods for dealing with sedition under exceptional conditions. As one outcome of the war, the British Government has laid much closer restrictions upon missionary activity. It was at first proposed by the Government that "since the experience of the war had shown that some supervision of aliens was necessary, all non-British subjects desiring to engage in philanthropic, educational, medical, or missionary work, in certain prescribed parts of the Empire, should in the future be required to obtain a license to carry on their work." The missions of the Board in India have been honored again, as they were honored several years ago in the case of Dr. J. C. R. Ewing, by the bestowal of the First Class Kaiser-I-Hind Medal upon Dr. W. J. Wanless for his distinguished services in India. The fame of Dr. Wanless and his surgery reach from one end of India to the other. "I have never been so reluctant to leave India as I am at the present time," writes one of the senior missionaries on the eve of his furlough. "We are undoubtedly on the eve of tremendous changes and it is impossible to say exactly how these changes will affect mission work in the future, whether favorably or unfavorably. It will take years to adjust ourselves to the new conditions."

Japan.—No one has made as yet an adequate study of the moral, social, and economic effects of the war upon Japan. Thoughtful Japanese realize how profoundly the life and character of the nation has been affected, and they feel bewildered and confused in the midst of forces which seem to be so much more powerful than the minds and wills of men. The opportunities of increased Christian service are numerous and compelling. We are especially impressed with the possibilities of the new union Tokyo Woman's College; the enrollment

of qualified and earnest students far exceeds the most sanguine expectations. Another strong challenge is the larger use and proper support of trained Japanese evangelists and teachers. Japan, even more than other nations, must be evangelized by its own nationals. The outlook for Christianity is constantly brightening.

Brazil.—After the unprecedented series of disasters that befell production last year, matters mended very fast. The year 1919 brought bumper crops, excepting in the matter of coffee, which, however, reached as high a figure as had been judged possible, after the frost. Prices have remained very high, so that the small coffee crop will bring in as much money as many larger crops have brought, and that with less labor. Prosperity has seemed general. Very few are unemployed. Wages are high, prices high, opportunities large. Both missions are greatly pleased with the development of their farm schools, and are desirous of securing other large ranches in the interior, to use for the training of boys and girls in ways that will make them clean and helpful leaders to their communities. Rev. Donald C. MacLaren rendered notable services during the year in laying the foundation of the Union Theological Seminary. The project has met with the difficulties that must always be encountered in such undertakings, but there is still good hope that the plan may be carried out.

Chile.—The story of the work of the mission for the past year reveals the fact that, together with the rest of the world, Chile has been passing through a social and financial crisis. The most significant in the mission's actual work has been the further steps that have been taken toward a closer union with the Methodists, and the Evangelistic zeal that has grown out of that fact. A plan has been consummated by which a small joint Committee of the Methodist and Presbyterian Boards in New York will study the problems of Chile and determine the policies of the two Boards in the mission work. On the field there will be the same close coöperation, not only in the educational, social, and literary phases of the work, but also in the Evangelistic work.

Guatemala.—The crowning word in the story of Guatemala for the past year has been evangelism. From Guatemala City comes a splendid story of personal devotion, especially by the members of the churches and the Men's League. These men have given days from their work, spent money for fares, and paid the rents of the poor, besides giving their nights to preaching the Gospel. The same story comes from the interior station at Quezaltenango. The out-station work has grown until now there are 72 points, the visiting of which is a challenging task to the single missionary in charge. An event of great importance, spiritually, has been the Central American Regional Conference of religious work, held in March, in Guatemala City. It was comprised of representatives of the various Societies working in Central America, and its aim was to unify and spread the work so that it may be prosecuted to the best advantage.

Colombia and Venezuela.—The imperative need of these two fields is a larger missionary force. The combined area equals that of the States of New York, New Jersey, Pennsylvania, Ohio, Indiana, Illinois, Michigan, Wisconsin, California, Montana, Oregon, and Washington—an imperial domain, truly. For this vast area with its eight million souls the Presbyterian Church has special responsibility as the only denomination having missions in these countries. The people are as capable of development as any in all South America. The cities and towns include an increasing number of educated men and women, and their social qualities are most attractive. The rural districts have cruder material, but perhaps they would be even more responsive to the Gospel appeal.

Mexico.—Conditions in Mexico have been greatly unsettled during the entire year, yet the work has gone on almost without interruption in all the stations occupied by the Board. The mission property at Jalapa was entirely destroyed by earthquake, and the buildings occupied by the Girls' School at Vera Cruz (Instituto Morelos) were seriously injured. The unsettled conditions of affairs throughout the land have seriously interfered with the itinerating work. However, the Field Report of the Oaxaca Field is one of the most interesting and valuable that has come from the mission in many years. The special advance during the year in Mexico has been in the educational work. The Turner-Hodge school, at Merida, has been crowded to the doors, and students turned

away. At Vera Cruz, the numbers applying, taxed to the utmost the capacity of the building and the strength of the missionaries. The San Angel School registered 92 students during the year. The desperate conditions of the country do not seem to have prevented students coming from many states. The Boys' School at Coyoacon, the Escuela Preparatoria Presbyteriana, had the largest enrollment in its history, yet the principal states, "If we had class-room and dormitory space and funds for the start, I think we could have another hundred pupils in the Grammar Department this year."

Persia.—The remnant of the Assyrians who remained in Urumia, after the missionaries were driven out, were kept alive by the most capable and heroic services of Mrs. Jacob David. As soon as possible, in the spring of 1919, the missionaries came over from Tabriz to visit Urumia, and Dr. Packard returned with his family on May 4. Difficulties arose between the Kurds and the Persians, however, which issued in an unprovoked attack, by the Persians, on Dr. Packard and the remnants of the Syrians (or Assyrians or Nestorians). Two hundred were murdered in cold blood, leaving only 600 remaining of all the prosperous, industrious, Christian people in the Urumia city and plain. There was a prospect that these also would be murdered, but Mr. Paddock, the American Consul in Tabriz, came personally to Urumia, accompanied by Mr. Muller and Dr. Dodd, and with great skill and bravery carried off Dr. Packard and the remaining Assyrians to Urumia. The city has been visited since by Mr. Muller, Dr. Ellis, and Captain Geard, British Vice-Consul at Urumia, but it has not been possible to reoccupy it, nor have the Christians as yet been restored to their homes. Two great opportunities have opened in Persia, in the northeast and in the southwest. The foundations of a strong station have been laid. At Meshed, patients from a score of nationalities come to the hospital annually; and in many a village in Western Afghanistan, which sent its blind or its lame to the mission hospital in Meshed to return with eyesight and health, a welcome is awaiting the evangelists, whenever the political prohibition of mission work in Afghanistan is relaxed. In Southwestern Persia the relief work conducted by the missionaries in connection with the incoming of the British Army, and the building of roads have opened new access to the Kurdish tribes and to the hitherto unreached people of Luristan.

Philippine Mission.—The annual reports of this mission have failed to reach the Board. As the mission has a reputation for carefulness in this important matter, we fear that the reports were lost enroute. We are, therefore, unable to present that summary which would otherwise have been practicable. We know, however, from the correspondence that the work of the mission, in its varied departments, has gone on satisfactorily during the year, and that the missionaries are exerting increasing influence for good. With the general policy of Filipinization our Christian missionary program is in accord. The American public school teacher and the American missionary have worked hand in hand for twenty years, and their endeavors have been making the Filipinos gradually able for self-government.

Siam Mission.—The insistent appeal of the missionaries in Siam, particularly in the southern field, is for more adequate reinforcements. The kingdom of Siam is ripe for Christianity. Opportunities for an energetic spiritual campaign are open, and there should be no delay in seizing the opportunities. Not only does the sympathetic attitude of the King toward America make the time for Christian work there particularly auspicious, but the Siamese people, of all classes, are in a mood to be taught Christian principles. The war has been instrumental in shaking up many old customs and beliefs, and consequently they are more alert and plastic. The prestige that America has in Siam will help in causing the Siamese to listen sympathetically to American missionaries. An event of special interest is the consolidation of the North and South Siam Missions into one mission, to be known hereafter as the Siam Mission.

Syria.—Last year's report on Syria began with a statement of the spirit of rejoicing that pervaded the mission because of the closing of the war and the ending of the long period of isolation. This year's report is the story of the plans of the mission to translate their joy into achievement. Two meetings of the mission were held; a notable conference with native pastors and elders met at Suk-el-Gharb, and what may prove to be an almost epoch-making gathering of

the representatives of all the missions working in Syria and Palestine, held sessions covering two or three days. To the plans of the mission there has been a quick and eager response on the part of the Board and the home Church. A Rehabilitation Program has been adopted, involving $120,000 a year for the next three years. We shall get the money. We must get the new recruits. When we remember that the missionaries in Syria have stood at their posts through the past few years, that they have given themselves without stint to relief work among the starving multitudes, that they are still carrying much of that same burden, their unwearied courage in such an aggressive campaign is an inspiring Chapter in missionary history. The Church must reveal to them that their faith is not in vain.

ABSTRACT OF THE SECOND ANNUAL REPORT.

The first full year of the Board's existence has been a period of readjustment and amalgamation as regards the work carried on by the Board of Education and The College Board that were merged into the General Board of Education in November 1918. The offerings from the churches have been considerably greater than the combined incomes for current expenses of the former Boards during any year of their history.

Some changes in the personnel of the staff and Board membership have taken place. Dr. Charles F. Wishart, D.D., resigned to become President of the College of Wooster, and Rev. Hugh T. Kerr, D.D., of Pittsburgh was elected to fill the vacancy. Dr. Louis E. Holden resigned to accept the Presidency of James Millikin University. Dr. James E. Clarke resigned as Associate Secretary, and Dr. Frederick E. Stockwell of Trenton, N. J., was elected as his successor. Dr. Clarke remains with the Board, having under his supervision the work of publicity and the interests of the Board in the West and Southwest.

VOCATION DAY.—To help pastors and Sabbath-school superintendents bring before their congregations and schools the principles that should govern the choice of a profession and the needs and opportunities of Christian service, the Board provided a program and material for Vocation Day. Fifty thousand

copies of this program were printed and circulated. The results of this work have been most gratifying, pastors reporting recruits for missions, the gospel ministry and church membership.

LIFE WORK CONFERENCE AND COLLEGE VISITATION.—Twenty-two life work conferences were held during the year in as many cities. Pastors enthusiastically testify as to the value of these gatherings. The Board has directed the work of arranging for special evangelistic meetings in colleges, conducted by strong men from the pastorate. Thirty institutions enjoyed such seasons of special effort, resulting in many definite decisions for Christ, reconsecrations for Christian service, and the enlistment of candidates for the ministry and missions. Reports such as this have been received: "We had a splendid week of prayer,—13 candidates for the ministry; 7 home missionaries; 17 for foreign work; 13 others indicated a desire to prepare as Y. M. C. A. secretaries; 46 as leaders in young people's work; 39 as Bible school teachers."

SCHOLARSHIP AID.—The war seriously affected the number of candidates for the ministry. The number aided the past year was little more than half the number aided in some former years; that is to say, 584 as against 1037 in 1896. In 1919 the number was 403.

STUDENTS' ROTARY LOAN FUND.—The need of a fund out of which to assist young people to be educated leaders as elders, deacons, trustees, and in all forms of Christian activity has long been recognized. After securing the authority of the General Assembly, the Board has set aside for this purpose the sum of $20,000 received from the Caroline Willard legacy, the income from which is now available upon conditions suggested by the Board and approved by the Assembly.

SPECIAL CAMPAIGNS FOR COLLEGES.—During the year the Board has pledged coöperation with seventeen institutions that have inaugurated campaigns to secure additional funds for endowment and buildings. These several institutions have publicly declared their total goals to be $7,500,000. On the strength of the outcome of the St. Louis Assembly, which passed a resolution endorsing the educational program calling for $35,000,000 in five years ($7,000,000 a year), the Board has sought to lend its practical aid to the colleges in these campaigns. The sum of $2,000,000 of this annual amount was directed by the Assembly to be sought through the Every-member Canvass, while the various colleges were to secure the remaining $5,000,000 each year through their own individual and direct efforts. The Board has pledged to each one of these seventeen institutions a certain percentage of this New Era Endowment Fund of $2,000,000, on condition that the colleges raise a total of $5,000,000.

This group of seventeen is composed of colleges whose needs are peculiarly before the people. The selection was made with the distinct understanding that other institutions should have recognition in the second and third years of the New Era, and so on till the end of the five-year period of the New Era Movement should be reached and all institutions given equal opportunities. Already some institutions have made their formal request for a definite percentage share of the New Era Endowment Fund for the second year, 1921-22.

The pledging of these definite percentage shares in the $2,000,000 endowment fund for the year 1920-21 has been accepted by the colleges as equivalent to a contract on the part of the Presbyterian Church in the U. S. A., through the General Board of Education, to contribute to these several seventeen colleges a very substantial financial assistance, the exact amount being dependent, as must needs be the case, upon the actual sum of moneys received by the Board through the Every-member Canvass in the churches. On the strength of these definite agreements the seventeen institutions are at present working to secure through their own activities the various amounts necessary to comply with the conditions laid down by the Board.

To Arkansas Cumberland College, at Clarksville, Ark., belongs the honor of being the first to attain the immediate objective; in its case, $100,000. The success that has been thus achieved has almost instantly redounded to the welfare of the college. New confidence in its future is felt by the community and by the synod. The intellectual and moral life of the college has been quickened and educational ideals have been enlarged and strengthened.

UNIVERSITY WORK.—Student enrollment in the large centers has now grown to a point where it has become an important factor in the problem of training Christian leaders. Individuals are lost in the mass. Freshmen and high school pupils specialize too early and many are started toward the wrong vocation. Large numbers of students are subject to conflicting influences without sufficient mature guidance of faculty and church. The mere bulk of the student body may prove a menace to the spiritual life, not only of the students but of the nation.

Here are a few figures that are typical of all the centers. In one university the enrollment, including summer term, jumped from 2150 in 1917, the last pre-war year, to 3240 this year; another, from 3523 to 4575; another, from 3237 to 4002; another, from 12,975 to 14,769. Such multitudes of potential leaders in training challenges the Christian citizen and the Church to provide thorough instruction in the principles of Christian living and Christian civilization.

The Board is at work in more than thirty university centers. One report from one of these centers will give some idea of the opportunity here presented for Christian service:

"University of Pennsylvania, Philadelphia. The students for the year 1916-17 came to the University from many parts of the world; 3,551 were from Philadelphia and 2,693 from Pennsylvania, outside the city; 840 from New Jersey; 552 from New York; and 1,176 from 26 other states. From the European countries there were 72 students; from South America, 33; Central America, 13; China, 38; Canada, 16; Japan, 9; Mexico, 4; South Africa, 33. There is the overseas problem. A missionary from China said to an American audience, 'If you want to help China, help the Chinese students in American universities.'"

SCHOOLS OF RELIGION.—There is much interest in many university centers in the development of the denominational or interdenominational schools of religion for students in the state universities. There is as yet no agreement as to the form of organization for such a school and no agreement as to the matter of the university curriculum credit, but good beginnings have been made in many places. The University of Nebraska, under the direction of the Presbyterian pastor and a faculty of seven competent teachers, has a school of 190 preparing for Bible teaching. The University grants free use of the rooms and libraries of the School of Education, and students find laboratory practice in the city churches. More pretentious plans are under consideration in other centers. The University Committee of the Council of Church Boards of Education has this matter under consideration and is making a study of the problem in the light of the information secured in the survey.

LAY WORKERS FOR THE CHURCHES.—The Chicago office of the Board maintains a Bureau of Information to accomplish three things: (1) To aid schools, colleges and universities to secure teachers whose ability in teaching and in Christian service has been proved; (2) To aid churches and communities to secure trained lay workers as directors of religious education, directors of the various forms of social service, pastors' assistants and the like; (3) To aid those who have prepared for specific forms of Christian service to find the work for which they are best fitted. "The consecration of all the available talent and skill and its placement in the posts of greatest usefulness."

GIFTS OF THE YEAR.—The Board has completed its first full year of work. The effect of the merging of the two old Boards, on the offerings from the churches, has been followed with considerable solicitude. No doubt the work of the New Era Movement has greatly stimulated gifts. The receipts from churches have amounted to $459,256.23, as against $255,404.49 the preceding year. The individual gifts and legacies sent to colleges and reported to the Board were $939,431.33.

ABSTRACT OF THE EIGHTY-SECOND ANNUAL REPORT.

The Reorganization.—The most significant feature of the year has been the reorganization of the Board in order more effectively to carry out the instructions of the General Assembly, "That the Board be regarded, and that it regard itself, as preëminently an educational Board, whose main function is the promotion of the nurture of the children and youth in Christian knowledge and life through all available agencies in the particular church." Immediately upon this action of the General Assembly in 1913, the Board erected a Department of Religious Education. Subsequently, the Board has effected a reorganization, based upon the principle laid down by the General Assembly, and developed according to an analysis of the Board's main function, religious education. This main function may be analyzed as follows: (1) extending the agencies of religious education; (2) developing and promoting the policies and methods of religious education; (3) providing the materials for religious education.

The Educational Staff.—The creation of the Educational Staff is the central feature of the reorganization at headquarters. Subject to the approval of the Board, the Educational Staff formulates the educational policies, develops plans and methods for the promotion of those policies, produces the necessary literature, and recommends the personnel of the field force, subject to the approval of Presbyteries and Synods. The Educational Staff has a distinct function as a curriculum committee. All questions involved in providing curricula for religious instruction in the home, Pastor's Instruction Classes, the Sabbath School, Teacher-Training Classes, other educational agencies in the individual church, the Daily Vacation Bible School, week-day religious instruction classes, etc., are considered by this Curriculum Committee.

Changes in Personnel.—During the year, the Rev. Robert Wells Veach, D.D., retired as Director of Religious Education. Rev. William Ralph Hall, Director of Young People's Work, was granted a partial leave of absence for one year, dating from February 1, 1920, to become head of the Department of Young People's Activities of the Interchurch World Movement. Mr. Hall retains the general direction of our own Young People's Work. Mr. Walter D. Howell became General Field Representative on February 1, 1920; Miss Rebecca I. Hughes will become Director of Girls' Work on June 1, 1920.

* Deceased.

The Field Representatives.—The reorganization plans look toward a unification of the work of the Board on the field as well as at headquarters. All field representatives, whatever their special function, are to promote the whole educational program of the Board. It is proposed, wherever the Synods desire it, and when the men and the funds are available, to provide for each Synod a Field Representative for Religious Education, who shall work under the direction of the Synod's Committee, but who shall look to the Educational Staff, through the Secretary, for policies. It is also proposed, wherever desirable and possible, to coöperate with city Presbyteries in providing Presbyterial Directors for Religious Education. It is hoped gradually to attach to the Synodical Field Representatives, Children's Division Workers, who will do intensive work in the churches in the interest of the younger children.

The Advisory Committee.—On February 4th and 5th, 1920, a conference of the Advisory Committee of the Board, authorized by the General Assembly, was held in Philadelphia. This Committee consists of one representative from each Synod, and as at present constituted the Chairman of the Committee on the Board of Publication and Sabbath School Work is that representative. Thirty-one Synodical Chairmen were in attendance at the Conference.

I. THE EDUCATIONAL STAFF ORGANIZING THE INDIVIDUAL CHURCH FOR RELIGIOUS EDUCATION.

A bulletin on the Church Council of Religious Education, together with a Calendared Program of Religious Education, both of which are supported with other literature, will aid churches in fulfilling their responsibilities in this field.

Family Religion.—A bulletin has been prepared which outlines a definite plan for religious education in the home, including the statement of the principles involved in a family life which is Christian through and through, an outline of the elements which go to make up an adequate course of Christian instruction in the home, and suggestions for conducting family worship as the crowning expression of the family religious life. A bibliography is attached to each section. Other literature is in preparation to emphasize the importance of family religion.

Children's Work.—In the early part of 1919, a survey was made of the children's division of the Sabbath-school, which revealed the fact that only a very small percentage of schools were graded, and few were working in an educationally efficient way. To change such conditions, to raise to a higher standard of efficiency the work of the children's division of the Church, has been the effort of the past year, and is the aim for the coming year. It is hoped that a number of children's work specialists can be put into the field, as rapidly as such workers and the funds to support them become available. Two such workers have already been installed: Miss May Lynn, Knoxville, Tennessee, for the Synod of Tennessee, and Miss Lena E. Smith, Eldora, Iowa, for the Synod of Iowa.

Girls' Work and Boys' Work.—The reorganization plans involve the appointment of a Director of Girls' Work and a Director of Boys' Work.

Young People's Work.—Facing a real loss in the number of Young People's Societies and in the membership of the average society, a campaign was launched to recover the losses and secure an advance, which resulted in material growth. Rally Day in the fall, with a special program for Young People's Societies, was used as one of the means of arousing interest. Young People's Day, the first Sunday in February, was observed in many churches. Personal assistance in more than forty Institutes was provided from headquarters. The Summer Conferences have had to be increased in number to meet the growing demand for a week of intensive training in church leadership for young people. During the last summer twenty Conferences were held.

Organized Classes.—While no special campaign was undertaken during the past year for the promotion of organized classes, either adult or teen-age, t here has been a very gratifying enrollment in both groups, viz., teen-age, 404; adult, 212.

Week-Day Religious Education.—1. Daily Vacation Bible Schools. One of the outstanding features of the past year has been the increasing interest of churches in the Daily Vacation Bible School as an agency of religious education. The number of schools reported will show the growing interest in this work: Schools, 237; gross enrollment, 27,749. This represents only those schools reporting to our office. There were many others which made no definite report.

2. Week-Day Religious Instruction During the School Year. In many urban and rural sections throughout the country, Week-day classes and Community Schools have been organized and have gone beyond the experimental stage. The outlook, so full of promise, has influenced the Board in determining its policies which, for the present, will include the following: (a) The stimulation of interest in our churches in the hope that during the year a larger number of week-day classes and schools may be established. (b) The collection and analysis for the information of the Church, of experiments already under way. (c) A study is being made of the present lesson material and, if found necessary, new courses will be carefully correlated to the courses in use in the Sabbath School, Daily Vacation Bible School, etc.

Pastors' Classes.—We urge upon the pastors the need and importance of coöperating with the Board in its work of religious education by conducting communicants' classes or week-day classes.

Teacher Training.—The training of a leadership for the educational task of the Church is one of the most vital problems in all the field of Church activity. The Director of Teacher-Training has made every effort to show the need to churches and point out the way to meet it, with the following results: Classes enrolled, April 1, 1919—March 31, 1920, 551; Pupils enrolled April 1, 1919—March 31, 1920, 4,754; Classes graduated, April 1, 1919—March 31, 1920, 184; Net classes, March 31, 1920, 1,620. We would especially recommend that provision be made, wherever possible, for the organization of a Teacher-Training Department.

Training Schools, Colleges and Theological Seminaries.—When the funds are available the Board would like to establish scholarships in the Presbyterian Training Schools where suitable persons might receive a training that would fit them for a high type of leadership in religious education. The Board also has it in mind to establish a number of partial scholarships in Presbyterian Colleges having approved courses in the Bible and in the principles of religious education. The Board further desires to coöperate with the Theological Seminaries in their training of the future ministry of the Church in the importance, the principles and the methods of religious education. Such coöperation might take the form of special courses of lectures provided by the Board.

Libraries.—The Board recommends the establishment of a library on religious education in each church. It maintains circulating libraries for the use of its Sabbath-school missionaries and other field representatives.

Educational Publications.—During the year there have been prepared under the direction of the Editorial Department a series of educational books of notable value and interest; a list of these publications will be found in the Report of the Board.

The Christian Educator has been published quarterly through the year and sent free to every pastor and Sabbath-school superintendent. Its scope will be enlarged so that it will present to the Church those policies and methods of religious education which will be of immediate and practical value.

II. The Educational Staff Through the Missionary Department.

In the unification of the activities of the Board, the work of the Sabbath-school Missionaries is recognized as necessary and fundamental. The number of missionaries and colporteurs has been substantially increased. The Board has been enabled also to provide more adequately for the support of these faithful workers, besides furnishing them with necessary traveling equipment.

This has been made possible by the unprecedented increase in contributions. The total amount received from churches, Sabbath-schools and individuals is $385,254.29, an increase of $130,601.06 over the amount reported last year.

Administration.—That the work has been economically administered is evidenced by the slight increase in the amount expended for office salaries and expenses, the total being 3.8 per cent. of the whole.

The Field Force.—The number of Sabbath-school Missionaries and Colporteurs engaged during the year is 193, exceeding that of last year by 27, and being larger than the number reported in any previous year in the Board's history.

Conferences of Field Workers.—In the biennial conferences of the Sabbath-school Missionaries, the Board gathers all the workers within a given territory having common conditions and problems, for five days of study, instruction and fellowship. Conferences of this character were held during the year in Minneapolis, Minnesota; Kansas City, Missouri; and Augusta, Georgia. In these conferences the best methods are discussed and adapted to practical use.

Field Work.—The reports of the Sabbath-school Missionaries for the year ending March 31, 1920, show a total of 813 new Sabbath-schools organized and 394 revived, with 3936 officers and teachers, and 35,715 pupils, a total of 39,651.

House to House Visitation.—The reports show a total of 1351 new neighborhoods visited and canvassed during the year. 126,923 families were visited, furnishing opportunity for personal work, the establishment of the family altar, and the distribution of Bibles and other religious literature.

Literature Distributed.—In this manner 29,633 Bibles, Testaments and other religious books were distributed, besides 1,768,988 pages of tracts and periodicals. Some of the missionaries have circulating libraries which are placed at the disposal of the workers.

Traveling Libraries.—One hundred traveling libraries have been prepared, each containing fifty volumes, with stories for children of different ages, and the best books on Sabbath-school methods, for use in mission schools.

Grants.—The sum of $20,696.38 was expended during the year for literature given away. Bibles were awarded to children who memorized the Shorter Catechism to the number of 320, and 331 Bibles were given for memorizing the Intermediate Catechism.

Educational Progress.—The missionaries held 2317 conferences during the year. Partial results of these efforts are shown in 184 teacher-training classes introduced, 117 adult classes, and 93 secondary division classes organized for service; 265 Cradle Rolls and 270 Home Departments established, besides 360 institutes and the formation of 87 Young People's Societies.

Vacation Sunday School Bands.—The reports of last summer's work show 79 new Sabbath schools organized, 2503 new pupils gathered into existing schools, besides the introduction of 6 Cradle Rolls, 8 Home Departments, and 41 Teacher-Training Classes.

Developments.—Summarizing the developments of the labors of the Sabbath-school Missionaries, during the thirty-two years since this work was begun, it is encouraging to note that 1909 Presbyterian churches have come into existence through the planting of mission Sabbath-schools, 20 of which were organized last year.

Special Days.—A larger number of schools observed Children's Day and Rally day last year than are recorded in any previous year. The total amount of Sabbath-school contributions last year was $145,887.15, an increase of $21,517.88 over the previous year.

Among People of Foreign Speech.—The number of Colporteurs engaged in this service during the year was 40, some of whom were employed during the summer months only.

Jewish Work.—Of special interest is the development of work among the Jews. Five Jewish evangelists have been secured for itinerant work and the distribution of literature. A quarterly publication in Yiddish, "The Watchman," has been

distributed to the number of 25,000 copies. Tracts and leaflets have been published in English and Yiddish.

Russians.—Progress has been made also in the publication of suitable literature for the Russians. Plans are now being completed for the publication of a religious periodical in the Russian language.

Hungarians.—The weekly periodical, "Reformatusok Lapja" (Reformed Sentinel) has been enlarged to twice its original size and the circulation has increased threefold. The monthly Sabbath-school magazine, "Bibliai Tanito," (Bible Teacher) has been improved and is now published in English and Hungarian.

Other Publications.—The Czecho-Slovak weekly, "Krestanske Listy" (Christian Journal), and the Sabbath-school paper, "Besidka" (Story Hour), have increased their circulation. The Italian paper, "L Era Nuova" (New Era), continues to be an important factor in supplementing the efforts of the Italian ministers and missionaries. The Ruthenian paper, "Sojuz" (Union), is used as a means of propagating the Gospel among the Ukrainian people. The Polish paper, "Slowa Zywata" (Words of Life), is extensively used by the Polish colporteurs and missionaries. The Bible Picture Cards, published in six languages, are much in demand for distribution by Colporteurs and for use in Sabbath schools in America and in other countries. Their circulation is 20,000 sets each quarter, more than one million cards per year.

Spanish Work.—Plans are being developed for the publication of Sabbath-school literature in the Spanish language for use among Spanish-speaking Americans and in Mexico, the insular possessions, and South America.

III. The Educational Staff Through the Editorial Department.

All the periodical publications of the Board have been improved. The publications are in three groups: (*a*) Sabbath-school papers for the various grades. (*b*) Helps on the International Uniform Lessons for all departments in the Sabbath school. (*c*) Departmental Graded Lessons for the entire school. Each quarter sees a larger increase in their use by the schools. Special attention has been given during the year to the development of the lessons for adults. These are offered in the Departmental Graded Lesson Edition of The Westminster Adult Bible Class.

New Publications.—The new books and booklets published during the year are reported in the complete Report of the Board published separately.

IV. The Educational Staff Through the Business Department.

The Business Department reports a progressive year. The sales being as follows: Books published by the Board $110,811.79; Books published by other houses, $275,061.16; Church and Sunday School Supplies, $237,838.61; Lesson Periodicals and Illustrated Papers, $842,093.73. Total Sales, $1,465,805.29. This reveals a growth in sales of over $200,000.00. The net profits for the year are $62,241.46. One half of this amount, or $31,120.73, will accrue to the business capital, which at the beginning of the year, was $566,152.89, making the present capital $597,273.62. The remaining half will go into the Missionary and Education Fund out of which the Missionary and Educational work of the Board is maintained.

Atlanta Depository.—One achievement of the year was the establishment, in Atlanta, Georgia, of a depository for the sale of the Board's publications to the colored constituency of the Church in the South, exclusively. The Rev. A. B. McCoy, D.D., has been selected as the manager. All the help employed will be colored and it is expected that the Board will have a closer approach to our brethren in the South through this avenue than in any other way.

The Hymnals.—This has been a striking year in the sales of the authorized hymnals of the Church. One hundred and sixty-five churches adopted the Revised Hymnal of 1911, resulting in sales of over 28,000 copies. This makes an aggregate of 3490 churches using "The Hymnal" in either the original or revised

editions. "Alleluia," the Sunday-school hymnal, also continues to meet with favor, over 40,000 copies having been sold during the year.

Distribution.—The publications of the Board are distributed through the main headquarters at Philadelphia, and also through the branch houses, designated as Depositories, located at important centers throughout the country.

Abstract of Fiftieth Annual Report.

During the past year the Board made 151 appropriations for church edifices amounting to $641,294.00; and for 80 manses amounting to $109,502.00; making total appropriations of $750,796.00. Since its organization the Board has assisted in the erection of 11,818 churches and manses.

The General Assembly requires the Board to protect its mortgage interest in churches and manses by fire insurance. Every church is urged to carry sufficient insurance.

The correspondence with churches, Presbyteries and Synods during the past year has been a large and profitable one.

The Board has coöperated with the Board of Missions for Freedmen, the General Board of Education, and the Board of Home Missions.

Never was there a time when manses were so badly needed. In some sections congregations find it impossible to secure a house for the minister and his family. About one-half of our ministers live in manses. Every settled pastor should be provided with a comfortable home. The Manse Fund is the weakest Fund of the Board and needs strengthening immediately. The Manse Movement should appeal to Presbyterians of wealth some of whom might be willing to provide money with which to build memorial manses.

From time to time statements are sent out from the office, showing the amounts appropriated to various Presbyteries and Synods and the amounts due to the Board. An attractive leaflet is prepared and sent to churches upon request. Last year, tens of thousands of these leaflets were called for. Two years ago a booklet on Church Architecture was prepared but the edition is exhausted. A new and larger booklet is in course of preparation and this will be sent to Building Committees and pastors upon request. The booklet shows different types of church architecture.

The rules governing the General Fund were amended by the Assembly of 1920, permitting the Board to make Loans of $6,000 without interest, instead of $4,000. The Assembly also urged the Board to make an equitable distribution of funds.

The Board was authorized, under certain conditions, to make partial payments in the erection of a building and "in cases where a Synod and Presbytery, and the Board from its own investigation, agree in judgment, from the standpoint particularly of the strategic importance of a church, the Board shall have discretion to meet the needs of the case by such combination of funds, i.e., grant, loan without interest, and loan with interest, as may be necessary."

The Assembly also authorized a Department of Architecture.

The financial operations of the Board for the year ending March 31, 1920, are herewith summarized.

The Board Budget for 1919-1920 was $467,010, and there was received, on account of the Budget, $257,630, an increase of $120,274 over the preceding year. Of the amount received, $190,418 was new money given by churches. The remainder was the return to the Board of money loaned the churches from its General Fund.

The cost of promoting and collecting the Board's Budget, paid to the New Era Movement, was $9,935.20.

Repayment by churches of interest-bearing loans and interest,—and interest from Board's invested Funds,—and sales of property,—and receipts from all other sources, together with the amount received on the Budget, gave the Board resources of $737,682.

The Appropriation work of the Board for the year is herewith set forth:

Appropriations Made.		*Appropriations Paid.*	
For 151 Churches	$641,294 00	For 117 Churches	$344,272 00
For 80 Manses	109,502 00	For 62 Manses	65,687 00
231 TOTAL	$750,796 00	179 TOTAL	$409,959 00
Grants Made	$225,235 15	Grants Paid	$142,300 00
Loans Made	525,561 55	Loans Paid	267,659 00
Total	$750,796 70	Total	$409,959 00

It will be noted that the Board actually appropriated to churches $13,114 more than it received for current work. The reason that this amount was not paid out was that many churches found it difficult to build, and qualify for the appropriation.

Deducting the New Era expenses of $9,935.20 from the total expenses of the Board, the expenses for Administration, etc., were $52,517, which is 6½ per cent. of the total receipts.

In behalf of the Board.

The following were the resolutions adopted by the General Assembly, upon recommendation of the Standing Committee:

1. That the Minutes of the Board and the audited Report of the Treasurer be approved.
2. That the action of the General Assembly of 1912 be renewed, requesting the Board to raise for endowment the sum of $10,000,000, and we heartily approve the plan of the Board to prosecute this task vigorously until the full amount is obtained.
3. We recommend that the Executive Commission include in the Budget for 1921-22 an item of $1,000,000, for the endowment fund of the Sustentation Department, this to be in addition to such increase of endowment as the Board may be able to secure in accordance with the previous action of the Assembly.
4. We recommend the approval of the Board's suggestion that the age for Honorably Retired Ministers (those having served 30 years in the pastorate) be reduced from 70 to 65.
5. We recommend the approval of the Board's suggestion that $500.00 represent the maximum to be allowed to Honor Roll men, so long as, in the judgment of the Board, its resources will so warrant.
6. We recommend the approval of the Board's proposal to pay for the ensuing year 100 per cent. of the annuity in the Sustentation Department.
7. The Committee recommends that the Board be directed to place in its budget for the year 1921-22 an amount sufficient to maintain the level of the payments to annuitants, during that year, at, or above, the level of the payments during 1920-21.
8. We recommend the prosecution of an immediate and vigorous campaign to secure the $300,000 necessary to build, equip, and maintain a hospital and sanatorium where cases otherwise eligible for admission to the Homes, but barred on account of the condition of health, may be received and cared for.
9. We recommend that the General Assembly urge all churches, Presbyteries, and Synods to make it possible for representatives of the Board to present the work and ask for subscriptions for the permanent and reserve funds, as hitherto.

10. We recommend the approval of the election of the Rev. Henry B. Master, D.D., as General Secretary, and of the Rev. William S. Holt, D.D., LL.D., as Associate Secretary.

11. We recommend the approval of the election of Rev. J. Ritchie Smith, D.D., to take the place of Rev. Frederick E. Stockwell, D.D., resigned, of the 1921 class.

12. We recommend the re-election of the following persons, whose term of office expires at this meeting of the Assembly, namely:

Rev. Marcus A. Brownson, D.D., Philadelphia, Pa.,
Rev. George Francis Greene, D.D., Cranford, N. J.,
Mr. J. Willison Smith, Philadelphia, Pa.
Mr. Samuel F. Irwin, Philadelphia, Pa.

13. With reference to the Overture to the last General Assembly so to amend the rules of the Board as to provide an Honor Roll for widows, which was referred to the Board for consideration, we recommend that no action be taken, for the reason that justice demands special consideration for each individual case.

14. We recommend the approval of the Board's decision to close the 70-year class of annuitants in the Department of Sustentation, with March 31, 1921, after which time no further new members will be admitted to that class.

15. We further recommend the approval of the Board's expressed desire to open a 65-year class of annuitants, in the Department of Sustentation, at as early a date as practicable, which will, of course, require a revision of the rates payable by those who desire to enter that class, it being understood that the plan shall be made operative within the present year.

16. Your Committee recommends that the General Assembly call the attention of the eldership of the Church to the urgency of the work of this Board, and recommend that they use their utmost efforts in their own churches and Presbyteries to promote its interests.

17. In regard to Overtures from the Synod of Nebraska, asking the Assembly to reduce the age when a minister may be placed on the Honor Roll, from 70 to 65, and, further, that the Assembly place the maximum amount allowed those upon the Honor Roll at $600.00, we recommend that no action be taken, as no action is required, since the Board has already complied with the first half, and will, as soon as its funds warrant, comply with the second half of the Overture.

18. With reference to the Overture from the Presbytery of New Castle, asking that the General Assembly direct the Board of Ministerial Relief and Sustentation to pay to retired ministers who are on the Honor Roll of the Relief Department, the full amount of appropriation, regardless of any private income they may have, we recommend that no action be taken, because it would be in contravention of the Charter provisions, and that the funds of the Board do not warrant that general distribution without reference to need.

In behalf of the Board,

HENRY B. MASTER, *General Secretary.*

ABSTRACT OF THE FIFTY-FIFTH ANNUAL REPORT.

We are again thankful to be able to say that we have once more, and for the twentieth time in annual succession, closed our fiscal year with enough funds on hand to meet all outstanding financial obligations.

During the past year the annual contributions from the churches amounted to $155,306.53, as compared with $101,195.42 the year before, making a difference in the right direction of $54,111.11, a very decided increase. The contributions from Sunday Schools, direct and through the Women's Department, amounted to $14,249.17, an increase of $2,792.19. The Young People's Societies gave us, direct and through the Women's Department, $14,039.63, an increase of $3,175.29. The Women's Societies gave us, direct and through the Women's Department, $125,806.21, an increase of $33,108.56. We received interest on invested funds amounting to $43,882.77. an increase of $3,945.60. From legacies we received $43,006.86, an increase of $24,561.73. From miscellaneous sources we received $33,268.69, an increase of $12,084.46.

We are pleased to note that gifts from living sources indicate an enlarged interest on the part of the people in our churches in the great cause which we represent. The number of churches that helped us in any one way, either by congregational collections or through the Sunday Schools or Young People's Societies or through the Women's Board (counting each church only once, whether it gave in only one or in all of these ways), was 7,011, an increase of 413, leaving 2,852 churches that gave us nothing whatever. The number of Sunday Schools that contributed to the Board direct was 605; the number that gave through the Women's Board, 231, making a total this year of 836, an increase of 63. The number of Young People's Societies contributing direct to the Board was 31, and the number that gave through the Women's Board was 1507, making a total of 1538, an increase of 74. The number of Women's Societies contributing to our work through the Women's Board or direct was 5102, an increase of 97.

The amount given to church work by the people on the Field, including church buildings, repairs, contingent expenses and ministerial support, as reported to us by our ministers in their annual reports to the Board, was this year $185,-196.82. The amount given on the Field to our school work by patrons and friends, as reported to us by our teachers, was $155,373.12. In addition to this, the churches under our care, which reported to us, gave $29,954.22 to Benevolences. Adding the amounts raised for church and school purposes to the amount given by these churches for the benevolent agencies of the Church, we have a sum total, passing through the hands of our ministers, elders and teachers, directly and indirectly, for their own good in their own communities and for the good of others in our own land and in other lands, amounting to $370,524.16.

Considering the comparatively small amount of this world's possessions in the hands of these people, and the high cost of living, it seems almost incredible that so large an amount should be given for the purposes above mentioned.

In September last the Board organized a Sunday School Department, with Miss Maud A. Kinniburgh as secretary. A new plan was adopted of selling shares in the different church schools at $25.00 each to Sunday Schools. We are pleased to note the interest taken by the Sunday Schools, in this new plan, a number of them having taken several shares. In this way the young people become identified with a particular mission point from which they may receive definite information. An engraved certificate for each share of stock is issued to the school upon the receipt of $25.00, and as these schools are located in thirteen different southern states each northern state has one or more schools assigned to it.

The schools are classified as follows: 1. Two boarding schools for males only. 2. Five boarding schools for females only. 3. Twenty-one co-educational boarding schools. 4. One hundred and ten church schools.

We have increased both our church and school work during the present year. The churches have increased from 440 to 448; the schools from 127 to 138. The pupils in the schools have increased from 16,900 to 19,514. The salaries of the ministers at the beginning of the year were increased twenty per cent., with the provision that the people in the churches would likewise increase their gifts to the minister not less than twenty per cent. in addition to the increase allowed by the Board. The teachers also substantially received an increase of twenty per cent. from the Board. The colored Presbyteries, sixteen in number, enthusiastically took hold of the New Era Movement and both in their gifts towards local church support and to the Board made a magnificent increase.

During the year we have begun the erection of a girls' dormitory at Boggs Academy, Keysville, Ga., to be known as "Adams Hall," at a cost of about $12,000.00. The building is well under way and we hope for its completion by the opening of the fall term of the school. It contains a dining room in the basement; reading room, music room, and teachers' parlor on the second floor, and dormitory rooms on the third and fourth floors. One half of the money for this building was given by a good friend of the cause, the balance being furnished by the Board.

We have also begun the erection of a girls' dormitory at Arkadelphia, Arkansas, which will cost about $20,000.00 to be known as the "C. W. Black Dormitory." Nearly all of the money for this building was given by a good friend of the cause. The building is to contain a dining room in the basement, some recitation rooms on the first floor, and dormitory rooms on the second and third floors. Arkadelphia has long been waiting for this much needed building.

We erected a much needed building for the Irmo, S. C. Church school at a cost of $2,550.00 which houses about three hundred pupils. The money was given by a friend of the work.

At Mary Allen Seminary, Crockett, Texas, a new bath house was erected for the use of the girls, which has all of the conveniences of a modern bath house.

From the 138 schools and from the 448 churches and missions there came up a stream of requests in one way or another. These requests covered a multitude of items, viz: new stoves, new roofs, paint, fences, desks, plumbing, etc., etc.

The Board made grants amounting to $30,539.04, for various repairs and equipment needed in the schools and for repairs and the building of new churches. Any one of these requests seems too small to mention, but the keeping up of four hundred and seventy-five school buildings means constant repair.

We have a large number of requests on the waiting list for new buildings, which ought to be granted. Cotton Plant Academy, Cotton Plant, Arkansas, is in great need of a combination boys' dormitory and recitation building, the old one having been destroyed by fire. $15,000, in addition to the insurance money received, will be required for this building.

Biddle University, Charlotte, N. C., is in great need of a boys' dormitory, to be known as the "Theological Dormitory," in order to relieve the overcrowded condition of the present buildings; $30,000 will be required for this purpose. The Alumni Association of Biddle are diligently at work on this fund. This furnishes a great opportunity for some benevolently disposed man or woman. Biddle has three departments, Literary, Industrial and Theological.

Alice Lee Elliott at Valliant, Oklahoma, must have a recitation building, which would cost about $10,000.00. This school has been assigned to the State of California, and the good women in California are working diligently towards securing this building.

Mary Potter Memorial School, Oxford, N. C., has outgrown the girls' dormitory known as Wells Hall, and a wing could be very easily added to this building, thus increasing the dormitory space and also enlarging the dining room; $10,000.00. would accomplish this.

Albion Academy, Franklinton, N. C., some years ago lost their boys' dormitory by fire, and have suffered great inconvenience during the last two or three years. A friend of the cause has started a fund for this building, but $10,000.00 more is urgently needed to complete the building.

Selden Institute, Brunswick, Ga., is using for the boys' dormitory an old farm house which was standing on the property when it was turned over to the Board for school purposes. The boys are increasing rapidly at this school and a larger dormitory is imperative; $10,000.00, together with the gifts of the friends of Selden, would erect a suitable building.

In addition to these requests there are not less than twenty others that are worthy of immediate attention if the Board had sufficient funds.

The rapid development of the South during the war period has compelled the Board to add up-to-date plumbing in many of the schools at a very great cost. Sewerage systems have been installed in many of the southern towns and cities, and the Board has been compelled to connect the school properties with these.

There is great need for modern desks in many of the schools. The day has passed by when we can use old-fashioned benches in the schools and do efficient work. During the war, only necessary repairs were made to the school properties, but now a great deal must be done in order to put them in safe condition for use. Rev. I. H. Russell, Carthage, N. C., is the successor of Rev. J. J. Wilson, D.D., as Evangelist for the Synods of Atlantic and Catawba. Dr. Wilson was very successful in his work as an Evangelist, but decided to return to the pastorate. Dr. Russell already is in constant demand for services in the churches and schools.

Dr. J. M. Ewing is continuing his work with pleasing success as Evangelist in the Synods of East Tennessee and Kentucky.

Rev. J. E. Tice has been appointed Evangelist for Canadian Synod and his work has had an auspicious beginning. Mrs. J. E. Tice has been appointed Organizing Secretary for Women's Missionary Societies. Mr. and Mrs. Tice are bringing good cheer to the churches located in the Southwestern District.

Rev. C. G. Rowlett of the Colored Cumberland Church is doing the work of an Evangelist in the name of our Board among the Colored Cumberland Presbyterian churches, who do not have any strong body of fellow Christians to help them.

The school at Bowling Green, Kentucky, formerly managed by trustees of the Colored Cumberland Presbyterian Church, is now under the direction of our Board. Members of the Colored Cumberland Presbyterian Church are especially welcome at this school, and the ministers of that Church take advantage of the Bible Department to secure a better training for their work.

Rev. J. W. Lee, D.D., Field Missionary for work in the northern states, has been extremely busy during the year in the investigation of new work located within the bounds of White Presbyteries. He has assisted in the organization of several new churches, and has proved himself to be worthy of the confidence placed in him by the various Presbyteries.

During the year, Mr. Robert S. Davis, an elder in the First Presbyterian Church, who had been the faithful and efficient Recording Secretary of the Board for several years and a member for forty-six years, passed on to his rest and his reward. Mr. Davis was always sympathetic with the great work of the Board, and was never absent from one of its meetings nor failed to attend the meeting of the Church Committee of which he was a member, unless detained by illness.

Willis A. Boothe, Esq., was elected the successor of Mr. Davis as Recording Secretary.

We regret that we have not been able to answer many of the urgent appeals that have continually come to our attention, but we have aimed to accomplish the greatest possible good with the funds placed in our trust by the people of the Presbyterian fold. We are grateful for the increased gifts which will enable us to pay a more adequate salary to the six hundred and sixty-two workers and to provide a better equipment for the schools.

ABSTRACT OF THE THIRTY-NINTH ANNUAL REPORT.

The past year has been one of the most inspiring and significant in the history of the Board. National prohibition went into effect at midnight, January 16, 1920. The enlarged program assigned to this Board has taxed our ingenuity and strength. Some of the subjects are new in the field of religious effort. It has been necessary to study the situation from many angles, learning not only what agencies, if any, were at work along these lines, but studying also their history, program and methods.

The Prohibition Victory.—Before the adoption of the eighteenth amendment, 34 states had adopted state-wide prohibition. The question of national prohibition was submitted by more than two-thirds of both houses of Congress, and was ratified by 45 of the 48 states. This overwhelming victory came after a campaign of one hundred years. Attacks upon the eighteenth amendment and its enforcement laws have been made from various sources. Attempts have been made to enlist the influence of returned soldiers, foreign-speaking voters and others in behalf of a reactionary movement. The necessity for interpretation of the word "intoxicating" in the amendment is a standing menace. In spite of the present success, friends of the cause must not relax their efforts.

Temperance Work Abroad.—By authority of the last Assembly this Board has undertaken a temperance campaign in other lands. Work is being carried on in 18 countries, under the supervision of Rev. Stanley A. Hunter, a former

foreign missionary of our church. The work has been approved by our Board of Foreign Missions.

World Prohibition Federation.—This organization has extended its work and influence. The National Temperance Society and the Commission on Temperance of the Federal Council of Churches of Christ in America have made it their administrative agency. The Federation now affords the union of forces necessary for the greatest moral sweep and impact of religion in this reform.

The Family and Juvenile Welfare.—This department has been organized by W. A. McKeever, LL.D., of the University of Kansas. The department hopes to bring home, church, school, and community into closer coöperation for service for the young. The field covered includes play, thrift, industry, social activities, vacation programs, and moral guidance. An effort is being made to carry on among the cities an aggressive campaign in behalf of the juvenile population.

Social Hygiene.—The Department of Social Hygiene has carried through a modest but definite plan. The work has been in charge of Winfield S. Hall, M.D. He has covered a wide territory and addressed large audiences. The department has published valuable literature in this important field. Heavy demands have been made upon this department for services.

Amusement and Recreation.—Topics in this field include the motion picture, the dance hall, the community center, theaters and other aspects of the recreation problem. While not fully organized, this department has been able to render assistance to a number of agencies.

Defective and Delinquent Classes.—Here we cover a wide field, giving attention to the insane, feeble-minded, deaf, dumb, blind, cripples, and other defective classes; to the problems of gambling, profanity, juvenile delinquency, and prison reform. Rev. John Steele, who has been with the Board for some years, has been appointed director. Rev. Edward V. Ruskin, a former prison chaplain, has been made assistant director, located at Leavenworth, Kansas. Mr. Wm. H. Moyer, formerly warden of the Federal prison at Atlanta, Ga., and of Sing Sing prison, N. Y., is assistant director at Ossining, N. Y. These men are already in touch with the field in the United States and Canada.

Research and Statistics.—This department offers to the church a general information service within the field of the Board. Two research fellowships have been established by the department. Mr. W. L. Harris is the director.

Drugs and Narcotics.—The work in this field, which is so important, in view of the increase in the use of cigarettes, by both men and women, has been carried on by Prof. J. H. Dickason. In addition to publishing effective pamphlets and posters, the director has addressed hundreds of Chautauquas, farmers' and teachers' institutes, churches, high schools, and other gatherings.

A Department of Mercy.—In view of the fact that no work is being done by the church in behalf of the animal world, a Department of Mercy is recommended, which should work in coöperation with the various humane societies.

Workers at Large.—Dr. W. J. Johnson and Miss Maude Aldrich have assisted in campaigns, taken part in conferences, addressed a great variety of gatherings, and helped in so many ways that it is difficult to describe their important service. Dr. Johnson prepared the Manual which has been so widely distributed.

All of which is respectfully submitted to the General Assembly, with gratitude to God for His continued favor throughout the year.

ABSTRACT OF THE NINETEENTH ANNUAL REPORT.

It is peculiarly fitting that this mention should be made of the fact that this Committee was constituted by the Assembly at the opening of the new century, at its meeting in Philadelphia. That was a time when men's hearts were stirred with a new sense of responsibility to God, not unmingled with a feeling of penitence and sorrow because of the scanty harvest which had been garnered during the closing years of the century which had passed. Forward movements of various kinds sprang up among the denominations and in our own Church. One result of this renewed activity was the creation of the Committee on Evangelistic Work.

Last year at St. Louis, the Committee in its report reviewed its early history and gave deserved tribute to its first leaders. As soon as possible after the Assembly, the Committee met and adopted a program for the year's work. After a careful study of the whole field, definite plans were adopted, and the sum of $70,000, which the Assembly said we might have, was allotted to the various items of the budget. Early in the year the Committee felt that it would be wise to limit its expenditure to an amount which it might reasonably expect to receive from the churches and individuals. The results at the end of the year have proved that this was a wise provision, and one which saved the Committee from embarrassment, because, as the financial statement shows, the receipts fell far short of the allotted budget.

Outstanding Facts.—(1) The very constitution of our Church, and the experience of all the years through which she has passed, makes it essential that initiative and responsibility for the development of her spiritual life and evangelistic fruitfulness must rest, first of all, upon pastors and sessions, and if they fail the ultimate responsibility rests upon the presbyteries.

(2) Although the instructions of the Assembly, from year to year, have given the Committee the privilege of direct approach to individual churches and authority to make suggestions to them concerning their evangelistic work, yet the Committee feels that the work of evangelism can be built upon a sound and lasting basis only by the recognition of the primary responsibility of the pastor, and the ultimate responsibility of the presbytery to build up in each church and maintain in each presbytery an evangelistic organization which will knit the churches together, keep constant watch over them, and be ready always to aid those in need.

(3) Churches cannot successfully be dealt with in their evangelistic work by wholesale methods, but close personal acquaintance with pastors and officers is essential; the facts concerning the particular situation and needs of each church must be at hand before any real effective help can be rendered; congregations differ to such an extent in environment, tradition, temperament and degree of development that it is useless to formulate mechanical plans and programs for presentation to the whole Church.

(4) The Committee, in the past nineteen years, having tested the high pressure method and also the quiet pastoral and presbyterial or community

† Deceased.

method of evangelism, stands to-day more firmly than ever for a method of work which will insure the *normal growth* of the Church as a result of her inward spiritual life and testimony, rather than for methods which may bring about *abnormal accretions* to her membership through temporary and external pressure.

General Activities.—The general activities of the Committee may be named under five heads: (1) Office work, which includes correspondence with churches and the dissemination of literature; (2) Field work, which includes general conferences with synods and presbyteries, and special conferences with groups in presbyteries for the setting up of plans for actual evangelistic work; (3) The oversight and conduct of presbyterial evangelistic campaigns; (4) Evangelistic work in the colleges; (5) The financial report.

Field Work.—During the summer and early autumn, the Committee arranged for a program of evangelistic conferences in practically every synod in the Church. Our representatives who visited the synods report that in almost every synod ample space was given on the docket for a full presentation of the Committee's ideals and suggestions with reference to evangelistic work in their fields. In some of the synods radical action was taken and active plans formulated to help presbyteries and individual churches to do better work. A very large number of presbyteries were visited during the year.

Presbyterial Evangelistic Campaigns.—The Committee, at its fall meeting, was confronted with the fact that an evolution was taking place in the Church. This made it necessary for us to add to our teaching and inspirational work a certain measure of administrative work among the presbyteries. Four years ago the Committee, at the invitation of certain presbyteries, undertook to carry on, in coöperation with presbyterial committees, evangelistic campaigns in all their churches. These campaigns were undertaken as a demonstration of what might be done through the coöperative action of all the churches under presbytery's direction. These demonstrations were so uniformly successful that the Committee began to receive requests from presbyteries in all parts of the Church for similar coöperative aid. Your Committee was aroused by this new development and demand, and feeling that it could safely count upon a much larger budget than that of previous years, definitely promised a considerable number of presbyteries that in the coming year it would aid them in setting up and carrying forward vigorous plans for evangelistic work. Ten presbyteries are already organized for work to begin on the first of September, and have secured a total budget of $60,000, which is to be expended directly by them. This is an average of $6,000 for each presbytery. Back of these ten presbyteries there is a waiting list of many other presbyteries which are equally eager to enter into evangelistic work on the Assembly Committee's plan.

To Serve the Whole Church.—The hope which the Committee has set for itself is that the churches will contribute its full budget and thus enable it to organize a sufficient force to carry forward evangelistic work in at least forty presbyteries in a given year, and also to render a certain amount of aid to home mission synods in coöperation with the Board of Home Missions. This means that your Committee could in five years cover the whole Church with a great evangelistic campaign based upon the sound principles already enunciated, *rendering an evangelistic service from which there would be no hurtful reaction, for there has been no hurtful reaction in any presbytery where these plans have been carried out up to the present time.*

The financial obligations of such a program may be stated in this way. Forty presbyteries would raise as their budgets an average of $5,000 each, or $200,000. The Assembly's Committee on Evangelism would expend in this department of its activities for field work and secretarial supervision, and in amounts paid to evangelists in excess of what some presbyteries might be prepared to pay, an amount equal to 20 per cent. of that raised and expended within the bounds of the presbyteries, or $40,000. In the presbyteries which have already taken official action asking the Committee's help and promising to carry through its plans there are approximately 3,000 of our churches. It is interesting to contemplate the result which could be attained by such an effort as this carried on from year to year in our Church.

College Evangelistic Work.—Fourteen years ago, the attention of your Committee on Evangelism was called to the fact that college presidents and professors in our Presbyterian institutions of learning were greatly in need of a more sympathetic and direct message from the great body of the Church, a message which would be helpful to them in their endeavor to develop the

mental and moral life of the young men and women under their care. Accordingly, your Committee engaged a secretary to give his entire time to the work of college visitation that by pastoral addresses and personal counsel he might bring spiritual and moral reinforcement to faculty members. Four years later the Board of Education agreed that its campaign for candidate enlistment should be merged with the evangelistic work which your Committee was carrying on, and ever since that time these two agencies have coöperated in this service for our students. For some years there has been a Joint Committee composed of the General Secretaries and three representatives each from the Board of Education and the Committee on Evangelism; the new General Board of Education has entered into this arrangement with the same fine spirit of coöperation as that formerly exhibited by the old Board of Education.

The features of this college evangelistic service which are most encouraging to the Church are these: (1) The principal work of the visitor to the college is not done in the chapel services, which are compulsory, although he is usually the chapel speaker while in residence, but at evening services which are voluntary, and it is reported from almost every college that practically the entire student body attends the voluntary evening services. What this means can only be understood by those who recall the busy days of their own college life or those who have sons or daughters in college. These recognize that college students have less time at their disposal for extra engagements than almost any group whom we seek to serve. (2) The next encouraging thing is that the deepest and truest work which the visitor to the college is able to do is through the personal interviews which he has with students. The report comes with unfailing regularity from almost every college visitor that his time is occupied often into the late hours of the night in interview work with students who voluntarily seek his counsel. This is a work which is so exhausting that some of our most vigorous men have declared on their return home that they never in their lives undertook anything that made quite so great a demand upon their vital energy. Your Committee believes that the presidents and faculties of our colleges are almost without exception heartily in favor of these well-planned programs of college evangelism, and that they welcome to their institutions the sane and earnest pastors of our churches whom it is the Committee's policy to send to the colleges for the conduct of such work. Letters find their way to us from grateful students and college presidents indicating the nature and extent of the spiritual results which have come from the meetings.

Coöperative Work.—The Assembly has from year to year instructed your Committee to hold itself in readiness for hearty coöperation with other agencies of the Assembly and with all evangelical bodies engaged in scriptural evangelistic work. During the past summer representatives employed by the Committee were at work in Home Mission fields under the joint direction of Home Mission chairmen and the chairmen of Evangelistic Committees of certain synods. One of these representatives will be working during the coming summer in Arkansas, another in Texas, and another in the Synod of Colorado. There is hope that these tentative plans of coöperation will result in a much larger measure of coöperation as the Committee's force of evangelists is enlarged to meet the call of the presbyteries. Fortunately, many of the home mission fields desire to hold evangelistic services in the summer time, and since that is just the time when our evangelists are not employed in presbyteries, it gives an opportunity for an all-year-round employment of these brethren in fruitful fields of service.

Your Committee has also coöperated in a measure with the Evangelistic Commission of the Federal Council of Churches, and has made an appropriation to its treasury of $500. The General Secretary of your Committee, as the secretary of the Evangelistic Committee of the Pan-Presbyterian Alliance, called a meeting of that Committee last year, presented a report to the meeting of the Alliance held in Pittsburgh in March, and expects to call a meeting of the Committee early in the autumn for a practical discussion of plans which may be taken by our Presbyterian and Reformed Churches to make a united impact upon the evangelistic life and work of all the affiliated bodies.

Financial Report.—In previous years the financial report of your Committee has been a very simple matter, and, since the year 1911, it has been a report full of hope and encouragement because of the steadily increasing amounts contributed by the churches and by individuals to the Committee's support.

We regret, as does the whole Church, that the offerings of the churches have fallen so far short of the expected mark that the Committee has received only

58 per cent. of its allotted budget. This was not as great a gain as the Committee expected in view of its past increases. The Committee, realizing the need for maintaining a sufficient balance to carry on its work during the summer, since it has no collateral upon which it could borrow funds, held its work well within the limit of what very early in the year appeared to be its probable receipts. Thus we entered the new year with a balance which, with various small amounts coming in during the summer, will enable it to carry on its work until the autumn. At that time it is hoped that the fruits of the April campaign will manifest themselves in remittances large enough to enable your Committee to enter the many doors that are wide open for service.

ABSTRACT OF REPORT.

Expansion of the Work.—The first matter of interest to report is the employment of the Rev. Ezra Allen Van Nuys, D.D., and the Rev. Charles H. McDonald, D.D., as Associate Secretaries; and the establishing of Executive Headquarters at 17 North State Street, Chicago, and the opening of an Eastern Office at 156 Fifth Avenue, New York. Executive Headquarters have been established at Chicago because that city is the center of the most cultivated and fruitful field for Men's Work, and because of the strong leadership of the Assembly's Committee that is there. We have opened an office in New York City because it became wholly necessary to have an executive officer there who would articulate our Men's Work with the other Boards and Agencies, in the New Era Movement. Even this increased executive force and equipment seem to be the irreducible minimum if we meet in any reasonable measure the opportunity and necessity of the work. In these days of aggressive religious movements among men, it seems clear that a smaller force and equipment would not even keep the control of a Presbyterian Men's Movement. We record our deep gratitude for the facilities provided by the Church for the enlargement of the Men's Work during the past year.

Five Fundamental Objectives.—A large contribution is made to the permanent, constructive work of the Men's Societies by their adoption of yearly programs of activities. Such programs should be prepared for submission to the Men's Society by the Executive Committee or a special committee. These yearly programs of activities are made up, first, of those activities which every men's society should carry on every year; and, second, of those activities which local conditions require. Only the leaders in local churches can determine the latter.

*Deceased.

(1) To build up local churches is one specific purpose in the Men's Work. Any scheme of Boards and Agencies which does not include an agency whose specific purpose is to build local churches, is incomplete. Since large budgets for Boards and Agencies and Religious Movements must be secured, we must do more to build local churches, which are bases of supplies. The time will never come when the building of local churches will cease to be of first importance, no matter what comes in Federation, Coöperation and Union. Earlier Religious Movements among men failed, in part, because they did not have facilities for permanently organizing men in the local churches. Denominational Men's Agencies are necessary because only they have the facilities to organize men on a permanent, efficient basis in these churches.

(2) To build the Christian Brotherhoods in the local churches is the first step in organized Men's Work. In many churches the men are not a Brotherhood, there being no Christian unity, no intimate fellowship and sympathy. The men of a church are separated into many vocational, fraternal, and political groups. Their unity in Christ and His Church must be made a stronger bond.

(3) The Men's Work makes a large contribution to evangelism. In the Declaration of Purpose for all Men's Societies, "SERVICE, ESPECIALLY IN WINNING MEN TO CHRIST," is made the first responsibility of the men. The Christian Brotherhood within the church draws powerfully the outside men.

(4) To make our churches men's churches is an important objective in Men's Work. The business abilities and methods of men, which are so wondrously effective in other institutions, are brought into use in the churches. Abler leadership in the boards of officers naturally follows. Better support and equipment of pastors and better equipment of church buildings will be provided.

(5) The Men's Organizations offer essential leadership in the work of the churches for Service Men and boys. The Service Men must be assimilated into the fellowships and activities of the churches. There is a difference of opinion as to *method* but not as to *fact*. The leadership, idealism and strength of these young men must be capitalized for the work the churches must do. The most powerful and available agencies in the churches for this purpose are the men's organizations. The men's organizations in the churches are powerful agencies for keeping the boys of our Christian homes and Sunday Schools in the churches. The appalling loss of boys from the churches can best be stopped by the organized work of the men. Unless some other kind of a boys' organization is found to be more practicable our Committee counsels that Boy Scout troops be formed.

Institutes.—The increase in the number of active men's organizations creates a need for trained leaders. To meet this demand, there was held last year 3 regional Institutes on Men's Work; in Minneapolis, in Cincinnati, and in Chicago. A whole day was spent by from 60 to 100 men, at each Institute, in thorough discussion of needs, methods, principles, educational processes, etc. There is urgent need to multiply these Institutes. At the Men's Rallies connected with these three Institutes the attendance totaled 890. Men's Unions or Federations have been organized in Cincinnati, Omaha, Detroit, and Des Moines during the year. The amount of money available determines the extent to which they can be held.

Committees of Synods and Presbyteries.—Notwithstanding the difficulty in maintaining committees because of changes in pastorates, about thirty Synods have Men's Work Committees. The services of these committees in coöperation with the Assembly's Committee are indispensable. A folder on Duties of Committees has been published in response to persistent inquiries about the work of the committees.

Reports on Men's Organizations.—Blanks were sent to all the churches on the "Active List" for reports on Men's organizations. The questions cover, Kinds of Organizations, Enrollment and Average Attendance, Work for Boys, Evangelism, Community Service and Missions. At the time this copy must be sent to the printer, these reports are still being received. Tabulation will be made, and results reported to the Assembly.

The Treasurer's Report.—No one realizes the difficulty in financing a new Agency out of the Missionary and Benevolent funds of the Church, who has not tried it recently. The older and larger Boards are in about every Session's budget, and have built up a large constituency of individual givers. The Men's Work claims merit in the matter of finance because it helps to build up all the budgets and does not gather and administer funds for a separate department of work. The policy is for the men to give through the established treasuries of local churches and Boards and Agencies. The Men's Work is a coöperating agency in the financing of the work of local churches and the established Boards and Agencies. The Committee regretfully eliminated about one-third of the work it had carefully projected for the year because the income received during the greater part of the year did not warrant an expenditure of an amount equal to the budget of $34,000.

ANNUAL REPORT.

A Period of Readjustment.—It was quite natural that the close of the war should bring new problems and difficulties in connection with the affairs of Church as well as State. With upward of 1,000 of our ministers engaged in war work of one kind or another for periods of three months or more, and with possibly one-third of the whole number having resigned pastorates to enter such service, it could not be otherwise but that the work of this Committee would be greatly enlarged and take on many new phases.

The Ever-Present Remedy.—The Vacancy and Supply Plan, with its fundamental provisions for definite and clear-cut Presbyterial supervision of all vacant fields, has now been before the Church for a sufficient length of time to test its value as a practical measure. Without the slightest hesitation, we affirm that no Presbytery can be found, where the Plan was adopted in its original form, where the Presbytery followed its provisions in the election of a wise and capable Committee to work the Plan, and then this Committee did operate the Plan faithfully, promptly and impartially, in which the Plan has not demonstrated its true value by bringing order out of confusion, and increasingly improving vacancy conditions in the Presbytery. That these desirable results have not always been in evidence, even after the Plan has been adopted by a Presbytery, is no reflection upon the Plan, for in every such case investigation has shown conclusively that the real difficulty was not in the Plan, but in the failure to work the Plan as intended by its authors.

Recent Vacancy Conditions.—Ordinarily, the months of January and February are regarded as presenting the high water-mark in the number of vacancies. Reports received from a very large percentage of the Presbyteries at that time indicated a need of between 400 and 500 additional pastors for the churches and groups of churches able to support men. This computation does not include many small and scattered fields unable to support pastors.

A Shortage of Pastors.—There is no denying the fact that, for many years past, the Presbyterian Church has not been training anything like a sufficient number of men for pastoral service. It is true that the peril of an entirely inadequate ministry has been somewhat relieved by the steady stream of men being received from other denominations, but no thoughtful person needs to be reminded that a Church that fails to rear and educate enough men to furnish effective leadership for its own work, is pursuing a precarious course, and sooner or later is bound to reap the results of such neglect. As a Church, we may consistently and safely welcome to our ministry men educated and ordained by other ecclesiastical bodies, providing character, training, and previous success give unmistakable assurance of satisfactory service as Presbyterian ministers, but laxity at this point on the part of any Presbytery cannot but ultimately militate against the best interests of the work of our Church. But even after receiving large numbers of ministers ordained by other branches

of the Church, and after placing back in pastoral service those available for such service who have been temporarily in war work, it seems quite evident that as a Church we are at least 400 pastors short of a supply adequate to provide for our vacant fields able to support men. Indeed, these figures are probably more conservative than the actual facts would justify.

One of the startling and unfortunate developments of the past year has been the large number of ministers who have given up pastoral work in order to enter other lines of activity. Some, we record with special regret, have turned aside from the pastorate to accept positions in the business world, some have become identified with various reform and welfare organizations, while a very large number have left pastoral service to enter the general work of the Church, probably the majority of these being connected with the more recent religious movements, denominational and inter-denominational.

The Unemployed Minister.—In the month of January, the office of the Assembly's Committee made diligent inquiry as to unemployed ministers in various sections of the Church, who might be available and able for pastoral service. A list of 96 such men had been compiled, regarding whose settlement, up to that time, the central office had no definite word. Letters of inquiry were addressed to all of these, and it was found that fully one-half of the whole number had already located. The attention of Presbyterial Committees in need of pastors was immediately called to the availability of the men not located, and many of these have found permanent settlements, while others, for one cause or another, have accepted work more temporary in character. Our experience as a Committee does not lead us to the conclusion that as a Church we have any serious problem of ministerial unemployment. Indeed, it is our conviction that any minister who in the past has had even fair success as a pastor and is still able and available for such work, can within a reasonable length of time find a field of service, providing he is willing to go where he is needed, without attaching too many conditions.

The Ever Changing Ministry.—No one in close touch with the work of the Church needs to be reminded that at times a considerable section of the modern ministry takes on the appearance of a moving procession. In this respect it is only fair to state that conditions are probably no worse than for a score of years. Indeed, in recent times there have been some signs of improvement. During the past year fully 1,000 ministers sought the assistance of the Assembly's Committee in the effort to find new fields of service. Many of these were justified in the desire to undertake new work. Some, after further consideration and conference with their Presbyterial Committees or with representatives of the Assembly's Committee, wisely decided to remain for longer periods on the fields where located.

A Properly Distributed Ministry.—The work of our Church has now been extended into practically every section of the country, and as a necessary consequence our ministerial forces must be similarly distributed. One of the serious drawbacks to the satisfactory settlement of pastors, is the tendency of a very large majority to insist on locating in the eastern or central sections of the country, to the exclusion of the territory farther west or to the northwest. Of the large number of ministers registering with the office of the Assembly's Committee as desiring new fields, probably at least 75 per cent. insist on locating east of Chicago, and possibly 85 per cent. east of the Mississippi River. Then, about 5 per cent. specially desire to go to California, and an equal number to Florida, thus leaving only about 5 per cent. for other sections of the country.

A Living Support for the Pastor.—The unparalleled conditions through which our country and indeed the whole world have been passing, have developed a most perplexing problem in relation to pastoral support. With living expenses practically doubled in recent years, how is the average minister and his family to maintain themselves even in a condition of the plainest comfort unless the support be correspondingly increased. Before the war, the overwhelming majority of our pastors maintained their families on very modest amounts, but considering the present decreased purchasing power of their incomes, the actual support of many pastors has in reality been greatly decreased and become entirely inadequate. A considerable number of churches have recognized the changed conditions that now exist and have made additions to the support of their pastors, but such action has yet by no means become uniform, nor has the additional support furnished, in most cases, been anything near the increased cost of living. Of 411 churches or groups of churches reported as vacant following the holiday season, the average support proposed was slightly below $1,575;

and 326 of these fields, or about 80 per cent. of the whole number, furnish manses. Out of a total of 411 churches or groups of churches, 10, or about 2 per cent., ordinarily furnish a support of $4,000 or more; 22 fields, or about 5 per cent., furnish from $2,500 to $3,500; 17 fields furnish from $2,000 to $2,400; 32 fields furnish $1,800; 98 fields furnish from $1,500 and manse to $1,750 and manse; 159 fields furnish from $1,200 and manse to $1,500 without manse; more than 60 fields furnish from $1,000 and manse to $1,100 and manse. In other words, about 20 per cent. of the vacant fields ordinarily furnish a support of $1,800 or more, while about 56 per cent. of the vacant fields have been furnishing less than $1,500 and manse.

A Campaign of Education.—During the past year we have put forth special effort in three directions: (1) *The Quarterly Bulletin.* As a measure of publicity, the Permanent Committee has continued the issue of its quarterly bulletin for the frank discussion of the various phases of the Vacancy and Supply problem. (2) *Enlightening Theological Students.* We deem it advisable that the process of education be inaugurated early in the career of the minister, and therefore the Permanent Committee, towards the close of the Seminary year, placed in the hands of all Seniors in the Theological Institutions copies of the Vacancy and Supply Plan and other printed matter bearing upon the various phases of our work. (3) *District Conferences.* Realizing the importance of bringing together members of Presbyterial Committees for frank counsel and interchange of experiences, the Secretary of the Assembly's Committee, late in the Fall, made a tour of the Synods of the northwest, conducting conferences in Milwaukee, Wis., Minneapolis, Minn., Duluth, Minn., Jamestown, N. D., Huron, S. D., and Sioux Falls, S. D. It is hoped that in the future the arrangement of our work may permit the holding of such conferences throughout a much larger section of the Church.

In behalf of the Committee,
WALTER H. HOUSTON, *Corresponding Secretary.*

Office: PRESBYTERIAN BUILDING, 156 FIFTH AVE., NEW YORK, N. Y.

Your permanent Committee on Sabbath Observance, successor to the Special Committee, in submitting its first Annual Report, would call your attention to the action of the General Assembly of 1919, which brought about the establishment of the Permanent Committee. The Resolution acted upon by the General Assembly, and which brought about the change of the Special Committee to the Permanent Committee, stressed the fundamental place which our Christian Sabbath occupies in our National life, its mighty significance in originating and developing "those ideals, convictions and purposes which are the vitalizing force in our Christian civilization." It directed attention to "the fierce, powerful and systematic assaults that are being made, with steadily increasing violence, by thoroughly organized, rich and strongly entrenched commercial syndicates, which, without conscience or shame, would betray the temporal and eternal welfare of our own and future generations, for thirty pieces of silver."

It should be said at the outset that the work of the Committee was necessarily limited, up to April 1st, as it had not a budget from which to draw moneys to meet expenses. Nevertheless, the Executive Committee, as empowered by the Permanent Committee to develop plans and prosecute the work to the fullest possible extent, set its eye upon the work immediately at hand and began a positive and constructive program of education and suggested action by the churches, through a number of articles and advertisements as published and printed in the *New Era Magazine*, the religious weeklies, and a number of great metropolitan dailies; also by coöperating throughout the year with the Lord's Day Alliance of the United States, which officially represents our Church, and is doing a work of both an independent and a coöperative character.

Strategic places are being marked where trained men may be placed to organize and direct the work of the Committee from those centers of activity, and to aid in meeting great issues of Sabbath Desecration and in solving vexing problems at the psychological time and handling the routine work necessary to secure the best results. Although the Committee, of necessity, had to mortgage some of the moneys of the budget for 1920-21, it has been careful to exercise that economy in the expenditure of moneys which will make every dollar count for the highest efficiency. With the approval of its budget as presented both by the Budget Committee and the Executive Commission of the General Assembly, for the fiscal year beginning April 1, 1920, the development of the plans as adopted by the Executive Committee are now being pushed with enthusiasm, discriminate judgment, and dispatch.

The Committee will function directly through its various departments, and where the work can be done more efficiently through the Lord's Day Alliance of the United States and its auxiliary and affiliated societies, this course will be adopted and the heartiest coöperation of these societies maintained, as was formerly the case with the Special Committee, but now in a more substantial and effective way. It is a pleasure to note in this connection that the Permanent Committee coöperated, with most telling effect, with the Lord's Day Alliance in the great campaign in New York State, in March and April last, against the many bad Sunday bills which had been introduced in the Legislative session at Albany, all of which were eventually defeated, an accomplishment which was not expected by the most optimistic.

Powerful commercial institutions, especially the Motion Picture Industry, Professional Baseball Leagues, and certain business syndicates are openly and strenuously driving ahead for the repeal of the State Sunday law. The combination of organized forces whose object is the capture of the Lord's Day has become greatly strengthened during the past year. This fact was plainly evident in many states where the activity of these forces was especially pronounced. In New York, Massachusetts, Connecticut, New Jersey, Maryland, Ohio, Wisconsin, North Dakota, and Texas, only the most Herculean efforts put forth by the Lord's Day Sabbath and Civic and Labor Societies saved the Sunday Laws from overwhelming repeal, and in a few states partial success for the enemies of the Day was recorded.

Your Committee believes that in presenting to the pastors and churches its positive, progressive and constructive program, it must awaken the Church to the unquestioned fact that the peril of the Sabbath is the peril of the Church, the Bible School, the Home, and the Nation, and that the Church must lead

in the educational program setting forth the reason why every member of the Church should faithfully and properly observe the Christian Sabbath, and why the members of all our churches should have frequent teaching in this direction and also be charged with the responsibility of helping to defend and preserve the Lord's Day in the interest of the Christian faith, patriotism, and true Americanism. During the past year much has been said about Bolshevism, Communism, Anarchy and Radical Socialism. There has been not a little ground for such fear, but how many realize that these elements lose no opportunity to drive a dagger into the heart of the American Christian Sabbath. Leaflets, tracts, and other literature will be prepared in a number of foreign languages and wisely and discriminatingly distributed among the foreign peoples in the strategic places of the Nation, setting forth the values and virtues of the Christian Sabbath, the benefits which of necessity will accrue to those who respect and reverence it.

We believe that the churches should take a more positive stand on the question not only of Sunday business, but of Sunday amusements, pleasures, etc., and the question of a proper use of public and private buildings and societies, educational or otherwise, on the Lord's Day. Children have no vote for public officials or public school directors, and except in rare cases no membership in athletic, golf or social clubs, yet they are wise enough to see whether or not the Christian Sabbath is properly respected by these persons, institutions, or clubs.

The Church, notwithstanding much talk to the contrary, is the recognized leader in great reforms and stands as the chief guardian of that water supply of all reforms, the Christian Sabbath; but she must be careful not to bend the knee to any altars of Baal upon which, under "camouflage" cover, this life-giving institution of the Church may be ruthlessly slain.

The churches, Bible Schools, Young People's Societies, Men's and Women's Organizations ought to exercise special care to see that on their program for Conventions and Conferences, etc., the Christian Sabbath is given a conspicuous place.

As for the financial statement, it should be stated that, owing to a technicality, the Permanent Committee having been erected after the 1919-20 budget had been prepared, very little money was sent in, and this amount was mostly designated. Having a definite budget assigned for the fiscal year 1920-21, we believe the churches will contribute generously.

ABSTRACT OF THE SECOND ANNUAL REPORT.

The new year has been marked by mingled success and failure. The goals have not all been reached, but, tested by the achievements of the past, there are cheering evidences of genuine success.

The Church's task was created for it by its Lord and Master. Its goals and objectives are of its own formulation. Their use has justified itself amply. The New Era form of organization has been adopted by 210 Presbyteries, and practically by 62 others.

The use of the Every-member canvass has become well-nigh universal, and the group plan is being developed rapidly, more than 1,000 churches having adopted it.

A new spirit has been stimulated in the Church, which appears in the cancelling of church mortgages, the increase of ministerial salaries, the number of study classes, the emphasis put on stewardship, the ingathering of new members, and the largest contributions of money in the history of our Church.

Some of the activities of the several Departments may be mentioned. Spiritual Resources—1,500,000 copies of helpful literature were sent out, and 2,880 churches were organized for spiritual work. Stewardship—on the side of substance, thousands were enrolled to put the principles of proportionate giving into practice, and, on the side of life, the call to service was presented in thirty colleges and universities. Gospel Extension—there are now 234 presbyterial directors, and 1,237 local church directors of Gospel Extension. Publicity—there are publicity chairmen in 230 of the 287 presbyteries, and six miles of clippings from newspapers, gathered in the office during the year, show the extent to which the press uses our material; the *New Era Magazine* was operated, during the year, under this Department, with a paid circulation of 116,470. Every-member Mobilization—500 New Era institutes were held, with large stimulation to presbyteries and churches.

In the field, 14 district offices have been maintained, with far-reaching activities.

The total expenditures from the day of appointment in 1918 to March 31, 1920 (two years), were $754,789.46. This includes the cost of the Victory Campaign and money advanced to the *New Era Magazine.* The expenses of the year's financial campaign, up to March 1st, amounted to $138,853.97, which was provided as a part of the underwriting furnished to the Interchurch World Movement. Many of the churches did not include the New Era Movement, a new interest, in their budget, so that instead of receiving $337,200, authorized in the budget of last year, only $92,095.09 was the amount actually received.

The other Agencies of the General Assembly showed substantial gains, except the General Board of Education, though in this case there was also an increase in the receipts from the churches. For seven of the Agencies the increase for last year equalled the increases they had made for the previous ten years.

In its relations with the Interchurch World Movement the New Era Committee has carried out the instructions of the General Assembly in every regard, coöperating heartily, but within the limits laid down.

The Committee proposes for the coming year: (1) The continuation of the New Era program on the basis of the authorized period of four years, within the budget approved by the General Assembly; (2) emphasis anew on the five-fold task as outlined by the General Assembly: the use of business-like and adequate financial policies and methods by the congregations and Boards and Agencies of the Church; the adoption of a constructive program of individual church activity, covering the entire year; the assignment of definite service to laymen; a gradual modification of the policies and program of the Church, to meet the needs of the New Era Movement and solve local problems; a definite program for the promotion of Christian unity and the elimination of denominational competition.

The following goals were recommended for 1920-1921: The promotion of family worship; an increase of 25% in Church and Sabbath School attendance; pastors' communicant classes; teachers' training classes; 250,000 new members three volunteers for the ministry and missions in each presbytery; 3,000 classes to study "Money, The Acid Test"; 5,000 sermons to be preached on Stewardship; 25% of the members enrolled as proportionate givers; a church school of missions in every church; 15,000 mission study classes; systematic missionary education in every Sabbath-school; in every church a group studying the social teachings of Jesus; every presbytery organized for the New Era departmental programs; 75% of self-supporting churches and 25% of home mission churches organized with a New Era committee and an Every-member group; increase of pastors' salaries; every member canvass in 500 additional churches; a representation in 50% of our churches to assist the pastor in creating interest in the Boards and Agencies; adequate support for the expanding budgets of the Boards and Agencies; a program of publicity; the *New Era Magazine* in every home; increased subscriptions to the women's missionary magazines; increased subscriptions to religious weeklies; a Year Book of Prayer in every home.

It is proposed that much more numerous conferences and pastors' institutes shall be organized; that six to eight secretaries or representatives of the Boards, the Agencies, and the New Era Movement, with steropticon, shall go from presbytery to presbytery during the autumn of 1920 and the spring of 1921, to set forth a related program for all the Boards and Agencies, and that this shall be continued until the whole Church is covered in four years.

It is desired also that the field forces of the Boards and Agencies shall be coördinated at home and that the New Era Movement shall be projected into the foreign field in coöperation with the Board of Foreign Missions.

With regard to interdenominational coöperation, the Committee believes that it is needful and inevitable, in some form, at this crucial stage of the Church's life, and it desires that it may be realized, as far as is possible, under the Assembly's directions.

To increase the efficiency of the New Era Movement and its value to the Church, certain modifications in its plans and methods are desirable: (1) As to coördination with the Boards and Agencies, it is suggested that each Board and Agency select its own representative on the Committee, and that the Committee be accepted as a coördinating committee to unify the functional, promotional, and financial programs of the Boards and Agencies, and that the Boards and Agencies fully coöperate in this purpose. (2) As to the method of constructing the budget, it is suggested that each Board and Agency be instructed to prepare a definite budget for the ensuing year; that official representatives of the Boards, Agencies, and the New Era Movement hold a conference on or before October 15th of each year, to consider the budgets of all the Boards and Agencies; that the action of this conference be referred to the several Boards and Agencies for their approval; that the action of the conference with the approval of the several Boards and Agencies be referred to the Executive Commission for final action, on or before November of each year; that the budget thus approved be given to the Executive Committee of the New Era Movement on or before December 1st of each year, for apportionment, through synodical and presbyterial New Era Committees, to the individual churches, with ample time to permit the whole Church to be advised of the needs and programs of the Boards and Agencies.

(The Resolutions adopted by the General Assembly concerning the New Era Movement will be found in the Journal of the Assembly, page 141.)

The above statement shows, in general, the financial condition of the General Assembly from year to year for thirty-six Assemblies. The management which began with 1884 resulted in such economies that a surplus was accumulated, which enabled the Assembly to meet in Portland, Ore., in 1892, and Los Angeles, Cal., in 1903, without calling for additional funds from the Presbyteries, and also to reduce the apportionments from 1896 to 1905. The interest earned during the period amounted to $41,946.32.

* Note: The Assembly year is a *fiscal*, not a calendar year, and ends March 31.

The Trustees of the General Assembly of the Presbyterian Church in the U. S. A., in accordance with the ninth section of its Charter, respectfully report to the General Assembly the state of the accounts of the Corporation for the year ending March 31, 1920.

The accounts are herewith presented and made part of this Report, and consist of the Treasurer's annual account of the principal and income, showing the receipts and disbursements of both funds and the balance of cash on hand at the end of the fiscal year, together with the investment of the principal.

These accounts are accompanied by the Report of the Committee of the Board on Finance, with the usual certificate of this Committee and the Report of the Committee on Accounts as to the conditions of the finances and the investment of the funds as shown by the account, and the audit of the Treasurer's account. The certificate of Vollum, Fernley & Vollum, certified public accountants, as to the examination of the accounts, cash and securities of the Corporation, is also appended.

The disposition of the income received upon the various trusts appears in the Treasurer's accounts.

The principal account shows a decrease of $4,121.99 occurring by the payment to the Board of Home Missions of the principal of the Jesse M. Ash legacy of $4,199.60, and receipt of $74.50 in the principal of the Mead Holmes legacy, and of $3.11 in that of the Board of Relief. The Jesse M. Ash legacy has been carried on the books of the Trustees for several years awaiting final adjustment, which has now been accomplished.

The Trustees are now administering the following trusts:

37 Miscellaneous Funds	995,112 18
Principal Palethorp Legacy	71,250 00
	$1,168,678 51

Many of the Miscellaneous funds are subdivided, thus largely increasing the number of beneficiaries.

The funds in the hands of the Trustees are invested as follows:

55 separate loans on real estate, secured by first mortgage	$283,600 00
1 ground rent, 6%	700 00
50 separate investments in securities	795,757 81
Real estate devised to Trustees	8,750 00
Real estate bought under foreclosure, carried on books at	6,990 04
Real estate held for account of the Palethorp Legacy	62,384 07
Balance uninvested	10,496 59
	$1,168,678 51

The figures in the column marked Assessed Amount in the values placed upon real estate upon which mortgages are held are those of the official assessment of the properties. Those in the column marked Appraised Amount are the valuation of the expert appraiser of the Philadelphia Trust Company, Treasurer of the Board.

The income from investments in stocks, bonds and mortgages on real estate, averaged nearly 4 9-10 per cent. Nearly all of the investments in Corporation Bonds were made at the time when the income return was much smaller than that obtainable at the present time, besides which the Trustees are necessarily restricted to the highest class of investments. The Trustees hold $58,000.00 in U. S. Liberty Loan 4¼ per cent. bonds, and $65,000.00 U. S. Treasury, one year, 4¾ per cent. Notes.

The 89 shares of Delaware & Hudson Company, 3 shares Germantown Passenger Railway Co., of Philadelphia and 14 shares Arlington Fire Insurance Co., of Washington, D. C., the only stock owned by the Trustees, were received as legacies, also real estate to the value of $8,750.00. The real estate bought under foreclosure and carried on the books at $7,740.00 has been sold, but not yet settled for, $750 having been received on account.

At the date of this Report, no interest is in default on either bonds, stocks, mortgages or real estate, except on $20,000.00 Chicago & Eastern Illinois R. R. Company's General and First Mortgage bonds. This Company was forced into the hands of a receiver by the failure of the St. Louis & San Francisco R. R. Company, lessee of the road. The bonds are a first mortgage on a considerable portion of the C. & E. I. R. R. Co. In consequence of the present unsettled conditions in railroad investments, no progress has been made in the settlement of the affairs of this Company, but the Trustees look for a satisfactory settlement.

The entire regular expenses of administering the various trusts were $2,535.52. This includes the salaries of the Secretary and of the Treasurer, the compensation of the Solicitor and also printing, auditing, etc.

In addition to acting as Treasurer, the Philadelphia Trust Company supplies to the Board, free of charge, a safe in its burglar-proof vaults under two separate sets of keys, for the safekeeping of the securities, provides storage facilities for the large number of title papers, insurance policies, etc., which accompany the mortgages, and also allowed $1,489.06 interest on current balances in their hands.

The Palethorp Memorial Presbyterian Church in Philadelphia, for the erection of which there was received a legacy of $75,000.00 is nearing completion.

The Trustees of the General Assembly expect to shortly receive some $50,000.00, being a legacy under the will of the Rev. John C. Lord, late of Buffalo, N. Y. The clause of the will under which the legacy is received is as follows:

"The remainder of my Estate I hereby bequeath to the Trustees of the General Assembly of the Presbyterian Church in the United States of America for religious and charitable uses to be called the *John C. Lord Fund*, the annual interest of which fund is to be disposed of and distributed by the said General Assembly at each annual meeting for the furtherance of the Gospel of our Blessed Saviour, at home or abroad, as to the Assembly may seem best, the fund to be held in perpetuity by said Trustees for the above uses, and to be invested in bonds and mortgages. But if this bequest should exceed $50,000.00, then the residue beyond the sum of $50,000.00 to which I limit the bequest, shall be equally divided between the Buffalo Orphan Asylum (Protestant) and the Buffalo General Hospital (Protestant) on North Street, and The Woman's Branch of the American Society for the Prevention of Cruelty to Animals."

It will be necessary for each General Assembly to direct the Trustees as to how the income from this legacy shall be distributed under the terms of the will. The Trustees respectfully request that the General Assembly direct them how this income shall be applied during the current year.

It is with great regret that the Trustees announce to the General Assembly the death of Mr. William H. Scott, one of the most useful and honored members of the Board. It will be necessary for the General Assembly to fill the vacancy occasioned by the death of Mr. Scott.

The indemnity bond of the Treasurer for $25,000.00 has been renewed for another year.

GEORGE STEVENSON, *President.*

H. P. FORD, *Secretary.*

PHILADELPHIA TRUST COMPANY, *Treasurer.*
BY J. C. WALLACE,
Treasurer.

The undersigned, in accordance with the direction of the General Assembly of 1899, have caused the securities, bonds and mortgages and other evidences of property belonging to the *Trustees of the General Assembly of the Presbyterian Church in the United States of America*, as set forth in the foregoing statement of the Treasurer, to be examined by Messrs. Vollum, Fernley & Vollum, Certified Public Accountants, whose Certificate hereto annexed shows that the same are in proper order, and amounting at their cost value in the aggregate, at the close of the fiscal year, March 31, 1920, to One million, one hundred nineteen thousand, four hundred and one and 10-100 Dollars, adding to which Thirty-eight thousand seven hundred eighty and 82-100 Dollars, being the amount expended to date for the new Church Building (Palethorp Memorial) at Second and Clearfield Streets, Philadelphia, and Ten thousand, four hundred and ninety-six and 59-100 Dollars, Cash Balance of Principal, makes total fund on hand at close of fiscal year, as shown on books, One million, one hundred, sixty-eight thousand, six hundred, seventy-eight and 51-100 Dollars.

All the securities are deposited in the vaults of the Philadelphia Trust Company, Philadelphia, and are all registered in the name of the Corporation, with the exception of Ten thousand (10,000) Dollars Cincinnati, Indianapolis, St. Louis and Chicago Railway Company General 4's, and Twenty thousand (20,000) Dollars Chicago and Eastern Illinois Railroad Company General Consolidated and First Mortgage 5's, which are coupon bonds, with no provision for registration. (Said Chicago & Eastern Illinois Railroad Company bonds were deposited on June 2, 1915, with the United States Mortgage and Trust Company, New York, under a Protective Bondholders' Agreement, and are at the present time represented by a Certificate of Deposit.)

Part of the securities mentioned in said statement were specially bequeathed to the Corporation.

The Committee further reports that all investments have been made and are maintained in carefully selected high class securities strictly within the category and classes prescribed by Article IV of the By-laws. All real estate securities are based upon the values of the specific properties not exceeding an average of 60 per cent. thereof as ascertained by both official assessment and appraisement of competent experts, and all of highest class, and, while under the exceptional monetary and financial conditions just now existent the present market price of some of the securities, other than mortgages, may be considerably less than their cost price, their real value is, in the judgment of the Committee, not diminished; the interest and income therefrom being regularly paid with one exception, namely: that on the Chicago & Eastern Illinois Railroad Company General Consolidated and First Mortgage 5 per cent. Bonds.

Default was made in the payment of interest due May 1, 1915, the road having passed into the hands of a Receiver.

A competent Committee has been formed to look after the interests of the bondholders.

No definite plan of reorganization has as yet been published, but the bonds held by the Trustees occupy such a very high position, they should not suffer under any plan of reorganization that might be formulated or put into operation.

V. Miscellaneous.

I. THE MILEAGE AND CONTINGENT FUNDS.

SPECIAL attention is called to the *Mileage and Contingent System* adopted by the General Assembly of 1870, and amended by the General Assemblies of 1875, 1877, 1884 and 1896. As amended, it is as follows:

"The Committee to whom it was referred to consider and report a uniform system of Mileage, whereby full provision may be made for the traveling expenses of the Commissioners to our General Assemblies, and to meet the contingent expenses of each Assembly, respectfully report:

"It is affirmed, *Form of Government*, Chapter xxii, Section 3, that, 'in order, as far as possible, to procure a respectable and full delegation to all our judicatories, it is proper that the expenses of ministers and elders, in their attendance on these judicatories, be defrayed by the bodies which they respectively represent.'

"The principle is thus established, that provision should be made for the payment of the traveling expenses of Commissioners to the General Assembly. This provision should be made by the Presbyteries. As far as possible, the feebler Presbyteries should be aided in this matter by the stronger. It appears just and reasonable, and so has been found by experience, that the estimated contingent expenses of each Assembly, and the traveling expenses of the Commissioners in coming to and returning from the Assembly, should be fully met by the apportionment of the whole amount among the several Presbyteries, according to the number of their communicants respectively.

"It is therefore recommended—

"1. That the Standing Committee on Mileage, annually appointed, be instructed to present an estimate of the probable amount that will be needed by the next General Assembly, in order to meet their contingent expenses and the traveling expenses of their Commissioners, with a statement of the *per capita* rate, based on the number of communicants, that will be needed to secure the amount.

"2. That the Presbyteries, at their Stated Meeting next following the adjournment of the General Assembly, apportion the amount required of their churches as they deem best.

"3. That the churches be instructed to pay over their respective apportionments at the Stated Meeting of their Presbyteries next preceding the meeting of the General Assembly—the whole amount due from the Presbytery to be forwarded to the Assembly.*

"4. That, as early as the fourth day of the sessions of the Assembly, the apportionment of each Presbytery be paid in full, and a bill of the necessary traveling expenses of its Commissioners be presented to the Standing Committee on Mileage. N.B.—It is understood that Commissioners, both in coming to and returning from the Assembly, will avail themselves of any commutation of fares that may be offered in season; and that in other cases they are to take, when practicable, the most economical route; no allowance to be made for extra accommodations on the way. Also, that Commissioners asking compensation for sleeping car fare attach receipts to their claims for Mileage for all sleeping car fares. Also, that no one will charge for return expenses unless he intends to go back to his field of labor; and that no one on a business tour, or excursion of pleasure, will make a convenience of the meeting of the Assembly and expect payment of his traveling expenses from the Mileage Fund. Also, that Commissioners, as soon after their arrival as practicable, are to report themselves to the Committee of Arrangements, and have their respective places of abode assigned them.

* See also Sec. 8, p. 444.

"5. That the Mileage Committee, after appropriating from the whole sum an amount sufficient to meet the estimated contingent expenses of the Assembly, be instructed to audit these bills, and that the Stated Clerk pay them *pro rata* (if found in accordance with the preceding regulations), as far as the funds will permit.

"6. That, in order to avail themselves of the proceeds of this fund, the Presbyteries must contribute their full proportion to it according to the *per capita* rate.

"7. That every Minister, and every vacant church contributing to this fund, connected with the Presbyteries thus complying with the provisions of this plan, be entitled to a copy of the Annual *Minutes* of the General Assembly.

"8. That the Commissioners from Presbyteries in foreign lands receive their necessary traveling expenses, *pro rata*, from and to their place of residence in this country."

In accordance with this system, every Presbytery is requested to pay in full, next year, to the Stated Clerk of the General Assembly, a sum equal to *three cents* for Mileage, and *three cents* for Contingent Expenses, or in all *six cents* for every communicant under the care of their churches, as determined by their Statistical Report, herewith printed. This will entitle their Commissioners to a full share in the apportionments for necessary traveling expenses. It is expected that these expenses will be fully met, if the Presbyteries comply with the recommendations of the Assembly.

They are expected, also, to provide for an

ENTERTAINMENT FUND.

In addition to the Mileage Fund, the Assembly of 1877 made provision for a "Supplemental Contingent Expense Fund," to "be used for the purpose of meeting the expense of entertaining such Commissioners as are not otherwise provided for." Each Presbytery is requested to contribute to this fund a sum equal at least to *two cents* per church member, and to forward it, with the Mileage and Contingent Funds, to the Stated Clerk of the Assembly.

The bills for entertainment for moneys actually expended, up to the limit fixed by the Assembly, the Stated Clerk and the Treasurer are authorized to pay, subject to the provisions of the Plan of Financial Administration of the Assembly. See also Standing Rule No. 26, p. 448[3].

☞ See, *Minutes* of 1920, p. 187.

II. THE ANNUAL MINUTES.

The *Minutes* for 1920 will be supplied at *$1.25* per copy, carriage included. A copy will be sent, without charge, to the Stated Clerk of every Presbytery and of every Synod; also (in the case of every Presbytery which has paid its full apportionment to the Mileage and Contingent Funds of the Assembly) to every ordained Minister, and to the Session of each contributing *vacant* church, *whose address is known;* also to every ordained missionary of the foreign Presbyteries.

III. SYNODICAL REPORTS.

A *Statistical Report* is to be forwarded to the Assembly by the Stated Clerk of every Synod; in which are to be stated the number and names of the Presbyteries within their bounds; the changes which may have been made in the number or arrangement of their Presbyteries; the names of the Stated Clerks of the Presbyteries; the place and hour of the next annual meeting; and the names of the Moderator and Stated Clerk of the Synod. A blank will be sent to the Stated Clerk of every Synod, near the close of the calendar year, which should be filled up and forwarded, without delay, to the Stated Clerk of the Assembly.

IV. PRESBYTERIAL REPORTS.

It is required of every Presbytery to prepare and forward to the General Assembly:

1. A *Statistical Report*, according to the form exhibited on page 448 of the present Appendix: a printed blank for which will be furnished in due season, by order of the Assembly, to the Stated Clerk of every Presbytery. This

Report should, if possible, embrace all the changes in the Presbytery previous to the first day of April.

2. A *Narrative of Christian Life and Work* within the bounds of the Presbytery, for the year ending March 31st. A blank has been adopted by the Assembly (*Minutes*, 1917, p. 289; 1918, pp. 243, 283; 1919, pp. 264, 319), and a copy will be forwarded to every Stated Clerk. As the Narratives are not to be publicly read, less care may be given to their style, and more to the details of particulars, such as will aid the Standing Committee of the Assembly in preparing their Annual General Narrative of the State of Religion within the bounds of the Church. The blanks for the *Congregational* Narratives are also furnished by the Stated Clerk of the Assembly.

3. A *Tabulated Statement*. By order of the Assembly of 1880, a blank for a Tabulated Statement of facts will annually be forwarded to the Stated Clerk of each Presbytery, to be filled properly, and duly reported to the Assembly. This Tabulated Statement should be sent to the Stated Clerk of the Assembly, together with the Narrative, at least ten days before the meeting of that body.

A statement of the number of licensures, ordinations, installations, dissolutions of pastoral relations; organizations and dissolutions of churches; receptions and dismissions of Ministers and churches; together with the number of deaths of Ministers since the last Annual Report, are to be inserted in the proper places in the Tabulated Statement.

V. STATED CLERKS OF PRESBYTERIES.

In preparing the Statistical Report, let the following RULES be strictly observed:*

(1) Fill up the *Statistical Report Blank* in every detail. (See above, §1.)

(2) Record Ministers in the order of their MINISTERIAL AGE, *not alphabetically*, with their CHRISTIAN names in full, without abbreviations, or duplications, and put their P. O. address on the same line, in the adjoining column.

(3) Report as *in transitu* the name of each Minister dismissed by action of Presbytery. Do not strike his name from your Roll until you have been officially informed of his reception by another Presbytery.

(4) ☞Place the name of every Church and Mission Chapel opposite the name of its Pastor, or Stated Supply; never opposite the name of any other Minister. If the Church is Vacant, place it at the foot of the roll and give its P.O. address. If the Church uses in worship a language other than English, indicate the fact by words, such as German, Welsh, Spanish, Indian, Bohemian, etc.☜

(5) Place after the name of every Minister an abbreviation, denoting his occupation: *e.g.:*

Agt., Agent of Benevolent Institution.
A.P., Associate Pastor.
Ch., Chaplain.
Chan., Chancellor.
C.M., City Missionary.
Col., Colporteur.
C.P., Colleague Pastor.
D.M., District Missionary.
D.R.E., Director Religious Education.
D.Sec., District Secretary of Benevolent Institution.
Ed., Editor.
Ev., Evangelist.
F.M., Foreign Missionary.
H.R., Honorary Retired Minister.
Libr., Librarian.
P., Pastor.
P.E., Pastor-Elect.
P.Ev., Pastor-Evangelist.
P.Em., Pastor Emeritus.
P.M., Presbyterial Missionary.
Pres., President of College, Seminary or University.
Prin., Principal of Academy, etc.
Prof., Professor in College or Seminary or University.
Sec., Secretary or Stated Clerk.
S.M., Synodical Missionary.
S.S., Stated Supply.
S.S.M., Sabbath-school Missionary.
Supt., Superintendent.
Tea., Teacher.
T.M., Tract Missionary.
Univ.P., University Pastor.

It is respectfully recommended that such titles as B.D., Ph.D., A.M. Sc.D., be omitted after the names of ministers. Their insertion has not been approved by General Assembly.

* The Reports of the Presbyteries in the *Minutes* show the established form, which should be carefully followed in every particular by *Clerks of Sessions*, as well as by Stated Clerks of Presbyteries.

(6) Place after the name of every Church the abbreviation P., for one that has a Pastor; P.E., for one that has a Pastor-Elect; S.S., for one that has a Stated Supply; V., for one that is vacant, and also add "m" for each church with a manse.

(7) If a Church fail to report, let the "whole number" of communicants be given as reported to the Synod, or to the last Assembly, with an asterisk (*) in the column of communicants, denoting the fact.

(8) *Additions.*—In the additions to church membership, distinguish between those by Examination, those by Certificate, and those by Restoration. The column headed "Restored" is to include all those who have been reinstated, whether from the Suspended Roll, or by action of Session in restoration after full judicial process.

(9) *Losses.*—In the losses, distinguish between those dismissed by letter, those placed upon the Suspended Roll, and those deceased. The column headed "Dismissed, etc.," is to include the members dismissed to other churches, also those erased from the roll under Sections 49 and 53, Book of Discipline, and also those excommunicated. The column headed "Suspended Roll" is to include the number of non-resident members whose cases were acted upon, *during the year*, by the Session under Sections 50 and 51, Book of Discipline (not the total number on the Roll); also those suspended after full judicial process.

(10) *Baptisms.*—In the baptisms, distinguish between the persons baptized upon confession and those baptized as infants.

(11) *Balancing of Returns.*—Compare your report of communicants with that of the previous year and adjust the return so that it will balance. For example: Total members previous year, 205. Additions, "Examination" 22, "Certificate" 16, "Restored" 5, total 43. Losses, "Dismissed," etc., 12, "Suspended Roll" 18, "Deceased" 6, total 36. Gain, 7. Net total this year, 212.

(12) *Sabbath-school Membership.*—To include officers, teachers and scholars in all Sabbath-schools connected with the congregation, not including the "Cradle Roll" nor the "Home Department." [*Note.*—A separate statement of the details of Sabbath-school work is to be made, on its special blank, for the use of the Board of Publication and Sabbath School Work.]

Funds.—The columns for the Funds Contributed are to be filled as follows:

a. Home Missions.—To include all moneys paid to the Board, all moneys paid for Presbyterial and Synodical Home Missions and Church Extension, also all moneys paid to any general Home Mission object; including contributions of societies, value of boxes, etc.

b. Foreign Missions.—To include all moneys paid for the spread of the Gospel in foreign fields, whether given to the Board or other agencies; including contributions of societies, etc., and gifts to institutions connected with the Board.

c. Education.—To include all moneys paid for the education of candidates for the ministry, whether to the General Board or other agencies, and also gifts to Theological Seminaries. Also to include all moneys paid to colleges, academies and schools, except Foreign Mission and Freedmen's schools.

d. Sabbath-school Work.—To include all moneys paid to the Board of Publication and Sabbath-school Work for its missionary operations, and to other Sabbath-school organizations. The contributions for the support of the Home Sabbath-school are to be placed in the column headed "Congregational."

e. Church Erection.—To include all moneys paid for church erection outside of the congregation, whether through the Board or otherwise.

f. Relief and Sustentation.—To include all moneys paid in behalf of disabled ministers and missionaries, and in aid of their families, whether to the combined Boards of Relief and Sustentation or otherwise; including contributions of societies, etc.

g. Freedmen.—To include all moneys paid for the evangelization and education of Freedmen, whether through the Board or otherwise; including contributions of societies, etc., and gifts to institutions connected with the Board.

h. Temperance.—To include all moneys given to the Board of Temperance and Moral Welfare or to other like agencies.

i. Evangelistic Work.—To include all moneys given for the budget of the General Assembly's Permanent Committee on Evangelism, and to Synodical

and Presbyterial Evangelistic Committees working in conjunction with the Assembly's Committee.

j. Bible Societies.—To include all moneys paid to the American Bible Society, or to other Bible agencies.

k. General Assembly, etc.—To include all moneys given for ecclesiastical expenses, whether for Presbytery, Synod or General Assembly. Give both dollars and cents in this column.

l. Congregational.—To include all moneys collected in or by the congregation for local church purposes—the salary of the minister, the support of the church Sabbath-schools, the relief of the poor, building and repairing edifices, the liquidation of debts, church endowments and other objects. Moneys received from any other church or Board for the salary of the minister or other expenses should not be included.

m. Miscellaneous.—To include all moneys paid to Tract Societies, Christian Endeavor, Young Men's Christian Associations, Hospitals, general benevolence, etc.

Individual Gifts.—If the donors do not object, the direct gifts of individuals to any of the Boards, or to the causes they represent, should be reported with other gifts under the proper head. Individual gifts for religious and charitable causes not included in the regular schedule should be placed under the head "Miscellaneous."

Be sure to omit the fractions of the dollar, except in the General Assembly column.

(14) The *Names* of the Licentiates are to be recorded immediately after the list of Ministers, in the same column, with their *Addresses* in the next column; next give the *Names* and *Addresses* of the Local Evangelists: these are *not* ordained ministers. Of the Candidates—including all who are studying for the ministry under the care of the churches of the Presbytery—the *Number* only is to be given.

(15) ☞**ADD UP**☜ and **verify** every column of figures, and *Authenticate* the Report with your signature, together with the date.

(16) Avoid erasures and interlineations, **make names and numbers distinctly legible,** and punctuate properly.

(17) Affix no extraneous matter, such as memoranda, explanations, or orders for the delivery of the printed *Minutes* of the Assembly; let these be given on a separate sheet; also, every Overture to the Assembly.

Revise your Report, and find out its defects. Put in the commas and periods that are wanting; fill out the abbreviations; supply the *Christian* names of every Minister (an *initial* letter is not a name), and see that every name and figure is perfectly legible and arranged in strict accordance with the established form.

☞Forward the Statistical Report by April 24, or if this cannot be done let it be sent at the earliest date possible to the office of the STATED CLERK OF THE GENERAL ASSEMBLY, Witherspoon Building, Philadelphia, Pa.

IX. STANDING ORDERS AND RULES.

1. The General Assembly shall meet annually, on the third Thursday of May, beginning at 10.30 A.M.; the afternoon session shall be held at 2.30 P.M.

2. The credentials of Commissioners and Delegates are to be presented at a previous hour of the same day, or of the preceding day, according to public notice, to the Stated and Permanent Clerks, acting as a Permanent Committee on Commissions.

3. The Lord's Supper is ordinarily to be celebrated by the Assembly on the evening of Thursday, the first day of its sessions.

4. The dates assigned to popular meetings are as follows:
The evening of Friday, the second day, to the Board of Publication and Sabbath School Work and the Sabbath-school interests of the Church.
The evening of Saturday, the third day, to the Permanent Committee on Men's Work.
The afternoon of the first Sunday, to Home Missions at 3 P.M., to Foreign Missions at 3 P.M., to Temperance at 4 P.M., and evening to Education.
The evening of Monday, the fourth day, to Missions among the Freedmen.
The evening of Tuesday, the fifth day, to the Home Mission Work.
The evening of Wednesday, the sixth day, to the Foreign Mission Work.
The evening of Thursday, the seventh day, to the cause of Education.

5. The whole territory of the Church shall be divided into twenty-two Electing Districts, composed of Presbyteries, so arranged, by combining the smaller Synods, and dividing the larger by Presbyteries, as to make nearly equal delegations, as follows, *e.g.:*

6. (*a*) The General Assembly shall be divided into twenty-two Electing Sections, composed of Commissioners, so arranged as to make the Sections of nearly equal delegations. The Electing Sections shall be numbered the same as the Electing Districts.

(*b*) The members of each Electing Section shall be seated together in a compact body. Accordingly, each Commissioner shall be assigned to his seat in advance of the meeting of the Assembly, by the Committee of Arrangements, under the supervision and direction of the Stated Clerk, and shall occupy such pew or seat from the beginning of the first session until the end of the second day. The Commissioners of any one Electing District shall not occupy the same position relative to the Moderator's Chair two years in succession. Electing Sections, in the place of meeting, shall be numbered beginning from right to left immediately in front of the Moderator, and the respective Electing Sections shall be rotated from front to rear successively.

(*c*) The organization of the Electing Sections shall be effected in the following manner, to wit:

Immediately after the roll call, and before the nominating and seconding speeches for Moderator shall be made, the Stated Clerk shall announce one Commissioner in each Electing Section as the Convener thereof, and the receiver of any necessary papers for the Section. Under the supervision of such Convener, each Electing Section shall then elect a Chairman and a Secretary. The quorum of an Electing Section shall be a majority of its members.

7. (*a*) The roll shall be called immediately after the opening prayer at the afternoon session of the first day, in the following manner, unless there be a motion to the contrary, to wit: only the names of absentees as they appear on the roll of the Permanent Committee on Commissions shall be called, at which time any needed corrections may be made.

(*b*) After the election of the Moderator, the Permanent Clerk shall report absentees from the first roll-call. Vacancies in the Electing Sections may then be filled by the Assembly. Whenever additional members take their seats, the Permanent Clerk shall add their names to the roll.

(*c*) No Commissioner failing to enroll shall be allowed to vote in his Electing Section.

8. The election of the Moderator shall be effected immediately after the roll-call and the organization of the Electing Sections, in the following manner, to wit:

(*a*) Only one speech nominating a candidate for Moderator shall be made, limited to ten minutes; and only one speech, and that not to exceed five minutes, shall be made in seconding the nomination of a candidate.

(*b*) Where there is only one nominee for Moderator, the election may be made by acclamation. Where there are more than one, the election may be made by ballot, in the following manner, to wit:

After the nominations are made (the organization of the Electing Sections having been effected (see Rule 6, (*c*)), the Chairman of each Electing Section shall appoint two tellers. Each Commissioner shall write the name of his choice on a blank, to be provided in advance by the Stated Clerk. The tellers shall collect the ballots and count them, under the supervision of the Chairman. The result shall be recorded by the Secretary on blanks in duplicate, one of which shall be handed to the Stated Clerk, with the number of the Section written thereupon. The other shall be retained by the Secretary.

(*c*) When the reports of the ballots have been handed in from all the Sections, the Stated Clerk shall read each aloud, giving the number of the Section and the vote cast. Tellers appointed by the Stated Clerk shall take and tabulate the votes as read. The Moderator shall then announce the vote as tabulated. If no one has received a majority of the whole vote, another vote shall be taken in the same manner. When one shall have received a majority, the Moderator shall announce the result, and declare him to be elected.

9. The election of the Standing Committees, by the Electing Sections, shall be effected immediately after the election of the Moderator, in the following manner, to wit:

(*a*) The Electing Sections shall meet, at the places assigned them, for the purpose of electing the Standing Committees, at the close of the second session on Thursday, the first day, and the place of meeting shall be designated by the Stated Clerk.

(*b*) The Standing Committees shall be numbered consecutively, and shall each consist of twenty-three members, including the Chairman and eleven ministers and eleven elders. The Committees shall be chosen from the Electing Sections as herein provided. The quorum shall be a majority of the members. Each Presbytery shall be represented on some Standing Committee.

(*c*) On odd-numbered years, each odd-numbered Section shall elect one minister for each odd-numbered Committee, and one elder for each even-numbered Committee.

On the same year, each even-numbered Section shall elect one minister for each even-numbered Committee, and one elder for each odd-numbered Committee.

On the even-numbered years this order shall be reversed.

(*d*) The Stated Clerk shall furnish to each Electing Section properly printed Election Return Blanks, for the election of the Standing Committees, which shall be filled in by the Secretary of the Electing Section, and returned forthwith to the Stated Clerk, and the Stated Clerk shall, if possible, furnish to each Chairman, before the close of the first day, a list of the members of his Committee, and shall also announce, at the close of the evening session, the names of the Committees on Bills and Overtures and on Judicial Business.

(e) As soon as possible after his election, the Moderator shall appoint an additional member of each Standing Committee, who shall be the Chairman thereof, provided that he shall not appoint more than one member, as Chairman, from the same Electing Section, except in the case of the Committees on Mileage and on Finance, and the Chairmen of these two Committees shall be Ruling Elders.

If the Moderator shall appoint, as a member and Chairman of any Standing Committee, any one chosen by any Electing Section, as a member of that or any other Standing Committee, the appointment of the Moderator shall take precedence, and the Electing Section shall choose another member to fill the vacancy on the Committee, caused by the Moderator's appointment.

10. The Stated Clerk shall give notices to the Commissioners as to their places in the Electing Sections and as to the Committeemen to be chosen. He shall also assign their places, in the Electing Districts, to new Presbyteries that may be erected during the intervals of the meetings of the Assembly, and he shall attend to other details connected with the operation of the Plan.

11. The Reports of the Committees shall be considered at the times herein designated, viz.:

12. That the Standing Committees on Home Missions, Foreign Missions and Education, have each one and a half hours for the consideration of their reports; and those on Publication, Church Erection, Ministerial Relief, Freedmen, Temperance, Evangelism and Men's Work have each one hour; the time shall be divided in the following manner, one-half to the Standing Committee, and one-half to the floor; the Secretary or other representative of the Board or Agency to have at least one-half of the time assigned to the Standing Committee, if he so desires. No Commissioner shall be allowed to speak more than five minutes, until all other Commissioners have been heard who desire to speak on the pending question; that the reports of the chairman shall contain only the recommendations to be submitted to the Assembly, all details contained in the printed reports of the Boards and Agencies to be omitted from the reports; that the address on a report shall be delivered by a representative of the Board or Agency reported upon, and that it shall be the duty of the Stated Clerk to communicate this rule to the chairmen of the standing committees upon their appointment.

13. The Stated Clerk shall receive all Memorials, Overtures and other miscellaneous papers addressed to the General Assembly, shall make record of the same, and then deliver them, for distribution or reference, to the Standing Committee on Bills and Overtures. All complaints and appeals, however, shall be transmitted by the Stated Clerk directly to the Judicial Committee. (See p. 448[11].)

14. All Special Committees appointed by one General Assembly to report to the next Assembly shall be ready to present their Reports on the second day of the session. Only one formal address in explanation of a Report shall be made. (See Rule 27.)

15. The Stated Clerk shall have printed and ready for distribution, so far as practicable, on the morning of the day fixed for their consideration, the resolutions appended to the Reports of Standing Committees.

16. The Stated Clerk and Permanent Clerk shall be a Committee to revise the phraseology of all papers sent down to the Presbyteries to be voted upon, provided that in no case shall this Committee so change the phraseology as to alter the meaning [1886, p. 113].

17. The Stated and Permanent Clerks shall be a Committee to supervise the publication of any and all editions of the Constitution hereafter issued by the Board of Publication, and also of the Rules for Judicatories [1886, p. 113].

18. Each Board and Permanent Committee is instructed to send up its Minutes with its Annual Report, that these Minutes may be reviewed by the Assembly, on the Report of the appropriate Standing Committee [1885, p. 690].

19. A sufficient number of the Reports of the Boards and Committees shall be forwarded by them to the place of meeting of each Assembly, prior to the day of meeting; and a complete file of the same, stitched together, shall be delivered to each Commissioner [1886, p. 77].

20. In all regions, where through the organization of Union Presbyteries or the existence of Missions without Presbyterial organization, there are no Presbyteries in connection with this Assembly, each Mission organized, as such, under our Board of Foreign Missions, may send to the General Assembly an ordained missionary, or ruling elder, as a delegate; and the Standing Rules of the Assembly are hereby so amended that such delegate is entitled to sit as an advisory member in the Assembly, and to speak, under the rules, on all questions, and that his expenses from his domicile, in this country, to and during the Assembly, and return, shall be met as those of Commissioners, out of the funds of the Assembly [1887, p. 247]. This rule shall also apply to Home Mission Presbyteries whose members are so located as to prevent regular meetings, and in the discretion of the Assembly. The names of the Advisory members shall be called at the first Roll-Call, and seats shall be assigned them by the Stated Clerk. [1907, p. 88; 1908, p. 130.]

21. No person shall serve as a member of a Board who is a salaried executive officer or employé of said Board, or of any institution officially connected with said Board, or a member of any other benevolent Board of the Church; and no more than one ruling elder from the same congregation shall serve on a Board at the same time [1887, pp. 51, 108; 1898, p. 132].

22. Any vacancy occurring in the membership of any of the Boards of the Church, during the interval between Assemblies, may be filled, until the next succeeding meeting of the Assembly, by the Board in which such vacancy may occur [1887, p. 128].

23. The Moderator is authorized to fill by appointment any vacancies which may occur, by resignation or otherwise, in any of the Special Committees [1892, p. 209].

24. All resolutions for the appropriation of money, outside the Boards, should be brought before the Finance Committee, before action by the Assembly [1892, p. 199].

25. The recommendation of any particular congregation to the benevolence of the denomination, by the General Assembly, is not to be understood as creating either a legal or a moral obligation upon the Assembly for the payment of the amount recommended to be contributed by the churches [1892, p. 36; 1893, p. 41].

26. The Stated and Permanent Clerks shall be a Committee to have the oversight of arrangements for the entertainment of the General Assembly [1896, p. 130].

27. All reports of Special and other Committees shall be delivered to the Stated Clerk on or before April 1, in each year, shall be printed by him, and copies shall be sent, in bound form, to Commissioners, so far as practicable, immediately upon notification of their election; and copies shall also be delivered to the Assembly on the second day of the sessions.

28. Upon the original appointment of any salaried executive officer of any of the Benevolent and Missionary Boards of the Church, such appointment shall be subject to the approval of the General Assembly [1898, p. 132].

29. The Moderator, with the Stated and Permanent Clerks, should an emergency requiring action at any time arise, are authorized to provide a new place of meeting for the General Assembly.

30. Hereafter, all Overtures from Presbyteries and Synods, which are to come before the General Assembly, shall be, so far as practicable, in the hands of the Stated Clerk at least two weeks before the meeting of the Assembly, and by him shall be printed in convenient form for distribution on the floor of the Assembly, such distribution to be made not later than the second day of the Assembly.

31. All Overtures, memorials and miscellaneous papers, connected with the business of the Assembly, must be presented to the Assembly through the Stated Clerk not later than the close of the second day of its session.

32. The election of members of Judicial Commissions of the General Assembly shall take place on the morning of Tuesday, the fifth day, as the first Order of the Day, in the following manner:

It shall be the duty of the Judicial Committee of the General Assembly to report to the Assembly, on Tuesday, the fifth day, suitable nominations to fill the vacancies on the Permanent Judicial Commission of the General Assembly, from which nominations, together with any others regularly made by the Commissioners at the same time as those made by the Judicial Committee, the necessary number of persons shall be elected, on Thursday, the seventh day, as the first Order of the Day.

33. The Permanent Judicial Commission of the General Assembly shall have authority to adopt rules pertaining to its own method of procedure, and shall report the same to the General Assembly; *provided*, that such rules shall not be inconsistent with the Constitution of the Church or the rules adopted by the General Assembly.*

34. When members of Committees do not attend for two successive meetings, and their absence is unexcused, then their places become automatically vacant, and the Moderator of the Assembly is authorized to appoint their successors. [1915, p. 31.]

35. Wherever practicable, neither ministers nor elders shall be appointed to serve on more than one special committee, except by consent of the General Assembly.

36. The Assembly of 1920 directed that "to the list of the General Assembly's Standing Committees there shall be added one, as Number 19, on Synodical Records, to which shall be referred all Minutes of Synods, for examination, this method of caring for the records of Synods to supplant the one now in vogue."

37. Only notices connected directly with the business of the General Assembly shall be read from the platform, and all notices, prior to announcement, shall be submitted either to the Moderator or the Stated Clerk for approval. Telegrams and special letters shall be reported to the Assembly only at times to be designated by the Moderator.

38. The Standing Orders and Rules may be suspended by a two-thirds vote of the Assembly, upon motion duly made.

* See Rules for Judicatories, No. XLIV. See also p. 448[12].

GENERAL RULES FOR JUDICATORIES.

[The following "General Rules for Judicatories," not having been submitted to the Presbyteries, make no part of the Constitution of the Presbyterian Church. Yet the General Assembly of 1871, considering uniformity in proceedings in all the subordinate judicatories as greatly conducive to order and despatch in business, having revised and approved these rules, recommended them to all the lower judicatories of the Church for adoption. Subsequent Assemblies have modified them from time to time.]

I. The Moderator shall take the chair precisely at the hour to which the judicatory stands adjourned; and shall immediately call the members to order; and, on the appearance of a quorum, shall open the session with prayer.

II. If a quorum be assembled at the time appointed, and the Moderator be absent, the last Moderator present *being a Commissioner*, or, if there be none, the senior member present, shall be requested to take his place without delay, until a new election.

III. If a quorum be not assembled at the hour appointed, any two members shall be competent to adjourn from time to time, that an opportunity may be given for a quorum to assemble.

IV. It shall be the duty of the Moderator, at all times, to preserve order, and to endeavor to conduct all business before the judicatory to a speedy and proper result.

V. It shall be the duty of the Moderator, carefully to keep notes of the several articles of business which may be assigned for particular days, and to call them up at the time appointed.

VI. The Moderator may speak to points of order, in preference to other members, rising from his seat for that purpose; and shall decide questions of order, subject to an appeal to the judicatory by any two members.

VII. The Moderator shall appoint all committees, except in those cases in which the judicatory shall decide otherwise. In appointing the Standing Committees, the Moderator may appoint a Vice-Moderator, who may occupy the chair at his request, and otherwise assist him in the discharge of his duties.

VIII. When a vote is taken by ballot in any judicatory, the Moderator shall vote with the other members: but he shall not vote in any other case, unless the judicatory be equally divided; when, if he do not choose to vote, the question shall be lost.

IX. The person first named on any committee shall be considered as the chairman thereof, whose duty it shall be to convene the committee; and, in case of his absence or inability to act, the second named member shall take his place and perform his duties.

X. It shall be the duty of the Clerk, as soon as possible after the commencement of the sessions of every judicatory, to form a complete roll of the members present, and put the same into the hands of the Moderator. And it shall also be the duty of the Clerk, whenever any additional members take their seats, to add their names, in their proper places, to the said roll.

XI. It shall be the duty of the Clerk immediately to file all papers, in the order in which they have been read, with proper endorsements, and to keep them in perfect order. The Stated Clerk shall receive all overtures, memorials and miscellaneous papers addressed to the judicatory; shall make record of the same and deliver them to the Committee on Bills and Overtures for appropriate disposition or reference. This committee shall have the floor on the reassembling of the judicatory after each adjournment, to report its recommendations as to orders of business or reference of papers, and this right of the committee

shall take precedence of the Orders of the Day. This committee shall report the papers retained by it, as well as those recommended for reference to other committees, and no committee shall report on matters which have not been referred to it by the judicatory. (See Standing Rule, No. 13, p. 448[8].)

XII. The minutes of the last meeting of the judicatory shall be presented at the commencement of its sessions, and, if requisite, read and corrected.

XIII. Business left unfinished at the last sitting is ordinarily to be taken up first.

XIV. A motion made must be seconded, and afterwards repeated by the Moderator, or read aloud, before it is debated; and every motion shall be reduced to writing, if the Moderator or any member require it.

XV. Any member who shall have made a motion, shall have liberty to withdraw it, with the consent of his second, before any debate has taken place thereon; but not afterwards, without the leave of the judicatory.

XVI. If a motion under debate contain several parts, any two members may have it divided, and a question taken on each part.

XVII. When various motions are made with respect to the filling of blanks, with particular numbers or times, the question shall always be first taken on the highest number and the longest time.

XVIII. Motions to lay on the table, to take up business, to adjourn, and the call for the previous question, shall be put without debate, but it shall not be in order for any one debating another motion to propose the motion to lay on the table or the previous question, at the close of his remarks, unless he shall obtain the floor again for that purpose. On questions of order, postponement, or commitment, no member shall speak more than once. On all other questions, each member may speak twice, but not oftener, without express leave of the judicatory.

XIX. When a question is under debate, no motion shall be received, unless to adjourn, to lay on the table, to postpone indefinitely, to postpone to a day certain, to commit, or to amend; which several motions shall have precedence in the order in which they are herein arranged; and the motion for adjournment shall always be in order.

XX. An amendment, and also an amendment to an amendment, may be moved on any motion; but a motion to amend an amendment to an amendment, shall not be in order. Action on amendments shall precede action on the original motion. A substitute shall be treated as an amendment.

XXI. A distinction shall be observed between a motion to lay on the table *for the present*, and a motion to lay on the table *unconditionally*, viz.: A motion to lay on the table, *for the present*, shall be taken without debate; and, if carried in the affirmative, the effect shall be to place the subject on the docket, and it may be taken up and considered at any subsequent time. But a motion to lay on the table, *unconditionally*, shall be taken without debate; and, if carried in the affirmative, it shall not be in order to take up the subject during the same meeting of the judicatory, without a vote of reconsideration.

XXII. The previous question shall be put in this form, namely, Shall the main question be now put? It shall be admitted only when demanded by a majority of the members present; and the effect shall be to put an end to all debate and bring the body to a direct vote: First, on a motion to commit the subject under consideration (if such motion shall have been made); secondly, if the motion for commitment does not prevail, on pending amendments; and, lastly, on the main question.

XXIII. A question shall not be again called up or reconsidered at the same sessions of the judicatory at which it has been decided, unless by the consent of two-thirds of the members who were present at the decision; and unless the motion to reconsider be made and seconded by persons who voted with the majority.

XXIV. A subject which has been indefinitely postponed, either by the operation of the previous question, or by a motion for indefinite postponement, shall not be again called up during the same sessions of the judicatory, unless by the consent of three-fourths of the members who were present at the decision.

XXV. Members ought not, without weighty reasons, to decline voting, as this practice might leave the decision of very interesting questions to a small proportion of the judicatory. Silent members, unless excused from voting, must be considered as acquiescing with the majority.

XXVI. When the Moderator has commenced taking the vote, no further debate or remark shall be admitted, unless there has evidently been a mistake, in which case the mistake shall be rectified, and the Moderator shall recommence taking the vote. If the House shall pass the motion to "vote on a given subject at a time named," speeches shall thereafter be limited to ten minutes. Should the hour for adjournment or recess arrive during the voting, it shall be postponed to finish the vote, unless the majority shall vote to adjourn; in which case the voting shall, on the reassembling of the House, take precedence of all other business till it is finished. Under this rule, the "yeas and nays" shall not be called except on the final motion to adopt as a whole. This motion to fix a time for voting shall be put without debate.

XXVII. The yeas and nays on any question shall not be recorded, unless required by one-third of the members present. If division is called for on any vote, it shall be by a rising vote, without a count. If, on such a rising vote, the Moderator is unable to decide, or a quorum rise to second a call for "tellers," then the vote shall be taken by rising, and the count made by tellers, who shall pass through the aisles, and report to the Moderator the number voting on each side.

XXVIII. No member, in the course of debate, shall be allowed to indulge in personal reflections.

XXIX. If more than one member rise to speak at the same time, the member who is most distant from the Moderator's chair shall speak first. In the discussion of all matters where the sentiment of the House is divided, it is proper that the floor should be occupied alternately by those representing the different sides of the question.

XXX. When more than three members of the judicatory shall be standing at the same time, the Moderator shall require all to take their seats, the person only excepted who may be speaking.

XXXI. Every member, when speaking, shall address himself to the Moderator, and shall treat his fellow-members, and especially the Moderator, with decorum and respect.

XXXII. No speaker shall be interrupted, unless he be out of order, or for the purpose of correcting mistakes or misrepresentations.

XXXIII. Without express permission, no member of a judicatory, while business is going on, shall engage in private conversation; nor shall members address one another, nor any person present, but through the Moderator.

XXXIV. It is indispensable that members of ecclesiastical judicatories maintain great gravity and dignity while judicially convened; that they attend closely, in their speeches, to the subject under consideration, and avoid prolix and desultory harangues; and, when they deviate from the subject, it is the privilege of any member, and the duty of the Moderator, to call them to order.

XXXV. If any member act, in any respect, in a disorderly manner, it shall be the privilege of any member, and the duty of the Moderator, to call him to order.

XXXVI. If any member consider himself aggrieved by a decision of the Moderator, it shall be his privilege to appeal to the judicatory, and the question on the appeal shall be taken without debate.

XXXVII. No member shall retire from any judicatory without the leave of the Moderator, nor withdraw from it to return home without the consent of the judicatory.

XXXVIII. All judicatories have a right to sit in private, on business which, in their judgment, ought not to be matter of public speculation.

XXXIX. Besides the right to sit judicially in private, whenever they think proper to do so, all judicatories have a right to hold what are commonly called "interlocutory meetings," in which members may freely converse together, without the formalities which are usually necessary in judicial proceedings.

XL. Whenever a judicatory is about to sit in a judicial capacity, it shall be the duty of the Moderator solemnly to announce, from the chair, that the body is about to pass to the consideration of the business assigned for trial, and to enjoin on the members to recollect and regard their high character as judges of a court of Jesus Christ, and the solemn duty in which they are about to act.

XLI. It is expedient that Judicatories appoint a Standing Committee, to be known as the "Judicial Committee," to whom shall be referred all papers and questions of a judicial nature, and whose duty it shall be to recommend to the judicatory answers to judicial questions, and orders of procedure in all judicial cases.

In the General Assembly, the province of the Judicial Committee shall be to pass upon the question of the regularity of the papers and the record in all cases referred to it by the Assembly; to determine, upon the face of the papers, whether questions of doctrine or Constitution are raised, and if, *prima facie*, there is a case, to recommend the same to the Assembly for reference to Judicial Commissions. The members of the Judicial Committee are not debarred by their appointment from sitting and voting as members of the judicatory.

XLII. The permanent officers of a judicatory shall have the rights of corresponding members in matters touching their several offices.

XLIII. The Moderator of every judicatory above the Church Session, in finally closing its sessions, in addition to prayer, may cause to be sung an appropriate psalm or hymn, and shall pronounce the apostolical benediction.

XLIV. Whenever a case is to be taken from an inferior judicatory to the General Assembly, the Stated Clerk of such inferior judicatory shall, at least twenty days before the meeting of the General Assembly, send a notice concerning such case to the Stated Clerk of the Assembly, who shall forthwith notify the Chairman of the Permanent Judicial Commission, unless the General Assembly shall have ordered otherwise, that the services of the Commission will be needed at the approaching Assembly; but if no such notice shall be received by the Stated Clerk of the General Assembly, he shall forthwith notify the Chairman of the Permanent Judicial Commission that the services of the Commission will not be needed at the approaching Assembly.

XLV. These Rules may be suspended by a two-thirds vote of the judicatory, upon motion duly made.

7. The officers of this Commission shall be elected, annually, on Tuesday, the fifth day of the meeting of the General Assembly, at 3 o'clock P.M., and such officers shall assume the duties of their several offices upon the final adjournment of the General Assembly, serving in the interim between meetings of the General Assembly and until final adjournment of the next succeeding General Assembly.

(*Minutes*, 1915, p. 287.)

RULES GOVERNING THE TAKING AND HEARING OF APPEALS AND COMPLAINTS.

The General Assembly of 1914 adopted certain rules on the above subject which are given below so far as related to Assembly business.

1 and 2: These rules have to do with the duties of Stated Clerks of Presbytery and Synod.

If the Judicial Committee finds that all such precedent action had is properly embraced therein, it shall then certify such case to the General Assembly, which certificate shall be in the following form:

"The Judicial Committee of the General Assembly of 19— hereby certifies that it has duly examined all the papers, documents and records filed with it by the Stated Clerk of the Assembly in the within Case, and finds that all steps have been taken which are required by the laws of the Church, in order to properly present to the Permanent Judicial Commission the questions arising therein, and herewith transmits to said General Assembly all such papers, documents and records."

5. It shall be the duty of the Clerk of the Judicial Commission to docket the records of each of said Causes in the order indorsed thereon by the Stated Clerk of the General Assembly.
